**Supplement Dated December 11, 2014 to the Contract Prospectus
and Statement of Additional Information, each dated May 1, 2014, as amended**

This supplement updates and amends certain information contained in your variable annuity Contract Prospectus and Statement of Additional Information (the “SAI”). Please read it carefully and keep it with your Contract Prospectus and SAI for future reference.

Important Information Regarding the VY[®] PIMCO Bond Portfolio

Effective on or about December 12, 2014, the VY[®] PIMCO Bond Portfolio will be renamed Voya Aggregate Bond Portfolio and Voya Investment Management Co. LLC will replace Pacific Investment Management Company LLC as subadviser.

Information in your Contract Prospectus regarding the fund referenced above is changed accordingly.

<i>The following information only affects you if you currently invest in or plan to invest in the subaccounts that correspond to the Voya Global Resources Portfolio and the Voya International Value Portfolio.</i>

Notice of and Important Information About Upcoming Fund Reorganizations

The Boards of Trustees of Voya Investors Trust and Voya Variable Products Trust approved separate proposals to reorganize the following “Merging Portfolios” with and into the following “Surviving Portfolio.” The proposed reorganizations are subject to approval by the shareholders of each Merging Portfolio. If shareholder approval is obtained, it is expected each reorganization will be effective on or about the close of business on March 6, 2015 (the “Reorganization Date”).

<i>Merging Portfolios</i>	<i>Surviving Portfolio</i>
Voya Global Resources Portfolio (Class S) Voya International Value Portfolio (Class I)	Voya Global Value Advantage Portfolio (Class I)

Voluntary Transfers Before the Reorganization Date. Prior to the Reorganization Date, you may transfer amounts allocated to the subaccount that invests in a Merging Portfolio to any other available subaccount or any available fixed interest option. There will be no charge for any such transfer, and any such transfer will not count as a transfer when imposing any applicable restriction or limit on transfers. See the “**Transfers**” section of your Contract Prospectus for information about making subaccount transfers.

On the Reorganization Date:

- Your investment in the subaccount that invested in a Merging Portfolio will automatically become an investment in the subaccount that invests in the Surviving Portfolio with an equal total net asset value. You will not incur any tax liability because of this automatic reallocation and your contract value immediately before the reallocation will equal your contract value immediately after the reallocation; and
- All existing account balances invested in Class S shares of the Voya Global Resources Portfolio and Class I shares of the Voya International Value Portfolio will automatically become investments in the subaccount that invests in Class I shares of the Voya Global Value Advantage Portfolio. Class I shares have lower total fund expenses than Class S shares, and the effect of this transaction is to give contract owners an investment in a similar fund managed by the same investment adviser at a lower cost.

Automatic Fund Reallocation After the Reorganization Date. After the Reorganization Date, the Merging Portfolios will no longer be available through your contract. Unless you provide us with alternative allocation instructions, after the Reorganization Date all allocations directed to the subaccount that invested in a Merging Portfolio will be automatically allocated to the subaccount that invests in the Surviving Portfolio. See the “**Transfers**” section of your Contract Prospectus for information about making fund allocation changes.

Allocation Instructions. You may give us alternative allocation instructions at any time by contacting us at Customer Service, P.O. Box 5050, Minot, North Dakota 58702-5050 or calling us at 1-877-884-5050.

Voya is an affiliate of ING Groep N.V. (“ING”), a global financial institution active in the fields of insurance, banking and asset management.
