REPORT OF INDEPENDENT AUDITORS

To the Board of Directors
E. Barnes & Company
dba Pacific Investment Securities Corp.

We have audited the accompanying statements of financial condition of E. Barnes & Company dba Pacific Investment Securities Corp. as of March 31, 2002 and 2001, and the related statements of income, changes in stockholder's equity, and cash flows for the years then ended. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of E. Barnes & Company dba Pacific Investment Securities Corp. as of March 31, 2002 and 2001, and results of its operations and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

dba PACIFIC INVESTMENT SECURITIES CORP.
NOTES TO FINANCIAL STATEMENTS
March 31, 2002 and 2001

1. THE COMPANY AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

E. Barnes & Company, an Oregon securities brokerage firm with offices in Lake Oswego, Oregon, was incorporated on February 15, 1985.

The Company records securities transactions and related commission revenue and expense on a settlement date basis through an "introduced" customer transaction relationship with a San Francisco Securities brokerage firm. The Company is exempt from the reserve requirements under SEC Rule 15C3-3(K)2B, since it does not handle or carry customer securities and cash.

A summary of the Company's significant accounting policies consistently applied in the preparation of the accompanying financial statements follows:

A. Revenue Recognition

Security transactions and related revenue are recorded on a settlement date basis, generally, the third business day following the transaction date.

Revenue in these financial statements are recorded net of clearing charges.

B. Receivables

Receivables consist of commissions receivable from broker or dealers and are considered fully collectible.

C. Securities

Marketable securities are valued at market value and the resulting difference between cost and market is included in income.

D. Equipment

Equipment is stated at cost. Depreciation is computed using the straight-line method over 5 years for financial reporting purposes and amounted to \$2,218 and \$2,218 for fiscal years ended March 31, 2002 and 2001. For income tax purposes, depreciation is computed under the modified accelerated cost recovery system.

E. BARNES & COMPANY
dba PACIFIC INVESTMENT SECURITIES CORP.
NOTES TO FINANCIAL STATEMENTS
March 31, 2002 and 2001

1. THE COMPANY AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES
(CONTINUED)

F. Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

2. NET CAPITAL

Pursuant to Rule 15C 3-1 of the Securities and Exchange Act of 1934, the Company is required to maintain a ratio of aggregate indebtedness to net capital, as defined, not to exceed 15 to 1. At March 31, 2002 and 2001, the Company had net capital and net capital requirements of \$12,093 and \$5,000, \$9,544 and \$5,000 respectively. The Company's net capital ratio was .172 to 1 and .469 to 1, respectively for those fiscal years.

3. RENT

The Company operates its office on a month to month basis with an annual agreed lease amount. Total rent paid for the years ended March 31, 2002 and 2001, was \$11,364 and \$16,128 respectively. The Company received \$6000 sub rents during the year ended March 31, 2002.

4. INCOME TAXES

The Company at March 31, 2002 has a federal tax loss carryforward of \$675 and a state tax loss carryforward of \$12,246 starting to expire in fiscal year 2010. The deferred tax benefit from these carryforwards has not been recognized as an asset in these financial statements.

The provision for income taxes consist of the following:

	<u>2002</u>	<u>2001</u>
Current taxes		
Federal	\$ 0	(\$937)
State	<u>10</u>	<u>10</u>
	<u>\$10</u>	(<u>\$927</u>)

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL REQUIRED BY SEC RULE 17a-5

To the Board of Directors
E. Barnes & Company
dba Pacific Investment Securities Corp.
Lake Oswego, Oregon

In planning and performing our audit of the financial statements of E. Barnes & Company dba Pacific Investment Securities Corp. for the years ended March 31, 2002 and 2001, we considered its internal control structure, including procedures for safeguarding securities, in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control structure.

Also, as required by rule 17a-5(g) (1) of the Securities and Exchange Commission, we have made a study of the practices and procedures (including tests of compliance with such practices and procedures) followed by E. Barnes & Company dba Pacific Investment Securities Corp. that we considered relevant to the objectives stated in rule 17a-5(g), (1) in making the periodic computations of aggregate indebtedness (or aggregate debits) and net capital under rule 17a-3(a) (11) and the reserve required by rule 15c3-3 (e); (2) in making the quarterly securities examinations, counts, verifications and comparisons, and the recordation of differences required by rule 17a-13; (3) in complying with the requirements for prompt payment for securities under section 8 of Regulation T of the Board of Governors of the Federal Reserve system; and (4) in obtaining and maintaining physical possession or control of all fully paid and excess margin securities of customers as required by rule 15c3-3.

The management of the Company is responsible for establishing and maintaining an internal control structure and the practices and procedures referred to in the preceding paragraph. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of internal control structure policies and procedures and of the practices and procedures referred to in the preceding paragraph and to assess whether those practices and procedures can be expected to achieve the Commission's above-mentioned objectives. Two of the objectives of an internal control structure and the practices and procedures are to provide management with reasonable, but not absolute, assurance that assets for which the Company has responsibility are safeguarded against loss from unauthorized use or disposition and that transactions are executed in accordance with

management's authorization and recorded properly to permit preparation of financial statements in conformity with generally accepted accounting principles. Rule 17a-5(g) lists additional objectives of the practice and procedures listed in the preceding paragraph.

Because of the inherent limitations in any internal control structure of the practices and procedures referred to above, errors or irregularities may occur and not be detected. Also, projection of any evaluation of them to future periods is subject to the risk that they may become inadequate because of changes in conditions or that the effectiveness of their design and operation may deteriorate.

Our consideration of the internal control structure would not necessarily disclose all matters in the internal control structure that might be material weaknesses under standards established by the American Institute of Certified Public Accountants. A material weakness is a condition in which the design or operation of the specific internal control structure elements does not reduce to a relatively low level the risk that errors or irregularities in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. However, we noted no matters involving the internal control structure, including procedures for safeguarding securities, that we consider to be material weaknesses as defined above.

We understand that practices and procedures that accomplish the objectives referred to in the second paragraph of this report are considered by the Commission to be adequate for its purposes in accordance with the Securities Exchange Act of 1934 and related regulations, and that practices and procedures that do not accomplish such objectives in all material respects indicate a material inadequacy for such purposes. Based on this understanding and on our study, we believe that the Company's practices and procedures were adequate at March 31, 2002 and 2001, to meet the Commission's objectives.

This report is intended solely for the use of management, the Securities and Exchange Commission, the New York Stock Exchange and other regulatory agencies which rely on Rule 17a-5(g) under the Securities Exchange Act of 1934 and should not be used for any other purpose.
