Report of Independent Auditors

To the Stockholder of
OffitFunds Distributor, Inc.

We have audited the accompanying statement of financial condition of OffitFunds Distributor, Inc. (the "Company") as of December 31, 2001, and the related statements of income, changes in stockholder's equity, and cash flows for the year then ended. These financial statements are the responsibility of the management of the Company. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of OffitFunds Distributor, Inc. at December 31, 2001, and the results of its operations and its cash flows for the year then ended, in conformity with accounting principles generally accepted in the United States.

Our audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplementary information is presented for purposes of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by Rule 17a-5 under the Securities Exchange Act of 1934. Such information has been subjected to the auditing procedures applied in our audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

Notes to Financial Statements

December 31, 2001

1. Organization

Offit Funds Distributor, Inc., (the Company) is a wholly-owned subsidiary of PFPC Distributors, Inc. (PFPCDI). The Company is registered with the Securities and Exchange Commission (SEC) as a broker-dealer and is a member of the National Association of Securities Dealers.

Prior to January 2, 2001, the Company was a wholly-owned subsidiary of Provident Distributors, Inc. (PDI). On January 2, 2001, PDI was acquired by PFPC Distributors, Inc. As a subsidiary of PDI, the Company was acquired under the purchase method of accounting.

The Company serves as distributor and principal underwriter to Offit Mutual Funds, (the Funds), and, as a result, substantially all of the Company's revenues are earned from the Funds (see Note 4). PFPCDI, through an assignment of servicing contract, receives the distribution fees from certain Funds, which are determined based on the average daily net assets of the Funds and are accrued monthly.

2. Significant Accounting Policies

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the period. Actual results could differ from those estimates.

Interest Income

Interest income is accrued when earned.

3. Net Capital Requirements

The Company is subject to the SEC Uniform Net Capital Rule (Rule 15c3-1), which requires the maintenance of a minimum net capital and a ratio of aggregate indebtedness to net capital, not exceeding 15 to 1. At December 31, 2001, the Company has net capital, as defined, of \$35,723, which was \$10,723 in excess of its minimum required net capital of \$25,000. The Company's ratio of aggregate indebtedness to net capital was 0.00 to 1 as of December 31, 2001.

Offit Funds Distributor, Inc.
(A Wholly-owned Subsidiary of PFPC Distributors, Inc.)

Notes to Financial Statements (continued)

3. Net Capital Requirements (continued)

The Company has complied with the exemptive provisions of SEC Rule 15c3-3(k)(1), limiting business to the distribution of mutual funds and/or variable life insurance or annuities. The Company does not hold customer funds or safekeep customer securities.

4. Related Party Transactions

The accompanying financial statements may not necessarily be indicative of the conditions that would have existed if the Company had not been affiliated with PFPC Distributors, Inc. (PFPCDI) and PFPC, Inc. (PFPC). PFPC furnishes office space, equipment and professional services to the Company at no expense. In addition, PFPCDI recognizes all operating expenses and assumes all liabilities of the Company.

Supplementary Information

Offit Funds Distributor, Inc.

Independent Auditors' Supplementary Report on Internal Control

To the Stockholder of
OffitFunds Distributor, Inc.

In planning and performing our audit of the financial statements of OffitFunds Distributor, Inc. (the "Company") for the year ended December 31, 2001, we considered its internal control, including control activities for safeguarding securities, to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on internal control.

Also, as required by Rule 17a-5(g)(1) of the Securities and Exchange Commission (SEC), we have made a study of the practices and procedures followed by the Company, including tests of such practices and procedures that we considered relevant to the criteria stated in Rule 17a-5(g) in making the periodic computations of aggregate debits and net capital under Rule 17a-3(a)(11) and for determining compliance with exemptive provisions of Rule 15c3-3. Because the Company does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Company in any of the following:

1. Making quarterly securities examinations, counts, verifications and comparisons,
2. Recordation of the differences required by Rule 17a-13, and
3. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System.

The management of the Company is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of internal controls and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's above-mentioned criteria. Two of the criteria of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition, and that transactions are executed in accordance with management's authorization and recorded properly to permit the

preparation of financial statements in accordance with accounting principals generally accepted in the United States. Rule 17a-5(g) lists additional criteria of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in any internal control or the practices and procedures referred to above, misstatements due to errors or fraud may occur and not be detected. Also, projections of any evaluation of internal control to future periods are subject to the risk that internal control may become inadequate because of changes in conditions, or that the effectiveness of its design and operation may deteriorate.

Our consideration of internal control would not necessarily disclose all matters in internal control that might be material weaknesses under standards established by the American Institute of Certified Public Accountants. A material weakness is a condition in which the design or operation of one or more of the specific internal control components does not reduce to a relatively low level the risk that errors or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. However, we noted no matters involving internal control, including control activities for safeguarding securities, and its operation that we consider to be material weaknesses as defined above.

We understand that practices and procedures that meet the criteria referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not meet such criteria in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures were adequate at December 31, 2001, to meet the SEC's criteria.

This report is intended solely for the information and use of the Board of Directors, management, the SEC and other regulatory agencies that rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than these specified parties.
