**Re:** AirTran Holdings, Inc.

Form 10-K/A filed August 9, 2006

File No. 001-15991

Dear Mr. Gadek:

We note you filed restatement information as well as information regarding non-reliance on previously issued financial statements in the 10-K/A filed August 9, 2006, rather than in an Item 4.02 Form 8-K. Item 4.02 of Form 8-K *Non-Reliance on Previously Issued Financial Statements or a Related Audit Report or Completed Interim Review*, requires a registrant to file an Item 4.02 Form 8-K if and when its board of directors, a committee of the board of directors, or the officer or officers of the registrant authorized to take such action if board action is not required, concludes that any previously issued financial statements, covering one or more years or interim periods, should no longer should be relied upon because of an error in such financial statements as addressed in APB 20 (which has since been superceded by SFAS 154 *Accounting Changes and Error Corrections*).

Please tell us if you believe the Form 10-K/A you filed includes all of the required Item 4.02 Form 8-K disclosures, and was filed timely (within four business days of the event that triggered the filing obligation), or if you believe you were not required to file an Item 4.02 8-K and the basis for your conclusion. Otherwise, please immediately file an Item 4.02 Form 8-K containing all of the required disclosures.

As appropriate, please file any required Item 4.02 Form 8-K and respond to this letter within 5 business days. Please submit all correspondence and supplemental materials on EDGAR as required by Rule 101 of Regulation S-T. Please understand that

In connection with responding to our comments, please provide, in writing, a statement from the company acknowledging that:

- the company is responsible for the adequacy and accuracy of the disclosure in the filing;
