ING ADVANTAGE CENTURY PLUSSM

Supplement Effective as of April 30, 2012

The following information updates and amends certain information contained in your variable annuity Contract Prospectus dated April 29, 2011, as amended. Please read it carefully and keep it with your Contract Prospectus for future reference.

IMPORTANT INFORMATION REGARDING FUND NAME CHANGES

The following investment options available through the contracts have changed their names as follows:

Former Fund Name	New Fund Name
ING Baron Small Cap Growth Portfolio	ING Baron Growth Portfolio
Lord Abbett Series Fund – Mid-Cap Value Portfolio	Lord Abbett Series Fund – Mid Cap Stock Portfolio

**NOTICE OF AND IMPORTANT INFORMATION REGARDING
AN UPCOMING FUND REORGANIZATION**

The following information only affects you if you currently invest in or plan to invest in the subaccount that corresponds to the ING Artio Foreign Portfolio.

On January 12, 2012, the Board of Trustees of ING Investors Trust approved a proposal to reorganize the ING Artio Foreign Portfolio. Subject to shareholder approval, effective on or about July 21, 2012 (the “Reorganization Effective Date”), the ING Artio Foreign Portfolio (the “Merging Fund”) will be reorganized and will merge with and into the following “Surviving Fund.”

Merging Fund	Surviving Fund
ING Artio Foreign Portfolio (Class S)	ING Templeton Foreign Equity Portfolio (Class I)

- Prior to the Reorganization Effective Date, you may transfer amounts allocated to the subaccount that invests in the Merging Fund to any other available subaccount or to any available fixed interest option. **See the “TRANSFERS AMONG INVESTMENT OPTIONS” section of your Contract Prospectus for information about making subaccount transfers, including applicable restrictions and limits on transfers.**
- On the Reorganization Effective Date, your investment in the subaccount that invests in the Merging Fund will automatically become an investment in the subaccount that invests in the corresponding Surviving Fund with an equal total net asset value.

- On the Reorganization Effective Date, all existing account balances invested in Class S shares of the ING Artio Foreign Portfolio will automatically become investments in the subaccount that invests in Class I shares of the ING Templeton Foreign Equity Portfolio. Class I shares have lower total fund expenses than Class S shares, and the effect of this transaction is to give contract owners an investment in a similar fund managed by the same investment adviser at a lower cost.
- Unless you provide us with alternative allocation instructions, after the Reorganization Effective Date all allocations directed to the subaccount that invests in the Merging Fund will be automatically allocated to the subaccount that invests in the corresponding Surviving Fund. You may give us alternative allocation instructions at any time by contacting our Administrative Service Center at: ING Service Center, P.O. Box 5050, Minot, ND, 58702-5050 or calling 1-877-884-5050.
- After the Reorganization Effective Date, the Merging Fund will no longer exist and all references to it in the Contract Prospectus will be replaced by the corresponding Surviving Fund.
- You will not incur any fees or charges or any tax liability because of the upcoming fund reorganization.
- Information about the investment advisers/subadvisers and the investment objective(s) of the Merging Fund and the Surviving Fund, can be found in the chart below under “Important Information About The Funds Available Through the Contracts.”

IMPORTANT INFORMATION REGARDING THE COMPANY

The following updates and replaces the Regulatory Matters paragraph in the Contract Prospectus:

Regulatory Matters. As with many financial services companies, the Company and its affiliates periodically receive informal and formal requests for information from various state and federal governmental agencies and self-regulatory organizations in connection with examinations, inquiries, investigations and audits of the products and practices of the Company or the financial services industry. Considerable regulatory scrutiny currently is being focused on whether and to what extent life insurance companies are using the United States Social Security Administration’s Death Master File (“SSDMF”) to proactively ascertain when customers have deceased and to pay benefits even where no claim for benefits has been made. The Company has received industry-wide and company-specific inquiries and is engaged in market conduct examinations with respect to its claims settlement practices, use of the SSDMF, and compliance with unclaimed property laws. A majority of states are conducting an audit of the Company’s compliance with unclaimed property laws. The Company also has been reviewing whether benefits are owed and whether reserves are adequate in instances where an insured appears to have died, but no claim for death benefits has been made. Some of the investigations, exams, inquiries and audits could result in regulatory action against the Company. The potential outcome of such action is difficult to predict but could subject the Company to adverse consequences, including, but not limited to, settlement payments, additional payments to beneficiaries, and additional escheatment of funds deemed abandoned under state laws. They may also result in fines and penalties and changes to the Company’s procedures for the identification and escheatment of abandoned property, and other financial liability. While it is not possible to predict the outcome of any such action, or internal or external investigations, examinations, reviews or inquiries, management does not believe that they will have a material adverse effect on the Company’s financial position. It is the practice of the Company and its affiliates to cooperate fully in these matters.

IMPORTANT INFORMATION ABOUT THE COMPANY'S INTEREST BEARING RETAINED ASSET ACCOUNT

The following updates information regarding payment of death benefits or proceeds in the "DEATH BENEFIT" and "INCOME PHASE" sections of the Contract Prospectus.

Payment of Death Benefit or Proceeds.

Subject to state law conditions and requirements, full payment of the death benefit or proceeds ("Proceeds") to a beneficiary may be made into an interest bearing retained asset account that is backed by our general account. **The retained asset account is not guaranteed by the Federal Deposit Insurance Corporation ("FDIC").** The beneficiary may access the entire Proceeds in the account at any time without penalty through a draftbook feature. The Company seeks to earn a profit on the account, and interest credited on the account may vary from time to time but will not be less than the minimum rate stated in the supplemental contract delivered to the beneficiary together with the paperwork to make a claim to the Proceeds. Interest earned on the Proceeds in the account may be less than could be earned if the Proceeds were invested outside of the account. Likewise, interest credited on the Proceeds in the account may be less than under other settlement or payment options available through the contract. A beneficiary should carefully review all settlement and payment options available under the contract and are encouraged to consult with a financial professional or tax advisor before choosing a settlement or payment option.

A beneficiary may request additional information about the retained asset account and the draftbook feature or may elect to receive payment of the Proceeds by check rather than through the account's draftbook feature by contacting us at the contacting our Administrative Service Center at: ING Service Center, P.O. Box 5050, Minot, ND, 58702-5050, 1-877-884-5050.
