Filed February 22, 2016
Form 8-K filed April 26, 2016
File No. 001-10702

Dear Mr. Bradley:

We have limited our review of your filing to the financial statements and related disclosures and have the following comment. In some of our comments, we may ask you to provide us with information so we may better understand your disclosure.

Please respond to this comment within ten business days by providing the requested information or advise us as soon as possible when you will respond. If you do not believe our comment applies to your facts and circumstances, please tell us why in your response.

After reviewing your response to this comment, we may have additional comments.

Form 8-K filed April 26, 2016

Exhibit 99.1

1. We note that you present a non-GAAP measure titled "as adjusted basis loss from continuing operations" but you have not provided the required reconciliations to the most directly comparable GAAP measure as well as the other disclosures required by Item 10(e)(1)(i) of Regulation S-K. Please confirm that in future filings you will revise your presentations of non-GAAP measures to comply fully with that guidance.

We urge all persons who are responsible for the accuracy and adequacy of the disclosure in the filing to be certain that the filing includes the information the Securities Exchange Act of 1934 and all applicable Exchange Act rules require. Since the company and its management are in possession of all facts relating to a company's disclosure, they are responsible for the accuracy and adequacy of the disclosures they have made.
