Notice of and Important Information About An Upcoming Fund Reorganizations

The Boards of Trustees of Voya Investors Trust and Voya Variable Products Trust approved separate proposals to reorganize the following “Merging Portfolios” with and into the following “Surviving Portfolio.” The proposed reorganizations are subject to approval by the shareholders of each Merging Portfolio. If shareholder approval is obtained, it is expected each reorganization will be effective on or about the close of business on March 6, 2015 (the “Reorganization Date”).

<i>Merging Portfolios</i>	<i>Surviving Portfolio</i>
Voya Global Resources Portfolio (Class S) Voya International Value Portfolio (Class I)	Voya Global Value Advantage Portfolio (Class I)

Voluntary Transfers Before the Reorganization Date. Prior to the Reorganization Date, you may transfer amounts allocated to the subaccount that invests in a Merging Portfolio to any other available subaccount or any available fixed interest option. There will be no charge for any such transfer, and any such transfer will not count as a transfer when imposing any applicable restriction or limit on transfers. See the “**Transfers**” section of your Contract Prospectus for information about making subaccount transfers.

On the Reorganization Date:

- Your investment in the subaccount that invested in a Merging Portfolio will automatically become an investment in the subaccount that invests in the Surviving Portfolio with an equal total net asset value. You will not incur any tax liability because of this automatic reallocation and your contract value immediately before the reallocation will equal your contract value immediately after the reallocation; and
- All existing account balances invested in Class S shares of the Voya Global Resources Portfolio and Class I shares of the Voya International Value Portfolio will automatically become investments in the subaccount that invests in Class I shares of the Voya Global Value Advantage Portfolio. Class I shares have lower total fund expenses than Class S shares, and the effect of this transaction is to give contract owners an investment in a similar fund managed by the same investment adviser at a lower cost.

Automatic Fund Reallocation After the Reorganization Date. After the Reorganization Date, the Merging Portfolios will no longer be available through your contract. Unless you provide us with alternative allocation instructions after the Reorganization Date all allocations directed to the subaccount that invested in a Merging Portfolio will be automatically allocated to the subaccount that invests in the Surviving Portfolio. See the “**Transfers**” section of your Contract Prospectus for information about making fund allocation changes.

Allocation Instructions. You may give us alternative allocation instructions at any time by contacting us at Customer Service, P.O. Box 5050, Minot, North Dakota 58702-5050 or calling us at 1-877-884-5050.

Important Information Regarding “The Company”

The first three paragraphs under the heading “**The Company**” in the Contract Prospectus, as supplemented, and the first three paragraphs under the heading “**General Information and History**” in the SAI, as supplemented, are deleted and replaced with the following:

ReliaStar Life Insurance Company (the “Company,” “we,” “us,” “our”) issues the contracts described in this prospectus and is responsible for providing each contract’s insurance and annuity benefits. All guarantees and benefits provided under the contracts that are not related to the separate account are subject to the claims paying ability of the Company and our general account. We are a stock life insurance company organized in 1885 and incorporated under the insurance laws of the State of Minnesota. Prior to October 1, 2002, the contracts were issued by Northern Life Insurance Company (“Northern”), a wholly owned subsidiary of the Company. On October 1, 2002, Northern merged into the Company, and the Company assumed responsibilities for Northern’s obligations under the contracts.

We are an indirect, wholly owned subsidiary of Voya Financial, Inc. (“VoyaTM”), which until April 7, 2014, was known as ING U.S., Inc. In May 2013 the common stock of Voya began trading on the New York Stock Exchange under the symbol “VOYA” and Voya completed its initial public offering of common stock.

Voya is an affiliate of ING Groep N.V. (“ING”), a global financial institution active in the fields of insurance, banking and asset management. In 2009 ING announced the anticipated separation of its global banking and insurance businesses, including the divestiture of Voya, which together with its subsidiaries, including the Company, constitutes ING’s U.S.-based retirement, investment management and insurance operations. As of November 18, 2014, ING’s ownership of Voya was approximately 19%. Under an agreement with the European Commission, ING is required to divest itself of 100% of Voya by the end of 2016.
