Please respond to our comment by January 2, 2008, or tell us by that time when you will provide us with a response. 1. We note your response to prior comment 12, and we reissue the comment. Given the reference to goals and quantifiable targets in your response to prior comments 5 and 11 and in the proxy statement, it is unclear why you believe that the information is not required. Please explain in reasonable detail the reasons for believing that the goals and targets are not material to your compensation determinations. If you believe the disclosure of goals and quantifiable targets will result in competitive harm, please provide a detailed analysis supporting that conclusion.
