INDEPENDENT AUDITORS' REPORT

We have audited the accompanying balance sheet of Barton Creek Ltd. (a Texas limited partnership) as of December 31, 2001 and 2000, and the related statements of income, changes in partnership capital, and cash flows for the years then ended. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audit in accordance with U.S. generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Barton Creek Ltd. as of December 31, 2001 and 2000, and the results of its operations and its cash flows for the years then ended in conformity with U.S. generally accepted accounting principles.

Our audits were conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The information contained in Schedules I and II is presented for purposes of additional analysis and is not a required part of the basic financial statements but is supplementary information required by Rule 17a-5 under the Securities Exchange Act of 1934. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2001 AND 2000

NOTE 1: ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES:

Organization and Operations

Barton Creek Ltd. (BCL or the Partnership) (a Texas limited partnership) conducts its business as a registered securities broker-dealer. The purpose of the Partnership is to act as broker, facilitator or intermediary in connection with asset sales or acquisitions and whole loan sales and to assist in the securitizations of affiliates of the Partnership. The Partnership was formed under the laws of the state of Texas on February 26, 1999, when BarTex Group LLC (Bartex) contributed \$500 for a 1 percent general partner interest in the Partnership and Southwest Sunrise Partners 1, Limited Partnership (Sunrise), contributed \$49,500 for a 99 percent limited partner interest in the Partnership. On September 27, 2000, the Partnership bargained, sold and delivered the limited partnership interest to Riviere Partners and the general partnership interest to Riviere Financial Group, Inc. On this date Riviere Partners and Riviere Financial Group, Inc. contributed an additional \$2,000 to the Partnership, for a total contribution of \$520 for a 1 percent general partner interest in the Partnership and \$51,480 for a 99 percent limited partner interest in the Partnership. Certain securities transactions will be executed by BCL on behalf of its customers through a clearing broker-dealer, First Southwest Company (FSWC), who will carry such accounts on a fully disclosed basis. These security transactions are settled and cleared pursuant to a clearing agreement with FSWC. The clearing agreement is for an additional year indefinitely. The clearing agreement requires the Partnership to deposit \$25,000 with FSWC; however, this requirement has been waived until the Partnership introduces transactions to FSWC. The general partner, is responsible for all expenses of the partnership except for certain regulatory and other expenses required to be recorded by the National Association of Securities Dealers.

Statement Presentation

The unclassified statement of financial condition is presented in accordance with industry standards.

Revenue Recognition

Securities transactions and related revenue and expense will be recorded in the accounts on a trade-date basis.

Revenue for investment banking services will be recognized when all of the following have occurred: a contract has been entered into with a client, services have been rendered, the fee amount has been determined and collectibility is reasonably assured.

The Partnership had a securities transaction in the amount of \$453,683 in 2001.

BARTON CREEK LTD.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2001 AND 2000

**NOTE 1: ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES
(continued)**

Income Taxes

As a limited partnership, provision for income taxes is not made in the accounts of BCL since such taxes are the responsibility of the individual partners. Further, partner capital accounts reflected in the accompanying statement of financial condition differ from amounts reported in the Partnership's federal income tax returns because of differences in accounting policies adopted and the timing of certain expense and revenue items for financial and tax reporting purposes.

Fair Value of Financial Instruments

The carrying amounts of cash approximate fair value because of the short maturity of those instruments.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that could affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

NOTE 2: NET CAPITAL REQUIREMENTS

BCL is subject to the net capital rules adopted and administered by the Securities and Exchange Commission. The rules prohibit a member from engaging in securities transactions if the ratio of its aggregate indebtedness, as defined, to net capital, as defined, exceeds 8 to 1 during the first 12 months of operations as a broker dealer and 15 to 1 thereafter. At December 31, 2001 and 2000, BCL had no aggregate indebtedness, as defined, and its regulatory net capital of approximately \$9,261 and \$6,686, respectively, was in excess of the minimum net capital required of \$5,000.

NOTE 3: COMMITMENTS AND CONTINGENCIES

Market Risks and Credit Risks

In the normal course of business, the clearing broker and BCL's activities will involve the execution, settlement and financing of various securities transactions. These activities may expose BCL to off-balance sheet credit and market risks in the event the customer or counterparty is unable to fulfill its contractual obligations. Such risks may be increased by volatile trading markets.

BARTON CREEK LTD.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2001 AND 2000

NOTE 3: COMMITMENTS AND CONTINGENCIES (Continued)

The clearing broker, through which accounts are introduced, and BCL will seek to control the risks associated with their customer activities by requiring customers to maintain margin collateral in compliance with various regulatory and internal guidelines. BCL is contingently liable for any customer account deficits with the clearing broker which are not otherwise satisfied. The clearing broker and BCL will monitor required margin levels daily and, pursuant to such guidelines, will require customers to deposit additional collateral or to reduce positions where necessary.

To date, BCL has not introduced any customer accounts.

NOTE 4: RELATED PARTIES

The Partnership advanced to Bartex \$27,962, which was due upon demand. During 2000, Texas Capital Markets, LP who secured the advance, lost funding and ceased business. As a result, BCL wrote-off \$27,962 as bad debt expense.

Pursuant to the agreement of limited partnership, Bartex, Riviere Financial Group, and/or other affiliated companies bear all compensation and related costs and all general and administrative expenses of the Partnership. Such amounts totaled approximately \$-0- and \$18,750 from Bartex and \$-0- and \$26,250 from Riviere Financial Group for the year ended December 31, 2001 and 2000. These amounts are not reflected in the financial statements of the Partnership.

During 2001 an agreement between the Limited Partner and the Partnership was entered into in which the Limited Partner agrees to pay any normal reoccurring overhead the Partnership submits for payment. Additionally, the Limited Partner will bill certain fees to the Partnership including but, not limited to structure fees and management fees for services provided. Total fees billed in 2001 was \$450,683.

NOTE 5: PARTNERSHIP AGREEMENT

Partners' capital accounts are increased by cash or property contributed and all items of income or gain allocated to each account and decreased by cash or property distributed to each partner and all items of Partnership deductions or loss. Under the Partnership agreement, the partners are not required to make any additional capital contributions to the Partnership. Profits and losses will be allocated to the partners in accordance with their relative sharing ratios. The Partnership will be dissolved upon the General Partner's determination, with the Limited Partner's prior written consent or upon the dissolution, withdrawal or bankruptcy of the General Partner, unless the Partnership is reconstituted by the substitution of the General Partner.

The above computation does not differ materially from the computation of net capital under Rule 15c3-1 as of December 31, 2001 and 2000, filed with the Securities and Exchange Commission by the Partnership on Part IIA of Form X-17a-5.

BARTON CREEK LTD.

EXEMPTIVE PROVISION OF RULE 15c3-3

DECEMBER 31, 2001 AND 2000

The Partnership is exempt from reserve requirements and the related computations for the determination thereof under paragraph (k)(2)(ii) of Rule 15c3-3 under the Securities Exchange Act of 1934, as the Partnership does not receive, directly or indirectly, or hold funds or securities for, or owe funds or securities to, customers and does not carry accounts of, or for, customers and clears all transactions with and for customers on a fully disclosed basis with the clearing broker, First Southwest Company, which carries all of the accounts of customers.

During the year ended December 31, 2001 and 2000, in the opinion of management, the Partnership has compiled with the conditions for exemption specified in paragraph (k)(2)(ii) of rule 15c3-3.

SPROUSE & ANDERSON, L.L.P.
ACCOUNTANTS & CONSULTANTS

INDEPENDENT PUBLIC ACCOUNTANTS' SUPPLEMENTARY
REPORT ON INTERNAL CONTROL

To the Partners of
Barton Creek Ltd.:

In planning and performing our audit of the financial statements and supplemental schedules of Barton Creek Ltd. (the Partnership) (a Texas limited partnership) for the years ended December 31, 2001 and 2000, we considered its internal control, including control activities for safeguarding securities, in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on internal control.

Also, as required by Rule 17a-5(g)(1) of the Securities and Exchange Commission (SEC), we have made a study of the practices and procedures followed by the Partnership including tests of such practices and procedures that we considered relevant to the objectives stated in Rule 17a-5(g) in making the periodic computations of aggregate indebtedness and net capital under Rule 17a-3(a)(11) and for determining compliance with the exemptive provisions of Rule 15c3-3. Because the Partnership does not carry securities accounts for customers or perform custodial functions relating to customer securities, we did not review the practices and procedures followed by the Partnership in any of the following:

1. Making quarterly securities examinations, counts, verifications and comparisons.
2. Recordation of differences required by Rule 17a-13
3. Complying with the requirements for prompt payment for securities under Section 8 of Federal Reserve Regulation T of the Board of Governors of the Federal Reserve System.

The management of the Partnership is responsible for establishing and maintaining internal control and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgements by management are required to assess the expected benefits and related costs of controls and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the SEC's above-mentioned objectives. Two of the objectives of internal control and the practices and procedures are to provide management with reasonable but not absolute assurance that assets for which the Partnership has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with management's authorization and recorded properly to permit preparation of financial statements in accordance with U.S. generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practices and procedures listed in the preceding paragraph.

Because of inherent limitations in internal control or the practices and procedures referred to above, error or fraud may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

Our consideration of internal control would not necessarily disclose all matters in internal control that might be material weaknesses under standards established by the American Institute of Certified Public Accountants. A material weakness is a condition in which the design or operation of the specific internal control components does not reduce to a relatively low level the risk that error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. However, we noted no matters involving the internal control, including control activities for safeguarding securities, that we consider to be material weaknesses as defined above.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the SEC to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Partnership's practices and procedures were adequate at December 31, 2001 and 2000, to meet the SEC's objectives.

This report is intended solely for the use of management, the SEC, the National Association of Securities Dealers, Inc., and other regulatory agencies which rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 in their regulation of registered brokers and dealers, and is not intended to be and should not be used by anyone other than the specified parties.
