Good morning,

Please find attached the buyback sheet, updated to reflect Friday's purchases.

To date the total number of shares repurchased is 358,998,169 which represents 12.81% of the issued share capital. A total of £961.4m has been returned to shareholders so far. Therefore, the Company may repurchase a further 61,001,831 shares under the current mandate which implies at the current rate of repurchase a further 11 days of market activity (or until April 4th). There are 8 trading days left ahead of the financial year end, so in order to complete the repurchase programme by this date an average of 7,625,229 shares would need to be repurchased daily.

Should you require any further information please do not hesitate to contact me.

Kind regards,

Tony
