Filed February 22, 2018
File No. 1-05353**

Dear Mr. Kelly:

We have limited our review of your filing to your contacts with countries that have been identified as state sponsors of terrorism, and we have the following comment. Our review with respect to this issue does not preclude further review by the Assistant Director group with respect to other issues. At this juncture, we are asking you to provide us with information so we may better understand your disclosure.

Please respond to this letter within ten business days by providing the requested information, or by advising us when you will provide the requested response. If you do not believe our comment applies to your facts and circumstances, please tell us why in your response.

After reviewing the information you provide in response to this comment, we may have additional comments.

General

1. It appears from your website that your products are available in North Korea, Sudan and Syria. North Korea, Sudan and Syria are designated by the State Department as state sponsors of terrorism and are subject to U.S. economic sanctions and/or export controls. You do not include disclosure in the Form 10-K about contacts with those countries. Please describe to us the nature and extent of any past, current and anticipated contacts with North Korea, Sudan and Syria, whether through subsidiaries, distributors or other direct or indirect arrangements. You should describe any products, technology or services you have provided to North Korea, Sudan and Syria directly or indirectly, and any agreements, commercial arrangements or other contacts with the governments of those countries or entities they control.
