INDEPENDENT AUDITOR'S REPORT

**BOARD OF DIRECTORS
GARAL & COMPANY, INC.**

I have audited the statement of financial condition of Garal & Company, Inc. as of December 31, 2001 and the related statements of income, changes in financial condition, changes in stockholders' equity, and changes in liabilities subordinated to claims of general creditors for the year then ended. These financial statements are the responsibility of the Company's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with generally accepted auditing standards. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audit provides a reasonable basis for my opinion.

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Garal & Company, Inc. as of December 31, 2001, the results of its operations and the changes in stockholders' equity for the year then ended in conformity with generally accepted accounting principles.

My audit was made for the purpose of forming an opinion on the basic financial statement taken as a whole. The accompanying supporting schedules of computation of net capital, statement of exemption from Rule 15c3-3, reconciliation of computation of net capital with focus report unaudited net capital, and report describing no material inadequacies is presented for purposes of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by rule 17a-5 of the Securities and Exchange Commission. Such information has been subjected to the auditing procedures applied in the examination of the basic financial statements and, in my opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.
