Item 1.01 Entry into a Material Definitive Agreement

On October 11, 2010, DG Acquisitions (B.C.), Inc., a British Columbia corporation (“Dollar Tree”), an indirect subsidiary of Dollar Tree, Inc. (“Company”), Dollar Giant Store (B.C.) Ltd., a British Columbia corporation (“Dollar Giant”), Clock Holdings Ltd., a British Columbia corporation, D.V.N. Investments Inc., an Ontario corporation, Calvano Holdings Ltd., a British Columbia corporation, and Graham MacKenzie, Antonio Calvano, and Joseph Calvano entered into a definitive purchase agreement (“Purchase Agreement”) providing for Dollar Tree to acquire substantially all of the assets of Dollar Giant. This is the Company’s first expansion of its retail operations outside of the United States.

Based in Vancouver, British Columbia, Dollar Giant stores offer a wide assortment of quality general merchandise, contemporary seasonal goods and everyday consumables, all priced at \$1.25 or less. The stores average 9,000 gross square feet and operate in British Columbia, Ontario, Alberta and Saskatchewan. Net income for the fiscal year ended June 30, 2010 was approximately \$3.0 million (CAD).

Under the terms of the Purchase Agreement, Dollar Tree would acquire 85 Dollar Giant stores and substantially all of Dollar Giant’s other assets, inventory, leasehold rights and certain intellectual property (as further defined in the Purchase Agreement, the “Purchased Assets”). In consideration of the sale and transfer of the Purchased Assets to Dollar Tree and of the agreement by Dollar Giant to perform each of the other obligations hereunder, Dollar Giant will be paid a purchase price estimated to equal approximately \$52,000,000 (CAD), which is the Enterprise Value reduced by the sum of Adjusted Permanent Debt and the amount, if any, of the Net Current Asset Deficit and Inventory Deficit as defined in the Purchase Agreement. The Purchase Agreement is subject to certain standard closing conditions, representations and warranties, terminations provisions, and indemnification provisions. No governmental approvals or consents are required to consummate the purchase.

The foregoing description of the Purchase Agreement described above is qualified in its entirety by reference to such agreement, which is filed as Exhibit 10.1 to this Current Report, and such agreement shall be deemed incorporated herein by reference.

The Purchase Agreement and the above description of the Purchase Agreement have been included to provide investors with information regarding the terms of the Purchase Agreement. It is not intended to provide any other factual information about the Company, Dollar Tree, Dollar Giant or their respective subsidiaries or affiliates. The representations, warranties, and covenants contained in the Purchase Agreement were made only for purposes of that agreement and as of specific dates; were solely for the benefit of the parties to the Purchase Agreement; and may be subject to limitations agreed upon by the parties, including being qualified by confidential disclosures made by each contracting party to the other for the purposes of allocating contractual risk between them that differ from those applicable to investors. Investors should not rely on the representations, warranties, and covenants or any description thereof as characterizations of the actual state of facts or condition of the Company, Dollar Tree, Dollar Giant, or any of their respective subsidiaries, affiliates, or businesses. Moreover, information concerning the subject matter of the representations, warranties, and covenants may change after the date of the Purchase Agreement, which subsequent information may or may not be fully reflected in public disclosures by the Company, Dollar Tree or Dollar Giant. Accordingly, investors should read the representations and warranties in the Purchase Agreement not in isolation but only in conjunction with the other information about the Company, Dollar Tree or Dollar Giant and their respective subsidiaries that the respective companies include in reports, statements, and other filings they make with the SEC.

2.3 Purchase Price; Payment

(a) In consideration of the sale and transfer of the Purchased Assets to Buyer and of the agreement by Seller, the Shareholders, and the Principals to perform each of the other obligations hereunder, Buyer shall pay to Seller an amount ("Purchase Price") equal to \$62,000,000 (as calculated in accordance with [Schedule 2.3\(a\)](#)) ("Enterprise Value") reduced by the sum of (i) Adjusted Permanent Debt and (ii) the amount, if any, of the Net Current Asset Deficit. All components of the Purchase Price calculation other than the add backs for store opening costs and tenant allowances must be computed in accordance with GAAP.

“Adjusted Permanent Debt” means the sum of all Current and Long Term Liabilities relating to (i) the amount of Assumed Liabilities at the Closing Date owed or paid to the Shareholders, the Principals or their affiliates, (ii) the amount of any payments made by the Seller to the Shareholders, the Principals or their Affiliates after May 31, 2010, other than interest or payments to Joseph for salary and expense reimbursements in accordance with past practice, (iii) the amount of Current and Long Term Capital Lease Obligations at the Closing Date, and (iv) the Permanent ABL Debt.

“Net Current Asset Deficit” means the sum of (i) the excess, if any, of \$7,200,000 over the amount of Net Current Assets at the Closing Date and (ii) the excess, if any, of \$19,000,000 over the amount of Inventory at the Closing Date.

(b) For purposes of the Closing, Adjusted Permanent Debt has been determined by agreement of the Parties and Net Current Asset Deficit shall be estimated to determine the estimated Purchase Price (“Estimated Purchase Price”). The Estimated Purchase Price shall be computed and delivered to Seller not less than five (5) days before Closing. Seller and Buyer agree to provide, and cause their agents to provide, such information as the other party may reasonably request to assist in the determination of the Estimated Purchase Price and Purchase Price.

(c) Post-Closing Adjustment.

(i) Delivery. Within 90 days after the Closing Date, Buyer shall prepare and deliver to Seller a statement setting forth its final calculation of the Adjusted Permanent Debt and Net Current Asset Deficit to determine the Purchase Price (the “Final Purchase Price Calculation”).

(ii) Examination. After receipt of the Final Purchase Price Calculation, Seller shall have 30 days (the “Review Period”) to review the Final Purchase Price Calculation. During the Review Period, Seller and Seller's accountants shall have full access to: (i) the relevant books and records of Buyer; (ii) the personnel of, and work papers prepared by, Buyer and/or Buyer's accountants to the extent that they relate to the Final Purchase Price Calculation; and (iii) to such historical financial information (to the extent in Buyer's possession) relating to the Final Purchase Price Calculation as Seller may reasonably request for the purpose of reviewing the Final Purchase Price Calculation and to prepare a Statement of Objections (defined below), provided that such access shall be in a manner that does not interfere with the normal business operations of Buyer.

(iii) Objection. On or prior to the last day of the Review Period, Seller may object to the Final Purchase Price Calculation by delivering to Buyer a written statement setting forth Seller's objections in reasonable detail, indicating each disputed item or amount and the basis for Seller's disagreement therewith (the “Statement of Objections”). If Seller fails to deliver the Statement of Objections before the expiration of the Review Period, the Final Purchase Price Calculation and the Post-Closing Adjustment, as the case may be, reflected in the Final Purchase Price Calculation shall be deemed to have been accepted by Seller. If Seller delivers the Statement of Objections before the expiration of the Review Period, Buyer and Seller shall negotiate in good faith to resolve such objections within 30 days after the delivery of the Statement of Objections (the “Resolution Period”), and, if the same are so resolved within the Resolution Period, the Post-Closing Adjustment and the Final Purchase Price Calculation with such changes as may have been previously agreed in writing by Buyer and Seller, shall be final and binding.

(iv) Resolution of Disputes. If Seller and Buyer fail to reach an agreement with respect to all of the matters set forth in the Statement of Objections before expiration of the Resolution Period, then any amounts remaining in dispute (“Disputed Amounts”) shall be submitted for resolution to one of the Independent Accountants that has not audited either Buyer or Seller or Affiliates of either. The Independent Accountants, acting as experts and not arbitrators, shall resolve the Disputed Amounts and make any adjustments to the Post-Closing Adjustment, as the case may be, and the Final Purchase Price Calculation. The parties hereto agree that all adjustments shall be made without regard to materiality. The Independent Accountants shall only decide the specific items under dispute by the Parties and their decision for each Disputed Amount must be within the range of values assigned to each such item in the Final Purchase Price Calculation and the Statement of Objections, respectively.

(v) Fees of the Independent Accountants. Seller shall pay a portion of the fees and expenses of the Independent Accountants equal to 100% multiplied by a fraction, the numerator of which is the amount of Disputed Amounts submitted to the Independent Accountants that are resolved in favor of Buyer (that being the difference between the Independent Accountants' determination and Seller's determination) and the denominator of which is the total amount of Disputed Amounts submitted to the Independent Accountants (that being the sum total by which Buyer's determination and Seller's determination differ from the determination of the Independent Accountants). Buyer shall pay that portion of the fees and expenses of the Independent Accountants that Seller is not required to pay hereunder.

(vi) Determination by Independent Accountants. The Independent Accountants shall make a determination as soon as practicable within 30 days (or such other time as the Parties hereto shall agree in writing) after their engagement, and their resolution of the Disputed Amounts and their adjustments to the Final Purchase Price Calculation and/or the Post-Closing Adjustment shall be conclusive and binding upon the Parties.

(d) Buyer shall pay the Estimated Purchase Price (reduced by the Escrow Amount specified in Section 2.4) by wire transfer to Seller at Closing. In the event the Purchase Price as finally determined in accordance with Section 2.3(c)(i) is greater than the Estimated Purchase Price, Buyer shall pay the excess amount by wire transfer to Seller. In the event the Purchase Price as finally determined in accordance with Section 2.3(c)(i) is less than the Estimated Purchase Price, Seller shall pay the deficit by wire transfer to Buyer. Any difference between the Estimated Purchase Price and the final Purchase Price shall not affect the Escrow Amount.

(e) The Escrow Amount shall be deposited by wire transfer of immediately available funds into an account designated by the Escrow Agent and shall be held and distributed in accordance with the terms of the Escrow Agreement to satisfy any and all claims made by Buyer under this Agreement.

2.4 Escrow

(a) An amount (the “Escrow Amount”) equal to \$5,000,000 shall be withheld from payment at Closing and retained in the Escrow Account described in this Section and disbursed in accordance with the provisions of this Section and the Escrow Agreement referred to therein. A Canadian financial institution selected by Buyer and reasonably acceptable to Seller shall serve as the escrow agent (“Escrow Agent”).

(b) Buyer, Seller, and the Escrow Agent shall enter into an escrow agreement (the “Escrow Agreement”) substantially in the form attached hereto as Exhibit 2.4(b). At Closing, Buyer shall deposit the Escrow Amount into the escrow account established pursuant to the Escrow Agreement (the “Escrow Account”). All funds distributed from the Escrow Account (other than for payment of claims or amounts subject to unresolved claims) shall be disbursed to Seller within five days after the second anniversary of the Closing Date.

2.5 Closing

(a) The closing of the Acquisition (the “Closing”) shall take place at Vancouver, British Columbia, effective at 12:01 a.m. Pacific time on November 8, 2010, or such other place, time, and date as the Parties shall agree. The date of the Closing is referred to as the “Closing Date.”

(b) At the Closing, Seller shall deliver, or cause to be delivered, to Buyer the following:

(ii) a bill of sale substantially in the form attached as Exhibit 2.5(b)(ii) (the “Bill of Sale”) and duly executed by Seller, transferring the Inventory and tangible personal property included in the Purchased Assets to Buyer;

(iv) an assignment substantially in the form attached as Exhibit 2.5(b)(iv) (the “Intellectual Property Assignment”) and duly executed by Seller, transferring all of Seller's right, title and interest in and to the Intellectual Property Assets and the Intellectual Property Licenses to Buyer;

(x) the certificates required by Sections 8.2(b) and 8.2(e); and

(xi) such vehicle title documents and other customary instruments of transfer, assumption, filings, or documents, in form and substance reasonably satisfactory to Buyer, as may be required to give effect to this Agreement.

(c) At the Closing, Buyer shall deliver to Seller the following:

- (i) the Purchase Price less the Escrow Amount;

- (iii) the Assignment and Assumption Agreement duly executed by Buyer;
- (iv) the Lease Transfer Documents duly executed by Buyer;
- (v) the Restrictive Covenant Agreements duly executed by Buyer;

- (vii) the Consulting Agreements duly executed by Buyer;
- (viii) the Buyer Closing Certificate duly executed by Buyer;
- (ix) the certificate required by Section [9.2\(a\)](#); and

(x) such other customary instruments of transfer, assumption, filings, or documents, in form and substance reasonably satisfactory to Seller, as may be required to give effect to this Agreement.

(d) At the Closing, Buyer shall pay off the Shareholder Loans.

(e) At the Closing, Buyer shall deliver the Escrow Amount to the Escrow Agent pursuant to the Escrow Agreement.

2.6 Assumed Liabilities; Excluded Liabilities

(a) Assumed Liabilities. Subject to the terms and conditions set forth herein including Section [2.6\(b\)](#), Buyer shall assume and agree to pay, perform and discharge no Liabilities of any kind or description SAVE AND EXCEPT the following Liabilities of Seller at the Closing Date, but only to the extent they were incurred in the ordinary course of business and do not relate to any failure to perform, improper performance, warranty or other breach, default or violation by Seller on or prior to the Closing, (collectively, the “Assumed Liabilities”):

6.4 Tax Clearance Certificates

Seller shall notify all Governmental Authorities in the jurisdictions that impose Taxes on Seller or where Seller has an obligation to file Tax Returns of the transactions contemplated by this Agreement in the form and manner required by such Governmental Authorities, if the failure to make such notifications or receive any available tax clearance certificate could subject the Buyer to any Taxes of Seller. If any Governmental Authority asserts that Seller is liable for any Tax, Seller shall promptly pay any and all such amounts and shall provide evidence to the Buyer that such Liabilities have been paid in full or otherwise satisfied. Without limiting the generality of the foregoing, Seller shall deliver to Buyer on the Closing Date a certificate issued by the Minister of Finance of Ontario under subsection 6(1) of the Retail Sales Tax Act (Ontario), and the equivalent certificates under the applicable retail sales tax legislation of British Columbia, and Saskatchewan.

ARTICLE 7. COVENANTS OF THE PARTIES

7.1 Further Action

Each of the Parties shall, subject to the fulfillment at or before the Effective Time of each of the conditions of performance set forth herein or the waiver thereof, use its or his reasonable best efforts to perform such further acts and execute such documents as may be reasonably required to effect the Contemplated Transactions. Each of the Parties will comply in all material respects with all applicable Laws of any Governmental Authority in connection with its execution, delivery and performance of this Agreement and the Contemplated Transactions and thereby. Each of the Parties agrees to use his or its reasonable best efforts to obtain in a timely manner all necessary waivers, consents, approvals and opinions and to effect all necessary registrations and filings, and to use his or its reasonable best efforts to take, or cause to be taken, all other actions and to do, or cause to be done, all other things necessary, proper or advisable to consummate and make effective as promptly as practicable the Acquisition.

7.2 Notification of Certain Matters

Each of Seller and Buyer shall give prompt notice to the other Parties of the following:

(a) the occurrence or nonoccurrence of any event whose occurrence or nonoccurrence is reasonably expected to cause any of the conditions precedent set forth in Articles 8 or 9 not to be satisfied; and

(b) the status of matters relating to completion of the Acquisition, including promptly furnishing the other with copies of notice or other communications received by any Party from any Governmental Authority or other third party with respect to this Agreement or the transactions contemplated thereby, including the Acquisition.

7.3 Review of Information

Subject to applicable laws relating to the exchange of information, each Party shall have the right to review in advance, and to the extent practicable each will consult the other on, all the information relating to it that appear in any filing made with, or written materials submitted to, any third party and/or any Governmental Authority in connection with the Acquisition. In exercising the foregoing right, each of the Parties shall act reasonably and as promptly as practicable.

7.4 Accounts Receivable Tax Election

Buyer and Seller agree to make and file, in a timely matter, a joint election to have the rules in Section 22 of the Canadian Tax Act, and any equivalent or corresponding provision under applicable provincial or territorial tax legislation, apply in respect of the Accounts Receivable that are the subject of the election and shall designate therein that portion of the Purchase Price allocated to the Accounts Receivable that are the subject of such election in accordance with the Allocation Schedule.

7.5 No Solicitation of Other Bids

(a) From the date of this Agreement until the Closing or the termination of this Agreement pursuant to its terms, Seller agrees that it will not and will not permit any of its Personnel or Representatives to, directly or indirectly, (i) initiate, solicit, encourage or otherwise facilitate (including by way of furnishing information including without limitation, any terms of this Agreement), any inquiries or the making of any proposal or offer that constitutes, or may reasonably be expected to lead to an Acquisition Proposal, (ii) enter into or maintain or continue discussions or negotiate with any Person in furtherance of such inquiries or to obtain an Acquisition Proposal, or (iii) agree to, approve, recommend, or endorse any Acquisition Proposal, or authorize or permit any of its Representatives to take any such action. Seller shall promptly notify Buyer of any and all such inquiries and proposals received by Seller or its Representatives relating to any of such matters.

(b) In addition to the other obligations under this Section, Seller shall promptly advise Buyer orally (and in any event within two hours after receipt thereof by Seller or its Representatives) and in writing (and in any event within two days after receipt thereof by Seller or its Representatives) of any Acquisition Proposal, any request for information with respect to any Acquisition Proposal, or any inquiry with respect to or which could reasonably be expected to result in an Acquisition Proposal, the material terms and conditions of such request, Acquisition Proposal or inquiry, and the identity of the Person making the same.

(c) Seller agrees that the rights and remedies for noncompliance with this Section shall include having such provision specifically enforced by any court having equity jurisdiction, it being acknowledged and agreed that any such breach or threatened breach shall cause irreparable injury to Buyer and that money damages would not provide an adequate remedy to Buyer.

7.6 Benefit Plans

(a) To the extent that the Benefit Plans listed in Section [3.12\(b\)](#) of the Disclosure Statement are assignable, Buyer may adopt, in its discretion as of the Closing Date, some or all of such Benefit Plans. Any Benefit Plans adopted by Buyer shall be included in the Assigned Contracts for purposes of this Agreement. Seller agrees to cooperate with Buyer to supply the appropriate notices and consents required to give effect to Buyer's adoption of such plans, if any.

(b) To the extent that any Benefit Plans are not assumed by Buyer, Buyer shall establish or cause to be established Benefit Plans for the Affected Employees hired by Buyer that are substantially equivalent to the Benefit Plans provided to the Affected Employees immediately prior to the Closing Date.

7.7 Current Report; Management Representations

(a) At Buyer's request, Seller shall provide reasonable assistance to Buyer in the preparation and filing with the U.S. Securities and Exchange Commission of a Current Report on Form 8-K for Buyer (including any amendment thereof containing such financial information of Seller as deemed desirable by Buyer).

(b) Following Closing, if Buyer chooses to have its independent accountant audit Seller's financial statements for any period prior to Closing, the Principals shall use their reasonable efforts to cause the former management of Seller to execute such representation letters to Buyer's independent accountant as are customary in connection with an audit engagement.

7.8 Related Party Agreements

As of December 31, 2009, all payments with respect to any Related Party Agreements, including rent, percentage rent, commissions, fees, bonus and salary, have been paid or properly accrued on Seller's Financial Statements, and will be paid in full at Closing. For purposes of this section, "Related Party Agreements" means all Seller contracts, promissory notes, or leases with any Shareholders, Principals, other Affiliates, or any "associate" of any of the foregoing as such term is defined in the Canada Business Corporations Act.

7.9 Third Party Consents and Notices

Buyer shall use its best efforts to support and assist Seller in obtaining such consents and approvals.

7.10 Apportionments; Prepaid Expenses

All Rent and utility charges with respect to the Acquired Stores shall be apportioned between Seller and Buyer as set forth below:

(a) All utility charges, including, without limitation, sewer and water charges (collectively, "Utility Charges") and all payments under any Assigned Contracts shall be prorated and apportioned as of the Closing Date, the period through and including the day before the Closing Date being Seller's responsibility and the period commencing on the Closing Date being Buyer's responsibility. Any undetermined or unbilled Utility Charges shall be apportioned as of the Closing Date on the basis of the most recent bill issued prior to Closing and Buyer and Seller shall adjust the apportionment, if necessary, within thirty (30) days after Buyer submits to Seller actual invoices for such charges.

(b) Seller shall pay all base, minimum, fixed and additional rent including, without limitation, any real estate taxes, insurance premiums, operating expenses, occupancy expenses, common area maintenance charges, damage charges, or other amounts which Seller may owe under the Real Property Leases ("Rent") due and payable under each of the Real Property Leases with respect to the period through and including the day before the Closing Date, even though it may be billed after the Closing Date. Buyer shall pay all Rent due and payable under each of the Real Property Leases with respect to the period from and after the Closing Date. Buyer shall pay to Seller at the Closing its prorated share of any Rent paid by Seller relating to the period on and after the Closing Date.

(c) To the extent any Rent referred to in subsection (b) above, including operating expenses and common area maintenance charges, is computed based on estimated amounts subject to adjustment at a later date, Buyer and Seller agree that if any amounts are determined at any time after the Closing Date to be owing to Seller by Buyer or to Buyer by Seller, then the Party owing such amounts shall pay the same to the owed Party within ten (10) days of written demand therefor by the Party to which such amounts are owed.

7.11 Change of Name

On or immediately after the Closing Date, Seller shall (a) amend its articles and governing documents, terminate any applicable fictitious name filings, and take all other actions necessary to change its name to one sufficiently dissimilar to Seller, in Buyer's judgment, to avoid confusion with Buyer's use of the name "Dollar Giant" after the Closing Date and (b) take all actions requested by Buyer to enable Buyer to change its name to or do business under the name of "Dollar Giant."

7.12 Other Agreements

Buyer shall enter into consulting agreements with the Shareholders (the "Consulting Agreements") in form and substance satisfactory to Buyer and the Shareholders. Buyer shall enter into an executive employment agreement with Joseph (the "Joseph Employment Agreement"), in form of the draft circulated to Joseph before the date of this Agreement.

7.13 Transfer Taxes

Buyer shall be liable for and shall pay all federal and provincial sales Taxes (including any Goods and Services Tax or Harmonized Sales Tax, as applicable, retail sales Taxes and land transfer Taxes) and all other similar Taxes of any jurisdiction payable in connection with the purchase of the Purchased Assets. For greater certainty, Seller shall be responsible for all income Taxes payable by the Seller as a result of the Contemplated Transactions.

7.14 ETA Election

Buyer and Seller shall elect jointly under subsection 167(1) of the ETA, in the form prescribed for the purposes of that provision, in respect of the sale and transfer of the Purchased Assets, and Buyer shall file such election with the Canada Revenue Agency on or before the time specified in subsection 167(1.1) of the ETA for this purpose.

7.15 Saskatchewan Retail Sales Tax

Buyer and Seller agree that the assignment of Inventory is not subject to retail sales Tax under the Provincial Sales Tax Act (Saskatchewan). 7.16 Bulk Sales Compliance

The Parties waive compliance with the Bulk Sales Act (Ontario) or any other comparable bulk sales legislation in connection with the transfer of the Purchased Assets. Seller Indemnifying Parties agree to indemnify and hold Buyer Indemnitees harmless in accordance with Article 12 from any Excluded Liabilities arising from failure to comply with such Laws.

7.17 Supplements to Disclosure Statement

On the Closing Date, Seller shall supplement or amend the Disclosure Statement with respect to any matter hereafter arising which, if existing or occurring at or prior to the date of this Agreement, would have been required to be set forth or described in the Disclosure Statement or which is necessary to correct any information in any section of the Disclosure Statement which has been rendered inaccurate thereby. Before the Closing Date, Seller shall give prompt notice to Buyer if it comes to the attention of Seller that an event, condition, or state of facts exists which has resulted or is reasonably likely to result in a breach of this Agreement or in a Material Adverse Effect on Seller. No supplement or amendment to the Disclosure Statement shall cure any breach of this Agreement or have any effect for the purpose of determining satisfaction of the conditions set forth in Section 8.1 of this Agreement.

ARTICLE 8. CONDITIONS TO BUYER'S OBLIGATIONS

Buyer's obligation to purchase the Purchased Assets and to take the other actions required to be taken by Buyer at the Closing is subject to the satisfaction, at or prior to the Closing, of each of the following conditions (any of which may be waived by Buyer, in whole or in part):

Each of these representations and warranties that contains an express materiality qualification or a Material Adverse Effect qualification, shall have been accurate in all respects as of the date of this Agreement, and shall be accurate in all respects as of the time of the Closing as if then made, without giving effect to any supplement, modification, or update to the Disclosure Statement. Each of Seller, the Shareholders, and the Principals shall have duly performed and complied with all covenants and agreements required by this Agreement to be performed by it or him at or prior to the Closing Date. Buyer shall have been furnished with a certificate of Seller, the Shareholders, and the Principals ("Seller Closing Certificate"), dated the Closing Date, certifying, in such detail as Buyer reasonably may request, the fulfillment of the foregoing conditions.

8.2 Certain Documents

Buyer shall have been furnished with a certificate to the effect of the foregoing executed by the President of Seller.

8.4 Legal Actions

No action, suit, proceeding or investigation shall be pending or threatened before or by any court or governmental body or agency (i) challenging the transactions contemplated by this Agreement or otherwise seeking damages, (ii) seeking to restrain or prevent the carrying out of the transactions contemplated by this Agreement or to prohibit or limit the ability of Buyer to exercise full rights of ownership of the Purchased Assets or to operate the Business after the Closing Date or (iii) which, if adversely determined, would be reasonably likely to cause a Material Adverse Effect on Seller, the Business, or the Purchased Assets.

8.5 Landlord Estoppels and Consents

(a) All the following documents (collectively, the “Lease Transfer Documents”) shall have been executed and delivered to Buyer:

(i) the Lease Assignment in the form of the Assignment and Assumption of Leases attached as Exhibit 8.5(a)(i), wherein Seller assigns all of its right, title and interest in and to the Real Property Leases to Buyer, and, except as otherwise stated in this Agreement, Buyer assumes all obligations of Seller under the Real Property Leases which first accrue on or after the Closing Date;

(ii) a landlord estoppel and consent in a form acceptable to Buyer (“Consent and Estoppel”), subject to variation by agreed changes negotiated on a case by case basis, wherein the landlord under each Real Property Lease makes certain statements with respect to the Real Property Lease and consents (to the extent required thereunder) to the assignment of the rights of the lessee thereunder to Buyer in accordance with this Agreement; and

(iii) amendments to the Real Property Leases listed on Schedule 8.5(a)(iii), which shall address particular items in such Real Property Leases as required by Buyer, and which may include, at Buyer’s discretion on a case-by-case basis, amendments allowing Buyer to self-insure and modifying certain use restrictions.

(b) Immediately following the execution and delivery of this Agreement, Buyer will have prepared and Seller shall deliver Lease Transfer Documents to the landlords for all Real Property Leases. The form of each Lease Transfer Document may be tailored by Buyer in the manner previously disclosed to Seller to address particular items in each Real Property Lease.

(c) Seller and Buyer shall share equally in the payment of any administrative fees required by any landlord to review and/or execute any Lease Transfer Document to which such landlord is a party or must approve; provided, however, that Seller covenants and agrees to pay, and indemnify and hold Buyer harmless from, all additional consideration, net consideration, or profits payable to landlords (“Landlord Profits Claims”) as may be required under the Real Property Leases to the extent resulting from the assignment or transfer of the Real Property Leases to Buyer; provided further, however, that the foregoing covenant of Seller shall not apply with respect to any Real Property Lease under which the sale of Seller’s shares to Buyer would not have resulted in the right of a landlord to make a Landlord Profits Claim. If any landlord makes a Landlord Profits Claim against Buyer for which Buyer would seek indemnification from Seller under this Section 8.5(c), such claim shall be handled in accordance with Section 12.5(a) below.

(d) No landlord under any Real Property Lease (other than for Store 35) shall have given notice of termination of such Real Property Lease pursuant to a provision in such Real Property Lease giving the landlord the right to terminate the Real Property Lease upon the Landlord’s receipt of notice of assignment or request for landlord to consent to assignment of the Real Property Lease.

8.6 Other Third Party Consents and Notices

Seller shall have made the Contract Transfer Notices, obtained the Contract Transfer Consents, and obtained all other consents, waivers, approvals, amendments, Permits, and authorizations that are necessary under applicable Law, agreement, or otherwise to be obtained by Seller in connection with the Acquisition and the consummation of Contemplated Transactions, or to enable Buyer to conduct the Business after the Closing in all material respects in the same manner as the Business is being conducted on the date hereof. The Contract Transfer Notices and the Contract Transfer Consents shall be in form prepared by Buyer or reviewed and approved by Buyer.

ARTICLE 9. CONDITIONS PRECEDENT TO SELLER’S OBLIGATION TO CLOSE

Seller’s obligation to sell the Purchased Assets and to take the other actions required to be taken by Seller at the Closing is subject to the satisfaction, at or prior to the Closing, of each of the following conditions (any of which may be waived by Seller in whole or in part):

9.1 Representations and Warranties

Except for representations and warranties described in the next sentence, all of Buyer’s representations and warranties in this Agreement, considered collectively, and each of these representations and warranties considered individually, shall have been accurate in all material respects as of the date of this Agreement, and shall be accurate in all material respects as of the time of the Closing as if then made. Each of these representations and warranties that contains an express materiality qualification or a Material Adverse Effect qualification, shall have been accurate in all respects as of the date of this Agreement, and shall be accurate in all respects as of the time of the Closing as if then made. Buyer shall have duly performed and complied with all covenants and agreements required by this Agreement to be performed by Buyer at or prior to the Closing Date. Seller shall have obtained all consents, waivers, approvals, amendments and authorizations that are necessary under applicable Law, agreement, or otherwise to be obtained by Seller in connection with the Acquisition and the consummation of the Contemplated Transactions, or to enable Buyer to conduct the Business after the Closing in all material respects in the same manner as such Business is being conducted on the date hereof.

ARTICLE 10. TERMINATION

10.1 Termination Rights

This Agreement may be terminated, and the Acquisition may be abandoned:

(a) at any time prior to the Closing, by the mutual consent of Buyer and Seller;

(b) by Buyer, if (i) Seller shall have breached any material representation, warranty, or covenant contained herein and (A) such breach shall have not been cured within thirty (30) days after the receipt by Seller of written notice of such breach (provided, however, that no such cure period shall be available or applicable to any such breach which by its nature cannot be cured) and (B) if not cured at or prior to the Closing, such breach would result in the failure of any conditions set forth in Article 8 to be satisfied, (ii) the Board of Directors of Seller or the Shareholders shall have withdrawn or modified, in a manner adverse to Buyer, any recommendation to approve or any approval of the Acquisition or shall have resolved to do any of the foregoing, (iii) Seller shall have breached Section 7.5, or (iv) Seller shall have for any reason failed to deliver to the Shareholders a written consent to adopt this Agreement and approve the Acquisition; provided, however, that the right to terminate this Agreement under this subsection shall not be available to Buyer if Buyer is at that time in material breach of this Agreement;

(c) by Seller, if Buyer shall have breached any material representation, warranty or covenant contained herein and (A) such breach shall have not been cured within thirty (30) days of the receipt by Buyer of written notice of such breach (provided, however, that no such cure period shall be available or applicable to any such breach which by its nature cannot be cured) and (B) if not cured at or prior to the Closing, such breach would result in the failure of any conditions set forth in Article 9 to be satisfied; provided, however, that the right to terminate this Agreement under this Subsection shall not be available to Seller if Seller is at that time in material breach of this Agreement; or

(d) at any time prior to the Effective Time, by Buyer or Seller, in the event that the Acquisition is not consummated by December 15, 2010, or any other date that Buyer and Seller may agree upon in writing (the “Termination Date”); provided, that the right to terminate this Agreement under this Section 10.1(d) shall not be available to any Party whose breach of this Agreement has resulted in the failure of the Closing to occur on or before the Termination Date.

10.2 Effect of Termination and Abandonment

(a) In the event of termination of this Agreement and the abandonment of the Acquisition pursuant to Section 10.1, no Party to this Agreement shall have any liability or further obligation to any other Party hereunder except that termination will not relieve a breaching Party from liability for any Damages relating to any willful or intentional breach of this Agreement giving rise to such termination and provided further that the provisions of this Section 10.2 and Article 12 shall survive any such termination.

(b) Notwithstanding any termination right, in the event of the non-fulfillment of any condition to a Party’s closing obligations, such Party may elect to do any of the following: (i) proceed to close despite the non-fulfillment of any closing condition, it being understood that consummation of the Closing shall not be deemed a waiver of a breach of any representation or warranty or covenant; (ii) decline to close, terminate this Agreement as provided in Article 10, and thereafter seek Damages to the extent permitted in Article 12; or (iii) seek specific performance of the obligations of the other Party.

ARTICLE 11. EMPLOYEE MATTERS

11.1 Accrued Benefits

Seller shall pay or otherwise satisfy in full contemporaneously or prior to the Closing all of its obligations to all Affected Employees for all accrued vacation, personal days, sick time, other paid time off, and Buyer shall not assume and shall have no obligation or liability for payment of any such benefits or any benefits under Seller’s Benefit Plans or policies applicable to the period prior to the Effective Time. With respect to Affected Employees who accept employment with Buyer, Buyer shall be responsible for payment of any salaries, wages, and benefits of such Affected Employees which accrue after the Effective Time.
