**INDEPENDENT AUDITORS' REPORT**

To the Management of  
Crown Capital Securities, L.P.  
725 Town & Country Road, Suite 310  
Orange, CA 92868

We have audited the balance sheet of Crown Capital Securities, L.P. (a Delaware Limited Partnership) as of December 31, 2001 and the related statements of income, changes in partners' capital, and cash flows for the year then ended. These financial statements are the responsibility of the Limited Partnership's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the aforementioned financial statements present fairly, in all material respects, the financial position of Crown Capital Securities, L.P. as of December 31, 2001, and the results of operations and cash flows for the year then ended, in conformity with accounting principles generally accepted in the United States of America.

Our audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The information contained in Schedules I, II, III, IV, and V is presented for purposes of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by rule 17a-5 of the Securities and Exchange Commission Act of 1934. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

We have examined the answers to the financial questionnaire of Crown Capital Securities, L.P. as of December 31, 2001 and have reported thereon.

This supplementary letter, which contains comments not considered necessary for a fair presentation, either of financial position or of the schedules and other data and information included in the answers, is being furnished in compliance with the audit requirements of the Securities and Exchange Commission.

Based upon our examination, we found no inadequacies to exist in the internal accounting control.

The Partnership is exempt from many of the Securities and Exchange Commission Broker-Dealer requirements because they clear all transactions with and for customers on a fully disclosed basis with a clearing broker or dealer, and promptly transmit all customer funds and securities to the clearing broker or dealer which carries all of the accounts of such customers and maintains and preserves such books and records pertaining thereto pursuant to the requirements of Rules 17a-3 and 17a-4, as are customarily made and kept by a clearing broker or dealer.

The Partnership does not take delivery of nor provide safekeeping for customer securities. Therefore, no box counts were necessary during the period covered by this audit.
