INDEPENDENT AUDITORS' REPORT

We have audited the accompanying statement of financial condition of J. M. Lummis Securities, Inc. as of December 31, 2001 and the related statements of income, changes in shareholder's equity, and cash flows for the year then ended, that you are filing pursuant to Rule 17a-5 under the Securities Exchange Act of 1934. These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of J.M. Lummis Securities, Inc. as of December 31, 2001, and the results of its operations and its cash flows for the year then ended in conformity with generally accepted accounting principles.

Our audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The information contained in Schedule # 1 is presented for purposes of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by rule 17a-5 under the Securities Exchange Act of 1934. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2001

Note # 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Description of Business

J.M. Lummis Securities, Inc., incorporated on June 19, 1997, is a broker dealer of corporate bonds and U.S. treasury and government agencies' securities.

Concentration of Credit Risk

The company places its cash with high quality institutions. At times such investments may be in excess of the FDIC insurance limit. Management does not believe this credit risk is significant.

Federal and State Income Taxes

The company's stockholders have elected under the Internal Revenue Code to be taxed as an S corporation. In lieu of corporate income taxes, the stockholders are taxed on their proportionate share of the company's net income. Accordingly, no provision or liability for income taxes has been made in the accompanying financial statements.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Depreciation

The company's equipment is depreciated using the straight-line method over the estimated useful lives of the assets. Depreciation expenses for the year ended December 31, 2001 was \$671.

Cash and Cash Equivalents

For the purposes of the statement of cash flows, the company considers all highly liquid debt instruments purchased with a maturity of three months or less to be cash equivalents.
