Report of Independent Certified Public Accountants

**Board of Directors
Prosper Marketing Group, Inc.
(A Development Stage Company)
San Antonio, Texas**

We have audited the statements of financial condition of Prosper Marketing Group, Inc. (A Development Stage Company) as of December 31, 2001, and the related statements of operations, stockholder's equity, and cash flows for the year then ended and the period from September 22, 1999 (inception) through December 31, 2001. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on the financial statements based on our audits.

We conducted our audits in accordance with U.S. generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Prosper Marketing Group, Inc. (A Development Stage Company), as of December 31, 2001 and the results of its operations and its cash flows for the year then ended and the period from September 22, 1999 (inception) through December 31, 2001 in conformity with U.S. generally accepted accounting principles.

Our audits were conducted for the purpose of forming an opinion on the basic financial statements referred to above, taken as a whole. The following supplementary schedules are presented for purposes of additional analysis and are not a required part of the financial statements, but are supplementary information required by Rule 17a-5 of the Securities and Exchange Act of 1934:

- Computation of Net Capital Under Rule 15c3-1 (Schedule 1)
- Compliance with Rule 15c3-3 (Schedule 2)

(continued)

Report of Independent Certified Public Accountants (continued)

These schedules have been subjected to the procedures applied in the audits of the basic financial statements and, in our opinion, are fairly stated in all material respects in relation to the basic financial statements taken as a whole.

Notes to Financial Statements
December 31, 2001

Note 1 - Summary of Accounting Policies:

The Company is registered with the Securities and Exchange Commission as a securities broker/dealer. The Company has been in the development stage since September 22, 1999. Its primary activity will be investment banking, principally handling private placement offerings.

A summary of the Company's significant accounting policies applied in the preparation of the accompanying financial statements follows.

Cash Equivalents: For purposes of the statements of cash flows, all highly liquid instruments purchased with a maturity of three months or less are considered to be cash equivalents.

Income Taxes: Taxable income or loss from the operations of the Company is reported in the personal tax return of the stockholder pursuant to an election to be treated as an S corporation pursuant to the Internal Revenue Code.

Use of Estimates: The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period; accordingly, actual results could differ from those estimates.

Note 2 - Net Capital

Pursuant to Rule 15c3-1 of the Securities Exchange Act of 1934, the Company is required to maintain minimum net capital, as defined under such rule. Under this rule, the Company's "aggregate indebtedness," as defined, cannot exceed 1500% of its "net capital," as defined, and net capital must be no less than \$5,000. Net capital and the related percentage may fluctuate on a daily basis. At December 31, 2001, net capital was \$7,082 and the percentage of aggregate indebtedness to net capital was 0.00%. Excess net capital was \$2,082 at December 31, 2001.

Note 3 - Subordinated Liabilities

There were no liabilities subordinated to claims of general creditors at December 31, 2001 or at any time during the year then ended.

Note 4 - Related Party Transactions

The Company entered into a management agreement with a related party on July 1, 2001. The related entity will provide management services to the Company as well as reimbursement of certain management expenses, and will assist in the day to day operations of the Company. Expenses reimbursed to the Company during 2001 consist of professional fee reimbursements of \$3,000.

Report of Independent Certified Public Accountants
(Required by S.E.C. Rule 17a-5)

**Board of Directors
Prosper Marketing Group, Inc.
(A Development Stage Company)
San Antonio, Texas**

In planning and performing our audit of the financial statements of Prosper Marketing Group, Inc. (A Development Stage Company) for the year ended December 31, 2001, we considered its internal controls in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal controls.

Also, as required by Rule 17a-5(g)(1) of the Securities and Exchange Commission ("Commission"), we have made a study of the practices and procedures (including tests of compliance with such practices and procedures) followed by Prosper Marketing Group, Inc. (A Development Stage Company) that we considered relevant to the objectives stated in Rule 17a-5(g) in making the periodic computations of aggregate indebtedness and net capital under Rule 17a-3(a)(11), and the procedures for determining compliance with the exemptive provisions of Rule 15c3-3. We did not review the practices and procedures followed by the Company in making the quarterly securities examinations, counts, verifications, and comparisons, and the recordation of differences required by Rule 17a-13 or in complying with the requirements for prompt payment for securities under Section 8 of Regulation T of the Board of Governors of the Federal Reserve System, because the Company does not carry security accounts for customers or perform custodial functions relating to customer securities.

The management of the Company is responsible for establishing and maintaining internal controls and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of control procedures and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the Commission's above-mentioned objectives. Two of the objectives of internal controls and the practices and procedures are to provide management with reasonable, but not absolute, assurance that assets for which the Company has responsibility are safeguarded

(continued)

Report of Independent Certified Public Accountants (continued)

against loss from unauthorized use or disposition, and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in accordance with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in any internal controls or the practices and procedures referred to above, errors or fraud may nevertheless occur and not be detected. Also, projection of any evaluation of the system to future periods is subject to the risk that procedures may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

Our consideration of the internal controls would not necessarily disclose all matters in the internal controls that might be material weaknesses under standards established by the American Institute of Certified Public Accountants. A material weakness is a condition in which the design or operation of the specific internal control elements does not reduce to a relatively low level the risk that errors or irregularities in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. However, we noted no matters involving the internal controls that we considered to be material weaknesses as defined above, and no facts came to our attention that the conditions for exemption from Rule 15c3-3 had not been complied with during the period.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the Commission to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures were adequate at December 31, 2001 to meet the Commission's objectives.

This report is intended solely for the use of management, the Securities and Exchange Commission, and the National Association of Securities Dealers, Inc. and other regulatory agencies which rely on Rule 17a-5(g) under the Securities Exchange Act of 1934, and is not intended to be and should not be used by anyone other than these specified parties.
