The Securities and Exchange Commission (Commission) issued its Order Instituting Proceedings (OIP) on November 10, 2010, pursuant to Section 12(j) of the Securities Exchange Act of 1934 (Exchange Act). The OIP alleges that Respondents are each corporations with a class of securities registered with the Commission pursuant to Section 12(g) of the Exchange Act and that each has repeatedly failed to file required periodic reports.

The Office of the Secretary and the Division of Enforcement have provided evidence that all Respondents were served with the OIP in accordance with 17 C.F.R. § 201.141(a)(2)(ii) by November 17, 2010. Respondents' Answers were due ten days from the date of service. See OIP at 4; 17 C.F.R. § 201.220(b). To date, no Respondent has filed an Answer and the time for filing has expired.

Since none of the Respondents has filed an Answer or otherwise defended the proceeding, they are in default. See 17 C.F.R. §§ 201.155(a)(2), .220(f). Accordingly, the following allegations of the OIP are deemed to be true as to each, with official notice taken of the public official records found in the Commission's EDGAR database of each Respondent discussed below. Exchange Act Section 13(a) and the rules promulgated thereunder require issuers of securities registered pursuant to Exchange Act Section 12 to file with the Commission current and accurate information in periodic reports, even if the registration is voluntary under Section 12(g). As a result of the foregoing, each Respondent failed to comply with Exchange Act Section 13(a) and Rules 13a-1 and 13a-13 thereunder. Considering these delinquencies, it is necessary and appropriate for the protection of investors to revoke the registrations of each class of registered securities of these Respondents.
