EXPLANATORY NOTE

This post-effective amendment is being filed pursuant to Rule 414 under the Securities Act of 1933, as amended (the “Securities Act”), to reflect the adoption by Dollar Tree Stores, Inc., a Virginia corporation (the “Predecessor Registrant”), of a holding company form of organizational structure. The holding company organizational structure was implemented by the merger (the “Merger”), in accordance with Section 13.1-719.1 of the Virginia Stock Corporation Act, of Dollar Tree Merger Sub, Inc., a Virginia corporation, with and into the Predecessor Registrant, with the Predecessor Registrant being the surviving corporation. In the Merger, which was consummated on March 2, 2008 (the “Effective Time”), each share of the issued and outstanding common stock of the Predecessor Registrant was converted into one share of common stock of Dollar Tree, Inc., a Virginia corporation (the “Registrant”). Pursuant to the Merger, the Predecessor Registrant became a direct, wholly-owned subsidiary of the Registrant.

This Post-Effective Amendment No. 1 to Form S-8 pertains to the adoption by Registrant of Registration No. 333-117337, originally covering 1,000,000 shares of Predecessor Registrant’s common stock. (Such original amount may have subsequently been increased under Rule 416 and may have not included other plan shares registered on other registration statements.)

In accordance with Rule 414, the Registrant, as the successor issuer, expressly adopts this Registration Statement as its own for all purposes of the Securities Act and the Securities Exchange Act of 1934, as amended (the “Exchange Act”).

Item 4. Description of Securities.

Not applicable. See Item 3(e) above.

Item 5. Interests of Named Experts and Counsel.

Not applicable.

Item 6. Indemnification of Directors and Officers.

Article 10 of Chapter 9 of Title 13.1 of the Code of Virginia, as amended (the “Code”), permits a Virginia corporation to indemnify any director or officer for reasonable expenses incurred in any legal proceeding in advance of final disposition of the proceeding, if the director or officer furnishes the corporation with a written statement of his or her good faith belief that he or she has met the standard of conduct prescribed by the Code and furnishes the corporation with a written undertaking to repay any funds advanced if it is ultimately determined that he or she did not meet the relevant standard of conduct. In addition, a corporation is permitted to indemnify a director or officer against liability incurred in a proceeding if a determination has been made by the disinterested members of the board of directors, special legal counsel or shareholders that the director or officer conducted himself or herself in good faith and otherwise met the required standard of conduct. In a proceeding by or in the right of the corporation, no indemnification shall be made in respect of any matter as to which a director or officer is adjudged to be liable to the corporation, except for reasonable expenses incurred in connection with the proceeding if it is determined that the director or officer has met the relevant standard of conduct. In any other proceeding, no indemnification shall be made if the director or officer is adjudged liable to the corporation on the basis that he or she improperly received a personal benefit. Corporations are given the power to make any other or further indemnity, including advance of expenses, to any director or officer that may be authorized by the articles of incorporation or any bylaw made by the shareholders, or any resolution adopted, before or after the event, by the shareholders, except an indemnity against willful misconduct or a

knowing violation of the criminal law. Unless limited by its articles of incorporation, indemnification against the reasonable expenses incurred by a director or officer is mandatory when he or she entirely prevails in the defense of any proceeding to which he or she is a party because he or she is or was a director or officer.

The Articles of Incorporation of the Registrant contain provisions indemnifying the directors and officers of the Registrant to the full extent permitted by Virginia law. In addition, the Articles of Incorporation of the Registrant eliminate the personal liability of the Registrant's directors and officers to the Registrant or its shareholders for monetary damages to the full extent permitted by Virginia law.

The Registrant maintains a standard policy of officers' and directors' liability insurance.

Item 7. Exemption from Registration Claimed.

Not applicable.

Item 8. Exhibits.

The Exhibits to this registration statement are listed in the Index to Exhibits, which immediately follows the signature pages hereto.

Item 9. Undertakings.

(a)The undersigned Registrant hereby undertakes:

(1)To file, during any period in which offers or sales are being made, a post effective amendment to this Registration Statement:

(i)To include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii)To reflect in the prospectus any facts or events arising after the effective date of this Registration Statement (or the most recent post effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and

(iii)To include any material information with respect to the plan of distribution not previously disclosed in this Registration Statement or any material change to such information in this Registration Statement;

Provided, however, that paragraphs (a)(1)(i) and (ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished with or furnished to the Commission by the Registrant pursuant to Section 13 or 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in this Registration Statement,

(2)That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3)To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b)The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to section 13(a) or section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c)Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the indemnification provisions summarized in Item 6, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

SIGNATURE

Pursuant to the requirements of the Securities Act of 1933, the Registrant certifies that it has reasonable grounds to believe that it meets all of the requirements for filing on Form S-8 and has duly caused this Registration Statement to be signed on its behalf by the undersigned, thereunto duly authorized, in the City of Chesapeake, Commonwealth of Virginia, on this 13th day of March 2008.

RE: Registration Statement on Form S-8, as amended (No. 333-117337) ("Registration Statement") with respect to the Dollar Tree, Inc. 2004 Executive Officer Equity Plan (the "Plan")

Ladies and Gentlemen:

We have acted as counsel to Dollar Tree, Inc., a Virginia corporation (the "Company"), in connection with the preparation and filing with the Securities and Exchange Commission (the "Commission") of the Company's Post-Effective Amendment (the "Post-Effective Amendment") to the above-referenced Registration Statement to be filed as of the date of this letter, originally filed by Dollar Tree Stores, Inc. (the "Predecessor").

The Company became the successor to the Predecessor on March 2, 2008 as a result of a merger (the "Merger") of the Predecessor with its indirect, wholly-owned subsidiary, Dollar Tree Merger Sub, Inc. ("MergerSub"). The Predecessor survived the Merger, the separate corporate existence of MergerSub ceased and the Predecessor became a direct, wholly-owned subsidiary of the Company. The Merger was consummated in accordance with Section 13.1-719.1 of the Virginia Stock Corporation Act ("Act"), which provides for the formation of a holding company without a vote of stockholders of the constituent corporations.

The above-referenced Registration Statement, as amended by the Post-Effective Amendment, relates to the issuance of up to those shares of Common Stock (the "Shares") available for issuance under the Plan and described in the Registration Statement, as amended.

We have examined such documents, records, and matters of law as we have deemed necessary for purposes of this opinion. In such examinations we have assumed the genuineness of all signatures on all original documents, the authenticity of all documents submitted to us as originals, the conformity to the original documents of all copies submitted to us, the authenticity of the originals of documents submitted to us as copies, and the due execution and delivery of all documents where due execution and delivery are prerequisite to the effectiveness thereof.

As to questions of fact material to this opinion, we have relied solely upon certificates and statements of officers of the Company and certain public officials. We have assumed and relied upon the accuracy and completeness of such certificates and statements, the factual matters set forth therein, and the genuineness of all signatures thereon, and nothing has come to our attention leading us to question the accuracy of the matters set forth therein. We have made no independent investigation with regard thereto and, accordingly, we do not express any view or belief as to matters that might have been discovered by independent verification.

Based upon and subject to the foregoing, we are of the opinion that the Shares being registered for sale pursuant to the Registration Statement have been duly authorized and, when issued and delivered upon the exercise or settlement of awards in accordance with the provisions of the Plan (and receipt by the Company of consideration for the Shares, if any, required by such awards), the Shares will be legally and validly issued, fully-paid and non-assessable.

This opinion letter is limited to the Virginia Stock Corporation Act and the federal laws of the United States of America.

We consent to the use of this opinion as an exhibit to the Post-Effective Amendment. In giving such consent, we do not hereby admit that we come within the category of persons whose consent is required under Section 7 of the Securities Act of 1933 or the Rules and Regulations of the Securities and Exchange Commission promulgated under the Securities Act of 1933.

Very truly yours,

/s/ Williams Mullen

- END OF EXHIBIT 5.1 -

DOLLAR TREE, INC.
2004 EXECUTIVE OFFICER EQUITY PLAN

ARTICLE 1
GENERAL

Section 1.1. Purpose. The Dollar Tree, Inc. 2004 Executive Officer Equity Plan (the “Plan”) has been established by Dollar Tree, Inc. (the “Company”) to (i) attract and retain highly qualified executives eligible to participate in the Plan; (ii) motivate Participants, by means of appropriate incentives, to achieve long-range goals; (iii) provide incentive compensation opportunities that are competitive with those of other similar companies; and (iv) further identify Participants’ interests with those of the Company’s other shareholders through compensation that is based on the Company’s common stock; and thereby promote the long-term financial interest of the Company and the Member Companies, including the growth in value of the Company’s equity and enhancement of long-term shareholder return.

Section 1.2. Participation. Subject to the terms and conditions of the Plan, the Committee shall determine and designate, from time to time, from among the Eligible Recipients (including transferees of Eligible Recipients to the extent the transfer is permitted by the Plan and the applicable Award Agreement), those persons who will be granted one or more Awards under the Plan, and thereby become “Participants” in the Plan.

Section 1.3. Operation, Administration, and Definitions. The operation and administration of the Plan, including the Awards made under the Plan, shall be subject to the provisions of Article 4 (relating to operation and administration). Capitalized terms in the Plan shall be defined as set forth in the Plan (including the definition provisions of Section 8 of the Plan).

ARTICLE 2
OPTIONS AND SARs

Section 2.1. Definitions.

(a) The grant of an “Option” entitles the Participant to purchase shares of Stock at an Exercise Price established by the Committee. Any Option granted under this Article 2 may be either an incentive stock option (an “ISO”) or a nonqualified option (an “NQO”), as determined in the discretion of the Committee. An “ISO” is an Option that is intended to satisfy the requirements applicable to an “incentive stock option” described in section 422(b) of the Code. An “NQO” is an Option that is not intended to be an “incentive stock option” as that term is described in section 422(b) of the Code.

(b) A stock appreciation right (an “SAR”) entitles the Participant to receive, in cash or Stock (as determined in accordance with Section 2.5), value equal to (or otherwise based on) the excess of: (a) the Fair Market Value of a specified number of shares of Stock at the time of exercise; over (b) an Exercise Price established by the Committee. The Committee may limit the amount that can be received when a SAR is exercised.

Section 2.2. Exercise Price. The “Exercise Price” of each Option and SAR granted under this Article 2 shall be established by the Committee or shall be determined by a method established by the Committee at the time the Option or SAR is granted; except that the Exercise Price shall not be less than 100% of the Fair Market Value of a share of Stock on the date of grant (or, if greater, the par value of a share of Stock). Repricing of Options and SAR Awards granted under this Article 2 after the date of grant shall not be permitted.

Section 2.3. Exercise. An Option and an SAR shall be exercisable in accordance with such terms and conditions and during such periods as may be established by the Committee.

Section 2.4. Payment of Option Exercise Price. The payment of the Exercise Price of an Option granted under this Article 2 shall be subject to the following:

(a) Subject to the following provisions of this Section 2.4, the full Exercise Price for shares of Stock purchased upon the exercise of any Option shall be paid at the time of such exercise (except that, in the case of an exercise arrangement approved by the Committee and described in paragraph 2.4(c), payment may be made as soon as practicable after the exercise).

(b) The Exercise Price shall be payable in cash or by tendering, by either actual delivery of shares or by attestation, already-owned shares of Stock acceptable to the Committee, and valued at Fair Market Value as of the day of exercise, or in any combination thereof, as determined by the Committee.

(c) The Committee may permit a Participant to elect to pay the Exercise Price upon the exercise of an Option by irrevocably authorizing a third party to sell shares of Stock (or a sufficient portion of the shares) acquired upon exercise of the Option and remit to the Company a sufficient portion of the sale proceeds to pay the entire Exercise Price and any tax withholding resulting from such exercise.

Section 2.5. Settlement of Award. Settlement of Options and SARs is subject to Section 4.7.

ARTICLE 3 OTHER STOCK AWARDS

Section 3.1. Definitions.

- (a) A "Stock Unit" Award is the grant of a right to receive shares of Stock in the future.
- (b) A "Performance Share" Award is a grant of a right to receive shares of Stock or Stock Units which is contingent on the achievement of performance or other objectives during a specified period.
- (c) A "Performance Unit" Award is a grant of a right to receive a designated dollar value amount of Stock which is contingent on the achievement of performance or other objectives during a specified period.
- (d) A "Restricted Stock" Award is a grant of shares of Stock, and a "Restricted Stock Unit" Award is the grant of a right to receive shares of Stock in the future, with such shares of Stock or right to future delivery of such shares of Stock subject to a risk of forfeiture or other restrictions that will lapse upon the achievement of one or more goals relating to completion of service by the Participant, or achievement of performance or other objectives, as determined by the Committee.

Section 3.2. Restrictions on Awards. Each Stock Unit Award, Restricted Stock Award, Restricted Stock Unit Award, Performance Share Award, and Performance Unit Award shall be subject to the following:

- (a) Any such Award shall be subject to such conditions, restrictions and contingencies as the Committee shall determine.
- (b) The Committee may designate whether any such Award being granted to any Participant is intended to be "performance-based compensation" as that term is used in section 162(m) of the Code. Any such Awards designated as intended to be "performance-based compensation" shall be conditioned on the achievement of one or more performance measures, to the extent required by Code section 162(m). The performance measures that may be used by the Committee for such Awards shall be based on the attainment of any performance goals, as selected by the Committee, that are related to (i) sales increases (including comparable store sales), (ii) profits and earnings (including operating income and EBITDA), (iii) cash flow, (iv) shareholder value or (v) financial condition or liquidity. Such goals may be stated in absolute terms, relative to comparison companies or indices, as increases over past time periods, as ratios (such as earnings per share), or as returns on any of the foregoing measures over a period of time. For Awards under this Article 3 intended to be "performance-based compensation," the grant of the Awards and the establishment of the Performance Measures shall be made during the period required under Code section 162(m).

ARTICLE 4 OPERATION AND ADMINISTRATION

Section 4.1. Effective Date. This Plan is effective July 1, 2004 (the "Effective Date") and the shareholders of Dollar Tree Stores, Inc. approved the Plan on June 17, 2004. The Plan shall be unlimited in duration and, in the event of Plan termination, shall remain in effect as long as any Awards under it are outstanding; provided, however, that no Awards may be granted under the Plan after the ten year anniversary of the Effective Date (except for Awards granted pursuant to commitments entered into prior to such ten-year anniversary).

Section 4.2. Shares Subject to Plan. The shares of Stock for which Awards may be granted under the Plan shall be subject to the following:

- (a) The shares of Stock with respect to which Awards may be made under the Plan shall be shares currently authorized but unissued or currently held or subsequently acquired by the Company as treasury shares, including shares purchased in the open market or in private transactions.
- (b) Subject to the following provisions of this Section 4.2, the maximum number of shares of Stock that may be delivered to Participants and their beneficiaries under the Plan shall be equal to one million (1,000,000) shares of Stock.
- (c) To the extent provided by the Committee, any Award may be settled in cash rather than Stock. To the extent any shares of Stock covered by an Award are not delivered to a Participant or beneficiary because the Award is forfeited or canceled, or the shares of Stock are not delivered because the Award is settled in cash or used to satisfy the applicable tax withholding obligation, such shares shall not be deemed to have been delivered for purposes of determining the maximum number of shares of Stock available for delivery under the Plan.
- (d) If the exercise price of any stock option granted under the Plan is satisfied by tendering shares of Stock to the Company (by either actual delivery or by attestation), only the number of shares of Stock issued net of the shares of Stock tendered shall be deemed delivered for purposes of determining the maximum number of shares of Stock available for delivery under the Plan.

(e) Subject to paragraph 4.2(f), the following additional maximums are imposed under the Plan.

(i) The maximum number of shares of Stock that may be issued by Options intended to be ISOs shall be three hundred thousand (300,000) shares.

(ii) The maximum number of shares that may be covered by Awards granted to any one individual pursuant to Article 2 (relating to Options and SARs) shall be two hundred thousand (200,000) shares during any one calendar year period. If an Option is in tandem with an SAR, such that the exercise of the Option or SAR with respect to a share of Stock cancels the tandem SAR or Option right, respectively, with respect to such share, the tandem Option and SAR rights with respect to each share of Stock shall be counted as covering but one share of Stock for purposes of applying the limitations of this paragraph (ii).

(iii) The maximum number of shares of Stock that may be covered by Awards granted to any one individual pursuant to Article 3 (relating to Other Stock Awards) shall be one hundred thousand (100,000) shares during any one calendar year period.

(iv) For Stock Unit Awards, Restricted Stock Awards, Restricted Stock Unit Awards and Performance Share Awards that are intended to be “performance-based compensation” (as that term is used for purposes of Code section 162(m)), no more than one hundred thousand (100,000) shares of Stock may be subject to such Awards granted to any one individual during any one calendar year period. If, after shares have been earned, the delivery is deferred, any additional shares attributable to dividends during the deferral period shall be disregarded.

(v) For Performance Unit Awards that are intended to be performance-based compensation” (as that term is used for purposes of Code section 162(m)), no more than one million dollars (\$1,000,000) may be subject to such Awards granted to any one individual during any one calendar year period. If, after amounts have been earned with respect to Performance Unit Awards, the delivery of such amounts is deferred, any additional amounts attributable to earnings during the deferral period shall be disregarded.

(f) To prevent the dilution or enlargement of benefits or potential benefits intended to be made available under the Plan, in the event of any corporate transaction or event such as a stock dividend, recapitalization, stock split, reverse stock split, reorganization, merger, consolidation, spin-off, combination or other similar corporate transaction or event affecting the Stock with respect to which Awards have been or may be issued under the Plan (any such transaction or event, a “Transaction”), then the Committee shall, in such manner as the Committee deems equitable: (A) make a proportionate adjustment in 1) the maximum number and type of securities as to which awards may be granted under this Plan, 2) the number and type of securities subject to outstanding Awards, 3) the grant or exercise price with respect to any such Award, 4) the performance targets and goals appropriate to any outstanding Performance Shares or Performance Units, and 5) the per individual limitations on the number of securities that may be awarded under the Plan (any such adjustment, an “Antidilution Adjustment”); provided, in each case, that with respect to ISOs, no such adjustment shall be authorized to the extent that such adjustment would cause such options to violate Section 422(b) of the Code or any successor provision; with respect to all Options, no such adjustment shall be authorized to the extent that such adjustment violates the provisions of Treasury Regulation 1.424-1 and Section 409A of the Code or any successor provisions; with respect to all Awards for Performance Shares or Performance Units, no such adjustment shall violate the requirements applicable to Awards intended to qualify for exemption under Section 162(m) of the Code; and the number of shares of Stock subject to any Award denominated in shares shall always be a whole number; or (B) cause any Award outstanding as of the effective date of the Transaction to be cancelled in consideration of a cash payment or alternate Award (whether from the Company or another entity that is a participant in the Transaction) or a combination thereof made to the holder of such cancelled Award substantially equivalent in value to the fair market value of such cancelled Award. The determination of fair market value shall be made by the Committee or the Board, as the case may be, in their sole discretion. Any adjustments made hereunder shall be binding on all Participants.

Section 4.3. General Restrictions. Delivery of shares of Stock or other amounts under the Plan shall be subject to the following:

(a) Notwithstanding any other provision of the Plan, the Company shall have no liability to deliver any shares of Stock under the Plan or make any other distribution of benefits under the Plan unless such delivery or distribution would comply with all applicable laws (including, without limitation, the requirements of the Securities Act of 1933), and the applicable requirements of any securities exchange or similar entity.

(b) To the extent that the Plan provides for issuance of stock certificates to reflect the issuance of shares of Stock, the issuance may be effected on a non-certificated basis, to the extent not prohibited by applicable law or the applicable rules of any stock exchange.

Section 4.4. Tax Withholding. All distributions under the Plan are subject to withholding of all applicable taxes, and the Committee may condition the delivery of any shares or other benefits under the Plan on satisfaction of the applicable withholding obligations. The Committee, in its discretion, and subject to such requirements as the Committee may impose prior to the occurrence of such withholding, may permit such withholding obligations to be satisfied through cash payment by the Participant, through the surrender of shares of Stock which the Participant already owns, or through the surrender of shares of Stock to which the Participant is otherwise entitled under the Plan.

Section 4.5. Grant and Use of Awards. In the discretion of the Committee, a Participant may be granted any Award permitted under the provisions of the Plan, and more than one Award may be granted to a Participant. Awards may be granted as alternatives to or replacement of awards granted or outstanding under the Plan, or any other plan or arrangement of the Company or a Member Company (including a plan or arrangement of a business or entity, all or a portion of which is acquired by the Company or a Member Company). Subject to the overall limitation on the number of shares of Stock that may be delivered under the Plan, the Committee may use available shares of Stock as the form of payment for compensation, grants or rights earned or due under any other compensation plans or arrangements of the Company or a Member Company, including the plans and arrangements of the Company or a Member Company assumed in business combinations.

Section 4.6. Dividends and Dividend Equivalents. An Award (including without limitation an Option or SAR Award) may provide the Participant with the right to receive dividend payments or dividend equivalent payments with respect to Stock subject to the Award (both before and after the Stock subject to the Award is earned, vested, or acquired), which payments may be either made currently or credited to an account for the Participant, and may be settled in cash or Stock, as determined by the Committee. Any such settlements, and any such crediting of dividends or dividend equivalents or reinvestment in shares of Stock, may be subject to such conditions, restrictions and contingencies as the Committee shall establish, including the reinvestment of such credited amounts in Stock equivalents.

Section 4.7. Settlement of Awards. The obligation to make payments and distributions with respect to Awards may be satisfied through cash payments, the delivery of shares of Stock, the granting of replacement Awards, or combination thereof as the Committee shall determine. In lieu of issuing a fraction of a share upon any exercise of an Award, resulting from an adjustment of the Award pursuant to paragraph 4.2(f) of the Plan or otherwise, the Company will be entitled to pay to the Participant an amount equal to the fair market value of such fractional share. Satisfaction of any obligations under an Award, which is sometimes referred to as "settlement" of the Award, may be subject to such conditions, restrictions and contingencies as the Committee shall determine. The Committee may permit or require the deferral of any Award payment, subject to such rules and procedures as it may establish, which may include provisions for the payment or crediting of interest or dividend equivalents, and may include converting such credits into deferred Stock equivalents provided that such rules and procedures satisfy the requirements of Section 409A of the Code. No deferral is permitted for Options or SARs. Each Member Company shall be liable for payment of cash due under the Plan with respect to any Participant to the extent that such benefits are attributable to the services rendered for that Member Company by the Participant. Any disputes relating to liability of a Member Company for cash payments shall be resolved by the Committee.

Section 4.8. Transferability. Except as otherwise permitted by the Committee,

(a) Awards under the Plan are not transferable except as designated by the Participant by will, by the laws of descent and distribution or by a beneficiary form filed with the Company.

(b) Awards may be exercised or claimed on behalf of a deceased Participant or other person entitled to benefits under the Plan by the beneficiary of such Participant or other person if the Company has a valid designation of such beneficiary on file, or otherwise by the personal legal representative of such Participant or other person.

Section 4.9. Form and Time of Elections. Unless otherwise specified herein, each election required or permitted to be made by any Participant or other person entitled to benefits under the Plan, and any permitted modification, or revocation thereof, shall comply with Section 409A of the Code and be in writing filed with the Committee at such times, in such form, and subject to such restrictions and limitations, not inconsistent with the terms of the Plan, as the Committee shall require.

Section 4.10. Agreement With Company. An Award under the Plan shall be subject to such terms and conditions, not inconsistent with the Plan, as the Committee shall, in its sole discretion, prescribe. The terms and conditions of any Award to any Participant shall be reflected in such form of written document as is determined by the Committee. A copy of such document shall be provided to the Participant, and the Committee may, but need not require that the Participant sign a copy of such document. Such document is referred to in the Plan as an "Award Agreement" regardless of whether any Participant signature is required.

Section 4.11. Action by Company or Member Company. Any action required or permitted to be taken by the Company or any Member Company shall be by resolution of its board of directors, or by action of one or more members of the board (including a committee of the board) who are duly authorized to act for the board, or (except to the extent prohibited by applicable law or applicable rules of any stock exchange) by a duly authorized officer of such company.

Section 4.12. Gender and Number. Where the context admits, words in any gender shall include any other gender, words in the singular shall include the plural and the plural shall include the singular.

Section 4.13. Limitation of Implied Rights.

(a) Neither a Participant nor any other person shall, by reason of participation in the Plan, acquire any right in or title to any assets, funds or property of the Company or any Member Company whatsoever, including, without limitation, any specific funds, assets, or other property which the Company or any Member Company, in its sole discretion, may set aside in anticipation of a liability under the Plan. A Participant shall have only a contractual right to the Stock or amounts, if any, payable under the Plan, unsecured by any assets of the Company or any Member Company, and nothing contained in the Plan shall constitute a guarantee that the assets of the Company or any Member Company shall be sufficient to pay any benefits to any person.

(b) The Plan does not constitute a contract of employment, and selection as a Participant will not give any participating employee the right to be retained in the employ of the Company or any Member Company, nor any right or claim to any benefit under the Plan, unless such right or claim has specifically accrued under the terms of the Plan. Except as otherwise provided in the Plan, no Award under the Plan shall confer upon the holder thereof any rights as a shareholder of the Company prior to the date on which the individual fulfills all conditions for receipt of such rights.

Section 4.14. Evidence. Evidence required of anyone under the Plan may be by certificate, affidavit, document or other information which the person acting on it considers pertinent and reliable, and signed, made or presented by the proper party or parties.

Section 4.15. Section 409A of the Code. Any Award granted under this Plan shall be provided or made in a manner and at such time, in such form and subject to such election procedures (if any), as complies with the applicable requirements of Section 409A of the Code to avoid a plan failure described in Section 409A(a)(1), including without limitation, deferring payment to a specified employee or until the occurrence of a specified event described in Section 409A(a)(2) of the Code. Notwithstanding any other provision hereof or document pertaining hereto, the Plan shall be so construed and interpreted to meet the applicable requirements of Section 409A of the Code to avoid a plan failure described in Section 409A(a)(1) of the Code.

ARTICLE 5 CHANGE IN CONTROL

Subject to the provisions of paragraph 4.2(f) (relating to the adjustment of shares), and except as otherwise provided in the Plan or the Award Agreement reflecting the applicable Award, upon the occurrence of a Change in Control the following provisions shall apply:

Section 5.1 Acceleration of Vesting. If a Change of Control of the Company shall occur, then with respect to outstanding Awards not already vested and/or exercisable, the Committee, in its sole discretion, may determine that:

- (a) All outstanding Options (regardless of whether in tandem with SARs) shall become fully exercisable.
- (b) All outstanding SARs (regardless of whether in tandem with Options) shall become fully exercisable.
- (c) All Stock Units, Restricted Stock, Restricted Stock Units, and Performance Shares shall become fully vested.

If the Committee determines to accelerate any such outstanding Awards, then such Awards shall remain vested and/or exercisable during the remaining term thereof, regardless of whether the employment or other status of the Participants with respect to which Awards have been granted shall continue with the Company or any Member Company.

Section 5.2 Cash Payment. Without limiting the generality of Section 4.7, if a Change of Control of the Company shall occur, then the Committee, in its sole discretion, and without the consent of any Participant affected thereby, may determine that some or all Participants holding outstanding Awards shall receive cash settlements in exchange for redemption of all or a part of such Awards.

Section 5.3 Limitation on Change in Control Payments. Notwithstanding anything in Section 5.1 or 5.2 above to the contrary, if, with respect to a Participant, the acceleration of the exercisability and/or vesting of an Award as provided in Section 5.1 or the payment of cash in exchange for all or part of an Award as provided in Section 5.2 above (which acceleration or payment could be deemed a “payment” within the meaning of Section 280G(b)(2) of the Code), together with any other payments which such Participant has the right to receive from the Company or any corporation which is a member of an “affiliated group” (as defined in Section 1504(a) of the Code without regard to Section 1504(b) of the Code) of which the Company is a member, would constitute a “parachute payment” (as defined in Section 280G(b)(2) of the Code), then the acceleration of exercisability and/or vesting and the payments to such Participant pursuant to Sections 5.1 and 5.2 above shall be reduced to the extent or amount as, in the sole judgment of the Committee, will result in no portion of such payments being subject to the excise tax imposed by Section 4999 of the Code.

ARTICLE 6 COMMITTEE

Section 6.1. Administration. The authority to control and manage the operation and administration of the Plan shall be vested in a committee (the “Committee”) in accordance with this Article 6. The Committee shall be selected by the Board, and shall consist solely of two or more members of the Board who are not employees of the Company or any Member Company. The Compensation Committee of the Board shall initially serve as the Committee for purposes of the Plan. If at any time the Committee does not exist, or for any other reason determined by the Board, the Board may take any action under the Plan that would otherwise be the responsibility of the Committee.

Section 6.2. Powers of Committee. The Committee’s administration of the Plan shall be subject to the following:

- (a) Subject to the provisions of the Plan, the Committee will have the authority and discretion to select from among the Eligible Recipients those persons who shall receive Awards, to determine the time or times of receipt, to determine the types of Awards and the number of shares covered by the Awards, to establish the terms, conditions, performance criteria, restrictions, and other provisions of such Awards, and (subject to the restrictions imposed by Article 7) to cancel or suspend Awards.
- (b) To the extent that the Committee determines that the restrictions imposed by the Plan preclude the achievement of the material purposes of the Awards in jurisdictions outside the United States, the Committee will have the authority and discretion to modify those restrictions as the Committee determines to be necessary or appropriate to conform to applicable requirements or practices of jurisdictions outside of the United States.
- (c) The Committee will have the authority and discretion to interpret the Plan, to establish, amend, and rescind any rules and regulations relating to the Plan, to determine the terms and provisions of any Award Agreement made pursuant to the Plan, and to make all other determinations that may be necessary or advisable for the administration of the Plan.
- (d) Any interpretation of the Plan by the Committee and any decision made by it under the Plan is final and binding on all persons.
- (e) In controlling and managing the operation and administration of the Plan, the Committee shall take action in a manner that conforms to the articles and by laws of the Company, and applicable state corporate law.

Section 6.3. Delegation by Committee. Except to the extent prohibited by applicable law or the applicable rules of a stock exchange, the Committee may allocate all or any portion of its responsibilities and powers to any one or more of its members and may delegate all or any part of its responsibilities and powers to any person or

persons selected by it. Any such allocation or delegation may be revoked by the Committee at any time.

Section 6.4, Information to be Furnished to Committee. The Company and Member Companies shall furnish the Committee with such data and information as it determines may be required for it to discharge its duties. The records of the Company and Member Companies as to an employee's or Participant's employment, termination of employment, leave of absence, reemployment and compensation shall be conclusive on all persons unless determined to be incorrect. Participants and other persons entitled to benefits under the Plan must furnish the Committee such evidence, data or information as the Committee considers desirable to carry out the terms of the Plan.

ARTICLE 7 AMENDMENT AND TERMINATION

The Board may, at any time, amend or terminate the Plan, provided that no amendment or termination may, in the absence of written consent to the change by the affected Participant (or, if the Participant is not then living, the affected beneficiary), adversely affect the rights of any Participant or beneficiary under any Award granted under the Plan prior to the date such amendment is adopted by the Board; and further provided that adjustments pursuant to paragraph 4.2(f) shall not be subject to the foregoing limitations of this Article 7. Amendments to this Plan shall be subject to shareholder approval to the extent such approval is required by applicable law or applicable requirements of any securities exchange or similar entity.
