Filed May 13, 2009
File No. 333-146744**

Dear Mr. Tobin:

We have reviewed your filing and have the following comments. Where indicated, we think you should revise your document in response to these comments. If you disagree, we will consider your explanation as to why our comment is inapplicable or a revision is unnecessary. Please be as detailed as necessary in your explanation. In some of our comments, we may ask you to provide us with more information so we may better understand your disclosure. After reviewing this information, we may raise additional comments.

Please understand that the purpose of our review process is to assist you in your compliance with the applicable disclosure requirements and to enhance the overall disclosure in your filing. We look forward to working with you in these respects. We welcome any questions you may have about our comments or any other aspect of our review. Feel free to call us at the telephone numbers listed at the end of this letter.

Item 4.01 Changes in Registrant's Certifying Accountant.

1. Your disclosure in the third paragraph states that the Larry O'Donnell CPA, PC's report on the financial statements for the fiscal years ended December 31, 2007 and 2008 "was not qualified or modified as to uncertainty, audit scope or accounting principles except for concerns about the Company's ability to continue

as a going concern". We were unable to find such disclosure in the report included in the Form 10-K filed April 15, 2009. Please advise or revise.

2. The current disclosure in the seventh paragraph does not appear to comply with Item 304(a)(2). Please amend the filing to address the following matters:
 - a. In part (i) of the first sentence, please revise your disclosure to explicitly state "a specified transaction, either completed or proposed";
 - b. In part (ii) of the first sentence, please revise your disclosure to also state whether "...a written report was provided to the registrant or oral advice was provided that the new accountant concluded was an important factor considered by the registrant in reaching a decision as to the accounting, auditing or financial reporting issue"; and
 - c. In part (iii) of the first sentence, please revise your disclosure to state whether you consulted the new auditors regarding "any matter that was either the subject of a disagreement (as defined in paragraph 304(a)(1)(iv)...".
3. Upon amending your filing, please include, as Exhibit 16, an updated letter from your former accountants, Larry O'Donnell CPA, PC, as required by Item 304(a)(3) of Regulation S-K. Please ensure that your former accountants date their letter.

As appropriate, please amend your filing and respond to these comments within five business days or tell us when you will provide us with a response. You may wish to provide us with marked copies of the amendment to expedite our review. Please furnish a cover letter with your amendment that keys your responses to our comments and provides any requested information. Detailed cover letters greatly facilitate our review. Please understand that we may have additional comments after reviewing your amendment and responses to our comments.

We urge all persons who are responsible for the accuracy and adequacy of the disclosure in the filing to be certain that the filing includes all information required under the Securities Exchange Act of 1934 and that they have provided all information investors require for an informed investment decision. Since the company and its management are in possession of all facts relating to a company's disclosure, they are responsible for the accuracy and adequacy of the disclosures they have made.

In connection with responding to our comments, please provide, in writing, a statement from the company acknowledging that:

- the company is responsible for the adequacy and accuracy of the disclosure in the filing;

In addition, please be advised that the Division of Enforcement has access to all information you provide to the staff of the Division of Corporation Finance in our review of your filing or in response to our comments on your filing.
