**NOTICE OF AND IMPORTANT INFORMATION ABOUT
UPCOMING FUND REORGANIZATIONS**

The following information only affects you if you currently invest in or plan to invest in the subaccounts that correspond to the ING BlackRock Science and Technology Opportunities and ING UBS U.S. Large Cap Equity Portfolios.

The Board of Trustees of ING Variable Portfolios, Inc. and the Board of Directors of ING Partners, Inc. approved separate proposals to reorganize certain funds. Subject to shareholder approval, effective on or about March 23, 2013 (the “Reorganization Effective Date”), the following “Merging Funds” will be reorganized and will merge with and into the following “Surviving Funds.”

Merging Funds	Surviving Funds
ING BlackRock Science and Technology Opportunities Portfolio	ING MidCap Opportunities Portfolio
ING UBS U.S. Large Cap Equity Portfolio	ING Growth and Income Portfolio

- Prior to the Reorganization Effective Date, you may transfer amounts allocated to a subaccount that invests in a Merging Fund to any other available subaccount or to any available fixed interest option. **See the “TRANSFERS” section of your Contract Prospectus for information about making subaccount transfers, including applicable restrictions and limits on transfers.**
- On the Reorganization Effective Date, your investment in a subaccount that invests in a Merging Fund will automatically become an investment in the subaccount that invests in the corresponding Surviving Fund with an equal total net asset value.
- Unless you provide us with alternative allocation instructions, after the Reorganization Effective Date all allocations directed to a subaccount that invests in a Merging Fund will be automatically allocated to the subaccount that invests in the corresponding Surviving Fund. You may give us alternative allocation instructions at any time by contacting us at our Administrative Service Center at: ING Service Center, P.O. Box 5050, Minot, ND, 58702-5050 or calling 1-877-884-5050.
- After the Reorganization Effective Date, the Merging Funds will no longer exist and all references to them in the Contract Prospectus will be replaced by the corresponding Surviving Fund.
- The minimum and maximum “*Total Annual Fund Operating Expenses*” shown in the Contract Prospectus will not change as a result of the upcoming fund reorganizations. Consequently, there will be no change to the “Fund Fees and Expenses Examples” shown in the Contract Prospectus.
- You will not incur any fees or charges or any tax liability because of the upcoming fund reorganizations.
- Information about the investment adviser/subadviser and the investment objective(s) of the Surviving Funds can be found in an appendix to your Contract Prospectus.
