Please provide a written response to the following additional comment when you respond to our initial comment letter dated March 31, 2010. Please be as detailed as necessary in your explanation. After reviewing this information, we may raise additional comments.

Form 10-K for Fiscal Year Ended December 31, 2009

Exhibit 99

Appraisal Report as of December 31, 2009

Summary and Conclusions, page 16

1. We note the statement on page 17 that the appraisal “report has been prepared at the request of Denbury and should not be used for purposes other than those for which it is intended.” Please explain to us in greater detail the purposes for which this report is intended and whether this statement is meant to qualify the use of this report or limit potential investor reliance. Similar concerns exist concerning the statement on page 15 regarding the ‘scope’ of the report.
