INDEPENDENT AUDITOR'S REPORT

To the Board of Directors and Stockholders of
TN Capital Equities, Ltd.:

I have audited the accompanying statements of financial condition of TN Capital Equities, Ltd. as of December 31, 2001 and 2000, and the related statements of income (loss), cash flows and changes in financial position for the years then ended which are being filed pursuant to Rule 17a-5 under the Securities Exchange Act of 1934. These financial statements are the responsibility of the Company's management. My responsibility is to express an opinion on these financial statements based on my audit.

I have conducted my audit in accordance with generally accepted auditing standards. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audit provides reasonable basis for my opinion.

In my opinion, such financial statements present fairly, in all material respects, the financial position of TN Capital Equities, Ltd. at December 31, 2001 and 2000, and the results of its operations and its cash flows for the years then ended in conformity with generally accepted accounting principles.
