Preliminary Proxy Statement on Schedule 14A

Proposal 1

Information Concerning the Board of Directors and Its Committees, page 4

1. Disclosure pursuant to the requirements of Item 7(d)(3)(i) of Schedule 14A and Item 306 of Regulation S-B does not appear to have been provided. Please revise as appropriate.

Proposal 3, page 11

2. Please provide an illustrative chart indicating the impact of the proposed increase in authorized capital on the number of shares currently outstanding, reserved for issuance and available for issuance.
3. In light of the increase in available capital if this proposal is approved, please refer to Release No. 34-15230 and discuss the possible anti-takeover effects of the increase in available capital. Please also discuss other anti-takeover mechanisms that may be present in your governing documents or otherwise and whether there are any plans or proposals to adopt other provisions or enter into other arrangements that may have material anti-takeover consequences. Inform holders that management might use the additional shares to resist or frustrate a third-party transaction providing an above-market premium that is favored by a majority of the independent stockholders.
