RoboGroup Announces Two New Outside Directors

ROSH HA'AYIN, Israel, Feb. 28 /PRNewswire-FirstCall/ -- RoboGroup T.E.K. Ltd. (Nasdaq: ROBO - news), today announced that two new outside directors, Tami Gottlieb and Amiram Dagan, were appointed to serve on its board of directors, effective today. They are replacing Smadar Shilo and Boaz Helman, who have completed their five-year terms as outside directors. The nomination of the new outside directors was approved in the last shareholders meeting in December 2001.

Tami Gottlieb, age 44, is currently engaged in independent business development, investment banking and financial consulting. From July 1997 to January 2001, Ms. Gottlieb was the Managing Director of Investec Clali - Management & Underwriting Ltd. Ms. Gottlieb has a B.A. from the Hebrew University in Jerusalem in International Relations, and an M.A. from Indiana University in Bloomington, Indiana in Economics. Ms. Gottlieb has also held managing director positions at other financial companies in Israel, and she is on the board of directors of several public and private companies including Sahar Development and Investments Ltd., Yishpro Ltd. and H.L. Finance and Investments.

Amiram Dagan, age 47, is currently serving as vice president, UAV development and operations at Silver Arrow, a subsidiary of Elbit Systems. During 2000, Mr. Dagan was vice president of customer assurance at Nice Systems. Prior to this he served as director of research and development, system engineering and project management at Nice Systems. From 1977 to 1999, Mr. Dagan served in the Israeli Air Force (IAF). Mr. Dagan was the head of the IAF systems department and held the rank of Colonel. Mr. Dagan has a BscEE from the Technion-Israel Institute in Haifa, an M.A. from Haifa University in political science and national security, and an MBA from the Tel-Aviv University.

Rafael Aravot, Chairman and CEO of RoboGroup commented: "We are pleased to have Tami and Amiram join our board. Their collective experience will add additional depth and perspective to our strategic team."

RoboGroup engages in three business sectors. The first focuses on high tech ventures such as Memcall (www.memcall.com), a fabless VLSI semiconductor developer with unique Call Out Memory(TM) technology and e-Learning. The second is comprised of Yaskawa Eshed Technology (YET) (www.yetmotion.com), a joint venture with Japan's Yaskawa Electric Corp., which provides industrial motion controls and robots. The third sector is devoted to RoboGroup's learning products. RoboGroup is a world leader in automation training. The Company is market driven, deriving its growth from technological leadership, strong partnerships and management expertise. For more information, visit www.robo-group.com.

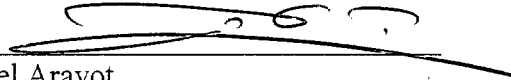

To the extent that this press release discusses expectations about market conditions or about market acceptance and future sales of the Company's products, or otherwise makes statements about the future, such statements are forward-looking and are subject to a number of risks and uncertainties that could cause results to differ materially from the statements made. These factors include the rapidly changing technology and evolving standards in the industries in which the Company and its subsidiaries operate, risks associated with the acceptance of new products by individual customers and by the market place and other factors discussed in the business description and management discussion and analysis sections of the Company's Annual Report on Form F-20.
