Independent Auditors' Report

The Board of Directors
P.M.K. Securities & Research, Inc.
Delray Beach, Florida:

We have audited the accompanying consolidated statement of financial condition of P.M.K. Securities & Research, Inc. and Subsidiary (the "Company") at December 31, 2001 and the related consolidated statements of income, changes in stockholders' equity and cash flows for the year then ended. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of the Company at December 31, 2001, and the results of its operations and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Our audit was conducted for the purpose of forming an opinion on the basic consolidated financial statements taken as a whole. The information contained in Schedule I, is presented for purposes of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by rule 17a-5 of the Securities and Exchange Commission. Such information has been subjected to the auditing procedures applied in the audit of the basic consolidated financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements, taken as a whole.

P.M.K. SECURITIES & RESEARCH, INC.

Notes to Consolidated Financial Statements

December 31, 2001 and the Year Then Ended

(1) Summary of Significant Accounting Policies

General. P.M.K. Securities & Research, Inc. (the "PMK Securities") is a fully-disclosed securities broker/dealer located in Delray Beach, Florida. P.M.K. Capital Advisors, Inc. (the "Capital Advisors") is a wholly-owned subsidiary of the PMK Securities (collectively they are referred as the "Company"). The Company provides securities brokerage and advisory services to customers primarily in the Southeastern United States. The following items comprise the significant accounting policies which the Company follows in preparing and presenting its consolidated financial statements:

Estimates. The preparation of consolidated financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Basis of Presentation. The accompanying consolidated financial statements include the accounts of PMK Securities and the Capital Advisors. All significant intercompany accounts and transactions have been eliminated in consolidation.

Securities Transactions. Income and expenses related to securities transactions are recorded on a settlement date basis, which does not vary materially from a trade date basis. Securities owned are carried at market value. In cases where there is no readily available market price the fair value is determined in good faith by management.

Advisory Services. Income from advisory services is recorded when it is earned.

Depreciation and Amortization. Depreciation and amortization has been provided using accelerated methods over the estimated useful lives of the assets.

Income Taxes. The Company has elected to be treated as an S-Corporation. The subsidiary has elected to be treated as a qualified subsidiary of the Company. For federal and state income tax purposes all items of income and expense flow through to its stockholders. Therefore no provision for income taxes has been reflected in these financial statements.

(2) Receivable from Clearing Organization

The receivable from Clearing Organization consists of money-market accounts which are held by the clearing organization.

(continued)

P.M.K. SECURITIES & RESEARCH, INC.

Notes to Consolidated Financial Statements, Continued

(3) Securities Owned

Securities owned consist of investment securities at estimated fair values determined by management and are as follows:

	<u>At December 31,</u>
	<u>2001</u>
Corporate equities -	
Not readily marketable, at estimated fair value	\$ <u>138,300</u>

(4) Furniture and Equipment

A summary of furniture and equipment is as follows:

	<u>At December 31,</u>
	<u>2001</u>
Furniture and office equipment	\$ 33,250
Less accumulated depreciation	<u>(33,250)</u>
Furniture and equipment, net	\$ <u>-</u>

The Company leases its office facilities under an operating lease agreement. The lease contains a provision for annual rent adjustments based on the consumer price index. Rent expense totaled \$70,100 for the year ended December 31, 2001. At December 31, 2001, approximate future minimum annual rental payments under the noncancellable extension period are as follows:

<u>Year Ending</u>	
<u>December 31,</u>	
2002	\$ 75,858
2003	82,822
2004	<u>14,000</u>
	\$ <u>172,680</u>

(5) Profit Sharing Plan

The Company offers a Section 401(k) Profit Sharing Plan, which is available for employees who have completed one year of service and have attained age twenty-one. The Company made no contribution to the Plan in 2001.

(6) Net Capital Requirements

Pursuant to the rules of the Securities Exchange Act of 1934, the Company is required to maintain minimum net capital. Aggregate indebtedness must not exceed net capital, as those terms are defined, by a ratio of more than 15 to 1. At December 31, 2001 the Company's minimum net capital requirement was \$50,000. The Company's net capital computed on an unconsolidated basis and in accordance with the Rule of the Commission amounted to \$311,235 and the ratio of aggregate indebtedness to net capital was .12 to 1.

(7) Concentration of Credit Risk

Financial instruments which potentially subject the Company to concentrations of credit risk consist principally of the amount receivable from its clearing organization.

WITH MOST RECENT PART II FILING**

There are no material differences between the computation of net capital pursuant to Rule 15c3-1 included in amended Form X-17A-5 Part II as previously filed with the commission and the schedules contained herein.

(continued)

**Independent Auditors' Report on Internal Accounting
Control Required by SEC Rule 17a-5**

January 30, 2002

Board of Directors
P.M.K. Securities & Research, Inc.
Delray Beach, Florida:

In planning and performing our audit of the consolidated financial statements and supplemental schedule of P.M.K. Securities & Research, Inc. (the "Company") for the year ended December 31, 2001, we considered its internal control, including procedures for safeguarding securities, in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control.

Also, as required by rule 17a-5(g)(1) of the Securities and Exchange Commission (SEC), we have made a study of the practices and procedures followed by the Company including tests of such practices and procedures that we considered relevant to the objectives stated in rule 17a-5(g), in making the periodic computations of aggregate indebtedness and net capital under rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of rule 15c 3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

1. Making quarterly securities examinations, counts, verifications, and comparisons
2. Recordation of differences required by rule 17a-13
3. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System.

The management of the Company is responsible for establishing and maintaining the internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgements by management are required to assess the expected benefits and related costs of internal control policies and procedures and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's above-mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of financial statements in accordance with accounting principles generally accepted in the United States of America. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in any system of internal control or the practices and procedures referred to above, errors or irregularities may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness or their design and operation may deteriorate.

Our consideration of internal control would not necessarily disclose all matters in internal control that might be material weaknesses under standards established by the American Institute of Certified Public Accountants. A material weakness is a condition in which the design or operation of the specific internal control elements does not reduce to a relatively low level the risk that errors or irregularities in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. However, we noted no matters involving internal control, including procedures for safeguarding securities, that we consider to be material weaknesses as defined above.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purpose in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures were adequate at December 31, 2001 to meet the SEC's objectives.

This report is intended solely for the use of the Board of Directors, management, the SEC and other regulatory agencies which rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and should not be used for any other purpose.

Very truly yours,

A handwritten signature in cursive script, appearing to read "H. Johnson & Partners". The signature is written in black ink and is positioned below the "Very truly yours," text.
