Mr. Raymond Zollo, President
Mutual Funds Associates, Inc.
1701 Chili Avenue
Rochester, NY 14624

Dear Mr. Zollo:

I have audited the accompanying balance sheets of Mutual Funds Associates, Inc. as of October 31, 2001 and 2000, and the related statements of income, retained earnings, changes in shareholders' equity and cash flows for the years then ended. These financial statements are the responsibility of the company's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with generally accepted auditing standards. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit also includes assessing the accounting principles used and significant estimates made by the management, as well as evaluating the overall financial statement presentation. I believe that my audit provides a reasonable basis for my opinion.

Pursuant to Sec Rule 17a-5, based upon my review of your accounting system and procedures for safeguarding securities, I believe that no material weakness in your internal accounting controls were disclosed during my examination.

In my opinion, 2001 and 2000 financial statements referred to above present fairly, in all material respects, the financial position of Mutual Funds Associates, Inc. as of October 31, 2001 and 2000, and the results of its operations and its cash flows for the years then ended in conformity with generally accepted accounting principles.
