CALGARY, ALBERTA – Agrium Inc. (TSE and NYSE: AGU) (Agrium) confirms today that it is postponing the release of its year-end financial results, previously scheduled for February 5, 2002. This is consistent with statements made in the press release “Agrium Update on Argentina” of January 25, 2002. Agrium anticipates releasing year-end financial results before the end of February.

Agrium Inc. is a leading global producer and marketer of fertilizer and a major retail supplier of agricultural products and services in both North America and Argentina. The Corporation produces and markets four primary groups of fertilizers: nitrogen, phosphate, potash and sulphur. The Corporation’s strategy is to grow through incremental expansion of its existing operations and acquisitions as well as the development, commercialization and marketing of new products and international opportunities.
