Because of the "age of financial statements" requirement in S-X, we need to go effective no later than the 11th (Thursday). In our filing, we had asked for tomorrow, but I obviously understand your situation. Please let us know what else you might need, and we'd be glad to get it to you in whatever form you need.

RE: Our N-4 Filings

I thought you were seeking effectiveness for the 11th-Thurs. I can access the filing from home and will try to review it, but I cannot guarantee it, if we are closed tomorrow also.

Hello Sally. Because we are unsure whether the Staff is working from home during this snow emergency, I thought I would send this note to offer to e-mail anything that you might need with regard to the filings that we were seeking effectiveness for tomorrow. Please let me know if there's anything I can e-mail. thanks
