Form 10-Q for the period ended December 31, 2009

Item 1. Financial Statements

Notes to Condensed Consolidated Financial Statements

Note 2 – Related Party Transactions, page 8

1. We note within your discussion of Partnership management fees that without the General Partner's advances and continued accrual without payment of certain fees and expense reimbursements, the Partnership will not be in a position to meet its obligations. Please tell us how this reconciles with your statement within MD&A on page 13 that the Partnership has sufficient liquidity to meet existing or reasonable likely future cash requirements over the short and long term excluding the payment of such fees owed to the General Partner. Further, please tell us what consideration you gave to providing the audited balance sheet of the general partner; refer to Rule 8-07 of Regulation S-X.

Please understand that we may have additional comments after reviewing your response to our comment.

We urge all persons who are responsible for the accuracy and adequacy of the disclosure in the filings reviewed by the staff to be certain that they have provided all information investors require for an informed decision. Since the company and its management are in possession of all facts relating to a company's disclosure, they are responsible for the accuracy and adequacy of the disclosures they have made.

In connection with responding to our comment, please provide, in writing, a statement from the company acknowledging that:

- the company is responsible for the adequacy and accuracy of the disclosure in the filings;
- staff comments or changes to disclosure in response to staff comments do not foreclose the Commission from taking any action with respect to the filings; and
- the company may not assert staff comments as a defense in any proceeding initiated by the Commission or any person under the federal securities laws of the United States.
