Notes to editors:

Acambis is a biopharmaceutical company researching, manufacturing and developing vaccines to prevent and treat infectious diseases. It has operations in Cambridge, UK, and in Cambridge and Canton, Massachusetts, USA. It has a broad portfolio of vaccine product candidates undergoing clinical trials and technology platforms that provide the basis for further vaccine product candidates.

This, and other news releases relating to Acambis, can be found on the Company's website at www.acambis.com

This news release contains forward looking statements that involve risks and uncertainties, including the timing and results of clinical trials and other product development and commercialisation risks, the risks of satisfying the regulatory approval process in a timely manner, the need for and the availability of additional capital, and other risks detailed in the Company's filings with the Securities and Exchange Commission. These forward-looking statements are based on estimates and assumptions made by the management of Acambis and are believed to be reasonable, though are inherently uncertain and difficult to predict. Actual results or experience could differ materially from the forward-looking statements.
