Sportech to be attheraces

Sportech plc ("Sportech"), owners of Littlewoods Bet Direct, have signed an agreement with attheraces plc, to be one of three bookmakers supplying fixed odds betting through attheraces' channels. Attheraces is the consortium awarded the media and on-line gaming rights for the majority of UK horseracing through its internet and interactive digital television channels.

Littlewoods Bet Direct currently provides a telephone and on-line betting service to over 230,000 customers. The agreement enables Littlewoods Bet Direct to reach a wider customer base who will be able to access the latest racing coverage and place fixed odd bets with Littlewoods Bet Direct, via the attheraces web site and from May 2002, via the attheraces interactive television channel.

Colin McGill, Managing Director, Sportech said:

"Securing a place as a fixed odds provider to the attheraces' channels is an extremely exciting prospect for Sportech and further establishes Littlewoods Bet Direct as one of the UK's leading direct sports betting services. These platforms will provide us with an additional revenue stream and help us deliver our strategy of distributing Littlewoods' gaming and betting products into the home, across the widest possible range of channels."
