A notice is deemed filed with the U.S. Securities and Exchange Commission (SEC) on the earlier of the date it is received by the SEC at the address given below or, if received at that address after the date on which it is due, on the date it was mailed by United States registered or certified mail to that address.

State:

This notice shall be used to indicate reliance on the Uniform Limited Offering Exemption (ULOE) for sales of securities in those states that have adopted ULOE and that have adopted this form. Issuers relying on the ULOE must file a separate notice with the Securities Administrator in each state where sales are to be, or have been made. If a state requires the payment of a fee as a precondition to the claim for the exemption, a fee in the proper amount shall accompany this form. This notice shall be filed in the appropriate states in accordance with state law. The Appendix to the notice constitutes a part of this notice and must be completed.

ATTENTION

Failure to file notice in the appropriate states will not result in a loss of the federal exemption. Conversely failure to file the appropriate federal notice will not result in a loss of an available state exemption unless such exemption is predicated on the filing of a federal notice.

Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB control number

## EXHIBIT A

The General Partner shall receive a performance allocation (the "Performance Allocation") as of June 30<sup>th</sup> and December 31<sup>st</sup> of each year (each such period ending on such date shall be referred to herein as a "Semi-Annual Period") (or other period, as the case may be) equal to twenty percent (20%) of the portion of the net income of the Partnership (including realized and unrealized gains and losses and net of the Management Fee) attributable to each Limited Partner as of the close of such Semi-Annual Period (or such other period), provided that such allocation shall be made to the General Partner only if the Limited Partner's rate of return is greater than two and one-half percent (2.5%) (the "Hurdle Rate") as of the close of such Semi-Annual Period (or as such rate may be adjusted to reflect the portion of the Semi-Annual Period the Limited Partner held an Interest in the Partnership). The Performance Allocation shall not include the value of any security position held in a Side Pocket Account. Notwithstanding the foregoing, the General Partner may elect, upon written notice to the Limited Partners, to receive an annual Performance Allocation at the close of each fiscal year instead of a semi-annual Performance Allocation. In the event the General Partner makes such election, the Hurdle Rate shall increase to five percent (5%).

The General Partner shall also receive a Performance Allocation upon any withdrawal by a Limited Partner, whether voluntary or involuntary, and upon dissolution of the Partnership. The Performance Allocation shall be in addition to the proportionate allocations of income and profits, or losses, to the General Partner and/or its principals based upon their capital account relative to the capital accounts of all Partners. The General Partner, in its sole discretion, may waive or reduce the Performance Allocation with respect to any Limited Partner for any period of time, or agree to apply a different Performance Allocation for that Limited Partner. The General Partner may, in its discretion, reallocate a portion of its Performance Allocation to certain Limited Partners.

The General Partner's Performance Allocation is subject to what is commonly known as a "high water mark" procedure. That is, if the Partnership has a net loss in any Semi-Annual Period (or fiscal year if the General Partner elects to receive its Performance Allocation on an annual basis), this loss will be carried forward as to each Limited Partner to future Semi-Annual Periods (or fiscal year, as the case may be) (such amount is referred to as the "Loss Carryforward"). Whenever there is a Loss Carryforward for a Limited Partner with respect to a Semi-Annual Period (or fiscal years, as the case may be), the General Partner will not receive a Performance Allocation from such Limited Partner for future Semi-Annual Periods (or fiscal years if the Performance Allocation is taken on an annual basis) until the Loss Carryforward amount for such Limited Partner has been recovered (i.e., when the Loss Carryforward amount has been exceeded by the cumulative profits allocable to such Limited Partner for the Semi-Annual Periods following the Loss Carryforward). Once the Loss Carryforward has been recovered, the General Partner's Performance Allocation shall be based on the excess profits (over the Loss Carryforward amount) as to each Limited Partner, rather than on all profits. The "high water mark" procedure prevents the General Partner from receiving a Performance Allocation as to profits that simply restore previous losses and is intended to ensure that each Performance Allocation is based on the long-term performance of an investment in the Partnership. When a Limited Partner withdraws capital, any Loss Carryforward will be adjusted downward in proportion to the withdrawal. The General Partner may agree with any Limited Partner to apply a different Loss Carryforward provision for such Limited Partner. The calculation of the Hurdle Rate for any Limited Partner shall only be made if there is no Loss Carryforward amount applicable to such Limited Partner.

In consideration for the provision of administrative services, the Manager shall receive a management fee ("Management Fee"), payable quarterly and in advance, equal to 0.375% (equivalent to approximately 1.5% annually) of each Limited Partner's share of the Partnership's Net Worth (determined as of the first day of each fiscal quarter). A pro rata Management Fee will be charged to Limited Partners on any amounts permitted to be invested during any quarter. No part of the Management Fee will be refunded in the event that a Limited Partner withdraws all or any of the value in the Limited Partner's capital account during a quarter. The Manager, in its sole discretion, may waive or reduce the Management Fee with respect to one or more Limited Partners for any period of time, or agree to apply a different Management Fee for that Limited Partner. The Partnership shall pay or reimburse the General Partner and the Manager for all expenses related to organizing the Partnership, including but not limited to, legal and accounting fees, printing and mailing expenses and government filing fees (including blue sky filing fees).
