INDEPENDENT AUDITOR'S REPORT

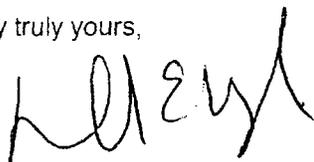

To the Board of Directors and
Stockholders of HDA Service Corporation:

I have audited the accompanying comparative balance sheets of HDA Service Corporation (a Florida corporation) as of September 30, 2001, 2000, 1999, and the related statements of income, changes in stockholders' equity, cash flows, and supplementary schedules for the years then ended. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

I conducted our audit in accordance with generally accepted auditing standards. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of HDA Service Corporation as of September 30, 2001, 2000, 1999, and the results of its operations and its cash flows for the years then ended in conformity with generally accepted accounting principles.

Very truly yours,

David E. Wylie
Certified Public Accountant

HDA SERVICE CORPORATION

Notes to Financial Statements
September 30, 2001

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

General Accounting Policies

The Company is a registered broker-dealer of securities whose transactions are limited to the purchase (as a dealer), sale and redemption (as a broker or dealer) of redeemable securities of registered investment companies or of interests or participation in an insurance company separate account, whether or not registered as an investment company.

The Company promptly transmits all funds and delivers all securities received in connection with its activities and does not otherwise hold funds or securities for, or owe money or securities to customers.

Income Taxes

The Company presents its financial statements on an accrual basis for the period ending September 30th and selected a February year-end for tax purposes. Tax returns are prepared on a cash basis. Because of the different period ending dates, income taxes are presented in the financial statement when accrued for the tax year and presented in the appropriate financial statement period. No accrual of current or deferred income taxes is made based on financial statement results.

NOTE 2 - EARNINGS (LOSS) PER COMMON SHARE

Earnings per common share outstanding was based on the weighted average method. The average number of shares outstanding was 2,800 for the years ended September 30, 1999, September 30, 2000, and September 30, 2001.

NOTE 3 - COMPUTATION OF NET CAPITAL

In our opinion the audit of HDA Service Corporation for the year ended September 30, 2001 did not disclose any material inadequacies since the corporation's previous audit. In addition there existed no material differences between the audit report and corporation's Computation of Net Capital.

NOTE 4 - S.I.P.C. FEES

The Securities Investors Protection Corporation (S.I.P.C.) fees have been paid by the required due date.

HDA SERVICE CORPORATION

Notes to Financial Statements
September 30, 2001

NOTE 5 - CASH FLOW STATEMENT

The Company defines cash and cash equivalents as cash on hand, and demand deposits with banks or other financial institutions. The Company incurred no non-cash transactions during the year ended September 30, 2001, and no cash transactions for income taxes or interest.

Reconciliation of Net Income to Net Cash
Provided by Operating Activities:

Net Income (Loss)	\$ (6,034)
Adjustments to reconcile net income to net cash provided by operating activities:	
Increase in:	
Accounts receivable	<u>-</u>
NET CASH USED BY OPERATING ACTIVITIES	<u><u>\$ (6,034)</u></u>

November 6, 2001

To the Board of Directors and
Stockholders of HDA Service Corporation:

In planning and performing my audit of the statements of HDA Service Corporation, for the year ended September 30, 2001, I considered its internal control structure in order to determine my auditing procedures for the purpose of expressing my opinion on the financial statements and not to provide assurance on the internal control structure. However, I noted certain matters involving the internal control structure and its operation that I consider to be reportable conditions under standards established by the American Institute of Certified Public Accountants. Reportable conditions involve matters coming to my attention relating to significant deficiencies in the design or operation of the internal control structure that, in my judgment, could adversely affect HDA Service Corporation's ability to record, process, summarize, and report financial data consistent with the assertions of management in the financial statements. The following is a reportable condition I noted:

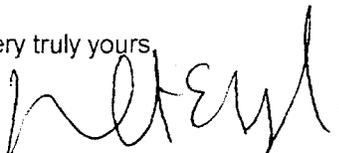

Small Staff Size

In an organization such as HDA Service Corporation, with a limited number of personnel for certain functions, there are inherent limitations on the effectiveness of certain controls due to a lack of segregation of duties among the Corporation's personnel.

This report is intended solely for the use of the governing board and regulatory agency.

I wish to take this opportunity to express my appreciation for the assistance and cooperation given to me during my examination. Should you have any questions concerning the matters presented herein, I would be pleased to discuss them with you further at your convenience.

Very truly yours,

David E. Wylie
Certified Public Accountant
