Response Letter Dated July 17, 2009**

Dear Mr. DeFeo:

We have reviewed your response letter dated July 17, 2009, and we have the following comment. We welcome any questions you may have about our comment or on any other aspect of our review. Feel free to call us at the telephone numbers listed at the end of this letter.

General

1. We note your response to comment 2 of our letter dated June 25, 2009. You discuss qualitative materiality in terms of the legality of your activities in countries identified as state sponsors of terrorism. However, the investor sentiment referenced in our comment does not turn on the legality of contacts with those countries. Please expand your discussion to address materiality in light of the referenced investor sentiment notwithstanding the legality of your contacts with Iran, Sudan and Syria.
