3. AGREEMENTS BY THE UNDERWRITERS

3.1 Purchase

Each Underwriter severally agrees to purchase and pay for such principal amount of the Dollar Notes set out against its name in the Schedule hereto on the Closing Date at the Issue Price, all on the terms set out in this Agreement.

- (a) If any Underwriter shall default in its obligation to purchase Dollar Notes which it has agreed to purchase hereunder, the non-defaulting Underwriters may in their discretion arrange to purchase, or for another party or other parties reasonably satisfactory to NRPLC to purchase, such Dollar Notes on the terms contained herein. If within thirty-six hours after such default by any Underwriter, the non-defaulting Underwriters do not arrange for the purchase of such Dollar Notes, then NRPLC shall be entitled to a further period of thirty-six hours within which to procure another party or other parties satisfactory to the non-defaulting Underwriters to purchase such Dollar Notes on such terms. In the event that, within the respective prescribed

periods, the Lead Underwriters on behalf of the non-defaulting Underwriters notify NRPLC that the non-defaulting Underwriters have so arranged for the purchase of such Dollar Notes, or NRPLC notifies the non-defaulting Underwriters that it has so arranged for the purchase of such Dollar Notes, the non-defaulting Underwriters or NRPLC shall have the right to postpone the Closing Date for a period of time agreed by the Lead Underwriters and NRPLC acting reasonably, in order to effect whatever changes may thereby be made necessary in any documents or arrangements relating to the offering and sale of the Dollar Notes. Any substitute purchaser of Notes pursuant to this paragraph shall be deemed to be an Underwriter, for purposes of this Agreement, in connection with the offering and sale of the Dollar Notes.

- (b) If, after giving effect to any arrangements for the purchase of Dollar Notes of a defaulting Underwriter by the non-defaulting Underwriters, as provided in Clause 3.1(a) above, the aggregate principal amount of the Dollar Notes which remains unpurchased does not exceed ten per cent. of the aggregate principal amount of the Dollar Notes, NRPLC shall have the right to require each non-defaulting Underwriter to purchase the principal amount of the Dollar Notes which such Underwriter agreed to purchase hereunder and, in addition to require each non-defaulting Underwriter to purchase its *pro rata* share (based on the principal amount of the Dollar Notes which such Underwriter agreed to purchase hereunder) of the principal amount of the Dollar Notes of such defaulting Underwriter for which such arrangements have not been made; but nothing herein shall relieve a defaulting Underwriter from liability for its default.
- (c) If, after giving effect to any arrangements for the purchase of the principal amount of the Dollar Notes of a defaulting Underwriter by the non-defaulting Underwriters as provided in Clause 3.1(a) above, the aggregate principal amount of the Dollar Notes which remains unpurchased exceeds ten per cent. of the aggregate principal amount of the Dollar Notes, or if NRPLC shall not exercise the right described in Clause 3.1(b) above to require non-defaulting Underwriters to purchase the Dollar Notes of a defaulting Underwriter, then this Agreement shall thereupon terminate, without liability on the part of the non-defaulting Underwriters; but nothing herein shall relieve a defaulting Underwriter from liability for its default.

3.2 Selling

Each Underwriter severally (and not jointly) agrees as follows:

(a) **United States**

It is understood that several Underwriters propose to offer the Dollar Notes for sale to the public in the United States as set forth in the Prospectus.

circumstances which have not resulted and will not result in an offer to the public in the United Kingdom within the meaning of the Public Offers of Securities Regulations 1995, as amended, or the FSMA;

- (2) it has complied and will comply with all applicable provisions of the FSMA with respect to anything done by it in relation to the Dollar Notes in, from or otherwise involving the United Kingdom; and
- (3) it has only communicated or caused to be communicated and will only communicate or cause to be communicated an invitation or inducement to engage in investment activities (within the meaning of Section 21 of the FSMA) in connection with the issue or sale of any of the Dollar Notes in circumstances in which Section 21(1) of the FSMA does not apply to the Issuer.

(c) **Other**

For each jurisdiction outside the United States and the United Kingdom (a "**Relevant Jurisdiction**"), each Underwriter acknowledges that no representation is made by the Third Issuer or any Underwriter that any action has been or will be taken in any jurisdiction by the Third Issuer or any Underwriter that would permit a public offering of the Dollar Notes (other than as described above), or possession or distribution of the Prospectus or any other offering material, in any country or jurisdiction where action for that purpose is required. Each Underwriter will comply with all applicable securities laws and regulations in any Relevant Jurisdiction in which it purchases, offers, sells or delivers Dollar Notes or has in its possession or distributes the Prospectus or any other offering material, in all cases at its own expense. Each Underwriter represents that it will not directly or indirectly offer, sell or deliver any offered notes or publish any prospectus, form of application, offering circular, advertisement or other offering material except under circumstances that will, to the best of its knowledge and belief, result in compliance with any applicable laws and regulations, and all offers, sales and deliveries of offered notes by it will be made on the same terms and will obtain any consent, approval or permission required by it for the purchase, offer, sale or delivery by it of Dollar Notes under the laws and regulations in force in any Relevant Jurisdictions to which it is subject or in which it makes such purchases, offers, sales or deliveries and the Third Issuer shall have no responsibility for them.

4. LISTING

4.1 Application for Listing

The Third Issuer confirms that it has authorised the Lead Underwriters to make or cause to be made at the Third Issuer's expense applications on the Third Issuer's behalf for the Notes to be listed on the Official List of the UK Listing Authority and for the Notes to be admitted to trading by the London Stock Exchange plc (the "**Stock Exchange**").

4.2 Supply of Information

8.1 The Third Issuer and, where expressly provided, Funding, the Mortgages Trustee and NRPLC severally covenants to, and agrees each for itself with, the Underwriters and each of them that:

(a) The Registration Statement

The Third Issuer, Funding, the Mortgages Trustee and NRPLC will use their best efforts to cause the Registration Statement, if not effective at the date of this Agreement, and any amendment thereof, to become effective. Prior to the termination of the offering of the Notes, none of the Third Issuer, Funding, the Mortgages Trustee or NRPLC will file any amendment of the Registration Statement or supplement to the Prospectus or any Rule 462(b) Registration Statement unless the Third Issuer, Funding, the Mortgages Trustee and NRPLC have furnished the Lead Underwriters with copies for their review prior to filing and none of them will file any such proposed amendment or supplement to which the Lead Underwriters reasonably object. Subject to the foregoing sentence, if the Registration Statement has become or becomes effective pursuant to Rule 430A, or filing of the Prospectus is otherwise required under Rule 424(b), the Third Issuer, Funding, the Mortgages Trustee and NRPLC will cause the Prospectus, properly completed, and any supplement thereto to be filed with the Commission pursuant to the applicable paragraph of Rule 424(b) within the time period prescribed and will provide evidence satisfactory to the Lead Underwriters of such timely filing. The Third Issuer, Funding, the Mortgages Trustee and NRPLC will promptly advise the Lead Underwriters:

- (i) when the Registration Statement, if not effective at the date of this Agreement, shall have become effective;
- (ii) when the Prospectus, and any supplement thereto, shall have been filed (if required) with the Commission pursuant to Rule 424(b) or when any Rule 462(b) Registration Statement shall have been filed with the Commission; and
- (iii) when, prior to termination of the offering of the Notes, any amendment to the Registration Statement shall have been filed or become effective;

(b) Signed Prospectus

The Third Issuer will deliver to the Underwriters, without charge, on the date of this Agreement, such number of copies of the Prospectus as the Underwriters may reasonably request, and the Third Issuer will furnish to the Lead Underwriters on the date of this Agreement four copies of the Prospectus signed by a duly authorised director of the Third Issuer. The Third Issuer will also promptly furnish each Underwriter (to the extent not already furnished) and its counsel one conformed copy of the Registration Statement as originally filed and each amendment or supplement thereto including all consents and exhibits filed therewith;

(c) Notify Material Omission

If at any time prior to the earlier of (i) completion (in the reasonable view of the Lead Underwriters) of the distribution of the Notes and (ii) three months after the Closing Date, any event shall have occurred as a result of which the Registration Statement or

Prospectus, as then amended or supplemented, would include a statement of fact which is not true and accurate in all material respects or omit any fact the omission of which would make misleading in any material respect any statement therein whether of fact or opinion, or if for any other reason it shall be necessary to amend or supplement the Registration Statement or Prospectus, then: (i) the Third Issuer will promptly notify the Underwriters; (ii) the Third Issuer shall promptly prepare and timely file with the Commission any amendment or supplement to the Registration Statement or any Prospectus that may, in the reasonable judgement of the Third Issuer or the Underwriters, be required by the Securities Act or requested by the Commission; (iii) the Third Issuer will, without charge, supply to the Underwriters as many copies as the Lead Underwriters may reasonably request of an amended Prospectus or a supplement to the Prospectus which will correct such statement or omission; and (iv) the provisions of Clauses 5(a), 5(b), 5(c), 5(h), 5(o), 5(s), 6(a), 6(b), 6(c), 6(o), 6(r), 7(a) and 7(f) shall be deemed to be repeated by, as applicable, the Third Issuer, Funding, the Mortgages Trustee and NRPLC as of the date of each such amended Prospectus or supplement to the Prospectus on the basis that each reference to "**Prospectus**" in such provisions of Clauses 5, 6 and 7 shall be deemed to be a reference to the Prospectus as amended or supplemented as at such date;

(d) **Notify Change**

Without prejudice to its obligations under Clause 8.1(c), the Third Issuer will notify the Underwriters promptly of any change affecting any of its representations, warranties, covenants, agreements or indemnities in this Agreement at any time prior to payment of the net underwriting proceeds for the Notes being made to the Third Issuer on the Closing Date and will take such steps as may be reasonably requested by the Lead Underwriters to remedy and/or publicise the same;

(e) **Official Announcements**

Between the date of this Agreement and the Closing Date (both dates inclusive) none of NRPLC, the Third Issuer, Funding or the Mortgages Trustee will, without the prior approval of the Lead Underwriters on behalf of the Underwriters (such approval not to be unreasonably withheld or delayed), make any official announcement which would have an adverse effect on the marketability of the Notes;

(f) **Stamp Duty**

- (i) The Third Issuer will pay any stamp duty, issue, registration, documentary or other taxes of a similar nature and duties that it is required to pay under the Legal Agreements to which it is a party payable in the United Kingdom, Belgium, Luxembourg or the United States, including interest and penalties in connection with the creation, issue, distribution and offering of the Notes or in connection with the execution, delivery or enforcement of any of the Legal Agreements to which it is a party together with any value added, turnover or similar tax payable in respect of that amount (and references in this Agreement to such amount shall be deemed to include any such taxes so payable in addition to it);

- (iii) The Mortgages Trustee will pay any stamp duty, issue, registration, documentary or other taxes of a similar nature and duties that it is required to pay under the Legal Agreements to which it is a party payable in the United Kingdom, Jersey, Channel Islands or the United States, including interest and penalties in connection with the execution, delivery or enforcement of the Mortgages Trust Deed (including any amendment thereto) [and the Mortgage Sale Agreement (including any amendment thereto)] (together with any value added, turnover or similar tax payable in respect of that amount (and references in this Agreement to such amount shall be deemed to include any such taxes so payable in addition to it)) but will be promptly reimbursed an amount equal to any such payments by the Beneficiaries in accordance with the terms of the Mortgages Trust Deed;

(g) **United States Income Tax**

The Third Issuer will not engage in any activities in the United States (directly or through agents), will not derive any income from United States sources as determined under the Code and will not hold any property if doing so would cause it to be engaged or deemed to be engaged in a trade or business within the United States as determined under the Code;

(h) **Payment of Fees, Charges, Costs and Duties**

- (i) Without prejudice to the generality of Clause 12.1, the Third Issuer will pay all and any fees, charges, costs and duties and any stamp and other similar taxes or duties that it is required to pay under the Legal Agreements to which it is a party, including interest and penalties, arising from or in connection with the creation of the security for the Notes and the obligations of the Third Issuer under the Third Issuer Trust Deed and for the other amounts to be secured as contemplated by the Third Issuer Deed of Charge, the Deed of Accession and the Second Deed of Accession and the perfection of such security at any time;

- (iii) Without prejudice to the generality of Clause 12.1, the Mortgages Trustee will pay all and any fees, charges, costs and duties and any stamp and other similar taxes or duties that it is required to pay under the Legal Agreements to which it is a party, including interest and penalties, arising from or in

connection with the purchase of the Related Security (and related property and rights) excluding H.M. Land Registry fees (it being agreed that registration or recording at H.M. Land Registry of the transfer of the Related Security to the Mortgages Trustee will not be applied for except in the circumstances specified in the Administration Agreement); but on the basis that the Mortgages Trustee will be reimbursed such fees, charges, costs and duties and any stamp and other similar taxes or duties (including interest and penalties) by the Beneficiaries pursuant to the terms of the Mortgages Trust Deed;

(i) **Perform all required actions**

13. INDEMNIFICATION

13.1 Third Issuer, Funding, Mortgages Trustee and NRPLC Indemnity

Each of the Third Issuer, Funding, the Mortgages Trustee and NRPLC jointly and severally agrees to indemnify and hold harmless each Underwriter, the directors, officers, employees and agents of each Underwriter and each person who controls any Underwriter (each an "**Indemnified Person**") within the meaning of either the Securities Act or the Exchange Act against any and all losses, claims, damages or liabilities, joint or several, to which they or any of them may become subject, including without limitation any such losses, claims, damages or liabilities arising under the Securities Act, the Exchange Act or other Federal or state statutory law or regulation, at common law or otherwise, insofar as such losses, claims, damages or liabilities (or actions in respect thereof) arise out of or are based upon any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement for the registration of the Dollar Notes as originally filed or in any amendment thereof, or in any Registration Statement, any preliminary prospectus or the Prospectus, or in any amendment thereof or supplement thereto, or in any data, table, computer record, electronic record, e-mail or printed information provided by or on behalf of NRPLC to the Underwriters for inclusion (and to the extent included) in the Registration Statement, or arise out of or are based upon the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, and agrees to reimburse each such indemnified party, as incurred, for any legal or other reasonable expenses incurred by them in connection with investigating or defending any such loss, claim, damage, liability or action; provided, however, that the Third Issuer, Funding, the Mortgages Trustee and NRPLC will not be liable in any such case to the extent that any such loss, claim, damage or liability arises out of or is based upon any such untrue statement or alleged untrue statement or omission or alleged omission or any representation, warranty or covenant made by NRPLC, the Third Issuer, Funding or the Mortgages Trustee in this Agreement, or made in the Registration Statement any preliminary prospectus or the Prospectus in reliance upon and in conformity with written information furnished to the Third Issuer, Funding, the Mortgages Trustee and NRPLC by or on behalf of any Underwriter through the Lead Underwriters specifically for inclusion therein and provided further, that as to any preliminary prospectus or the Prospectus, this indemnity agreement shall not inure to the benefit of any Underwriter (or any person controlling such Underwriter) on account of any loss, claim, damage, liability or action arising from the sale of Notes to any person by that Underwriter if that Underwriter failed to send or give a copy of the Prospectus, as the same

may be amended or supplemented (for the purposes of this Clause 13, the "**Final Prospectus**"), to that person within the time required by the Securities Act where required by law to do so, and the untrue statement or alleged untrue statement of a material fact or omission or alleged omission to state a material fact in such preliminary prospectus or Prospectus was corrected in the Final Prospectus, unless such failure resulted from non-compliance by the Third Issuer, Funding, the Mortgages Trustee or NRPLC with Clause 8.1(b) hereof. For purposes of the final proviso to the immediately preceding sentence, the term Final Prospectus shall not be deemed to include the documents incorporated therein by reference, and no Underwriter shall be obligated to send or give any supplement or amendment to any document incorporated by reference in the Prospectus or in any Final Prospectus to any person other than a person to whom such Underwriter has delivered such incorporated documents in response to a written or oral request therefor. The Third Issuer, Funding, the Mortgages Trustee and NRPLC further agree to reimburse each Underwriter and each such controlling person for any legal and other expenses reasonably incurred by such Underwriter or controlling person in investigating or defending or preparing to defend against any such loss, claim, damage, liability or action, as such expenses are incurred. The foregoing indemnity agreement is in addition to any liability which the Third Issuer, Funding, the Mortgages Trustee and NRPLC may otherwise have to any Underwriter or any controlling person of any Underwriter.

No Underwriter or controlling person of any Underwriter shall have any duty or obligation, whether as fiduciary for any Indemnified Person or otherwise, to recover any such payment or to account to any other person for any amounts paid to it under this Clause 13.1.

The foregoing shall be subject to the following:

- (a) Any right which at any time either Funding or the Mortgages Trustee has under the existing or future laws of Jersey whether by virtue of the *droit de discussion* or otherwise to require that recourse be had to the assets of any other person before any claim is enforced against such person in respect of the obligations hereby assumed by such person is hereby abandoned and waived.
- (b) Each of Funding and the Mortgages Trustee undertakes that if at any time any person indemnified sues such either of Funding or the Mortgages Trustee in respect of any such obligations and the person in respect of whose obligations the indemnity is given is not sued also, Funding or the Mortgages Trustee as the case may be shall not claim that such person be made a party to the proceedings and each agrees to be bound by this indemnity whether or not it is made a party to legal proceedings for the recovery of the amount due or owing to the person indemnified, as aforesaid, by the person in respect of whose obligations the indemnity is given and whether the formalities required by any law of Jersey whether existing or future in regard to the rights or obligations of sureties shall or shall not have been observed.
- (c) Any right which either Funding or the Mortgages Trustee may have under the existing or future laws of Jersey whether by virtue of the *droit de division* or otherwise to require that any liability under this indemnity be divided or apportioned with any other person or reduced in any manner whatsoever is hereby abandoned and waived.

13.2 Underwriters' Indemnity

Each Underwriter, severally and not jointly, agrees to indemnify and hold harmless the Third Issuer, Funding, the Mortgages Trustee and NRPLC, each of their directors and each of their

officers who signs the Registration Statement, their employees and each person who controls the Third Issuer or NRPLC within the meaning of either the Securities Act or the Exchange Act, to the same extent as the foregoing indemnity from the Third Issuer to each Underwriter, but only with reference to written information relating to such Underwriter furnished to the Third Issuer, Funding, the Mortgages Trustee or NRPLC by or on behalf of such Underwriter through the Lead Underwriters specifically for inclusion in the documents referred to in the foregoing indemnity. This indemnity agreement will be in addition to any liability which any Underwriter may otherwise have. The Third Issuer, Funding, the Mortgages Trustee and NRPLC acknowledge that the statements set forth under the heading "Underwriting" that specify, (i) the list of Underwriters and their respective participation in the sale of the Dollar Notes, (ii) the sentences related to concessions and reallowances and (iii) the paragraph related to short sales, stabilisation, short covering transactions and penalty bids in any preliminary prospectus and the Prospectus constitute the only information furnished in writing by or on behalf of the several Underwriters for inclusion in any preliminary prospectus or the Prospectus.

13.3 Proceedings

Promptly after receipt by an indemnified party under this Clause 13 of notice of the commencement of any action, such indemnified party will, if a claim in respect thereof is to be made against the indemnifying party under this Clause 13, notify the indemnifying party in writing of the commencement thereof; but the failure so to notify the indemnifying party (i) will not relieve it from liability under Clause 13.1 or 13.2 above unless and to the extent it did not otherwise learn of such action and such failure results in the forfeiture by the indemnifying party of substantial rights and defences and (ii) will not, in any event relieve the indemnifying party from any obligation to any indemnified party other than the indemnification obligation provided in Clause 13.1 or 13.2 above. If any such claim or action shall be brought against an indemnified party, and it shall notify the indemnifying party thereof, the indemnifying party shall be entitled to participate therein, and, to the extent that it wishes, jointly with any other similarly notified indemnifying party, to assume the defence thereof with counsel satisfactory to the indemnified party. After notice from the indemnifying party to the indemnified party of its election to assume the defence of such claim or action, the indemnifying party shall not be liable to the indemnified party under this Clause 13 for any legal or other expenses subsequently incurred by the indemnified party in connection with the defence thereof other than reasonable costs of investigation; provided that each Underwriter, the Underwriters as a group, or the Third Issuer, Funding, the Mortgages Trustee and NRPLC, as the case may be, shall have the right to employ separate counsel to represent such Underwriter and its controlling persons, the Underwriters and their respective controlling persons or the Third Issuer, Funding, the Mortgages Trustee and NRPLC and their respective controlling persons, as the case may be, who may be subject to liability arising out of any claim in respect of which indemnity may be sought by such indemnified parties under this Clause 13 if in the reasonable judgement of any Underwriter, the Underwriters acting together, or any of the Third Issuer, Funding, the Mortgages Trustee and NRPLC, as the case may be, it is advisable for such indemnified parties to be represented by separate counsel, and in that event the fees and expenses of such separate counsel (and local counsel) shall be paid by the indemnifying party. Upon receipt of notice from the indemnifying party to such indemnified party of its election so to assume the defence of such action and approval by the indemnified party of counsel selected by the indemnifying party, the indemnifying party will not be liable to such indemnified party under this Clause 13 for any legal or other expenses subsequently incurred by such indemnified party in connection with the defence thereof unless (i) the indemnified party shall have employed separate counsel in connection with the assertion of legal defences in accordance with the proviso to the preceding sentence (it being understood, however that the indemnifying party shall not be liable for the expenses of more

than one such separate counsel (and local counsel) representing the indemnified parties under Clause 13.1 or 13.2 hereof), (ii) the indemnifying party has authorised (acting reasonably) the employment of more than one such separate counsel (and local counsel) representing the employed counsel satisfactory to the indemnified party to represent the indemnified party, or (iii) the indemnifying party has authorised the employment of counsel for the indemnified party at the expense of the indemnifying party; and except that, if clause (i) or (iii) is applicable, such liability shall be only in respect of the counsel referred to in such clause (i) or (iii). The indemnifying party shall not be liable for any settlement of any proceeding effected without its written consent, but if settled with such consent or if there be a final judgement for the plaintiff, the indemnifying party agrees to indemnify the indemnified party from and against any loss or liability by reason of such settlement or judgement. Notwithstanding the foregoing sentence, if at any time an indemnified party shall have requested an indemnifying party to reimburse the indemnified party for fees and expenses of counsel as contemplated by this Clause 13, the indemnifying party agrees that it shall be liable for any settlement of any proceeding effected without its written consent if (i) such settlement is entered into more than 60 days after receipt by such indemnifying party of such request and (ii) such indemnifying party shall not have either reimbursed the indemnified party in accordance with such request or objected to such request in writing prior to the date of such settlement. No indemnifying party shall, without the prior written consent of the indemnified party, effect any settlement of any pending or threatened proceeding in respect of which any indemnified party is or could have been a party and in respect of which indemnity could have been sought hereunder by such indemnified party, unless such settlement includes an unconditional release of such indemnified party from all liability on claims that are the subject matter of such proceeding.

13.4 Contribution

In the event that the indemnity provided in Clause 13.1 or 13.2 is unavailable to or insufficient to hold harmless an indemnified party for any reason, the Third Issuer, NRPLC, Funding, the Mortgages Trustee and the Underwriters severally agree to contribute to the aggregate losses, claims, damages and liabilities (including legal or other expenses reasonably incurred in connection with investigating or defending same) (collectively "Losses") to which the Third Issuer, NRPLC, Funding, the Mortgages Trustee and one or more of the Underwriters may be subject in such proportion as is appropriate to reflect the relative benefits received by the Third Issuer, NRPLC, Funding, the Mortgages Trustee and the Underwriters from the offering of the Dollar Notes. If the allocation provided by the immediately preceding sentence is unavailable for any reason, the Third Issuer, NRPLC, Funding, the Mortgages Trustee and the Underwriters severally shall contribute in such proportion as is appropriate to reflect not only such relative benefits but also the relative fault of the Third Issuer, NRPLC, Funding, the Mortgages Trustee and the Underwriters in connection with the statements or omissions which resulted in such Losses as well as any other relevant equitable considerations. Benefits received by the Third Issuer, Funding, the Mortgages Trustee and NRPLC shall be deemed to be equal to the Issue Price (before deducting expenses), and benefits received by the Underwriters shall be deemed to be equal to the total Selling Commissions and the Management and Underwriting Commission, in each case as set forth in Clause 11.1. Relative fault shall be determined by reference to among other things, whether any untrue or any alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information provided by the Third Issuer, Funding, the Mortgages Trustee or NRPLC on the one hand or the Underwriters on the other, the intent of the parties and their relative knowledge, access to information and opportunity to correct or prevent such untrue statement or omission. The Third Issuer, NRPLC, Funding, the Mortgages Trustee and the Underwriters agree that it would not be just and equitable if contribution were determined by *pro rata* allocation or any other method of allocation which does not take account of the equitable consideration referred to above.

Notwithstanding the provisions of this Clause 13.4, no person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. For purposes of this Clause 13, each person who controls an Underwriter within the meaning of either the Securities Act or the Exchange Act and each director, officer, employee and agent of an Underwriter shall have the same rights to contribution as such Underwriter, and each person who controls the Third Issuer, Funding, the Mortgages Trustee or NRPLC within the meaning of either the Securities Act or the Exchange Act, each officer of the Third Issuer who shall have signed the Registration Statement, each employee and each director of the Third Issuer, Funding, the Mortgages Trustee or NRPLC shall have the same rights to contribution as the Third Issuer, Funding, the Mortgages Trustee or NRPLC, as the case may be, subject in each case to the applicable terms and conditions of this Clause 13.4. Notwithstanding the foregoing, in no case shall the Underwriter (except as may be provided in any agreement among Underwriters relating to the offering of the Notes) be responsible for any amount in excess of the Selling Commission or Management and Underwriting Commission applicable to the Notes purchased by such Underwriter hereunder.

14. TERMINATION

14.1 Lead Underwriters' Ability to Terminate

Notwithstanding any other provision of this Agreement, the Lead Underwriters on behalf of the Underwriters may, by notice to the Third Issuer given at any time prior to payment of the net underwriting proceeds for the Dollar Notes to the Third Issuer, terminate this Agreement in any of the following circumstances:

- (a) if there shall have come to the notice of the Underwriters any breach of, or any event rendering untrue or incorrect in any material respect, any of the warranties and representations contained in Clause 5 or 6 or 7 (or any deemed repetition thereof) or failure to perform any of the Third Issuer's or NRPLC's covenants or agreements in this Agreement in any material respect; or
- (b) if any condition specified in Clause 9 has not been satisfied or waived by the Lead Underwriters on behalf of the Underwriters; or
- (c) if in the opinion of the Lead Underwriters, circumstances shall be such as: (i) to prevent or to a material extent restrict payment for the Dollar Notes in the manner contemplated in this Agreement or (ii) to a material extent prevent or restrict settlement of transactions in the Dollar Notes in the market or otherwise; or
 - (i) if in the opinion of the Lead Underwriters, there shall have been (i) any change in national or international political, legal, tax or regulatory conditions or (ii) any calamity or emergency, which has in its view caused a substantial deterioration in the price and/or value of the Dollar Notes;
 - (ii) upon termination of the Subscription Agreement; or
 - (iii) if (i) trading in securities generally on the New York Stock Exchange, the American Stock Exchange, the London Stock Exchange or the over-the-counter market shall have been suspended or minimum prices shall have been established on such exchanges or such market; (ii) a banking moratorium shall have been declared by US federal or New York State or UK regulatory authorities; (iii) there shall have occurred any change or any development

involving a prospective change, in or affecting particularly the business or properties of the Third Issuer, Funding, the Mortgages Trustee or NRPLC, which, in the judgement of the Lead Underwriters materially impairs the investment quality of the Dollar Notes or makes it impracticable or inadvisable to market the Dollar Notes or (iv) if in the judgement of the Lead Underwriters, it otherwise becomes impracticable or inadvisable to proceed with the offering of the Dollar Notes.

14.2 Consequences of Termination

Upon such notice being given this Agreement shall terminate and be of no further effect and no party hereto shall be under any liability to any other in respect of this Agreement except that (i) the Third Issuer shall remain liable under Clause 12 for the payment of the costs and expenses already incurred or incurred in consequence of such termination, (ii) the indemnity agreement and contribution provisions set forth in Clause 13, (iii) the obligations of the Third Issuer and NRPLC, and (iv) the representations and warranties of the Underwriters made in Clause 3.2(b) of this Agreement, which would have continued in accordance with Clause 15 had the arrangements for the underwriting and issue of the Dollar Notes been completed, shall so continue.

15. SURVIVAL OF REPRESENTATIONS AND OBLIGATIONS

15.1 The representations, warranties, agreements, undertakings and indemnities in this Agreement will continue in full force and effect notwithstanding completion of the arrangements for the subscription and issue of the Dollar Notes or any investigation made by or on behalf of any Underwriter or any controlling person or any of its representatives, directors, officers, agents or employees or any of them.

15.2 Save for their respective responsibilities to comply with the relevant representations set forth herein, neither the Third Issuer, Funding, the Mortgages Trustee nor NRPLC shall have any responsibility in respect of the legality of the Underwriters or other persons offering and selling the Dollar Notes in any jurisdiction or in respect of the Dollar Notes qualifying for sale in any jurisdiction.

Except as set out in Clause 13, a person who is not a party to this Agreement has no right under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of this Agreement, but this does not affect any right or remedy of a third party which exists or is available apart from that Act.

19. NON PETITION AND LIMITED RECOURSE

Each of the Underwriters agrees with the Third Issuer, Funding and the Mortgages Trustee, that it shall not, until the expiry of one year and one day after the payment of all sums outstanding and owing under the Notes (in respect of the Third Issuer) and until the expiry of one year and one day after the payment of all sums outstanding and owing under any intercompany loan made to Funding by the Third Issuer or any other company (in respect of the Mortgages Trustee and Funding) take any corporate action or other steps or legal proceedings for the winding-up, dissolution, arrangement, reconstruction or re-organisation or for the appointment of a liquidator, receiver, manager, administrator, administrative receiver or similar officer of the Third Issuer, the Mortgages Trustee or Funding or any, or all of, their respective assets or revenues.

To the extent permitted by law, no recourse under any obligation, covenant or agreement of any person contained in this Agreement shall be had against any shareholder, officer or director of the Third Issuer, Funding or the Mortgages Trustee, by the enforcement of any assessment or by any legal proceedings, by virtue of any statute or otherwise; it being expressly agreed and understood that this Agreement is a corporate obligation of each of the Third Issuer, Funding and the Mortgages Trustee expressed to be a party hereto and no personal liability shall attach to or be incurred by the shareholders, officers, agents or directors of such person as such, or any of them, under or by reason of any of the obligations, covenants or agreements of the Third Issuer, Funding or the Mortgages Trustee contained in this Agreement, or implied therefrom, and that any and all personal liability for breaches by such person of any such obligations, covenants or agreements, either under any applicable law or by statute or constitution, of every such shareholder, officer, agent or director is hereby expressly waived by each person expressed to be a party hereto as a condition of and consideration for the execution of this Agreement.

These submissions are made for the benefit of each of the Underwriters and shall not limit the right of any of them to take Proceedings in any other court of

competent jurisdiction nor shall the taking of Proceedings in one or more jurisdictions preclude the taking of Proceedings in any other jurisdiction (whether concurrently or not).

- 1.1. The provisions of the Master Definitions Schedule as amended and restated by (and appearing in Appendix 1 to) the Master Definitions Schedule Second Amendment and Restatement Deed made on 20 March 2002 between, among others, the parties hereto (as the same have been and may be amended, varied or supplemented from time to time with the consent of the parties hereto) are expressly and specifically incorporated into and shall apply to these Intercompany Loan Terms and Conditions. References in these Intercompany Loan Terms and Conditions to the Intercompany Loan Agreement shall include references to these Intercompany Loan Terms and Conditions as incorporated into the Intercompany Loan Agreement by way of reference and shall be construed accordingly.

2. The Intercompany Loans

- 2.1 **Conditions precedent:** Save as an Issuer and the Security Trustee may otherwise agree, a related Intercompany Loan will not be available for utilisation unless:

- (a) Funding and such Issuer have signed an Intercompany Loan Confirmation (generally in the form set out in Schedule 3 (*Form of Intercompany Loan Confirmation*) to these Intercompany Loan Terms and Conditions);
- (b) the Issuer has confirmed to Funding (with a copy of such confirmation to the Security Trustee) that it or its advisers have received all of the information and documents listed in Schedule 1 to the Intercompany Loan Confirmation in form and substance satisfactory to the Issuer and such Issuer's advisers;
- (c) the conditions set out in Clause 5.1 (*Drawdown conditions relating to an Intercompany Loan*) have been satisfied; and
- (d) Funding has established in respect of any Issuer an Issuer Reserve Fund, Issuer Liquidity Reserve Fund or any other reserve fund or liquidity facility (and has established or procured the establishment of appropriate ledgers therefor), to the extent required by the Rating Agencies in connection with the drawing of an Intercompany Loan by Funding from an Issuer and the issuance of Notes by such Issuer.

2.2 New Intercompany Loan Agreements: Funding may at any time, by written notice to the Security Trustee and the Rating Agencies, enter into a New Intercompany Loan Agreement with a New Issuer and borrow additional money thereunder (each a **'New Intercompany Loan'**). Each New Intercompany Loan will be financed by the issue of New Notes by the New Issuer, and will only be permitted if the following conditions precedent are satisfied on the Drawdown Date:

- (a) the New Issuer has satisfied the conditions precedent set forth in Clause 2.1 (*Conditions precedent*) hereof;
- (b) the proceeds of the New Intercompany Loan are used by Funding in accordance with Clause 3.1 (*Purpose and Application of the Intercompany Loan*) hereof;
- (c) each of the Rating Agencies confirms in writing to the Security Trustee that there will not, as a result of the New Issuer issuing any New Notes, be any adverse effect on (i) the then current ratings by the Rating Agencies of the existing Notes of any Issuer, the proceeds of which have been advanced to Funding pursuant to, *inter alia*, these Intercompany Loan Terms and Conditions;
- (d) no Intercompany Loan Event of Default under any Intercompany Loan Agreement is continuing or unwaived at the relevant drawdown date;
- (e) there is no debit balance on any Principal Deficiency Ledger as at the relevant date specified above;
- (f) Funding entering into, as required by the Rating Agencies or otherwise, any additional agreements (including any new bank account agreement and any new guaranteed

investment contract agreement, if required, in relation to any New Issuer) as a result of entering into the New Intercompany Loan; and

- (g) any other relevant conditions precedent specified in the Intercompany Loan Confirmation.

3. Purpose

3.1 *Purpose and application of an Intercompany Loan:* An Intercompany Loan shall be used by Funding either:

- (a) to pay to the Mortgages Trustee Funding's Initial Contribution for the Funding Share in respect of any New Trust Property (which shall increase the Funding Share of the Trust Property); and/or
- (b) to fund a Further Contribution to the Mortgages Trustee in order to increase the Funding Share of the existing Trust Property; and/or
- (c) to refinance the existing debt of Funding, including any existing Intercompany Loan; and/or
- (d) to fund or partly fund the Issuer Reserve Fund of the relevant Issuer.

3.2 *Application of amounts:* Without prejudice to the obligations of Funding under this Clause 3, neither the Security Trustee nor any of the Funding Secured Creditors shall be obliged to concern themselves as to the application of amounts raised by Funding under an Intercompany Loan Agreement.

4. Limited Recourse

4.1 *Recourse limited to available funds:* Notwithstanding the terms of any other provision in any Intercompany Loan Agreement, each of the Issuer and the Security Trustee agree that the liability of Funding in respect of its obligations to repay principal and pay interest or any other amounts due under the relevant Intercompany Loan Agreement or for any breach of any other representation, warranty, covenant or undertaking of Funding under the relevant Intercompany Loan Agreement shall be limited to:

- (a) in respect of amounts payable prior to the enforcement of the Funding Security:
 - (i) the amount of Funding Available Revenue Receipts in respect of interest, fees or other amounts (but excluding principal) payable by Funding to the relevant Issuer, but only to the extent of an amount of Funding Available Revenue Receipts remaining after paying amounts of a higher order of priority and providing for amounts payable *pari passu* therewith in accordance with, and subject to, the relevant Funding Pre-Enforcement Revenue Priority of Payments; and

- (ii) the amount of Funding Available Principal Receipts in respect of principal payable by Funding to the relevant Issuer, but only to the extent of the amount of Funding Available Principal Receipts payable by Funding to such Issuer as determined by, and subject to, the rules set forth in the relevant Funding Pre-Enforcement Principal Priority of Payments; and
- (b) in respect of amounts payable following enforcement of the Funding Security, amounts received or recovered by Funding, the Security Trustee or a Receiver appointed on behalf of the Security Trustee, but only to the extent of such amount thereof as remains after paying amounts of a higher order of priority and providing for amounts payable *pari passu* therewith in accordance with, and subject to, the Funding Post-Enforcement Priority of Payments,

provided that the application of such amounts set forth in sub-clauses (a) and (b) above to the discharge of Funding's obligations under an Intercompany Loan Agreement shall be subject to the terms of the Funding Deed of Charge.

- 4.2 *Shortfall on Final Repayment Date:*** On the Final Repayment Date of an Intercompany Loan, the amount of interest and principal due and payable on such Intercompany Loan shall be an amount equal to the sum available to pay all outstanding interest and/or principal amounts due (including interest and principal amounts deferred and unpaid) on such Intercompany Loan after paying amounts of a higher order of priority in accordance with the relevant Funding Priority of Payments. To the extent that on the Final Repayment Date of an Intercompany Loan there is a shortfall between the amount available to Funding to pay such interest and principal on such Intercompany Loan and the amount of interest and principal due and payable on such Intercompany Loan, the Issuer agrees that Funding shall not be obliged to pay that shortfall to such Issuer and that any claim that such Issuer may otherwise have against Funding in respect of that shortfall will be extinguished.

5. Utilisation of the Intercompany Loans

- 5.1 *Drawdown conditions relating to an Intercompany Loan:*** Save as otherwise provided in the relevant Intercompany Loan Agreement, an Intercompany Loan will be made available by an Issuer to Funding on the relevant Closing Date if:

- (a) the Notes have been issued by such Issuer and the subscription proceeds have been received by or on behalf of such Issuer;
- (b) not later than 17.00 (London time) on such Closing Date (or such later time as may be agreed by Funding, such Issuer and the Security Trustee), such Issuer has received from Funding a Drawdown Notice requesting a drawing under an Intercompany Loan Agreement (with copy of such Drawdown Notice to the Security Trustee), receipt of which shall (subject to the terms of such Intercompany Loan Agreement and to the issue of the Notes by such Issuer) oblige Funding to borrow the whole of the amount requested in the Drawdown Notice on the date stated in the Drawdown Notice (which shall be the

Closing Date) upon the terms and subject to the conditions contained in such Intercompany Loan Agreement;

- (c) Funding has confirmed in the relevant Drawdown Notice that:
 - (i) no Intercompany Loan Event of Default has occurred and is continuing unremedied (if capable of remedy) or unwaived or would result from the making of such Intercompany Loan;
 - (ii) the representations set out in Clause 12 (*Representations and warranties of Funding*) are true on and as of the Closing Date by reference to the facts and circumstances then existing;
- (d) the aggregate principal amount of such Intercompany Loan to be drawn on the Drawdown Date would not exceed the amount available for drawing under such Intercompany Loan Agreement as at the relevant Drawdown Date;
- (e) a group income election has been made under Section 247 of the Income and Corporation Taxes Act 1988, as amended, in relation to Funding and such Issuer, provided that such election will only be required to the extent necessary in order that payments of interest can be made by Funding to an Issuer without there being a requirement to deduct income tax at source; and
- (f) Funding has delivered to the Security Trustee a solvency certificate in form and substance satisfactory to the Security Trustee and substantially in the form set out in Schedule 2 to these Intercompany Loan Terms and Conditions.

5.2 *Single drawing of the Intercompany Loan:* Each Intercompany Loan will only be available for drawing in one amount by Funding on the Closing Date subject to satisfaction of the matters specified in Clause 2.1 (*Conditions precedent*) and Clause 5.1 (*Drawdown conditions relating to an Intercompany Loan*).

6. Interest

6.1 *Interest Periods:* The first Interest Period will commence on (and include) the Drawdown Date of an Intercompany Loan and end on (but exclude) the first Payment Date falling thereafter. Each subsequent Interest Period shall commence on (and include) a Payment Date and end on (but exclude) the next following Payment Date.

6.2 *Determination of Intercompany Loan Interest Amount and Fees:*

- (a) The Agent Bank shall, as soon as practicable after 11.00 a.m. (London time) on the Distribution Date immediately preceding the relevant Payment Date, determine and notify the relevant Issuer, Funding, the Cash Manager and the Security Trustee of the sterling amount (the "**Interest Amount**") payable in respect of such Interest Period in respect of the Outstanding Principal Balance of the relevant Intercompany Loan. The Interest Amount payable to an Issuer in respect of such Issuer's related Intercompany

Loan on each Payment Date shall be equal to the amount of interest required by such Issuer on such Payment Date to fund (by payment to any Swap Provider or otherwise) the amount payable on such Payment Date by such Issuer on the outstanding Notes of such Issuer and certain other amounts as set forth in the relevant Intercompany Loan Confirmation.

- (b) In addition to the foregoing, on each Payment Date or as and when required, in connection with the provision of an Intercompany Loan, Funding will pay additional fees to an Issuer calculated to be an amount equal to the amount required by such Issuer to pay or provide for all other amounts, if any, falling due on that Payment Date, including amounts payable by such Issuer as set forth in the relevant Intercompany Loan Confirmation; provided, however, that such fee shall not include amounts of interest and principal due on the Notes issued by such Issuer and tax that can be met out of such Issuer's profits.
- (c) If the Agent Bank does not at any time for any reason determine the Interest Amount for any of the Intercompany Loans in accordance with paragraph (a) above, the Security Trustee shall (subject to it being indemnified to its satisfaction) determine the Interest Amount for each Intercompany Loan and any such determination shall be deemed to have been made by the Agent Bank.
- (d) All notifications, opinions, determinations, certificates, calculations and decisions given, expressed, made or obtained for the purposes of this Clause 6, whether by the Agent Bank or the Security Trustee, shall (in the absence of wilful default, bad faith or manifest error) be binding on Funding, the relevant Issuer, the Cash Manager, the Agent Bank, the Security Trustee and (in such absence as aforesaid) no liability to Funding shall attach to such Issuer, the Agent Bank, the Security Trustee or the Cash Manager in connection with the exercise or non-exercise by them or any of them of their powers, duties and discretions hereunder.
- (e) Notwithstanding the foregoing, Funding and each Issuer agree that, to the extent that such Issuer receives from Funding on any Payment Date an amount of interest and/or fees which such Issuer uses to credit the Principal Deficiency Ledger of such Issuer (but only to the extent of any deficiency resulting from (i) Losses on the Mortgage Loans that have been allocated by Funding to such Issuer, and (ii) the application of Funding Available Principal Receipts to fund any liquidity reserve fund of such Issuer, and not as a result of any other principal deficiency of such Issuer), such amount of interest and/or fees will be re-characterised as, and will constitute, a repayment of principal in respect of the Intercompany Loan of such Issuer, and will thereby reduce the Outstanding Principal Balance of such Intercompany Loan on such Payment Date by such amount.

6.3 *Payment on Payment Dates:* Interest payable on each Intercompany Loan shall be payable on the Payment Dates specified in the Intercompany Loan Confirmation.

7. Repayment

- 7.1 *Repayment of Intercompany Loan Principal Amount:*** The Principal Amount repayable to an Issuer in respect of such Issuer's related Intercompany Loan on each Payment Date shall equal the amount of principal required by such Issuer on such Payment Date to fund (by payment to any Swap Provider or otherwise) the amount repayable on such Payment Date by such Issuer on the outstanding Notes of such Issuer as set forth in the relevant Intercompany Loan Confirmation.
- 7.2 *Repayment on Payment Dates:*** Each Intercompany Loan shall be repaid on the Payment Dates specified in the related Intercompany Loan Confirmation.
- 7.3 *Re-characterisation as Principal:*** Funding and each Issuer agree that certain interest and fee amounts paid to an Issuer as set forth in Clause 6.2(e) shall reduce the Outstanding Principal Balance repayable by Funding to such Issuer in respect of such Issuer's related Intercompany Loan.
- 7.4 *Allocation of Losses:*** Save as otherwise provided herein, Funding and each Issuer agree that all Losses sustained on the Mortgage Loans during a Trust Calculation Period applied in reduction of the Funding Share of the Trust Property on the Distribution Date immediately succeeding such Trust Calculation Period pursuant to Clause 12 (*Allocation of Losses*) of the Mortgages Trust Deed shall be applied on such date in reducing the Outstanding Principal Balance repayable by Funding to any Issuer in respect of such Issuer's Intercompany Loan by an amount equal to:

$$\frac{A \times B}{C}$$

where,

- A = the amount of such Losses applied in reduction of the Funding Share on the relevant Distribution Date;
- B = the Outstanding Principal Balance of the Intercompany Loan on such Distribution Date; and
- C = the aggregate Outstanding Principal Balances of the Intercompany Loans of all Issuers on such Distribution Date;

and for the purposes of "B" and "C" above, the Outstanding Principal Balance of an Intercompany Loan shall be reduced by the Principal Amount Outstanding on such Distribution Date of any Special Repayment Notes issued by the related Issuer.

8. Prepayment

8.1 *Prepayment for taxation or other reasons:* If:

- (a) Funding is required to withhold or deduct from any payment of principal or interest in respect of any Intercompany Loan any amount for or on account of Tax; or

- (b) the relevant Issuer is required to withhold or deduct from any payment of principal, interest or premium in respect of its Notes any amount for or on account of Tax; or
- (c) an Intercompany Loan becomes illegal as described in Clause 10 (*Illegality*);

then, without prejudice to the obligations of Funding under Clause 10 (*Illegality*) and subject to Clause 11 (*Mitigation*), the relevant Issuer may require Funding to prepay, on any Payment Date, having given not more than 60 days and not less than 30 days' (or such shorter period as may be required by any relevant law in the case of any Intercompany Loan which becomes illegal pursuant to Clause 10 (*Illegality*)) prior written notice to the Issuer and the Note Trustee (or on or before the latest date permitted by the relevant law in the case of Clause 10 (*Illegality*)) and while the relevant circumstances continue, the related Intercompany Loan without penalty or premium but subject to Clause 15 (*Default interest and indemnity*), provided that such Issuer is able to repay its Notes on such Payment Date from funds received from repayment of such Intercompany Loan.

8.2 *Prepayment at option of Issuer:* An Issuer, at its option, may require Funding to prepay the outstanding principal amount of an Intercompany Loan (together with any accrued interest) on any Payment Date on which such Issuer has decided to exercise its option, if any, to redeem in full the Notes issued by such Issuer. The Issuer shall give Funding not more than 60 days' and not less than 30 days' prior written notice of such Issuer's decision to exercise its option to require Funding to prepay the relevant Intercompany Loan. Any prepayment by Funding will be made without penalty or premium but will be subject to Clause 15 (*Default interest and indemnity*).

8.3 *Application of monies:* Each Issuer hereby agrees to apply any amounts received by way of prepayment pursuant to Clause 8.1 (*Prepayment for taxation or other reasons*) or Clause 8.2 (*Prepayment at option of Issuer*) in making prepayments under the relevant Notes issued by such Issuer.

9. Taxes

9.1 *No gross up:* All payments by Funding under the Intercompany Loan Agreement shall be made without any deduction or withholding for or on account of, and free and clear of, any Taxes, except to the extent that Funding is required by law to make payment subject to any Taxes.

9.2 *Tax receipts:* All Taxes required by law to be deducted or withheld by Funding from any amounts paid or payable under an Intercompany Loan Agreement shall be paid by Funding when due and Funding shall, within 30 days of the payment being made, deliver to the relevant Issuer evidence satisfactory to such Issuer (including all relevant Tax receipts) that the payment has been duly remitted to the appropriate authority.

10. Illegality

If, at any time, it is unlawful for an Issuer to make, fund or allow to remain outstanding an Intercompany Loan made by it under the related Intercompany Loan Agreement, then such Issuer

shall, promptly after becoming aware of the same, deliver to Funding, the Security Trustee and the Rating Agencies a certificate to that effect and if such Issuer so requires, Funding shall promptly to the extent necessary to cure such illegality prepay such Intercompany Loan subject to and in accordance with the provisions of Clause 8.1 (*Prepayment for taxation or other reasons*).

11. Mitigation

If circumstances arise in respect of an Issuer which would, or would upon the giving of notice, result in:

- (a) the prepayment of an Intercompany Loan pursuant to Clause 10 (*Illegality*);
- (b) a withholding or deduction from the amount to be paid by Funding on account of Taxes, pursuant to Clause 9 (*Taxes*),

then, without in any way limiting, reducing or otherwise qualifying the obligations of Funding under this Agreement, such Issuer shall:

- (i) promptly upon becoming aware of the circumstances, notify the Security Trustee, Funding and the Rating Agencies; and
- (ii) upon written request from Funding, take such reasonable steps as may be practical to mitigate the effects of those circumstances including (without limitation) the assignment by novation of the Intercompany Loan Agreement of such Issuer of all of such Issuer's rights under such Intercompany Loan Agreement to, and assumption by novation of all such Issuer's obligations under such Intercompany Loan Agreement by, another company, which is willing to participate in the relevant Intercompany Loan in its place and which is not subject to (a) and/or (b) above,

provided that no such transfer or assignment and transfer by novation of such Intercompany Loan Agreement may be permitted unless the Rating Agencies confirm in writing to Funding and the Security Trustee that there will be no downgrading of the then current rating of the Notes issued by such Issuer as a result and Funding indemnifies such Issuer for any reasonable costs and expenses properly incurred as a result of such transfer or assignment.

- (b) conflict with any document which is binding upon it or any of its assets;

13.4 *Authorisations:* Funding shall promptly:

- (a) obtain, maintain and comply with the terms of; and

We, the undersigned, **HEREBY CERTIFY** that (i) having made all appropriate searches and investigations of the Company’s books and records and the Company’s accounts (both management and those required by law); and (ii) the officers of the Company having duly considered the provisions of the insolvency laws of Jersey, Channel Islands and the United Kingdom (including, without limitation, the provisions of sections 123 and 238 to 242 (inclusive) and 423 of the UK Insolvency Act 1986 (the “Act”)):

- (a) an order has not been made or an effective resolution has not been passed for the winding up of the Company (except, in any such case, a winding-up or dissolution for the purpose of a reconstruction, amalgamation or merger the terms of which have been previously approved by the Security Trustee or as approved by an Extraordinary Resolution of the Class A Noteholders of all Issuers); or
- (b) except for the purposes of an amalgamation, merger or restructuring as described in (a) above, the Company has not ceased or threatened to cease to carry on all or a substantial part of its business or has stopped payment or threatened to stop payment of its debts or has been deemed unable to pay its debts within the meaning of Section 123(a), (b), (c) or (d) of the Insolvency Act 1986 (as amended) or has become unable to pay its debts within the meaning of Section 132(2) of the Insolvency Act 1986 (as amended);
- (c) to the best of our knowledge and belief Proceedings have not been otherwise initiated against the Company under any applicable liquidation, insolvency, composition, reorganisation or other similar laws (including, but not limited to, presentation of a petition for an administration order) and (except in the case of presentation of a petition for an administration order) such Proceedings are not, as far as we are aware in the opinion of the Security Trustee, being disputed in good faith with a reasonable prospect of success; and no administrative receiver or other receiver, liquidator or other similar official has been appointed in relation to the Company or in relation to the whole or any substantial part of the undertaking or assets of the Company; and no encumbrancer has

The parties to this Deed agree that on any Distribution Date the Relevant Distribution which would otherwise have been payable by the Mortgages Trustee to Funding and the Deferred Contribution payable by Funding to the Mortgages Trustee shall be set off against each other such that as between the Mortgages Trustee and Funding no amount shall be payable in respect of such Relevant Distribution or such Deferred Contribution on such date and the Cash Manager on behalf of the Mortgages Trustee shall pay to the Seller (in satisfaction of the Mortgages Trustee’s obligation to pay Deferred Purchase Price to the Seller under the Mortgage Sale Agreement) those funds which, were it not for such set-off, would have been payable to Funding as the Relevant Distribution;

5.1 *Re-draws under Flexible Mortgage Loans:*

- (a) If, in respect of any Flexible Mortgage Loan which is in the Trust Property, the relevant Borrower requests a Cash Re-draw and the Administrator (on behalf of the Mortgages Trustee) grants such request pursuant to and in accordance with the terms of the Administration Agreement, the Seller as Beneficiary shall fund that Cash Re-

draw in the Mortgages Trust by making payment to the Borrower, in accordance with the terms and conditions of the relevant Mortgage Loan, of the Cash Re-draw Amount. Upon payment by the Seller to the relevant Borrower of the Cash Re-draw Amount, the aggregate Current Balance of the Mortgage Loans constituting the Trust Property and the amount of the Seller Share of the Trust Property shall be increased by an amount equal to the Cash Re-draw Amount.

- (b) If, in respect of any Flexible Mortgage Loan which is in the Trust Property, the relevant Borrower requests a Non-Cash Re-draw and the Administrator grants such request or the Administrator otherwise permits the relevant Borrower to take a Non-Cash Re-draw pursuant to and in accordance with the terms of the Administration Agreement, the Seller as Beneficiary shall fund such Non-Cash Re-draw in the Mortgages Trust by making payment to the Mortgages Trustee of a Further Contribution in an amount equal to the Unpaid Interest Amount in respect of such Non-Cash Re-draw. Upon payment by the Seller to the Mortgages Trustee of such Further Contribution, the aggregate Current Balance of the Mortgage Loans constituting the Trust Property and the Seller Share of the Trust Property shall be increased by an amount equal to the amount of the Further Contribution so made to the Mortgages Trustee. The parties agree that any such Further Contribution received by the Mortgages Trustee from the Seller will be treated as Revenue Receipts and will be distributed to the Beneficiaries on the immediately succeeding Distribution Date in accordance with Clause 10 (*Distribution of Revenue Receipts*) below.

5.2 **Further Advances:** If at a future date the Seller elects not to repurchase any Mortgage Loan which becomes the subject of a Further Advance from the Mortgages Trustee, the Seller will be solely responsible for funding any such Further Advance and, subject to the provisions of this Deed, upon the making of such Further Advance by the Seller, the aggregate Current Balance of the Mortgage Loans constituting the Trust Property and the Seller Share of the Trust Property shall be increased by an amount equal to the amount of the Further Advance paid to the relevant Borrower.

6. Increasing the Funding Share of the Trust Property

6.1 **Conditions precedent:** Subject as provided below, on not more than 60 nor less than 30 days' written notice Funding may increase the Funding Share (as defined in Clause 7.1 (*Initial Funding Share*) below) of the Trust Property on the date specified in that notice, subject to satisfaction of the following conditions precedent:

- (b) no Intercompany Loan Enforcement Notice has been served in respect of any Intercompany Loan;
- (c) the Rating Agencies have confirmed in writing to the Mortgages Trustee, the Security Trustee and each Issuer that the proposed increase in the Funding Share of the Trust

- (d) the New Notes have been issued by the New Issuer, the subscription proceeds received on behalf of such New Issuer and advanced by such Issuer to Funding pursuant to an Intercompany Loan Agreement (which proceeds Funding will pay to the Mortgages Trustee to increase the Funding Share of the Trust Property on the relevant date in accordance with Clause 6.2);
- (e) if necessary, each Issuer, including any New Issuer (if any) has entered into appropriate hedging arrangements;
- (f) as of the last day of the immediately preceding Trust Calculation Period the aggregate Current Balance of Mortgage Loans in the Trust Property which were at such time in arrears for at least 3 months is less than 4 per cent. of the aggregate Current Balance of all Mortgage Loans in the Trust Property at such time unless the Rating Agencies have confirmed that the then-current ratings of the Notes will not be adversely affected;
- (g) as of the last day of the immediately preceding Trust Calculation Period the weighted average LTV ratio of Mortgage Loans in the Trust Property (after application of the LTV Test) on such date does not exceed the LTV ratio (based on the LTV Test) of Mortgage Loans in the Trust Property on the Initial Closing Date plus 0.25 per cent.;
- (h) each Issuer Reserve Fund is fully funded on the relevant date up to the relevant Issuer Reserve Required Amount; and
- (i) as at the most recent Payment Date no deficiency was recorded on the Issuer Principal Deficiency Ledger of any Issuer,

provided always that Funding shall not be entitled to increase the Funding Share after the Payment Date falling in January 2008 if the option to redeem the First Issuer Notes on the Payment Date in January 2008 pursuant Condition 5 of the First Issuer Notes is not exercised.

- 6.2 **Completion:** Subject to satisfaction of the conditions precedent set out in Clause 6.1 (*Conditions precedent*) above, Funding shall pay to the Mortgages Trustee the consideration for such increase in the Funding Share in accordance with Clause 4 (*Consideration*).
- 6.3 **Special Distribution:** The parties hereto agree that Principal Receipts received by the Mortgages Trustee from Funding in payment of a Further Contribution in accordance with Clause 4 (*Consideration*) on any date on which Funding increases the Funding Share of the Trust Property shall be payable by the Mortgage Trustee to the Seller (in its capacity as a Beneficiary of the Mortgages Trust) as a Special Distribution on such date whether or not such date is a Distribution Date. Any such Special Distribution shall reduce the Seller Share of the Trust Property by the amount of the Special Distribution.

7. Initial Funding Share and Initial Seller Share

- 7.1 **Initial Funding Share:** The “**Initial Funding Share**” of the Trust Property shall be £86.61 at the date of this Deed and £1,500,000,000 at the Initial Closing Date and the “**Initial Funding Share Percentage**” shall be the Initial Funding Share expressed as a percentage of the Trust Property at such date, that is to say, 86.61 per cent. References herein to the “**Funding Share**” shall mean, prior to the first Distribution Date, the Initial Funding Share and thereafter shall mean the Current Funding Share (as defined below).
- 7.2 **Initial Seller Share:** The “Initial Seller Share” of the Trust Property shall be the sum which remains of the Trust Property after deduction of the Initial Funding Share. The Initial Seller Share of the Trust Property will be £13.39 at the date of this Deed and £232,000,000 at the Initial Closing Date and the “**Initial Seller Share Percentage**” shall be equal to 100 per cent. minus the Initial Funding Share Percentage, that is to say, 13.39 per cent. The amount of the Initial Seller Share and the Initial Seller Share Percentage on the Initial Closing will be determined immediately after the Initial Closing Date. References herein to the “**Seller Share**” shall mean, prior to the first Distribution Date, the Initial Seller Share and thereafter shall mean the Current Seller Share (as defined below).
- 7.3 **Rounding of percentage shares:** Except for the Initial Closing Date on which the Funding Share Percentage and the Seller Share Percentage shall be calculated to two decimal places, and unless otherwise agreed by the Beneficiaries, the Current Funding Share Percentage and the Current Seller Share Percentage shall be calculated to five decimal places.

8. **Adjustment of Funding Share Percentage and Seller Share Percentage**

8.1 **Effective Periods:**

- (a) Subject to Clause 8.1(b) below, the Cash Manager will (on behalf of the Mortgages Trustee and the Beneficiaries) recalculate the Funding Share, the Funding Share Percentage, the Seller Share and the Seller Share Percentage in respect of each Trust Calculation Period on the Distribution Date occurring in such Trust Calculation Period, based on the aggregate Current Balance of the Mortgage Loans constituting the Trust Property (as adjusted from time to time) on the last day of the Trust Calculation Period immediately preceding such Distribution Date.
- (b) Notwithstanding Clause 8.1(a) above, if during any Trust Calculation Period the Seller assigns New Mortgage Loans to the Mortgages Trustee, the recalculation of the Funding Share, the Funding Share Percentage, the Seller Share and the Seller Share Percentage made by the Cash Manager on the Distribution Date occurring in such Trust Calculation Period will be effective only in respect of the period beginning on (and including) the first day of such Trust Calculation Period and ending on (but excluding) the first Assignment Date to occur during such Trust Calculation Period (such period in respect of such Distribution Date, an “**Interim Calculation Period**”), based on the aggregate Current Balance of the Mortgage Loans constituting the Trust Property (as adjusted from time to time) on the last day of the Trust Calculation Period immediately preceding such Distribution Date.

- (c) In addition to the foregoing, if during any Trust Calculation Period the Seller assigns New Mortgage Loans to the Mortgages Trustee, the Cash Manager will (on behalf of the Mortgages Trustee and the Beneficiaries) recalculate the Funding Share, the Funding Share Percentage, the Seller Share and the Seller Share Percentage on such Assignment Date in respect of the period beginning on (and including) such Assignment Date and ending on the last day of such Trust Calculation Period (and including such last day of such Trust Calculation Period) (each such period in respect of each Assignment Date, an “**Interim Calculation Period**”), based on the aggregate Current Balance of the Mortgage Loans constituting the Trust Property (as adjusted from time to time) on such Assignment Date (after taking account of the assignment of New Mortgage Loans on such date).

The parties acknowledge and agree that the Mortgage Sale Agreement provides that (a) the Seller may not assign New Mortgage Loans to the Mortgages Trustee during any Trust Calculation Period prior to the Distribution Date in such Trust Calculation Period, and (b) the Seller may only make one assignment of New Mortgage Loans to the Mortgages Trustee during any Trust Calculation Period.

8.2 **Current Funding Share Percentage:**

- (a) On each Distribution Date (the “**Relevant Distribution Date**”), the “**Current Funding Share Percentage**” will be calculated by the Cash Manager in respect of the then-current Trust Calculation Period or related Interim Calculation Period, as applicable, for the purpose of calculating the distributions to be made from the Trust Property on the immediately succeeding Distribution Date, and such Current Funding Share Percentage will be an amount, expressed as a percentage (calculated to an accuracy of five decimal places (rounded upwards)), equal to:

$$\frac{A - B - C + D + E + F}{G} \times 100$$

where,

- A = the Current Funding Share as calculated (a) on the Distribution Date immediately preceding such Relevant Distribution Date, or (b) in the case of the first Distribution Date, the Initial Funding Share as at the Initial Closing Date;
- B = the amount of any Principal Receipts distributed to Funding on such Relevant Distribution Date in accordance with the provisions described in Clause 11 (*Distribution of Principal Receipts*) below;
- C = the amount of any Losses sustained on the Mortgage Loans during the Trust Calculation Period immediately preceding such Relevant Distribution Date which have been allocated to Funding (based on (a) the Funding Share Percentage thereof calculated on the Distribution Date immediately preceding such Relevant Distribution Date

(provided that the Seller had not assigned New Mortgage Loans to the Mortgages Trustee in the Trust Calculation Period immediately preceding such Relevant Distribution Date), or (b) to the extent that the Seller had assigned New Mortgage Loans to the Mortgages Trustee during the Trust Calculation Period immediately preceding such Relevant Distribution Date, the Weighted Average Funding Share Percentage (as defined below) thereof calculated on such Relevant Distribution Date prior to the distribution to be made on such Relevant Distribution Date, or (c) in the case of the first Distribution Date, the Initial Funding Share Percentage);

- D = an amount equal to any Initial Contribution paid by Funding to the Mortgages Trustee during the Trust Calculation Period immediately preceding such Relevant Distribution Date in relation to the Funding Share of any New Trust Property assigned to the Mortgages Trustee during such Trust Calculation Period (which amount the Mortgages Trustee is required pursuant to Clause 4.3 (*Application by Mortgages Trustee*) to pay to the Seller in satisfaction of the Mortgages Trustee's obligation to pay to the Seller the Initial Purchase Price in respect of New Mortgage Loans assigned to the Mortgages Trustee during such period);
- E = an amount equal to any Further Contribution paid by Funding to the Mortgages Trustee during the Trust Calculation Period immediately preceding such Relevant Distribution Date to increase the Funding Share of the Trust Property (which amount the Mortgages Trustee is required pursuant to Clause 6.3 (*Special Distribution*) to pay to the Seller as a Beneficiary, thereby reducing the amount of the Seller Share);
- F = an amount equal to any Capitalised Arrears which have been allocated to Funding during the Trust Calculation Period immediately preceding such Relevant Distribution Date (based on the Funding Share Percentage thereof calculated on the Distribution Date immediately preceding such Relevant Distribution Date or, in the case of the first Distribution Date, the Initial Funding Share Percentage);
- G = the aggregate Current Balance of all the Mortgage Loans in the Trust Property as at the last day of the Trust Calculation Period immediately preceding such Relevant Distribution Date, after (i) taking account of the assignment, if any, of New Mortgage Loans during the Trust Calculation Period immediately preceding such Relevant Distribution Date, (ii) making the distributions, allocations and additions referred to in (B), (C), (D), (E) and (F) above, (iii) taking account of any distributions of Principal Receipts to the Seller (including the payment of any Special Distribution to the Seller), the amount of any Losses allocated to the Seller and the amount of any other additions to or removals from the Trust Property during such Trust Calculation Period, including without limitation, any additions to the Trust

Property resulting from Cash Re-draws and Non-Cash Redraws by Borrowers under Flexible Mortgage Loans which are in the Trust Property or (if the Seller subsequently elects not to repurchase Mortgage Loans which are the subject of Further Advances from the Mortgages Trustee) Further Advances assigned by the Seller and (iv) making the adjustments referred to in paragraphs (a) through (e) of Clause 8.5 (*Adjustments to Trust Property*) (inclusive) below.

- (b) If during any Trust Calculation Period the Seller assigns New Mortgage Loans to the Mortgages Trustee, the Cash Manager will recalculate the Current Funding Share Percentage on each such Assignment Date (the '**Relevant Assignment Date**') in respect of the related Interim Calculation Period, for the sole purpose of calculating the distributions to be made from the Trust Property on the immediately succeeding Distribution Date, and such Current Funding Share Percentage will be an amount, expressed as a percentage (calculated to an accuracy of five decimal places (rounded upwards)), equal to:

$$\frac{A+D}{G} \times 100$$

where,

- A = the Current Funding Share as calculated on the Distribution Date immediately preceding such Relevant Assignment Date;
- D = an amount equal to any Initial Contribution paid by Funding to the Mortgages Trustee on such Relevant Assignment Date in relation to the Funding Share of any New Mortgage Loans assigned to the Mortgages Trustee on such Relevant Assignment Date (which amount the Mortgages Trustee is required pursuant to Clause 4.3 (*Application by Mortgages Trustee*) to pay to the Seller in satisfaction of the Mortgages Trustee's obligation to pay to the Seller the Initial Purchase Price in respect of New Mortgage Loans assigned to the Mortgages Trustee on such Relevant Assignment Date); and
- G = the sum of (a) the aggregate Current Balance of all of the Mortgage Loans in the Trust Property as of the last day of the Trust Calculation Period immediately preceding such Relevant Assignment Date, and (b) the aggregate Current Balance of the New Mortgage Loans assigned to the Mortgages Trustee on such Relevant Assignment Date.

- 8.3 **Weighted Average Funding Share Percentage:** On any Distribution Date in respect to which the Seller had assigned New Mortgage Loans to the Mortgages Trustee during the Trust Calculation Period immediately preceding such Distribution Date, the Cash Manager (on behalf of the Beneficiaries) will calculate (for the sole purpose of making the distributions to be made on such Distribution Date) the weighted average of the Current Funding Share Percentages that were calculated previously in respect of each Interim Calculation Period occurring in such immediately preceding Trust Calculation Period based on the amount of

Revenue Receipts and Principal Receipts received, and Losses sustained, during each such Interim Calculation Period. The “**Weighted Average Funding Share Percentage**” for any such Distribution Date will be equal to:

- (a) in respect of the distribution of Revenue Receipts to be made on such Distribution Date, the sum, in respect of all Interim Calculation Periods during the Trust Calculation Period immediately preceding such Distribution Date, of (i) for each Interim Calculation Period during such Trust Calculation Period, the product of (1) the related Current Funding Share Percentage for such Interim Calculation Period, and (2) the amount of all Revenue Receipts received by the Mortgages Trustee during such Interim Calculation Period, divided by (ii) the aggregate of all Revenue Receipts received by the Mortgages Trustee during the Trust Calculation Period immediately preceding such Distribution Date;
- (b) in respect of the distribution of Principal Receipts to be made on such Distribution Date, the sum, in respect of all Interim Calculation Periods during the Trust Calculation Period immediately preceding such Distribution Date, of (i) for each Interim Calculation Period during such Trust Calculation Period, the product of (1) the related Current Funding Share Percentage for such Interim Calculation Period, and (2) the amount of all Principal Receipts received by the Mortgages Trustee during such Interim Calculation Period, divided by (ii) the aggregate of all Principal Receipts received by the Mortgages Trustee during the Trust Calculation Period immediately preceding such Distribution Date; and
- (c) in respect of the allocation of Losses to be made on such Distribution Date, the sum, in respect of all Interim Calculation Periods during the Trust Calculation Period immediately preceding such Distribution Date, of (i) for each Interim Calculation Period during such Trust Calculation Period, the product of (1) the related Current Funding Share Percentage for such Interim Calculation Period, and (2) the amount of all Losses sustained on the Mortgage Loans during such Interim Calculation Period, divided by (ii) the aggregate of all Losses sustained on the Mortgage Loans during the Trust Calculation Period immediately preceding such Distribution Date.

8.4 ***Current Funding Share:***

- (a) On each Distribution Date, the “**Current Funding Share**” will be calculated by the Cash Manager in respect of the then-current Trust Calculation Period or the related Interim Calculation Period, as applicable, and will be an amount equal to:

$$A - B - C + D + E + F$$

where “A”, “B”, “C”, “D”, “E” and “F” have the meanings specified in Clause 8.2(a) above.

- (b) On each Assignment Date, the Current Funding Share will be calculated by the Cash Manager in respect of the related Interim Calculation Period and will be an amount equal to:

$$A + D$$

where “A” and “D” have the meanings specified in Clause 8.2(b) above.

8.5 **Adjustments to Trust Property:** If any of the following events has occurred in the Trust Calculation Period immediately preceding the Relevant Distribution Date, then (subject to the Cash Manager receiving notice or otherwise being aware of the occurrence of the event) for the purposes of the calculation in “G” of Clauses 8.2(a) or 8.2(b) above, the aggregate Current Balance of the Mortgage Loans constituting the Trust Property shall be reduced or, as the case may be, deemed to be reduced:

- (a) any Borrower exercises a right of set-off in relation to any Mortgage Loan in the Trust Property so that the amount of principal and/or interest owing under such Mortgage Loan is reduced but no corresponding payment is received by the Mortgages Trustee, in which event the aggregate Current Balance of the Mortgage Loans constituting the Trust Property shall be reduced by an amount equal to the amount so set-off by such Borrower; and/or
- (b) a Mortgage Loan or (as applicable) its Related Security (i) is in breach of the Loan Warranties in the Mortgage Sale Agreement as at the Initial Closing Date or, as the case may be, the relevant Assignment Date or (ii) is the subject of a Product Switch or a Further Advance in respect of which the Seller has elected to repurchase the relevant Mortgage Loan, and the Seller fails to repurchase the relevant Mortgage Loan or Mortgage Loans under the relevant Mortgage Account and their Related Security as required by the terms of the Mortgage Sale Agreement; in which event the aggregate Current Balance of the Mortgage Loans constituting the Trust Property shall be deemed to be reduced for the purposes of the calculation in “G” above by an amount equal to the Current Balance of the relevant Mortgage Loan or Mortgage Loans under the relevant Mortgage Account (together with Arrears of Interest and Accrued Interest) which the Seller has failed to repurchase; and/or
- (c) the Security Trustee is notified that a Flexible Mortgage Loan or part thereof has been determined by a court judgment on the point or as a result of a determination by a relevant regulatory authority (whether or not in relation to an analogous flexible mortgage loan product of another UK mortgage lender):
- (i) to be unenforceable; and/or
- (ii) not to fall within the first ranking charge by way of legal mortgage over the relevant Mortgaged Property,

and, in either case, such Flexible Mortgage Loan is not otherwise subject to the repurchase obligation under the Mortgage Sale Agreement, in which event, the

aggregate Current Balance of the Mortgage Loans constituting the Trust Property shall be deemed to be reduced for the purposes of the calculation in "G" above by an amount equal to that portion of the Current Balance of the Flexible Mortgage Loan which is so determined to be unenforceable or not to fall within the first ranking charge by way of legal mortgage over the relevant Mortgaged Property; and/or

- (d) the Seller would be required to repurchase a Mortgage Loan and its Related Security in accordance with the terms of the Mortgage Sale Agreement, but such Mortgage Loan and its Related Security are not capable of being repurchased; in which event the aggregate Current Balance of the Mortgage Loans constituting the Trust Property shall be deemed to be reduced for the purposes of the calculation in "G" above by an amount equal to the Current Balance of the relevant Mortgage Loan (together with Arrears of Interest and Accrued Interest) which is not capable of being repurchased; and/or
- (e) the Seller breaches any other material warranty under the Mortgage Sale Agreement and/or (for so long as it is the Administrator) the Administration Agreement, in which event the aggregate Current Balance of Mortgage Loans constituting the Trust Property shall be deemed for the purposes of the calculation in "G" above to be reduced by an amount equivalent to all losses, costs, liabilities, claims, expenses and damages incurred by the Beneficiaries as a result of such breach.

The reductions and deemed reductions set out in paragraphs (a), (b), (c), (d) and (e) of this Clause and any resulting loss shall, subject to Clause 9.1 (*Initial Minimum Seller Share*), be made only to the Seller Share of the Trust Property (or for the purposes of calculating the Seller Share of the Trust Property as the case may be) until the Seller Share is zero. If at, or any time after the Initial Closing Date the Mortgages Trustee holds, or there is held to its order, or it receives, or there is received to its order, any property, interest, right or benefit relating to the whole or that portion of any Mortgage Loan and its Related Security which is or has been subject to any matter described in paragraphs (a) through (d) above and in respect of which the Seller Share of the Trust Property has been reduced or deemed reduced the Mortgages Trustee will remit, assign or transfer the same to the Seller, as the case may require, and until it does so or to the extent that the Mortgage Trustee is unable to effect such remittance, assignment or transfer, the Mortgages Trustee will hold such property, interest, right or benefit and/or the proceeds thereof upon trust absolutely for the Seller (separate from the Mortgages Trust).

8.6 ***Current Seller Share Percentage:***

- (a) On each Distribution Date, the "**Current Seller Share Percentage**" will be calculated by the Cash Manager in respect of the then-current Trust Calculation Period or the related Interim Calculation Period, as applicable, and the distributions to be made from the Trust Property on the immediately succeeding Distribution Date, and will be an amount equal to:

100% - *Current Funding Shares Percentage*

where the Current Funding Share Percentage is calculated on such Distribution Date in accordance with Clause 8.2(a) above.

- (b) On each Assignment Date, the Cash Manager will recalculate the Current Seller Share Percentage in respect of the related Interim Calculation Period and the distributions to be made from the Trust Property on the immediately succeeding Distribution Date and will be an amount equal to:

100% – Current Funding Share Percentage

where the Current Funding Share Percentage is as calculated on such Assignment Date in accordance with Clause 8.2(b) above.

- 8.7 **Weighted Average Seller Share Percentage:** On any Distribution Date in respect of which the Seller had assigned New Mortgage Loans to the Mortgages Trustee during the Trust Calculation Period immediately preceding such Distribution Date, the Cash Manager will calculate (for the sole purpose of making the distributions to be made on such Distribution Date) the weighted average of the Seller Share Percentages that were calculated previously in respect of the Revenue Receipts and Principal Receipts received, and Losses sustained, during each Interim Calculation Period occurring in such immediately preceding Trust Calculation Period and will be an amount equal to:

- (a) in respect of the distribution of Revenue Receipts to be made on such Distribution Date:

100% – Weighted Average Funding Share Percentage

where such Weighted Average Funding Share Percentage is as calculated in Clause 8.3(a) above;

- (b) in respect of the distribution of Principal Receipts to be made on such Distribution Date:

100% - Weighted Average Funding Share Percentage

where such Weighted Average Funding Share Percentage is as calculated in Clause 8.3(b) above; and

- (c) in respect of the allocation of Losses to be made on such Distribution Date:

100% - Weighted Average Funding Share Percentage

where such Weighted Average Funding Share Percentage is as calculated in Clause 8.3(c) above.

- 8.8 **Current Seller Share:**

- (a) On each Distribution Date, the ‘**Current Seller Share**’ will be calculated by the Cash Manager in respect of the then-current Trust Calculation Period or the related Interim Calculation Period, as applicable, and will be an amount equal to:

G – Current Funding Share

where “G” has the meaning given in Clause 8.2(a) above, and where “Current Funding Share” has the meaning given in Clause 8.4(a) above.

- (b) On each Assignment Date, the Current Seller Share will be calculated by the Cash Manager in respect of the related Interim Calculation Period and will be an amount equal to:

G – Current Funding Share

where “G” has the meaning given in Clause 8.2(b) above, and where “Current Funding Share” has the meaning given in Clause 8.4(b) above.

8.9 ***Funding Share/Seller Share:*** Neither the Funding Share nor the Seller Share may be reduced below zero. At all times the Funding Share Percentage and the Seller Share Percentage shall be equal to 100 per cent. of the Trust Property.

8.10 ***Adjustments on Distribution Dates:*** In calculating and making the distributions to be made on each Distribution Date, the Mortgages Trustee will be obliged to and will procure that the Cash Manager will take account of and make adjustments to such calculations and distributions in order that:

- (a) any increase in the Funding Share as a result of the payment by Funding to the Mortgages Trustee of any Contribution (excluding any Deferred Contribution) during the Trust Calculation Period immediately preceding such Distribution Date (or during any Interim Calculation Period during such Trust Calculation Period) has taken effect or is deemed to have taken effect as an increase in the Funding Share of the Trust Property from the date on which such Contribution was paid to the Mortgages Trustee in accordance with the terms of this Deed; and
- (b) any decrease in the Seller Share as a result of the payment to the Seller by the Mortgages Trustee of any Special Distribution has taken effect or is deemed to have taken effect as a decrease in the Seller Share of the Trust Property from the date on which such Special Distribution was paid to the Seller in accordance with the terms of this Deed.

9. **Minimum Seller Share**

9.1 ***Initial Minimum Seller Share:*** The Seller Share of the Trust Property includes an amount equal to the Minimum Seller Share. Unless and until the Funding Share of the Trust Property is in an amount equal to zero, the Seller will not be entitled to receive Principal Receipts which would reduce the Seller Share of the Trust Property to an amount less than the

Minimum Seller Share and the Seller consents and directs the Mortgages Trustee accordingly.

9.2 ***Fluctuation of Minimum Seller Share on each Distribution Date:***

- (a) At the Initial Closing Date, the Minimum Seller Share will be £50,000,000. The amount of the Minimum Seller Share will be recalculated on each Distribution Date in accordance with the following formula:

$$X + Y + Z$$

where:

X = 2.0% of the aggregate Current Balance of all Mortgage Loans comprised in the Trust Property as at the last day of the immediately preceding Trust Calculation Period;

Y = the product of: (p x q) x r where:

p = 8%;

q = the "Flexible Cash Re-Draw Capacity", being an amount equal to the difference between (i) the maximum amount of Cash Re-draws that Borrowers may draw under Flexible Mortgage Loans included in the Trust Property (whether or not drawn) as at the last day of the immediately preceding Trust Calculation Period and (ii) the aggregate Current Balance of Cash Re-draws which form part of the Trust Property as at the last day of the immediately preceding Trust Calculation Period; and

r = 3; and

Z = the aggregate Current Balance of Re-Draws in the Trust Property as at the last day of the immediately preceding Trust Calculation Period.

- 9.3 ***Recalculation of Minimum Seller Share following occurrence of exceptional events:*** The calculation of the Minimum Seller Share in accordance with Clause 9.2 (*Fluctuation of Minimum Seller Share on each Distribution Date*) above will be recalculated by the Cash Manager with the agreement of the parties hereto subject to the approval of the Rating Agencies if the Seller merges or otherwise combines its business with another bank or other financial institution so as to increase the risks associated with Borrowers holding deposits in Northern Rock accounts.

10. **Distribution of Revenue Receipts**

- 10.1 ***Distribution of Third Party Amounts:*** Pursuant to the Cash Management Agreement, the Cash Manager (at the direction of the Mortgages Trustee acting on behalf of the Beneficiaries

at their direction and with their consent which is hereby given) will deduct, as and when identified, Third Party Amounts from the Revenue Receipts standing to the credit of the Mortgages Trustee GIC Account or other Mortgages Trustee Bank Account, and pay over the same to the proper recipients thereof. The Mortgages Trustee and the Beneficiaries hereby consent to such deductions.

10.2 ***Distribution of Mortgages Trustee Available Revenue Receipts:*** Subject as provided in Clause 8.8 (*Adjustments on Distribution Dates*), on each Distribution Date the Cash Manager (at the direction of the Mortgages Trustee acting on behalf of the Beneficiaries at their direction and with their consent which is hereby given) will distribute Mortgages Trustee Available Revenue Receipts as follows:

- (a) *firstly*, in no order of priority between them but in or towards satisfaction pro rata according to the respective amounts due of:
 - (i) any fees, costs, charges, liabilities and expenses then due or to become due to the Mortgages Trustee under the provisions of this Deed together with (if applicable) VAT thereon (to the extent not already included) as provided herein; and
 - (ii) any amounts due and payable by the Mortgages Trustee to third parties in respect of the Mortgages Trust but only if incurred without breach by the Mortgages Trustee of the documents to which it is a party and payment has not been provided for elsewhere;
- (b) *secondly*, in no order of priority between them but in or towards satisfaction pro rata according to the respective amounts due of:
 - (i) any remuneration then due and payable to the Administrator and any costs, charges, liabilities and expenses then due or to become due to the Administrator under the provisions of the Administration Agreement prior to the immediately succeeding Distribution Date, in each case together with (if applicable) VAT thereon (to the extent not already included) as provided therein; and
 - (ii) any remuneration then due and payable to the Cash Manager and any costs, charges, liabilities and expenses then due or to become due to the Cash Manager under the provisions of the Cash Management Agreement prior to the immediately succeeding Distribution Date, in each case together with (if applicable) VAT thereon (to the extent not already included) as provided therein;
- (c) *thirdly*, in no order of priority between them but in proportion to the respective amounts due, and subject to the proviso below, to pay Mortgages Trustee Available Revenue Receipts to:

- (i) (subject as provided in Clause 8.8 (*Adjustments on Distribution Dates*)) the Seller in an amount determined by multiplying the total amount of the remaining Mortgages Trustee Available Revenue Receipts by the Current Seller Share Percentage of the Trust Property, as determined on the immediately preceding Distribution Date or, in the case of the first Distribution Date, the Initial Seller Share Percentage; and
- (ii) (subject as provided in Clause 8.8 (*Adjustments on Distribution Dates*)) Funding in an amount equal to:
 - (A) the lesser of (x) an amount determined by multiplying the total amount of the remaining Mortgages Trustee Available Revenue Receipts by the Current Funding Share Percentage of the Trust Property, as determined on the immediately preceding Distribution Date or, in the case of the first Distribution Date, the Initial Funding Share Percentage) and (y) the aggregate of Funding's revenue obligations on the immediately succeeding Payment Date under the relevant Funding Pre-Enforcement Revenue Priority of Payments or the Funding Post-Enforcement Priority of Payments (but excluding any principal amount due under any Intercompany Loan and any amount due under Item (P) of the Funding Pre-Enforcement Revenue Priority of Payments and/or Item (F) of the Funding Post-Enforcement Priority of Payments), *less*
 - (B) (in each case only to the extent that such amounts of interest or other income would not otherwise be payable under any Intercompany Loan made by any Issuer or, as applicable, any Notes issued by any Issuer, on the immediately succeeding Payment Date) the sum of (i) interest or other income credited or to be credited to each Funding Bank Account on the immediately succeeding Payment Date (ii) all other income (not derived from the distribution of Revenue Receipts under this Deed) which will constitute Funding Available Revenue Receipts and/or Issuer Available Revenue Receipts on the immediately succeeding Payment Date; and
- (d) *finally*, any excess remaining after items (a) to (c) above, to which Funding is entitled (but which as a result of the set-off pursuant to this Deed is not paid to Funding on such Distribution Date) towards payment of any amounts of Deferred Purchase Price due to the Seller under the terms of the Mortgage Sale Agreement, which payment also satisfies Funding's obligation to pay on such date to the Mortgages Trustee a Deferred Contribution for the Funding Share of the Trust Property;

PROVIDED THAT if an Assignment Date has occurred during the Trust Calculation Period immediately preceding such Distribution Date, then the Cash Manager will use (i) the Weighted Average Seller Share Percentage (instead of the Current Seller Share Percentage) as calculated pursuant to Clause 8.7(a) above in determining the amount of Mortgages Trustee Available Revenue

Receipts to distribute to the Seller pursuant to Clause 10.2(c)(i) above, and (ii) the Weighted Average Funding Share Percentage (instead of the Current Funding Share Percentage) as calculated pursuant to Clause 8.3(a) above in determining the amount of Mortgages Trustee Available Revenue Receipts to distribute to Funding pursuant to Clause 10.2(c)(ii)(A) above.

11. **Distribution of Principal Receipts**

11.1 ***Distribution of Principal Receipts prior to the occurrence of a Trigger Event:*** Subject as provided in Clause 8.8 (*Adjustments on Distribution Dates*), prior to the occurrence of a Trigger Event (and whether or not there has been an enforcement of the Funding Security or any Issuer Security), on each Distribution Date, the Cash Manager (at the direction of the Mortgages Trustee acting on behalf of the Beneficiaries at their direction and with their consent which is hereby given) shall, subject to the provisos below, distribute Principal Receipts as follows:

- (a) to the Seller an amount in respect of any Special Distribution (if any) which is then payable to the Seller under Clause 6.3 (*Special Distribution*) above;
- (b) to Funding an amount in respect of each Issuer which is equal to the lesser of:
 - (i) the principal amount due on the Intercompany Loan of such Issuer equal to the Controlled Amortisation Amount due, if any, on the Payment Date immediately succeeding such Distribution Date; and
 - (ii) an amount equal to:

MortgagesTrusteePrincipalReceipts × *CurrentFundingSharePercentage* × $\frac{\text{Outstanding Principal Balance on such Issuer's Intercompany Loan}}{\text{Aggregate Outstanding Principal Balance on all Intercompany Loans}}$

- (c) to Funding an amount in respect of each Issuer towards any principal amount remaining due (following the payment to Funding set forth in (b) above) on the immediately succeeding Payment Date under any Intercompany Loan; and
- (d) all remaining Principal Receipts to the Seller (as Beneficiary),

PROVIDED THAT in relation to (a) through (d) above the following rules (the '**Rules for the application of Mortgages Trustee Principal Receipts**') shall apply:

- (1) If the Notes of any Issuer have become immediately due and payable as a result of the service of a Note Enforcement Notice or if the Intercompany Loan of any Issuer (and the other Intercompany Loans of any other Issuers) have become immediately due and payable as a result of the service of an Intercompany Loan Enforcement Notice, or otherwise upon the occurrence of any Trigger Event, principal payments in respect of the Intercompany Loan of that Issuer may be made in excess of any Controlled Amortisation Amount and paragraph (b)(i) above shall no longer apply in relation to that Issuer and, except following a Non-Asset Trigger Event, the amount of Principal Receipts to be distributed to Funding in respect of that

Issuer on that Distribution Date may not exceed the amount determined under paragraph (b)(ii) above.

- (2) If the Notes of any Issuer have become immediately due and payable as a result of the service of a Note Enforcement Notice or if the Intercompany Loan of any Issuer (and the other Intercompany Loans of any other Issuers) have become immediately due and payable as a result of the service of an Intercompany Loan Enforcement Notice, then for the purpose of calculating the amount in respect of that Issuer under paragraph (b)(ii) above, that amount may be reduced to the extent of any remaining amounts standing to the credit of the Issuer Reserve Ledger and/or the Issuer Liquidity Reserve Ledger (if any) for that Issuer which are to be utilised on the immediately succeeding Payment Date to repay principal on that Issuer's Intercompany Loan, but only to the extent that those amounts would not otherwise be payable on that Intercompany Loan on that Payment Date.
- (3) The amount of Principal Receipts payable to Funding in respect of each Issuer on a Distribution Date will be reduced in proportion to the aggregate of the Issuer Available Revenue Receipts of that Issuer which are to be applied on the immediately succeeding Payment Date in reduction of deficiencies recorded on the Issuer Principal Deficiency Ledger of that Issuer, but only to the extent that the Issuer Available Revenue Receipts which are to be so applied on that Payment Date would not otherwise be payable as principal on the relevant Notes on that Payment Date.
- (4) For the purpose of determining the Principal Receipts to be distributed to Funding in respect of the amount due on the Intercompany Loan of any Issuer under (b) and (c) above, the Outstanding Principal Balance of that Intercompany Loan shall be deemed to be reduced by the amount of:
 - (a) any deficiency recorded on the Issuer Principal Deficiency Ledger of that Issuer as at that Distribution Date, but only to the extent that such deficiency has arisen under a result of (i) Losses on the Mortgage Loans allocated by Funding to that Issuer and/or (ii) the application of Funding Available Principal Receipts to fund the Issuer Liquidity Reserve Fund of that Issuer but not as a result of any other principal deficiency of that Issuer; and
 - (b) the Outstanding Principal Balance as at such Distribution Date of any Special Repayment Notes issued by that Issuer.
- (5) Funding will not be entitled to receive and the Cash Manager shall procure that Funding does not receive any amount of Principal Receipts from the Mortgages Trustee on a Distribution Date which is not required by Funding to repay principal falling due on any Intercompany Loan on the immediately succeeding Payment Date in order to fund payments of principal falling due on any Notes issued by any Issuer on that Payment date.
- (6) The Mortgages Trustee will not distribute any Overpayment (other than a Capital Overpayment) in respect of any Non-Flexible Mortgage Loan until the first Distribution Date following December 31 of the year in which such Overpayment is received; provided that if a

Borrower has made an Underpayment of principal in respect of such Non-Flexible Mortgage Loan following the Overpayment then the Mortgages Trustee will distribute principal in an amount up to the amount of such Underpayment (but not exceeding the amount of the Overpayment previously made) on the immediately succeeding Distribution Date.

- (7) If an Assignment Date has occurred during the Trust Calculation Period immediately preceding a Distribution Date, then the Cash Manager shall use the Weighted Average Funding Share Percentage (instead of the Current Funding Share Percentage) as calculated pursuant to Clause 8.3(b) above in determining the amount of Mortgages Trustee Principal Receipts to be distributed to Funding in respect of each Issuer pursuant to Clause 11.1(b)(ii) above.

- 11.2 ***Distribution of Principal Receipts following the occurrence of an Asset Trigger Event:*** After the occurrence of an Asset Trigger Event, the Cash Manager (at the direction of the Mortgages Trustee acting on behalf of the Beneficiaries at their direction and with their consent which is hereby given) shall, on each Distribution Date, apply all Principal Receipts between Funding and the Seller, in no order of priority between them and *pro rata* according to the Funding Share Percentage of the Trust Property and the Seller Share Percentage of the Trust Property respectively (and, for the avoidance of doubt, such payments may reduce the Seller Share to an amount less than the Minimum Seller Share), PROVIDED THAT if an Assignment Date has occurred in the Trust Calculation Period immediately preceding any such Distribution Date, the Cash Manager will apply all Principal Receipts between Funding and the Seller *pro rata* according to the Weighted Average Funding Share Percentage (as calculated pursuant to Clause 8.3(b) above) and Weighted Average Seller Share Percentage (as calculated pursuant to Clause 8.7(b) above) for such Distribution Date.

- 11.3 ***Distribution of Principal Receipts following the occurrence of a Non-Asset Trigger Event:*** After the occurrence of a Non-Asset Trigger Event and until the occurrence of an Asset Trigger Event, the Cash Manager (at the direction of the Mortgages Trustee acting on behalf of the Beneficiaries at their direction and with their consent which is hereby given) shall, on each Distribution Date, apply all Principal Receipts to Funding until the Funding Share of the Trust Property has been reduced to zero and shall thereafter, on each Distribution Date, apply all Principal Receipts to the Seller.

12. **Allocation of Losses**

Subject as provided otherwise herein (including Clause 8.4 (*Adjustments to Trust Property*) of this Deed), all Losses sustained on the Mortgage Loans during a Trust Calculation Period shall be applied in reducing *pro rata* both the Funding Share and the Seller Share of the Trust Property on the Distribution Date immediately succeeding such Trust Calculation Period by multiplying the Losses sustained in such relevant Trust Calculation Period by the Current Funding Share Percentage (as calculated on the Distribution Date immediately preceding such Trust Calculation Period), PROVIDED THAT, if during the Trust Calculation Period immediately preceding a Distribution Date the Seller had assigned New Mortgage Loans to the Mortgages Trustee, such Losses shall be multiplied by the Weighted Average Funding Share Percentage (as calculated on such Distribution Date pursuant to Clause 8.3(c) above)

rather than the Current Funding Share Percentage. The remainder of such Losses shall be allocated to the Seller.

13. **Overpayments**

13.1 **Non-Flexible Mortgage Loans:** The Mortgages Trustee shall not distribute to the Beneficiaries any Overpayment in respect of any Non-Flexible Mortgage Loan which does not constitute a Capital Payment until the first Distribution Date following 31st December of the year in which such Overpayment is received, save to the extent that any such Overpayment by a Borrower is applied in reduction of an Underpayment by such Borrower in respect of such Mortgage Loan prior to such date. Any such Overpayment shall be retained in the Mortgages Trustee GIC Account and the Cash Manager will maintain a separate ledger to record its receipt and subsequent payment from time to time. Where any such Overpayment has been made in error the Cash Manager and/or the Administrator will be authorised to refund the amount of such Overpayment to the relevant Borrower at any time prior to 31st December of the year in which such Overpayment was made.

13.2 **Flexible Mortgage Loans:** Overpayments in respect of any Flexible Mortgage Loan will not be retained in the Mortgages Trustee GIC Account but will be distributed to the Beneficiaries on the immediately succeeding Distribution Date as Principal Receipts.

14. **Arrears**

The aggregate Current Balance of the Mortgage Loans in the Mortgages Trust will be increased at any time by the amount in which the Mortgage Loans that have been assigned to the Mortgages Trust are in arrears and those arrears have been capitalised. Such increase shall be allocated to the Beneficiaries at any time in proportion to their respective percentage shares in the Trust Property as determined in respect of the Trust Calculation Period or Interim Calculation Period, as the case may be, in which the arrears occur.

15. **Ledgers**

The Mortgages Trustee shall maintain, or shall procure that the Cash Manager shall maintain, the following Mortgages Trustee Ledgers:

- (a) the Principal Ledger, which shall record all receipts of Principal Receipts and distribution of the same to Funding and the Seller;
- (b) the Revenue Ledger, which shall record all receipts of Revenue Receipts and distribution of the same in accordance with this Deed;
- (c) the Losses Ledger, which shall record Losses in relation to the Mortgage Loans;
- (d) the Funding Share/Seller Share Ledger which shall record the Funding Share, the Seller Share of the Trust Property, the Funding Share Percentage and the Seller Share Percentage;

- (e) the Overpayments Ledger; which shall be divided into sub ledgers to record (i) Overpayments on Non-Flexible Mortgage Loans received into and paid out of the Mortgages Trustee GIC Account from time to time and (ii) Overpayments on Flexible Mortgage Loans;
- (f) the Non-Flexible Underpayments Ledger; which shall record Underpayments on Non-Flexible Mortgage Loans from time to time;
- (g) the Re-Draw Ledger, which shall be divided into sub ledgers to record (i) Cash Re-Draws made in respect of Flexible Mortgage Loans and (ii) Non-Cash Re-Draws made in respect of Flexible Mortgage Loans; and
- (h) the Contributions Ledger, which will be divided into sub ledgers to record (i) the making by Funding of Contributions to the Mortgages Trust, (ii) the making by the Seller of Contributions to the Mortgages Trust and the application of such Contributions by the Mortgages Trustee in payment to the Seller of (a) amounts of Initial Purchase Price for the sale of any New Mortgage Portfolio which is acquired by the Mortgages Trustee from the Seller under the provisions of the Mortgage Sale Agreement or (b) amounts of Deferred Purchase Price in accordance with the Mortgage Sale Agreement or (c) any Special Distribution in accordance with the Mortgages Trust Deed.

16. **Fees and Expenses of the Mortgages Trustee**

- 16.1 **Remuneration:** The Mortgages Trustee shall be entitled to charge and be remunerated for the work undertaken by it as trustee of the trusts created by this Deed. The remuneration shall be on such terms (if any) as the Mortgages Trustee may from time to time agree with the Beneficiaries in writing.
- 16.2 **Expenses and Liabilities:** Each Beneficiary shall indemnify the Mortgages Trustee from time to time with such regularity as is reasonably agreed between the parties, in respect of the Funding Share and the Seller Share, respectively, of the documentable costs, expenses and/or liabilities directly and properly incurred by the Mortgages Trustee in performing its obligations hereunder or otherwise in acting as trustee in accordance with the terms of this Deed and the other Transaction Documents to which the Mortgages Trustee is a party inclusive (if applicable) of any amounts in respect of Irrecoverable VAT incurred in respect of such costs and expenses.

17. **Directions from Beneficiaries**

- 17.1 **Administration Agreement and Cash Management Agreement:** On the Initial Closing Date the Mortgages Trustee shall enter into the Administration Agreement and the Cash Management Agreement.
- 17.2 **Directions from Beneficiaries:** Subject to Clause 17.3 (No Breach) below, the Mortgages Trustee covenants with the Beneficiaries that the Mortgages Trustee shall take all necessary steps and do everything which both Funding and the Seller (acting together) may reasonably

request or direct it to do in order to give effect to the terms of this Deed or the other Transaction Documents to which the Mortgages Trustee is a party; provided that at any time after the Funding Share has been reduced to zero the Mortgages Trustee shall not be required to act at the direction of both Funding and the Seller (acting together) and shall instead act in accordance with any direction given solely by the Seller.

17.3 **No breach:** Each of Funding and the Seller covenant with each other and with the Mortgage Trustee that neither shall direct or request the Mortgages Trustee to do any act or thing which breaches the terms of, or is otherwise expressly dealt with (such that the Mortgages Trustee has no discretion) under any of the Transaction Documents.

17.4 **No requirement to act:** The Mortgages Trustee will not be bound and shall have no power to take any proceedings, actions or steps under or in connection with any of this Deed or the other Transaction Documents to which it is a party unless:

(a) it shall have been directed to do so by the Beneficiaries or it is required to do so under any express provision of this Deed or the other Transaction Documents (but subject to Clause 17.2 (*Directions from Beneficiaries*) in respect of conflict of directions); and

(b) it shall have been indemnified to its satisfaction against all liabilities, proceedings, claims and demands to which it may be or become liable and all costs, charges and expenses which may be incurred by it in connection therewith and the terms of such indemnity may include the provision of a fighting fund, non-recourse loan or other similar arrangement.

17.5 **Covenant of the Mortgages Trustee:** Subject to Clause 17.2 (*Directions from Beneficiaries*) the Mortgages Trustee covenants with each of the Seller and Funding to exercise all of its rights arising under or in respect of the Trust Property (including without limitation any rights of enforcement) for the benefit of and on behalf of the Beneficiaries.

18. **Early Termination of the Mortgages Trust**

Prior to its termination in accordance with Clause 26 (*Termination*), the Mortgages Trust constituted by this Deed may be terminated at the option of the Seller, following a request in writing by the Seller to the Mortgages Trustee (which shall be copied to Funding and the Cash Manager) at any time on or after the date on which all of the Intercompany Loans have been repaid in full or there is no further claim under any Intercompany Loan and/or the Funding Share of the Trust Property is reduced to zero or such other date as may be agreed in writing between the Mortgages Trustee, Funding and the Seller.

19. **Audit of Mortgage Loans constituting the Trust Property**

If the long term, unsecured, unguaranteed and unsubordinated debt obligations of the Seller fall below A3 by Moody's then, if required by Moody's, the Beneficiaries shall appoint a firm of independent auditors (approved by the Rating Agencies) to determine whether the Mortgage Loans and their Related Security (or any part of them) constituting the Trust Property complied with the representations and warranties set out in Schedule 1

(*Representations and Warranties*) of the Mortgage Sale Agreement as at the date such Mortgage Loans were assigned to the Mortgages Trustee. The costs of such independent auditors shall be borne by the Beneficiaries *pro rata* according to their respective current percentage shares in the Trust Property.

20. **Transfers**

20.1 **Funding shall not assign:** Subject to the right of Funding to assign by way of security its right, title, benefit and interest in the Trust Property and/or under this Deed to the Security Trustee under the Funding Deed of Charge and subject to the right of the Security Trustee or a Receiver to sell the Funding Share of the Trust Property and/or such right and interest under this Deed following the service of an Intercompany Loan Enforcement Notice (which right is hereby conferred), Funding covenants with the Seller that it shall not, and shall not purport to, sell, assign, transfer, convey, charge, declare a trust over, create any beneficial interest in, or otherwise dispose of the Funding Share in the Trust Property, or any of Funding's rights, title, interest or benefit in any of the Mortgage Portfolio or the Trust Property.

20.2 **Seller shall not assign:** The Seller covenants with Funding that it shall not, and shall not purport to, sell, assign, transfer, convey, charge, declare a trust over, create any beneficial interest in, or otherwise dispose of the Seller Share in the Trust Property or any of the Seller's rights, title, interest or benefit in the Trust Property, other than pursuant to the Transaction Documents.

21. **Representations and Covenants**

21.1 **Representations:** On the date hereof, each of the parties to this Deed makes the representations and warranties set out in Schedule 1 to this Deed to each of the other parties hereto.

21.2 **Covenants of the Mortgages Trustee:** Save with the prior written consent of or at the direction of the Beneficiaries or as provided in or envisaged by this Deed and/or the other Transaction Documents, the Mortgages Trustee shall not, so long as it is acting as Mortgages Trustee hereunder:

(a) **Negative Pledge:** create or permit to subsist any mortgage, pledge, lien, charge or other security interest whatsoever (unless arising by operation of law), upon the whole or any part of its assets (including any uncalled capital) or its undertakings (present or future) or (to the extent that it is within the control of the Mortgages Trustee) upon the whole or any part of the Trust Property;

(b) **Disposal:** transfer, sell, lend, part with or otherwise dispose of, or deal with, or grant any option or present or future right to acquire any of its assets or undertakings or (to the extent that it is within the control of the Mortgages Trustee) the Trust Property or any interest, estate, right, title or benefit therein or thereto or agree or attempt or purport to do so;

- (c) *Equitable Interest*: knowingly permit any person other than the Beneficiaries to have any equitable interest in any of its assets or undertakings or (to the extent that it is within the control of the Mortgages Trustee) the Trust Property or any interest, estate, right, title or benefit therein;

- (e) *Restrictions on Activities*: carry on any business other than as described in this Deed and the Transaction Documents;

- (g) *Merger*: consolidate or merge with any other person or convey or transfer its properties or assets substantially or as an entirety to any other person;
- (h) *Premises or Employees*: have any premises or employees or subsidiaries; or
- (i) *Further shares*: issue any further shares;
- (j) *United States activities*: engage in any activities in the United States (directly or through agents) or derive any income from United States sources as determined under United States income tax principles or hold any property if doing so would cause it to be engaged or deemed to be engaged in a trade or business within the United States as determined under United States tax principles.

22. Power to Delegate

22.1 *Power to delegate*: Subject to Clause 22.2 (No further appointments), the Mortgages Trustee may (notwithstanding any rule of law or equity to the contrary) delegate (revocably or irrevocably and for a limited or unlimited period of time) the performance of all or any of its obligations and the exercise of all or any of its powers under this Deed or imposed or conferred on it by law or otherwise to any person or body of persons fluctuating in number selected by it and any such delegation may be by power of attorney or in such other manner as the Mortgages Trustee may think fit and may be made upon such terms and conditions (including the power to sub-delegate) as the Mortgages Trustee may think fit.

22.2 *No further appointments*: Notwithstanding the provisions of Clause 22.1 (Power to delegate), the Mortgages Trustee shall not appoint any agent, attorney or other delegate having power to act in respect of the Trust Property unless it is directed in writing to do so by the Beneficiaries. The appointment of any agent, attorney or other delegate hereunder above shall terminate immediately upon the occurrence of a Trigger Event.

23. Powers of Investment

The Mortgages Trustee may invest, and may appoint the Cash Manager to invest on its behalf, any amounts standing to the credit of the Mortgages Trustee Transaction Account in Authorised Investments. Save as expressly provided in this Deed, the Mortgages Trustee Guaranteed Investment Contract and the Bank Account Agreement, the Mortgages Trustee shall have no further or other powers of investment with respect to the Trust Property and (to the extent permitted by applicable law) the Trustee Act 2000 shall not nor shall any other provision relating to trustee powers of investment implied by statute or general law shall apply to the Mortgages Trust.

24. Other Provisions regarding the Mortgages Trustee

- 24.1 **No action to impair Trust Property:** Except for actions expressly authorised by this Deed, the Mortgages Trustee shall take no action reasonably likely to impair the interests of the Beneficiaries in any Trust Property now existing or hereafter created or to impair the value of any Mortgage Loan or its Related Security subject to the Mortgages Trust.

- (n) the assignment of the New Mortgage Portfolio on the relevant Assignment Date does not result in the weighted average loan to value ratio of Mortgage Loans in the

Mortgage Portfolio on the relevant Assignment Date (after the purchase of the New Mortgage Portfolio) after application of the LTV Test on the relevant Assignment Date exceeding the loan to value ratio (based on the LTV Test) of Mortgage Loans in the Mortgage Portfolio on the most recent preceding Closing Date plus 0.25 per cent.;

Notwithstanding the foregoing, the Mortgages Trustee may waive or vary any of the conditions set forth in this Clause 4.2 subject to written approval by the Rating Agencies.

In this Clause 4.2 references to any Monthly Payment due at any date means the Monthly Payment payable in respect of the month in which that date falls.

- 4.3 **No Further Assignment:** The Seller and the Mortgages Trustee agree that the Seller may not assign any New Mortgage Portfolio after the Payment Date falling in January 2008 if the option to redeem the First Issuer Notes on the Payment Date in January 2008 pursuant to Condition 5(D) of those Notes is not exercised.

- 4.6 ***Effect of Payment of Initial Purchase Price or Fulfilment of Conditions:*** The parties hereto acknowledge that the effect of either the payment to the Seller by the Mortgages Trustee of the Initial Purchase Price on the relevant Assignment Date or, if no Initial Purchase Price is payable on such date, the confirmation from the Seller of the fulfilment of the conditions referred to in Clause 4.2 (*Conditions to Effecting an Assignment of New Mortgage Loans*) and the delivery to the Security Trustee of the documents referred to in Clause 4.4 (*Closing and Conditions Precedent*) on such date, will be the assignment to the Mortgages Trustee of the beneficial ownership of, and all of the Seller's beneficial right, title, interest and benefit in and to, the New Mortgage Portfolio subject to the terms and provisions of the Mortgages Trust Deed, which assignment will be perfected upon the occurrence of any of the events set forth in Clause 6 (*Perfection of the Assignment*) and the transfer to the Mortgages Trustee of legal title to such New Mortgage Portfolio in accordance with Clause 6 (*Perfection of the Assignment*).
- 4.7 ***Documents:*** The Seller undertakes that from the relevant Assignment Date until the perfection of the assignment in accordance with Clause 6.1 (*Perfection Events*) and the delivery of the Title Deeds in accordance with Clause 6.2 (*Perfection*), the Seller shall hold the deeds and documents constituting the Title Deeds and Mortgage Loan Files and all other certificates, notices, policies, endorsements and other matters necessary to establish title thereto relating to the Mortgage Portfolio that are in its possession or under its control or held to its order to the order of the Mortgages Trustee or as the Mortgages Trustee shall direct.

- 4.9 ***Insurance:*** The Seller shall as soon as reasonably practical after completion of the assignment of each New Mortgage Portfolio procure that the respective interests of the Mortgages Trustee, Funding and the Security Trustee are noted by the relevant insurers in relation to each Insurance Contract.
- 4.10 ***Mortgage Portfolio:*** Prior to the earlier to occur of:
- (a) a Trigger Event; and

- (b) (i) if Funding does not enter into a New Intercompany Loan Agreement, the Payment Date in January 2008; or
- (ii) if Funding does enter into New Intercompany Loan Agreements, the latest Payment Date specified by Funding by notice in writing to the Seller and the Mortgages Trustee as applying in relation to this covenant,

the Seller undertakes to use all reasonable efforts to offer to assign, in accordance with the provisions of this Clause 4 (*Sale and Purchase of New Mortgage Portfolios*), to the Mortgages Trustee and the Mortgages Trustee undertakes to use all reasonable endeavours to acquire from the Seller and to hold pursuant to the terms of the Mortgages Trust Deed, sufficient New Mortgage Loans and their Related Security so that the Overcollateralisation Test is not breached on three consecutive Distribution Dates PROVIDED THAT the Seller shall not be obliged to assign to the Mortgages Trustee, and the Mortgages Trustee shall not be obliged to acquire, New Mortgage Loans and their Related Security if in the opinion of the Seller the assignment to the Mortgages Trustee of New Mortgage Loans and their Related Security would adversely affect the business of the Seller.

For the purposes of this Clause 4.10, the “**Overcollateralisation Test**” shall be calculated on each Distribution Date and shall be breached on any Distribution Date where the aggregate Current Balance of Mortgage Loans in the Mortgage Portfolio on such Distribution Date is less than an amount equal to the product of 1.10 and the Principal Amount Outstanding of all Notes of all Issuers at such Distribution Date, and for this purpose, where such Notes outstanding are Controlled Amortisation Notes, the Principal Amount Outstanding of such Notes will be calculated on a straight-line basis by applying the appropriate CPR to such Notes on a monthly, rather than a quarterly basis.

5. **Trust of Monies**

- 5.1 ***Trust in favour of Mortgages Trustee:*** Notwithstanding the assignment effected by this Agreement if at, or at any other time after, the Initial Closing Date or, as the case may be in respect of any New Mortgage Portfolio, the relevant Assignment Date (but prior to any repurchase in accordance with Clause 8.5 (*Repurchase of Product Switches and Further Advances*)) the Seller holds, or there is held to its order, or it receives, or there is received to its order any property, interest, right or benefit and/or the proceeds thereof hereby agreed to be sold to the Mortgages Trustee, the Seller undertakes with the Mortgages Trustee, Funding and the Security Trustee that it will hold such property, interest, right or benefit and/or the proceeds thereof upon trust for the Mortgages Trustee subject at all times to the Mortgages Trust. In addition, if for any reason the assignment of the Initial Mortgage Portfolio, or any New Mortgage Portfolio (or any part thereof), or any property, interest, right or benefit therein or any of the proceeds thereof (each a “**relevant asset**”), is held to be ineffective or unenforceable against any Borrower, the Seller undertakes with the Mortgages Trustee, Funding and the Security Trustee and hereby declares that it will hold such relevant asset upon trust for the Mortgages Trustee. The Mortgages Trustee agrees that it will hold its beneficial interest in such relevant asset subject at all times to the Mortgages Trust.

and/or the proceeds thereof, the Mortgages Trustee undertakes with the Seller that it will remit, assign or transfer the same to the Seller, as the case may require, and until it does so or to the extent that the Mortgages Trustee is unable to effect such remittance, assignment or transfer, the Mortgages Trustee undertakes to hold such property, interest, right or benefit and/or the proceeds thereof upon trust for the Seller as the sole beneficial owner thereof or as the Seller may direct provided that the Mortgages Trustee shall not be in breach of its obligations under this Clause 5 if, having received any such moneys and paid them to third parties in error, it pays (at the direction of the Beneficiaries) to the Seller an amount equal to the moneys so paid in error in accordance with the Administration Agreement. In addition, if the Seller is required or elects to repurchase any Mortgage Loan and its Related Security pursuant to Clauses 8.4 (*Repurchase*), 8.5 (*Repurchase of Product Switches and Further Advances*) or 8.6 (*Repurchase of Fixed Rate Mortgage Loans*) and such Mortgage Loan or its Related Security, or any part thereof, or any property, interest, right or benefit therein or any of the proceeds thereof (each, a “**relevant asset**”), is held by the Seller subject to a trust pursuant to Clause 5.1 (*Trust in favour of Mortgages Trustee*), then the Seller, the Mortgages Trustee, Funding and the Security Trustee agree that such relevant asset shall be released from the trust constituted pursuant to Clause 5.1 (*Trust in favour of Mortgages Trustee*) on the date that such relevant asset would otherwise have been repurchased or re-transferred pursuant to Clause 8.7 (*Completion of Repurchase*).

6. **Perfection of the Assignment**

6.1 **Perfection Events:** The execution of transfers of the Mortgages to the Mortgages Trustee and the notifications to Borrowers notifying such Borrowers of the assignment of their Mortgage Loans and Related Security to the Mortgages Trustee shall be completed within 20 business days of receipt of a written request in accordance with Clause 6.2 (*Perfection*) upon the occurrence of any of the following events:

- (a) the valid service of an Intercompany Loan Enforcement Notice or a Note Enforcement Notice, provided that the perfection of an assignment of the Mortgage

Portfolio shall not be required if the sole reason for the service of any Note Enforcement Notice is a default by a Currency Swap Provider of any Issuer; or

- (b) unless otherwise agreed by the Rating Agencies, the termination of the Seller's role as Administrator under the Administration Agreement and failure of any substitute administrator to assume the duties of the Administrator; or
- (c) the Seller being required by an order of a court of competent jurisdiction, or by a change in law occurring after the Initial Closing Date, or by a regulatory authority of which the Seller is a member or with whose instructions it is customary that the Seller comply, to perfect the transfer of legal title to the Mortgage Loans and the Related Security in favour of the Mortgages Trustee; or
- (d) the security under the Funding Deed of Charge or any material part of such security being in jeopardy and it being necessary to perfect the transfer of legal title to the Mortgage Loans and their Related Security in favour of the Mortgages Trustee in order to reduce such jeopardy materially; or
- (e) the occurrence of an Insolvency Event in relation to the Seller; or
- (f) notice in writing from the Seller to the Mortgages Trustee and Funding (with a copy to the Security Trustee) requesting such transfer.

6.2 **Perfection:** If an event set forth in any of paragraphs (a) to (f) of Clause 6.1 (*Perfection Events*) occurs and either the Mortgages Trustee or Funding (with the consent of the Security Trustee) or the Security Trustee so requests in writing, the Seller shall perfect the assignments as contemplated by and in accordance with this Clause 6 (*Perfection of the Assignment*) in relation to all Mortgage Loans then in the Mortgage Portfolio and shall:

- (a) transfers in the form set out in Part 1 of Schedule 2 (*Form of Transfer (Registered Land – England and Wales)*) of all the Mortgages then in the Mortgage Portfolio secured (or intended to be secured) over Mortgaged Properties which comprise registered land (including any Mortgaged Property which is the subject of an application for first registration at the Land Registry);

- (b) transfers in the form set out in Part 2 of Schedule 2 (*Form of Transfer (Unregistered Land – England and Wales)*) of all the Mortgages then in the Mortgage Portfolio secured (or intended to be secured) over Mortgaged Properties which comprise unregistered land (excluding any which is the subject of an application for first registration);

- (d) transfers of the Related Security or any other property or security sold to the Mortgages Trustee under this Agreement in such form as the Mortgages Trustee or the Security Trustee may reasonably require.

The Mortgages Trustee or Funding (with the consent of the Security Trustee) or the Security Trustee may require that the form of any transfer or assignment referred to in this Clause 6.3 be changed at any time to reflect changes in law or relevant registry practice or requirements.

6.4 ***Prior to Perfection:*** Prior to perfection pursuant to Clause 6.1 (Perfection Events) and subject to Clause 7.3 (*Seller Ratings*) and Clauses 3.6 (*Insurance*) and 4.9 (*Insurance*) neither the Mortgages Trustee nor Funding nor the Security Trustee will:

- (a) register itself at, or submit or require the submission of any notice, form, request or application to, or pay any fee for the registration of, or the noting of any interest at, the Land Charges Department of H.M. 6.5 ***Further Assurance:*** The Seller shall, subject to the other provisions of this Clause 6 (*Perfection of the Assignment*), upon request do all such other deeds, assurances, agreements, instruments, acts and things as the Mortgages Trustee, Funding or the Security Trustee may require in order to give effect to the terms of this Agreement and the assignments contemplated herein.

6.6 **Re-assignment of Early Repayment Charges:** At any time following perfection pursuant to Clause 6.1 (*Perfection Events*) and the delivery of documents pursuant to Clause 6.2 (*Perfection*) and Clause 6.3 (*Transfer Documents*), the Mortgages Trustee shall deliver to the Seller a deed of re-assignment of the benefit of any Early Repayment Charges in such form as the Seller shall request.

7. Undertakings

7.1 **Administration:** The Mortgages Trustee and Funding undertake that they will at all times (or will direct the Administrator at all times to) administer and enforce (and exercise their powers and rights and perform their obligations under) the Mortgage Loans comprised in the Mortgage Portfolio and their Related Security in accordance with the Administration Procedures (for so long as these exist and thereafter in accordance with such policies as would be applied by a reasonable, prudent mortgage lender in the conduct of its business).

7.2 **Reimbursement of Borrower:** The Seller hereby undertakes with the Mortgages Trustee and Funding that, in the event that any Borrower establishes that it has at any time prior to the Initial Closing Date or, as the case may be, the relevant Assignment Date, paid to the Seller any amounts in excess of sums due to the Seller as at the date of payment under the Mortgage Conditions applicable to that Mortgage Loan (other than any Overpayment made by a Borrower under Flexible Mortgage Loan) the Seller will reimburse the Borrower for such overpayment together with any interest, cost or other expense associated therewith. Any payment made by the Seller to the Mortgages Trustee and Funding in discharge of the foregoing indemnity shall be regarded as a rebate of part of the Purchase Price of the relevant Mortgage Loan.

7.3 **Seller Ratings:** The Seller hereby undertakes with the Mortgages Trustee, Funding and the Security Trustee that if the long term unsecured, unsubordinated and unguaranteed debt obligations of the Seller cease to be assigned a long term credit rating:

- (a) from Moody's of no lower than Baal or from Fitch of no lower than BBB+, the Seller (unless Moody's or Fitch, as applicable, confirms that the then current ratings of the Notes will not be adversely affected) will deliver to the Mortgages Trustee, Funding, the Security Trustee (upon request) and the Rating Agencies details of the names and addresses of the Borrowers with Mortgage Loans then in the Mortgage Portfolio on computer diskette and a draft letter of notice to such Borrowers of the sale and assignment of those Mortgage Loans and the Related Security to the Mortgages Trustee in the form set out in Schedule 8 (*Form of Notification to Borrowers*); and
- (b) from S&P of no lower than BBB-, from Moody's of no lower than Baa3 or from Fitch of no lower than BBB-, the Seller (unless S&P, Moody's and Fitch, as applicable, confirms that the then-current ratings of the Notes will not be adversely affected) shall within 10 Business Days of such cessation give notice of the sale and

- (c) provided that, in respect of Clause 7.3(a), should the Seller be required as described in such Clause to provide the details of the names and addresses of Borrowers to the Mortgages Trustee and Funding, each of the Mortgages Trustee and Funding (to the extent, in respect of Funding, that such information is to be delivered to Funding other than at its United Kingdom branch office) hereby agrees to appoint an agent that is located in the United Kingdom and which maintains all appropriate registrations, notifications, licences and authorities (if any) required under the Data Protection Act 1998 to receive and maintain such information on its behalf, and under no circumstances shall either the Mortgages Trustee or Funding accept such information at its Jersey registered office or otherwise in Jersey (unless Jersey is declared an "approved state" by the European Commission, in which case such data may be delivered to the Mortgages Trustee and/or Funding at their respective Jersey offices).

7.4 ***Pending Perfection:*** The Seller undertakes to the Mortgages Trustee, Funding and the Security Trustee that, pending perfection under Clause 6 (*Perfection of the Assignment*), the Seller:

- (a) shall promptly notify the Mortgages Trustee, Funding and (upon request) the Security Trustee if it receives written notice of any litigation or claim calling into question in any material way the Seller's or the Mortgages Trustee's title to any Mortgage Loan comprised in the Mortgage Portfolio or its Related Security or if it becomes aware of any material breach of any of the Representations and Warranties or other obligations under this Agreement; and
- (b) shall, if reasonably required so to do by the Mortgages Trustee, participate or join in and lend its name to and take such other steps as may reasonably be required by the Mortgages Trustee in relation to, any legal proceedings in respect of the Mortgage Loans and the Related Security to the extent necessary to protect, preserve and enforce the Seller's or the Mortgages Trustee's or Funding's or the Security Trustee's title to or interest in any Mortgage Loan or its Related Security provided that the Seller is reimbursed, subject to and in accordance with the relevant priority of payments under and in accordance with the Transaction Documents, by the Mortgages Trustee or Funding for the reasonable legal expenses and costs of such proceedings.

7.5 ***Responsibility of Seller:*** The Seller hereby further undertakes with the Mortgages Trustee and Funding that it is and at all times shall remain solely responsible for any Product Switches (other than a Re-Fixed Mortgage Loan), for funding any Cash Re-Draws made by a

Borrower under a Flexible Mortgage Loan, for funding any request for any Further Advance made by a Borrower, and for paying to the Mortgages Trustee from time to time an amount equal to the Unpaid Interest associated with any Non-Cash Re-Draw made by a Borrower under a Flexible Mortgage Loan. For the avoidance of doubt, neither the Mortgages Trustee nor Funding will be required to advance moneys to the Seller or to a Borrower in order to fund such a Re-Draw or Further Advance in any circumstances whatsoever.

7.6 Product Switches and Further Advances:

(a) Neither the Mortgages Trustee nor Funding shall (and each shall procure that its agents do not):

(i) issue to any Borrower any offer of a Further Advance; or

(ii) issue to any Borrower any offer of a Product Switch (other than a Re-Fixed Mortgage Loan),

without first having given notice in writing to the Seller seeking confirmation from the Seller that the Seller will repurchase the Mortgage Loan to which such offer relates from the Mortgages Trustee in accordance with the terms of this Agreement.

(b) If the Seller gives such confirmation to the Mortgages Trustee, the Mortgages Trustee (or its agents, including the Administrator, on its behalf) shall then issue to that Borrower the relevant offer referred to in paragraph (a) above and shall (in the case of any offer referred to in paragraph (a) above) then notify the Seller in writing as soon as the Mortgages Trustee has accepted the mortgage documentation completed by the Borrower in relation to such offer.

(c) The Mortgages Trustee shall not itself make any Further Advance or Product Switch (other than in relation to a Re-Fixed Mortgage Loan).

7.7 Standard Variable Rate: Subject to the provisions of Clause 7.9, the Seller covenants with the Mortgages Trustee, Funding and the Security Trustee that, where the Administrator determines on any date that there will be a Shortfall during the next succeeding Interest Period and notifies the Seller to such effect, the Seller shall take all steps which are necessary, including publishing any notice which is required in accordance with the Mortgage Conditions, to set the Standard Variable Rate at such level as may be notified to the Seller by the Mortgages Trustee, Funding or the Security Trustee (which rate shall be the same rate as previously notified to the Mortgages Trustee, Funding and the Security Trustee in accordance with Clause 4.3(b) of the Administration Agreement) as being the rate required in order for no Shortfall to arise.

7.8 Security Powers of Attorney: The Seller shall grant security powers of attorney to the Mortgages Trustee, Funding and the Security Trustee in the form set out in Schedule 10 (*Power of Attorney in favour of the Mortgages Trustee, Funding and the Security Trustee*) allowing any of the Mortgages Trustee, Funding and the Security Trustee and their delegates from time to time (*inter alia*) to set the Standard Variable Rate and (save for the Security

Trustee) the rate of (and terms relating to) the Existing Borrowers' Re-Fix Rate should the Seller fail to do so in accordance with its obligations under this Agreement, but only to the extent that such rate has been previously notified to the Mortgages Trustee, Funding and the Security Trustee in accordance with Clause 4.3(b) of the Administration Agreement. Nothing in this Clause 7.8 shall prevent the Seller (or any of its attorneys from time to time) from setting a higher Northern Rock Standard Variable Rate (or in the case of the Existing Borrowers' Re-Fix Rate setting a higher rate and imposing terms more advantageous to the Mortgages Trustee) than those to be set or required by the Mortgages Trustee, Funding and (other than in respect to an Existing Borrower's Re-Fix Rate) the Security Trustee.

- 7.9 **Shortfall:** Unless any of the Mortgages Trustee, Funding or the Security Trustee needs to do so to avoid a Shortfall, none of the Mortgages Trustee, Funding or the Security Trustee shall set the Standard Variable Rate for Mortgage Loans which are in the Mortgages Trust (disregarding any discounts or additions to it) at a rate higher than the then applicable Standard Variable Rate for mortgage loans which are not in the Mortgages Trust.
- 7.10 **Forwarding of Notice:** The Security Trustee undertakes, upon receipt of any notice as specified in Clause 8.4(c) of the Mortgages Trust Deed, to forward such notice to the Mortgages Trustee, Funding, the Seller and the Cash Manager in the manner set forth in Clause 20 within three (3) London Business Days of receipt thereof. The Security Trustee shall have no other obligation other than the foregoing following receipt of such notice.

8. Warranties and Repurchase by the Seller

- 8.1 **Representations and Warranties:** The Seller makes the Representations and Warranties set out in Schedule 1 (*Representations and Warranties*) to each of the Mortgages Trustee, Funding and the Security Trustee:
- (a) in respect of each Mortgage Loan and its Related Security in the Initial Mortgage Portfolio as at the date hereof and on the Initial Closing Date;
 - (b) in relation to each New Mortgage Loan and its Related Security in a New Mortgage Portfolio, on the date of the service of the relevant New Mortgage Portfolio Notice and on the relevant Assignment Date;
 - (c) in the form set out in Part 2 of Schedule 1 (*Representations and Warranties*) in relation to the matters and at the dates set out therein; and
 - (d) in the form set out in Part 3 of Schedule 1 (*Representations and Warranties*) in relation to the matters and at the dates set out therein.
- 8.2 **Reliance:** The Seller acknowledges that the Representations and Warranties are made with a view to inducing the Mortgages Trustee, Funding and the Security Trustee either to enter into this Agreement and the other Transaction Documents to which each is a party or to agree to purchase the New Mortgage Loans and their Related Security comprised in each New Mortgage Portfolio, and that each of the Mortgages Trustee, Funding and the Security Trustee has entered into this Agreement and the other Transaction Documents to which it is a party in

reliance upon the Representations and Warranties notwithstanding any information possessed or discoverable by the Mortgages Trustee, Funding and/or the Security Trustee. The Mortgages Trustee, Funding and the Security Trustee acknowledge that they have not entered into this Agreement in reliance upon any representation, warranty or undertaking other than those set out in this Agreement or upon any other enquiry, investigation or search whatsoever.

8.3 **Remedies:** The Mortgages Trustee's, Funding's and the Security Trustee's sole remedy in respect of a breach of any of the Representations and Warranties shall be to take action under this Clause 8 (*Warranties and Repurchase by the Seller*) or under Clause 8.4 (*Adjustments to Trust Property*) of the Mortgages Trust Deed. Furthermore, in respect of any actual or alleged breach of Clause 8.1 (*Representations and Warranties*), the Mortgages Trustee, Funding or the Security Trustee shall, as applicable:

- (a) notify the Seller as soon as reasonably practicable following any claim or intimation of claim by any person of or arising from such actual or alleged breach and thereafter keep the Seller informed in relation to such claim or intimation;
- (b) not settle or compromise any such claim made or intimated or otherwise do anything which may be prejudicial to the position of the Seller in relation thereto having regard to this Agreement, except pursuant to the written directions of the Seller or with the Seller's prior written approval, such directions and approval not to be unreasonably withheld; and
- (c) comply with the Seller's reasonable directions as to answering, disputing, defending, compromising, settling, or otherwise in relation to the claim made or initiated (including without limitation the instruction of particular legal advisers), and if and to the extent required by the Seller, do such things as the Seller may reasonably require to enable and authorise the Seller or persons nominated by the Seller to answer, dispute, defend, compromise, settle or otherwise deal with any such claim or intimated claim, or mitigate loss or potential loss on behalf of the Mortgages Trustee, subject in each case to the Seller indemnifying the Mortgages Trustee, Funding and the Security Trustee against the consequences of complying with the Seller's directions and requirements.

8.4 **Repurchase:** Subject to Clause 8.14 (Repurchase Not Possible), in the event of a material breach of any of the Representations or Warranties in respect of any Mortgage Loan and/or its Related Security as at the Initial Closing Date or, as the case may be, the relevant Assignment Date, which could have a material adverse effect on the Mortgage Loan and/or its Related Security (having regard to, among other things, whether a loss is likely to be incurred in respect of the Mortgage Loan to which the breach relates after taking account of the likelihood of recoverability or otherwise of any sums under any applicable insurance policies), and further provided that:

- (a) the Mortgages Trustee, Funding or the Security Trustee has given the Seller not less than 28 days' notice in writing;

- (b) the Mortgages Trustee has obtained the consent of the Security Trustee; and
- (c) such breach, where capable of remedy, is not remedied to the satisfaction of Funding and the Security Trustee within the 28 day period referred to in (a) (or such longer period as Funding and the Security Trustee may direct the Mortgages Trustee),

then at Funding's (with the consent of the Security Trustee) or the Security Trustee's direction, the Mortgages Trustee may serve upon the Seller a notice in the form of the Loan Repurchase Notice whereupon the Seller will be required to repurchase the relevant Mortgage Loan and its Related Security and any other Mortgage Loan secured or intended to be secured by that Related Security or any part of it in accordance with Clause 8.7 (*Completion of Repurchase*), provided, however, that the Security Trustee shall have no duty to provide any such notice to the Seller or consider granting its consent pursuant to this Clause 8.4 unless the Security Trustee has been notified by a party to a Transaction Document of such material breach of such Representation or Warranty which, in the opinion of such party (as communicated to the Security Trustee), could have a material adverse effect on the related Mortgage Loan and/or its Related Security, taking into account the considerations provided in this Clause 8.4, and further provided that prior to receipt of such notice the Security Trustee shall be entitled to assume that no such material breach has occurred.

8.5 ***Repurchase of Product Switches and Further Advances:*** In the event of there being at any date in respect of any Mortgage Loan assigned to the Mortgages Trustee hereunder a PS/FA Event (other than a Mortgage Loan becoming a Re-Fixed Mortgage Loan, such PS/FA Event being dealt with under Clause 8.6 (*Repurchase of Fixed Rate Mortgage Loans*)), the Seller may at any time serve notice in the form of the Loan Repurchase Notice on the Mortgages Trustee whereupon the Mortgages Trustee will be required to sell and to re-transfer to the Seller in accordance with Clause 8.7 (*Completion of Repurchase*) any Mortgage Loan identified in the Loan Repurchase Notice together with its Related Security and any other Mortgage Loan secured or intended to be secured by that Related Security or any part of it (any such Mortgage Loan or Mortgage Loans, a "**PS/FA Mortgage Loan**") free from the Mortgages Trust and any right or interest that the Security Trustee may have in such PS/FA Mortgage Loan and its Related Security under the Funding Deed of Charge. Any PS/FA Mortgage Loan repurchased by the Seller shall be released from the Mortgages Trust and shall no longer constitute Trust Property and shall be released from any right or interest that the Security Trustee may have had in such Mortgage Loan and its Related Security under the Funding Deed of Charge prior to such repurchase.

8.6 ***Repurchase of Fixed Rate Mortgage Loans***

- (a) Where a Mortgage Loan bears interest at a fixed rate for a certain period (the "**initial fixed rate period**"), after the expiry of which the Borrower is entitled to apply for a new fixed rate (whether or not subject to certain conditions), the Mortgages Trustee may by notice in writing to the Seller given at any time not more than 60 days before the expiry of that initial fixed rate period (which for the avoidance of doubt shall exclude any period of extension to which the relevant Borrower is entitled), offer to re-sell to the Seller that Mortgage Loan together with its Related Security if that

Mortgage Loan becomes a Re-Fixed Mortgage Loan during the 3-month period immediately following the end of that initial fixed rate period. The offer will be in writing in the form set out in Schedule 9 (*Offer under Clause 8.6*) and will be signed by or on behalf of the Mortgages Trustee.

- (b) The Seller may accept the offer made in accordance with paragraph (a) above on the date on which that Mortgage Loan becomes a Re-Fixed Mortgage Loan during the 3-month period immediately following the end of the initial fixed rate period relating to it, only by payment to the Mortgages Trustee of the consideration payable for the repurchase of the relevant Mortgage Loan and its Related Security in accordance with Clause 8.7 (*Completion of Repurchase*).
- (c) The parties hereto acknowledge that the effect of the payment to the Mortgages Trustee by the Seller of the consideration for the repurchase of the relevant Mortgage Loan and its Related Security in accordance with paragraph (b) above will be the assignment to the Seller of the beneficial ownership of, and all of the Mortgages Trustee's beneficial right, title, interest and benefit in and to, that Mortgage Loan, and completion of the repurchase shall be effected by the parties in accordance with Clause 8.7 (*Completion of Repurchase*).
- (d) The Seller hereby covenants that if it does not accept the offer made by the Mortgages Trustee in accordance with paragraph (b) above, then whether or not the Mortgage Loan becomes a Re-Fixed Mortgage Loan, it will set the Existing Borrowers' Re-Fix Rate applicable for the 3-month period immediately after expiry of the initial fixed rate period relating to that Mortgage Loan at a rate not less than that (and on terms not less advantageous to the Mortgages Trustee or Funding than those) notified from time to time to the Seller by the Mortgages Trustee, Funding or the Administrator as being required by the Mortgages Trustee or Funding.

8.7 Completion of Repurchase: Completion of any repurchase or re-transfer shall take place:

- (a) in the case of any repurchase or re-transfer pursuant to any of Clauses 8.4 (*Repurchase*) or 8.5 (*Repurchase of Product Switches and Further Advances*) on the first London Business Day immediately following expiry of a period of 10 days following the date of the service upon the Seller of the relevant Loan Repurchase Notice or at the Seller's earlier election; or
- (b) in the case of any repurchase or re-transfer pursuant to Clause 8.6 (*Repurchase of Fixed Rate Mortgage Loans*), immediately upon the Mortgage Loan becoming a Re-Fixed Mortgage Loan,

whereupon, the Seller shall pay to the Mortgages Trustee an amount equal to the Current Balance of such Mortgage Loan or Mortgage Loans and any Related Security and all Arrears of Interest and Accrued Interest relating thereto as at the date of completion of such repurchase. The provisions of Clause 8.8 (*Transfers*) and Clause 8.9 (*Documentation*) shall apply to any such repurchase or re-transfer.

- 8.8 **Transfers:** On the date of completion of any repurchase of a Mortgage Loan and its Related Security in accordance with this Clause 8 (*Warranties and Repurchase by Seller*), the Mortgages Trustee and Funding shall at the cost of the Seller execute and deliver or cause their respective duly authorised attorneys to execute and deliver to the Seller:
- (a) if perfection of the assignment to the Mortgages Trustee has occurred in accordance with Clause 6 (*Perfection of the Assignment*):
 - (i) if the relevant Mortgage is over Registered Land, a transfer of such Mortgage to the Seller in the form of the Registered Transfer; or
 - (ii) if the relevant Mortgage is over Unregistered Land, a transfer to the Seller in the form of the Unregistered Transfer;
 - (b) a re-assignment of the rights of the Mortgages Trustee in respect of the relevant Related Security each in a form reasonably acceptable to the Seller (which shall, in the case of the re-assignment of the Insurance Contracts, be substantially in the form of the Assignment of Insurance Contracts set out in Schedule 3 (*Assignment of Insurance Contracts*)); and
 - (c) a notification to the Administrator that all further sums due in respect of such repurchased Mortgage Loan are for the Seller's account.
- 8.9 **Documentation:** Upon any completion of the repurchase of any Mortgage Loan and its Related Security in accordance with this Clause 8 (*Warranties and Repurchase by Seller*) the Seller shall cease to be under any further obligation to hold any Title Deeds or other documents relating to such Mortgage Loan or Mortgage Loans and its Related Security to the order of the Mortgages Trustee and the Security Trustee and if the Mortgages Trustee or the Security Trustee then holds the Title Deeds, the Mortgages Trustee or, as the case may be, the Security Trustee shall forthwith return them to the Seller. Any such repurchase by the Seller of a Mortgage Loan or Mortgage Loans and its or their Related Security shall constitute a discharge and release of the Seller from any claims which the Mortgages Trustee and/or Funding or the Security Trustee may have against the Seller arising from the relevant Representation or Warranty in relation to that Mortgage Loan or Mortgage Loans and its or their Related Security only, but shall not affect any rights arising from a breach of any other express provision of this Agreement or any Representation or Warranty in relation to any other Mortgage Loan and other Related Security.
- 8.10 **Notification:** Forthwith after the Seller becomes aware of any event which may reasonably give rise to an obligation under Clause 8 (*Warranties and Repurchase by Seller*) to repurchase any Mortgage Loan it shall notify the Mortgages Trustee, Funding and the Security Trustee in writing thereof as soon as reasonably practicable.
- 8.11 **No Prejudice:** The terms of this Clause 8 (*Warranties and Repurchase by the Seller*) shall not prejudice the rights of the Mortgages Trustee or the Beneficiaries under the Mortgages Trust Deed.

- 8.12 **Claims against Seller:** If a breach of a Representation or Warranty arises in respect of any Mortgage Loan and (in either case) no repurchase requirement arises in respect of the Seller pursuant to this Clause 8 (*Warranties and Repurchase by the Seller*), neither the Mortgages Trustee, Funding nor the Security Trustee shall have any claim against the Seller in respect of, or in relation to, such breach of Representation or Warranty in relation to that Mortgage. For the avoidance of doubt, save as provided for in this Clause 8 (*Warranties and Repurchase by the Seller*), the Seller is not obliged to repurchase any other Mortgage Loan or its Related Security.
- 8.13 **Assignment:** If the Seller makes any payment to the Mortgages Trustee GIC Account (or as the Mortgages Trustee shall direct) in full satisfaction of any claim made by the Mortgages Trustee, Funding or the Security Trustee in relation to any Representation or Warranty set out in Schedule 1 (*Representations and Warranties*), the Mortgages Trustee, Funding or the Security Trustee, as the case may be, shall assign to the Seller such rights as they have against any third party which relate to such claim.
- 8.14 **Repurchase Not Possible:** If a Mortgage Loan has never existed, or has ceased to exist, such that it is not outstanding on the date on which it is due to be repurchased pursuant to this Clause 8 (*Warranties and Repurchase by the Seller*), the Seller shall not be obliged to repurchase the Mortgage Loan and the Related Security but shall instead indemnify the Mortgages Trustee, Funding and the Security Trustee against any loss suffered by reason of any Representation or Warranty relating to or otherwise affecting that Mortgage Loan being untrue or incorrect by reference to the facts subsisting at the date on which the relevant Representation or Warranty was given, provided that the amount of such indemnity shall not exceed the sum of (i) the Current Balance of the Mortgage Loan that would have been payable by the Borrower in respect of such Mortgage Loan on and after the relevant completion date for the repurchase in relation to such Mortgage Loan had the Mortgage Loan existed and complied with each of the Representations and Warranties set out Schedule 1 (*Representations and Warranties*) as at such date in relation to such Mortgage Loan and (ii) interest thereon from such relevant completion date at the weighted average yield of the Mortgage Loans.
- 8.15 **Indemnity:** The Seller shall indemnify the Mortgages Trustee against any loss suffered as a result of any Borrower exercising a Right of Set Off against the Mortgages Trustee provided that the amount of such indemnity in relation to any Mortgage Loan shall not exceed the sum of the Current Balance of that Mortgage Loan and interest payable by the Borrower under that Mortgage Loan as at the date that the Borrower exercises the Right of Set Off. In this clause “**Right of Set Off**” means any right of set off arising from a deposit of money made by the Borrower with the Seller or from any transaction between the Borrower and the Seller other than one relating to the Mortgage Loan.

9. **Further Assurance**

The parties hereto agree that they will co-operate fully to do all such further acts and things and execute any further documents that may be necessary or desirable to give full effect to the

transactions contemplated by this Agreement (but subject always to Clause 6 (*Perfection of the Assignment*)).

10. **Consequences of Breach**

Without prejudice to Clause 8 (*Warranties and Repurchase by the Seller*), the Mortgages Trustee, Funding and the Security Trustee severally acknowledge to and agree with the Seller, and the Security Trustee acknowledges to and agrees with Funding and the Mortgages Trustee, that the Seller shall have no liability or responsibility (whether, in either case, contractual or tortious, express or implied) for any loss or damage for or in respect of any breach of, or any act or omission in respect of, any of its obligations hereunder other than loss or damage directly (and not indirectly or consequentially) suffered by the Mortgages Trustee and/or Funding or the assets comprised in the Funding Security constituted by the Funding Deed of Charge by reason of such breach, act or omission. For this purpose (and without limiting the scope of the above exclusion in respect of indirect or consequential loss or damage) any loss or damage suffered by the Mortgages Trustee and/or Funding or such assets which would not have been suffered by it or such assets had the breach, act or omission in question not also been or given rise to an Event of Default or enforcement of the security contributed by the Funding Deed of Charge shall be treated as indirect or consequential loss or damage.

11. **Subordination**

The Seller agrees with the Mortgages Trustee, Funding and the Security Trustee that on the enforcement of any Mortgage any sums owed to the Seller by a Borrower secured under such Mortgage and the rights and remedies of the Seller in respect of the sums owed to the Seller shall at all times be subject and subordinated to any sums owed to the Mortgages Trustee by the Borrower and to the rights and remedies of the Mortgages Trustee in respect of such sums owed to the Mortgages Trustee by the Borrower.

12. **Non-Merger**

Any term of this Agreement to which effect is not given on the Initial Closing Date or on any Assignment Date (including in particular, but without limitation, the liability of the Seller under the Representations and Warranties and the provisions of Clause 4 (*Sale and Purchase of New Mortgage Portfolios*)) shall not merge and shall remain in full force and effect notwithstanding the sale and purchase contemplated by this Agreement.

13. **No Agency or Partnership**

It is hereby acknowledged and agreed by the parties that nothing in this Agreement shall be construed as giving rise to any relationship of agency, save as expressly provided herein, or partnership between the parties and that in fulfilling its obligations hereunder, each party shall be acting entirely for its own account.

14. **Payments**

All payments to be made pursuant to this Agreement shall be made in sterling in immediately available funds without exercising or seeking to exercise any right of set-off as may otherwise exist and shall be deemed to be made when they are received by the payee and shall be accounted for accordingly unless failure to receive any payment is due to an error by the payee's bank.

15. **Assignment**

15.1 **Assignment:** Subject always to the provisions of Clause 16 (Security Trustee), no party hereto shall be entitled to assign all or any part of its rights or obligations hereunder to any other party without the prior written consent of each of the other parties hereto (which shall not, if requested, be unreasonably withheld) save that Funding shall be entitled to assign by way of security all or any of its rights under this Agreement without such consent to the Security Trustee pursuant to the Funding Deed of Charge and the Security Trustee may at its sole discretion assign all or any of its rights under or in respect of this Agreement without such consent to any successor Security Trustee under the Funding Deed of Charge and may assign all of any part of the Funding Security upon an enforcement of the Funding Security in accordance with the Funding Deed of Charge.

15.2 **Acknowledgement of Security Assignment:** The Seller acknowledges that on the assignment pursuant to the Funding Deed of Charge by Funding to the Security Trustee of Funding's rights under this Agreement the Security Trustee may enforce such rights in the Security Trustee's own name without joining Funding in any such action (which right the Seller hereby waives) and the Seller hereby waives as against the Security Trustee any rights or equities in its favour arising from any course of dealing between the Seller and Funding.

16. **Security Trustee**

16.1 **Vesting of Rights:** If there is any change in the identity of the security trustee in accordance with the Funding Deed of Charge, the Seller, the Mortgages Trustee and Funding shall execute such documents and take such action as the successor security trustee and the outgoing security trustee may require for the purpose of vesting in the successor security trustee the rights and obligations of the outgoing security trustee hereunder and releasing the outgoing security trustee from its future obligations under this Agreement and the Seller shall give notice thereof to the Rating Agencies.

16.2 **No Assumption:** It is hereby acknowledged and agreed that by its execution of this Agreement the Security Trustee shall not assume or have any of the obligations or liabilities of the Seller or Funding or the Mortgages Trustee hereunder. Furthermore, any liberty or power which may be exercised or any determination which may be made hereunder by the Security Trustee may be exercised or made in the Security Trustee's absolute discretion without any obligation to give reasons therefor, but in any event must be exercised or made in accordance with the provisions of the Funding Deed of Charge. Without prejudice to the generality of the foregoing, all references to the Security Trustee taking action in connection with any duty of the Seller shall also be read subject to Clause 25 and Schedule 4 of the Administration Agreement.

17. **New Intercompany Loans**

If Funding enters into a New Intercompany Loan Agreement, then the Seller, the Mortgages Trustee, Funding and the Security Trustee shall execute such documents and take such action as may be required by the Rating Agencies for the purpose of including the New Issuer in the Transaction including, without limitation:

- (a) effecting any necessary changes to Clause 4 (*Sale and Purchase of New Mortgage Portfolios*);
- (b) ensuring that any Transaction Document relevant to a New Issuer has been executed and delivered prior to the relevant Closing Date;
- (c) executing and delivering all documents required by Clause 4.4 (*Closing and Conditions Precedent*) in relation to any New Mortgage Portfolio.

18. **Non Petition Covenant; Limited Recourse**

18.1 **Non Petition Covenant:** Each of the parties hereto hereby agrees that it shall not institute against either Funding or the Mortgages Trustee any winding-up, administration, insolvency or similar proceedings so long as any sum is outstanding under any Intercompany Loan Agreement of any Issuer or for two years plus one day since the last day on which any such sum was outstanding.

18.2 **Limited Recourse:** Each of the parties hereto agrees that:

- (a) in relation to the Mortgages Trustee, any amount payable by the Mortgages Trustee to any other party to this Agreement under this Agreement not being an amount payable out of the Trust Property in accordance with the terms of the Mortgages Trust Deed shall only be payable to the extent that on that date the Mortgages Trustee has sufficient funds to pay such amount out of fees paid to it under the Mortgages Trust Deed; and
- (b) in relation to Funding:
 - (i) only the Security Trustee may enforce the security created in favour of the Security Trustee under the Funding Deed of Charge in accordance with the provisions thereof;
 - (ii) notwithstanding any other provision of this Agreement or any other Transaction Document, no sum due or owing to any party to this Agreement from or by Funding under this Agreement shall be payable by Funding except to the extent that Funding has sufficient funds available or (following enforcement of the Funding Security) the Security Trustee has realised sufficient funds from the Funding Security to pay such sum subject to and in accordance with the relevant Funding Priority of Payments and provided that all liabilities of Funding required to be paid in priority thereto or *pari passu*

therewith pursuant to such Funding Priority of Payments have been paid, discharged and/or otherwise provided for in full; and

- (iii) it shall not take any steps for the purpose of recovering any amount payable by Funding or enforcing any rights arising out of this Agreement against Funding otherwise than in accordance with the Funding Deed of Charge.

18.3 **Corporate Obligations:** To the extent permitted by law, no recourse under any obligation, covenant, or agreement of any person contained in this Agreement shall be had against any shareholder, officer or director of such person as such, by the enforcement of any assessment or by any legal proceeding, by virtue of any statute or otherwise; it being expressly agreed and understood that this Agreement is a corporate obligation of each person expressed to be a party hereto and no personal liability shall attach to or be incurred by the shareholders, officers, agents or directors of such person as such, or any of them, under or by reason of any of the obligations, covenants or agreements of such person contained in this Agreement, or implied therefrom, and that any and all personal liability for breaches by such person of any of such obligations, covenants or agreements, either under any applicable law or by statute or constitution, of every such shareholder, officer, agent or director is hereby expressly waived by each person expressed to be a party hereto as a condition of and consideration for the execution of this Agreement.

19. Amendments and Waiver

19.1 **Entire Agreement:** This Agreement sets out the entire agreement and understanding between the parties with respect to the subject matter of this Agreement superseding all prior oral or written understandings other than the other Transaction Documents.

19.2 **Amendments and Waiver:** No amendment or waiver of any provision of this Agreement nor consent to any departure by any of the parties therefrom shall in any event be effective unless the same shall be in writing and signed by each of the parties hereto. In the case of a waiver or consent, such waiver or consent shall be effective only in the specific instance and as against the party or parties giving it for the specific purpose for which it is given.

19.3 **Rights cumulative:** The respective rights of each of the parties to this Agreement are cumulative and may be exercised as often as they consider appropriate. No failure on the part of any party to exercise, and no delay in exercising, any right hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right preclude any other or further exercise thereof or the exercise of any other right. The remedies in this Agreement are cumulative and not exclusive of any remedies provided by law.

20. Notices

Any notices or other communication or document to be given or delivered pursuant to this Agreement to any of the parties hereto shall be sufficiently served if sent by prepaid first class post, by hand or by facsimile transmission and shall be deemed to be given (in the case of facsimile transmission) when despatched or (where delivered by hand) on the day of delivery

21. **Third Party Rights**

A person who is not a party to this Agreement may not enforce any of its terms under the Contracts (Rights of Third Parties) Act 1999, but this shall not affect any right or remedy of a third party which exists or is available apart from that Act.

22. **Execution in Counterparts; Severability**

22.1 **Counterparts:** This Agreement may be executed in any number of counterparts (manually or by facsimile) and by different parties hereto in separate counterparts, each of which when so executed shall be deemed to be an original and all of which when taken together shall constitute one and the same instrument.

22.2 **Severability:** Where any provision in or obligation under this Agreement shall be invalid, illegal or unenforceable in any jurisdiction, the validity, legality and enforceability of the remaining provisions or obligations under this Agreement, or of such provision or obligation in any other jurisdiction, shall not be affected or impaired thereby.

23. **Governing Law and Submission to Jurisdiction**

23.2 **Submission to Jurisdiction:** Each of the parties hereto irrevocably agrees that the courts of England shall have jurisdiction to hear and determine any suit, action or proceeding, and to settle any disputes, which may arise out of or in connection with this Agreement and, for such purposes, irrevocably submits to the jurisdiction of such courts.

24. **Process Agent**

Capital (SPV) Limited ceasing so to act it will appoint another person with a registered office in London as its agent for service of process.

25. **Appropriate Forum**

Each of the parties hereto irrevocably waives any objection which it might now or hereafter have to the courts of England being nominated as the forum to hear and determine any Proceedings and to settle any disputes, and agrees not to claim that any such court is not a convenient or appropriate forum.

26. **Transaction Documents**

To the extent necessary to comply with the requirements of Section 2 Law of Property (Miscellaneous Provisions) Act 1989, this Agreement incorporates by reference to them the Transaction Documents.

SCHEDULE 1
REPRESENTATIONS AND WARRANTIES

Part 1

1. The particulars of each Mortgage Loan and its related Mortgage in the Initial Mortgage Portfolio set out in Appendix A to this Agreement are complete, true and accurate in all material respects.
2. Immediately prior to a Closing Date or an Assignment Date, as the case may be, subject to completion of any registration which may be pending at H.M. Land Registry, the Seller was the absolute beneficial and legal owner of the Mortgages, the Related Security and the other property to be assigned by the Seller to the Mortgages Trustee under this Agreement at such Closing Date or such Assignment Date, as the case may be, and the Seller has not assigned (whether by way of absolute assignment or by way of security only), transferred, charged, disposed of or dealt with the benefit of any of the Mortgage Loans or their related Mortgages, any of the other rights relating thereto or any of the property, rights, titles, interests or benefits to be sold or assigned pursuant to this Agreement other than pursuant to this Agreement.
3. Each Mortgage Loan and its related Mortgage and the Related Security constitutes a valid and binding obligation of the Borrower enforceable in accordance with its terms (save any terms which are not binding by virtue of the Unfair Terms in Consumer Contracts Regulations 1994 or the Unfair Terms in Consumer Contracts Regulations 1999) and each related Mortgage and the Related Security secures the repayment of all advances, interest, costs and expenses payable by the relevant Borrower to the Seller in priority to any other charges registered against the relevant Mortgaged Property.
4. At the time that it was made, each Mortgage Loan complied in all respects with applicable laws and regulations including, without limitation, consumer protection, data protection and contract law.
5. Subject to completion of any registration which may be pending at H.M. Land Registry, each Mortgage either constitutes, or will constitute, following registration at H.M. Land Registry, a first ranking charge by way of legal mortgage over the relevant Mortgaged Property.
6. Each relevant Mortgaged Property is located in England or Wales.
7. All steps necessary to perfect the Seller's title to each Mortgage Loan and its related Mortgage were duly taken at the appropriate time or are in the process of being taken with all due diligence.
8. No lien or right of set-off or counterclaim (other than a Right of Set-off referred to in Clause 8.15 (*Indemnity*)) has been created or arisen between the Seller and any Borrower which would entitle such Borrower to reduce the amount of any payment otherwise due under the relevant Mortgage Loan save in relation to the Unfair Terms in Consumer Contracts Regulations 1994 or the Unfair Terms in Consumer Contracts Regulations 1999 and save in relation to section 75 of the Consumer Credit Act 1974.

9. Prior to making a Mortgage Loan to a Borrower, the Seller instructed or required to be instructed on its behalf solicitors to carry out in relation to the relevant Mortgaged Property all investigations, searches and other actions that would have been undertaken by the Seller acting in accordance with standards consistent with those of a reasonable and prudent mortgage lender, when advancing money in an amount equal to such advance to an individual to be secured on a mortgaged property of the kind permitted under the Lending Criteria and a report on title was received by or on behalf of the Seller from such solicitors which, either initially or after further investigation revealed no material matter which would cause the Seller, acting reasonably, to decline the Mortgage Loan having regard to the Lending Criteria.
10. In relation to each Mortgage the Borrower has a good and marketable title to the relevant Mortgaged Property.
11. Prior to making a Mortgage Loan the relevant Mortgaged Property was valued by an independent valuer from the panel of valuers from time to time appointed by the Seller or by an employee valuer of the Seller, and the results of such valuation would be acceptable to a reasonable and prudent mortgage lender.
12. Prior to making a Mortgage Loan, the nature and amount of such Mortgage Loan, the circumstances of the relevant Borrower and nature of the relevant Mortgaged Property satisfied the Lending Criteria in force at that time in all material respects.
13. The exercise of any discretion by the Seller in the making of any Mortgage Loan has been consistent with the practice of a reasonable and prudent mortgage lender.
14. Each Mortgage Loan and its related Mortgage has been made on the terms of the Standard Mortgage Documentation (so far as applicable) which has not been varied in any material respect, save for the making of the Base Rate Pledge.
15. No agreement for any Mortgage Loan (other than to the extent it relates to the funding of buildings insurance premiums) is or has ever been, wholly or partly regulated by the Consumer Credit Act 1974 (other than by Sections 137 to 140 of such Act) or constitutes an extortionate credit bargain under Sections 137 to 140 of such Act or, to the extent it is so regulated or partly regulated, all the requirements of the Consumer Credit Act have been met in full.
16. Interest on each Mortgage Loan: (a) is charged on each Mortgage Loan in accordance with the provisions of that Mortgage Loan and its related Mortgage; (b) is not in any event adjusted by reference to the principal amount due thereunder; (c) is payable monthly in advance; and (d) is calculated by reference to the Standard Variable Rate, subject to any applicable caps, discounts and fixed rates and the Base Rate Pledge; and (e) subject to (d) above, may be set by the Seller and its successors and assigns to that Mortgage Loan.
17. No payment of interest (or in the case of Repayment Mortgage Loans, principal and interest) equivalent to an amount in excess of one month's instalment at the applicable rate in respect

18. So far as the Seller is aware, no Borrower is in material breach of its Mortgage.

Except where a Mortgaged Property was at completion of the relevant Mortgage (or, where appropriate, in the case of self-build properties, at the date of completion of the relevant mortgaged property) covered by the Block Buildings Policy or a block buildings policy providing equivalent cover, the Seller took all reasonable steps to ensure that at the date of completion of the relevant Mortgage Loan each Mortgaged Property was:
 - (a) insured under a buildings policy either (i) in the joint names of the Borrower and the Seller or (ii) with the interest of the Seller noted thereon;
 - (b) insured under a Block Buildings Policy; or

Where the Lending Criteria then in force required that a Mortgage Loan was covered by the Insurance Contract referred to in paragraph 1 of Schedule 4 (*Insurance Contracts*), that Mortgage Loan is covered by such Insurance Contract.

25. To the extent that a Guarantee was required under the Lending Criteria in relation to a particular Mortgage Loan, that Guarantee constitutes the valid, binding and enforceable obligations of the guarantor thereunder (save to the extent that the Guarantee is not valid, binding or enforceable by virtue of the Unfair Terms in Consumer Contracts Regulations 1994 or the Unfair Terms in Consumer Contracts Regulations 1999).

28. No Borrower was under 18 years of age at the time of completion of the relevant Mortgage Loan.
29. No Mortgage Loan has a final maturity beyond January 2039.
30. 31. The origination and collection practices employed by the Seller with respect to the Mortgage Loans have been, in all respects, legal and consistent with the practice of a reasonable and prudent mortgage lender.
32. The Seller has not received written notice of any litigation or claim calling into question in any material way its title to any Mortgage Loan and its Mortgage or the value of any security. The Seller is not engaged in any litigation, and no litigation is pending or threatened by the Seller, against any person in connection with any report, valuation, opinion, certificate, consent or other statement of fact or opinion given in connection with any Mortgage Loan received by the Seller in connection with the origination of any Mortgage Loan.
33. In respect of any Mortgaged Property which is subject to a second or subsequent mortgage or standard security, the Seller has first priority for the full amount of the Mortgage Loan and all costs, fees and expenses relative thereto.

39. So far as the Seller is aware, none of the terms in any Mortgage Loan and its related Mortgage are unfair terms within the meaning of the Unfair Terms in Consumer Contracts Regulations 1994 or the Unfair Terms in Consumer Contracts Regulations 1999 in any material respect save those which impose *Early Repayment Charges*.
40. The Seller has confirmed to all relevant Borrowers that where any Mortgage Loan provides that where any *Early Repayment Charge* is payable at any time when the interest rate payable under that Mortgage Loan is equal to or set by reference to the Standard Variable Rate (including without limitation where the Mortgage Loan provides for a capped or discounted rate), the interest rate payable under that Mortgage Loan will be no more than 1.99 per cent. above the Bank of England's base rate.
41. In relation to a *Right to Buy Mortgage Loan*:
 - (a) in the case of each Mortgage Loan the Seller was at the time of origination of that Mortgage Loan an approved lending institution within the meaning given to that expression in the Housing Act 1985;

42. The loyalty discount applicable to certain Mortgage Loans after seven years will not apply to any such Mortgage Loans during any period when the interest rate is fixed.
43. The Seller has paid to the relevant Borrower the full amount of the cashback payment in relation to any Cashback Mortgage Loan, either upon completion of the relevant Mortgage Loan or, if subsequent to completion, prior to the assignment of such Mortgage Loan to the Mortgages Trustee.

 - (b) the provisions of dwellings or business premises on any land; or
 - (c) the alteration, enlarging, repair or improvement of a dwelling or business premises on any land provided the creditor is the creditor under (i) an agreement by which the debtor is provided with credit for any of the purposes in (a) or (b) above or (ii) an agreement refinancing an agreement under which the debtor is provided with credit for any of the purposes in (a) or (b) above; or (iii) a debtor-creditor agreement secured by any land mortgage to refinance any existing indebtedness of the debtor, whether to the creditor or another person, under any agreement by which the debtor was provided with credit for any of the purposes in (a) and (b) above.

Any reference in this Schedule 1 to solicitors includes licensed conveyancers.

Part 2

2. The Seller has not acquired or owned or possessed any rights in the Mortgages Trustee or Funding such that it would “control” the Mortgages Trustee or Funding within the meaning of section 416 ICTA 1988.

SCHEDULE 11
LENDING CRITERIA

General

To proceed with obtaining a Mortgage Loan, each prospective Borrower completes an application form which includes information with respect to the applicant's income from all sources, current employment details, bank account information (where the Borrower has a bank account), current mortgage information (if applicable) and certain other personal information. A credit reference agency search is made against each Borrower at their current address and, if necessary, former addresses, in all cases which will give details of any public information which includes county court judgements and details of any bankruptcy.

Employment details

The Seller operates the following policy in respect of the verification of Borrower income details. Under this policy, Borrowers are categorised as either "employed" or "self-employed" by the Seller.

Proof of income for employed prospective Borrowers may be established by:

- (a) two current cumulative monthly payslips or, if paid weekly, the last three consecutive payslips; or
- (b) Form P60, or employer's reference, with evidence of continued employment.

Proof of income for self-employed prospective Borrowers may be established by:

- (a) a letter from the Borrower's accountant in acceptable form; or
- (b) acceptable confirmation of self-employment which might include any of a tax return, accountant's letter or a trade invoice, together with a certificate from the Borrower as to income.

For certain Mortgage Loan products, particularly those that may involve larger maximum loan amounts or higher loan to value ("LTV") ratios, the Seller generally will require an acceptable accountant's letter or audited accounts.

Income Capacity

The following maximum income multiples are applied in determining the amount of the Mortgage Loan:

- (a) Single applicant- 3.50 times gross income for all Mortgage Loans (other than Together Mortgage Loans); 3.80 times gross income for Together Mortgage Loans.

- (b) Joint applicants - a sum equal to: (1) the higher of 2.75 times the joint gross income of the applicants (3.00 times joint gross income for Together Mortgage Loans), or 3.50 times the highest earning applicant's gross income (3.80 times the highest joint gross income for Together Mortgage Loans) plus (2) the gross income of the other applicant.

Valuation

The Seller requires that a valuation of the Mortgaged Property be obtained either from its in-house valuation department or from an independent firm of professional valuers selected from a panel of approved valuers. Details of professional indemnity insurance held by panel valuers are kept by the Seller. All valuations of Properties are reviewed by the person underwriting the Mortgage Loan and/or the valuation team.

Property Types

The Seller applies the criteria set out below in determining the eligibility of Properties to serve as security for Mortgage Loans. Under these criteria, eligible property types include freehold and leasehold houses, leasehold flats and mixed commercial and residential use properties where there is a separate entrance for the residential part of the Mortgaged Property. In the case of a Mortgage Loan secured by a leasehold property, the Seller requires that the unexpired term of the lease be at least 30 years from the end of the agreed mortgage term, with a minimum remaining term of 50 years from the beginning of the mortgage term.

Certain property types falling outside the criteria may be considered on a case by case basis. However, certain property types will not be considered for the purposes of providing security for a Mortgage Loan. The types of property falling within this category comprise freehold flats, shared ownership or shared equity schemes and properties of non-standard construction of a type considered to be defective.

Loan Amount

Generally, the maximum loan amount is £500,000, but this varies according to the application in question. In exceptional cases, this limit may be exceeded.

Term

Each Mortgage Loan must have an initial term of between 7 and 35 years.

Age of applicant

All Borrowers in respect of non-Together Mortgage Loans must be aged 18 or over. All Borrowers in respect of Together Mortgage Loans must be aged 21 or over. There are no maximum age limits.

Discretion to lend outside Lending Criteria

On a case-by-case basis, and within approved limits as detailed in the Seller's lending policy, the Seller may have determined that, based upon compensating factors, a prospective Borrower who did

not strictly qualify under its lending criteria warranted an underwriting exception. Compensating factors may include, but are not limited to, a low LTV ratio, stable employment and time in residence at the applicant's current residence.

Maximum Loan To Value

For Mortgage Loans up to £250,000, the maximum LTV ratio permitted is 95 per cent. of the current market value of the Mortgaged Property determined by the valuation. For Mortgage Loans up to £400,000 the maximum LTV ratio permitted is 90 per cent. of the current market value of the Mortgaged Property determined by relevant valuation. For Mortgage Loans of over £400,000 the maximum LTV ratio permitted is 85 per cent. of the current market value of the Mortgaged Property determined by valuation.

MIG

It is a condition of each Mortgage Loan having an LTV ratio in excess of 75 per cent. that the Seller take out mortgage indemnity insurance with Northern Rock Mortgage Indemnity Company Limited (“**NORMIC**”). Such insurance is intended to provide limited cover in the event of losses being incurred following repossession and sale of a Mortgaged Property from a Borrower in default. The premium is paid by the Seller. The indemnity insurance covers only a portion of the relevant loss and is subject to a cap (both per-Mortgage Loan and on an aggregate basis) on claims that may be made in respect of Mortgage Loans originated in any one year. The policy will not cover all losses suffered in relation to the Mortgage Loans.

Appendix

Amended and Restated Funding Priority of Payments

Part I

Funding Pre-Enforcement Revenue Priority of Payments

Distribution of Funding Available Revenue Receipts prior to Enforcement of the Funding Security

On each Payment Date or, in respect of amounts due to third parties by Funding under paragraph (B), when due, prior to enforcement of the Funding Security, the Cash Manager will, subject to the rules for application of Funding Available Revenue Receipts (set out below), apply Funding Available Revenue Receipts in the following order of priority (the “**Funding Pre-Enforcement Revenue Priority of Payments**”):

- (A) *first*, to pay amounts due to the Security Trustee (together with interest and (to the extent not already inclusive) VAT on those amounts) and to provide for any amounts due or to become due during the following Interest Period to the Security Trustee, under the Funding Deed of Charge or any other Transaction Document;
- (B) *second*, to pay amounts due to any third party creditors of Funding (other than those referred to later in this order of priority of payments or in the Funding Pre-enforcement Principal Priority of Payments) of which the Cash Manager has notice prior to the relevant Payment Date, which amounts have been incurred without breach by Funding of the Transaction Documents to which it is a party (and for which payment has not been provided for elsewhere) and to provide for any such amounts expected to become due and payable by Funding during the following Interest Period and to pay or discharge any liability of Funding for corporation tax on any chargeable income or gain of Funding;
- (C) *third*, towards payment of amounts due to the Cash Manager under the Cash Management Agreement (together with (to the extent not already inclusive) VAT on those amounts);
- (D) *fourth*, in no order of priority between them, but in proportion to the respective amounts due, towards payment of amounts, if any, due to the Account Bank under the terms of the Bank Account Agreement and to the Corporate Services Provider under the Corporate Services Agreement;
- (E) *fifth*, to pay, in no order of priority between them, but in proportion to the respective amounts due, to each Issuer an amount up to its Issuer Allocable Revenue Receipts in respect of interest and fees due on that Issuer’s Intercompany Loan but not exceeding the aggregate amount of, and to be applied in the amounts and priorities set forth in, the Issuer Pre-Liquidity Payments for that Issuer.
- (F) *sixth*, to pay, in no order of priority between them, but in proportion to the respective amounts due, such amount for each Issuer up to its Issuer Allocable Revenue Receipts as is necessary to replenish the Issuer Liquidity Reserve Fund, if any, established in respect of that

Issuer up to the Issuer Liquidity Reserve Required Amount (to the extent that monies have been drawn from such Issuer Liquidity Reserve Fund to pay interest and fees due under the relevant Intercompany Loan);

(G) *seventh*, to pay, in no order of priority between them, but in proportion to the respective amounts due, to each Issuer an amount up to its Issuer Allocable Revenue Receipts in respect of interest and fees due on that Issuer's Intercompany Loan but not exceeding the aggregate amount of, and to be applied in the amounts and priorities set forth in, the Issuer Post-Liquidity Payments for that Issuer;

(H) *eighth*, to pay, in no order of priority between them, but in proportion to the respective amounts due, such amount for each Issuer up to its Issuer Allocable Revenue Receipts as is necessary to fund the Issuer Reserve Fund established in respect of that Issuer up to the Issuer Reserve Required Amount or to replenish such Issuer Reserve Fund up to the related Issuer Reserve Required Amount (to the extent that monies have been drawn from such Issuer Reserve Fund to pay interest and fees under the relevant Intercompany Loan);

(I) *ninth*, to pay in no order of priority between them, but in proportion to the respective amounts due, to each Issuer an amount up to its Issuer Allocable Revenue Receipts in respect of interest and fees due on that Issuer's Intercompany Loan but not exceeding the aggregate amount of, and to be applied in the amounts and priorities set forth in, the Issuer Pre-Reserve Payments for that Issuer;

(J) *tenth*, in no order of priority between them, but in proportion to the respective amounts due, from Issuer Allocable Revenue Receipts, to credit the Funding Reserve Ledger in an amount up to the Funding Reserve Required Amount;

(K) *eleventh*, to pay to each Issuer, in no order of priority between them but in proportion to the respective amounts due, an amount up to its Issuer Allocable Revenue Receipts in respect of interest and fees due on that Issuer's Intercompany Loan but not exceeding the aggregate amount of, and to be applied in the amounts and priorities set forth in, the Issuer Post-Reserve Payments for that Issuer;

(L) *twelfth*, in no order of priority between them, but in proportion to the respective amounts due, from Issuer Allocable Revenue Receipts, towards payment of interest and principal amounts due to each Issuer Start-up Loan Provider under the relevant Issuer Start-up Loan Agreement;

(M) *thirteenth*, in no order of priority between them, but in proportion to the respective amounts due, to pay to each Issuer an amount up to its Issuer Allocable Revenue Receipts in respect of interest and fees and any other amount (if any) due on that Issuer's Intercompany Loan but not exceeding the aggregate amount of, and to be applied in the amounts and priorities set forth in, the Issuer Post Start-up Payments for that Issuer;

(N) *fourteenth*, to the extent required, to apply all Shared Issuer Revenue Receipts in the priorities set forth in items (E) through (M) above;

(O) *fifteenth*, towards payment to Funding of an amount equal to 0.01% per annum of the Funding Available Revenue Receipts, which amount will be retained by Funding as profit less corporation tax in respect of those profits provided for or paid at item (B) above;

(P) *sixteenth*, towards payment of any Deferred Contribution due to the Mortgages Trustee pursuant to the terms of the Mortgages Trust Deed; and

(Q) *last*, towards payment to the shareholders of Funding of any dividend declared by Funding.

PROVIDED THAT no amount will be applied in replenishing any of the reserve funds held by Funding in respect of an Issuer under paragraphs (F) and/or (H) above following an enforcement of the Issuer Security relating to that Issuer.

Rules for application of Funding Available Revenue Receipts

(1) Subject as provided in paragraphs (2) through (4) below, the portion of Issuer Allocable Revenue Receipts, if any, not required to be applied by an Issuer on a Payment Date to pay interest on the Notes or to credit the related Issuer Principal Deficiency Ledger or to pay any other costs and expenses due by that Issuer on that date pursuant to the relevant Issuer Priority of Payments, together with the portion of Issuer Allocable Revenue Receipts relating to all other Issuers not required to be so applied by those other Issuers on that Payment Date (excluding any Issuer Reserve Fund or Issuer Liquidity Reserve Fund (if any) of any Issuer), shall constitute “**Shared Issuer Revenue Receipts**”. Shared Issuer Revenue Receipts will be reallocated by the Cash Manager and distributed on such Payment Date among the Issuers as payments of interest and fees under the applicable Intercompany Loans to the extent required to make payments of interest due on the Notes, to credit the related Issuer Principal Deficiency Ledgers and to pay other costs, expenses and third party amounts payable by the Issuers under the relevant Issuer Priority of Payments (but excluding principal payable under any Intercompany Loan). Such reallocation and distribution will continue to be made on such Payment Date until there are no remaining amounts of Shared Issuer Revenue Receipts to be reallocated and distributed on such Payment Date. Each Issuer will be entitled to receive a portion of the Shared Issuer Revenue Receipts equal to:

$$\text{Amount of Shared Issuer Revenue Receipts} \times \frac{\text{Outstanding Principal Balance of the Intercompany Loan of the Issuer}}{\text{Aggregate Outstanding Principal Balance of the Intercompany Loans of all Issuers}}$$

(2) No Issuer shall be entitled to or shall receive any amount of Issuer Allocable Revenue Receipts from Funding on a Payment Date which is not required by that Issuer to make a payment on that date in accordance with the relevant Issuer Pre-Enforcement Revenue Priority of Payments or other relevant Issuer Priority of Payments which applies to that Issuer on that date, and the Cash Manager will take account of all of the funds which are or will become available to that Issuer on that Payment Date and which constitute Issuer Available Revenue Receipts (including any payments due under any Swap Agreement and any interest

or other income received or to be received) for that Issuer for the purpose of making this determination.

- (3) Unless and until the Intercompany Loan of any Issuer has been repaid in full and Funding has no further liability under the relevant Intercompany Loan Agreement, amounts standing to the credit of the Issuer Reserve Ledger and the Issuer Liquidity Reserve Ledger, if any, established by Funding for that Issuer may only be utilized by Funding in making payments due under that Issuer's Intercompany Loan and may not be used in or towards the payment of any other liability of Funding. On the Payment Date following the repayment in full of the Intercompany Loan of that Issuer and provided that Funding has no further liability in respect of the relevant Intercompany Loan Agreement, any remaining amounts standing to the credit of the Issuer Reserve Ledger and the Issuer Liquidity Reserve Ledger, if any, of that Issuer will constitute Shared Issuer Revenue Receipts for the purpose of paragraph (1) above and may be utilized by Funding in paying any other liability of Funding subject to and in accordance with the relevant Funding Priority of Payments.
- (4) If on any Payment Date any Issuer Allocable Revenue Receipts and/or any Shared Issuer Revenue Receipts are paid to an Issuer and are applied by that Issuer, in reducing any deficiency recorded on the Issuer Principal Deficiency Ledger of that Issuer then the Issuer Allocable Revenue Receipts and/or Shared Issuer Revenue Receipts so applied shall constitute repayments of principal under the relevant Intercompany Loan and shall reduce the Outstanding Principal Balance of that Intercompany Loan accordingly.

Part II

Funding Pre-Enforcement Principal Priority of Payments

On each Payment Date prior to enforcement of the Funding Security, the Cash Manager will, subject to the rules for application of Funding Available Principal Receipts set forth below, apply Funding Available Principal Receipts in the following order of priority (the “**Funding Pre-Enforcement Principal Priority of Payments**”):

- (A) *first*, to fund or replenish, as the case may be, the Issuer Liquidity Reserve Fund, if any, of each Issuer up to the Issuer Liquidity Reserve Required Amount but only from and to the extent of the Issuer Allocable Principal Receipts for that Issuer;
- (B) *second*, to pay to (or, if required under that Issuer’s Intercompany Loan, set aside for) each Issuer an amount up to its Issuer Allocable Principal Receipts in respect of principal due (or, if required under that Issuer’s Intercompany Loan, to become due) on that Issuer’s Intercompany Loan, which shall be an amount up to the aggregate amount of, and shall be applied in the amounts and priorities set forth in, the Issuer Principal Payments for that Issuer;
- (C) *last*, to pay to (or, if required under that Issuer’s Intercompany Loan, set aside for) each Issuer an amount up to its allocable portion of Shared Issuer Principal Receipts in respect of principal due (or, if required under that Issuer’s Intercompany Loan, to become due) on that Issuer’s Intercompany Loan, which in the case of the Issuer shall be an amount up to the aggregate amount of, and shall be applied in the amounts and priorities set forth in, the Issuer Principal Payments for that Issuer until there are no remaining Funding Available Principal Receipts on such Payment Date,

PROVIDED THAT no amount will be applied in replenishing the Issuer Liquidity Reserve Fund held by Funding in respect of an Issuer under paragraph (A) above following an enforcement of the Issuer Security relating to that Issuer.

Rules for application of Funding available principal receipts

- (1) On the Distribution Date immediately preceding such Payment Date, the Cash Manager will calculate the “**Issuer Allocable Principal Receipts**” for each Issuer in respect of the relevant Payment Date which, subject as provided in paragraphs (2) through (7) below, is for any Issuer an amount which is equal to the lesser of:
 - (a) (only if relevant) the principal amount due on the Intercompany Loan of such Issuer which is an amount equal to the Controlled Amortisation Amount due, if any, on the Payment Date immediately succeeding such Distribution Date; and
 - (b) an amount equal to:

$$\text{Funding Available Principal Receipts} \times \frac{\text{Outstanding Principal Balance on such Issuer's Intercompany Loan}}{\text{Aggregate Outstanding Principal Balance of the Intercompany Loans of all Issuers}}$$

PROVIDED THAT,

(a) subject as provided in paragraphs (2) through (7) below, for the purpose only of determining the amount of Issuer Allocable Principal Receipts which may be allocated and paid to that Issuer (but not to any other Issuer) in accordance with this paragraph (1), following an enforcement of the Issuer Security relating to that Issuer the amount so determined may be increased to the extent of the aggregate of any amounts standing to the credit of the Issuer Liquidity Reserve Ledger, if any, and the Issuer Reserve Ledger of that Issuer remaining on that Payment Date after the application of such reserve funds in accordance with the Funding Pre-Enforcement Revenue Priority of Payments; and

(b) for the purposes only of determining the amount of Shared Issuer Principal Receipts in accordance with paragraph (6) below, Issuer Allocable Principal Receipts shall be an amount equal to the amount calculated in accordance with paragraph 1(b) above only and paragraph 1(a) above shall not apply.

(2) If the Notes of any Issuer have become immediately due and payable as a result of the service of a Note Enforcement Notice or if the Intercompany Loan of any Issuer and the other Intercompany Loans of any other Issuers have become immediately due and payable as a result of the service of an Intercompany Loan Enforcement Notice or otherwise on any Payment Date following the occurrence of any Trigger Event, principal payments in respect of any Intercompany Loan may be made in excess of any Controlled Amortisation Amount and paragraph (1)(a) above shall no longer apply in relation to that Issuer and the amount of Issuer Allocable Principal Receipts payable to that Issuer on the relevant Payment Date may not exceed the amount determined under paragraph (1)(b) above but subject always to any increase in that amount as a result of the utilisation of the Issuer Reserve Fund and the Issuer Liquidity Reserve Fund (if any) following enforcement of the Issuer Security relating to that Issuer as provided in that paragraph.

(3) For the purpose of determining the amount of Issuer Allocable Principal Receipts and/or any Shared Issuer Principal Receipts which may be paid to any Issuer on a Payment Date pursuant to paragraph (1) above or paragraph (6) below, the Outstanding Principal Balance of that Intercompany Loan shall be deemed to be reduced by the amount of:

- (a) any deficiency recorded on the Issuer Principal Deficiency Ledger of that Issuer as at such Payment Date, but only to the extent that such deficiency has arisen as a result of (i) losses on the Mortgage Loans allocated by Funding to that Issuer and/or (ii) the application of Funding Available Principal Receipts to fund the Issuer Liquidity Reserve Fund of that Issuer but not as a result of any other principal deficiency of that Issuer; and
- (b) the Outstanding Principal Balance as at such Payment Date of any Special Repayment Notes issued by that Issuer.

(4) The amount of Funding Available Principal Receipts payable to each Issuer on a Payment Date will be reduced by an amount equal to the aggregate of the Issuer Available Revenue Receipts of that Issuer which are to be applied on that Payment Date in reducing

deficiencies recorded on the Issuer Principal Deficiency Ledgers, but only to the extent that the Issuer Available Revenue Receipts which are to be so applied on that Payment Date would not otherwise be payable as principal on the relevant Notes on such Payment Date.

(5) No Issuer shall be entitled to, or shall receive on a Payment Date, any amount of Issuer Allocable Principal Receipts from Funding which is not required by that Issuer to make a payment on that date in accordance with the relevant Issuer Pre-Enforcement Principal Priority of Payments or otherwise to make a payment of principal on the Notes.

(6) The portion of Issuer Allocable Principal Receipts, if any, not required to be applied by the Issuer to pay principal on the Notes on a Payment Date together with the portion of Issuer Allocable Principal Receipts relating to all other Issuers not required to be so applied by such other Issuers (or otherwise required to be set aside by Funding for any Issuer) on that Payment Date (excluding the amount of any Issuer Reserve Fund or Issuer Liquidity Reserve Fund (if any) of any Issuer), shall constitute “**Shared Issuer Principal Receipts**”. Shared Issuer Principal Receipts will be reallocated by the Cash Manager and distributed on such Payment Date among the Issuers as payments of principal under the applicable Intercompany Loans to the extent required to make payments of principal due on the relevant Notes. Such reallocation and distribution will continue to be made on such Payment Date until there are no remaining amounts of Shared Issuer Principal Receipts to be reallocated and distributed on such Payment Date. Save as provided in paragraph (2) above, each Issuer will be entitled to receive a portion of the Shared Issuer Principal Receipts equal to:

$$\text{Shared Issuer Principal Receipts} \times \frac{\text{Outstanding Principal Balance of the Intercompany Loan of the Issuer}}{\text{Aggregate Outstanding Principal Balance of the Intercompany Loans of all Issuers}}$$

(7) The repayment of any Intercompany Loan prior to the occurrence of a Trigger Event, enforcement of the Issuer Security by the Note Trustee under the Issuer Deed of Charge or enforcement of the Funding Security by the Security Trustee under the Funding Deed of Charge will be made in accordance with the terms of the relevant Intercompany Loan Agreement.

Part III

The Security Trustee (or the Cash Manager on its behalf) will, subject to the rules for application of Funding Available Principal Receipts and Funding Available Revenue Receipts set out in Part I and Part II of this Schedule, apply all such amounts received or recovered following enforcement of the Funding Security on each Payment Date in accordance with the following order of priority (the “**Funding Post-Enforcement Priority of Payments**”):

- (A) *first*, to pay amounts due to the Security Trustee and any Receiver appointed by the Security Trustee, together with interest and (to the extent not already inclusive) VAT on those amounts, and to provide for any amounts due or to become due to the Security Trustee and the Receiver in the following Interest Period under the Funding Deed of Charge or any other Transaction Document;

- (D) *fourth*, (in no order of priority between them but in proportion to the respective amounts due) to each Issuer its share of Issuer Allocable Revenue Receipts and Issuer Allocable Principal Receipts towards payment of amounts of interest, principal and fees due to such Issuer under such Issuer’s Intercompany Loan Agreement, which in the case of that Issuer shall be up to the aggregate amount of the amounts, and shall be applied in the amounts and priorities, as set forth in the Issuer Post-Enforcement Priority of Payments for that Issuer;
- (E) *fifth*, towards payment of amounts due to each Issuer Start-up Loan Provider under the relevant Issuer Start-up Loan Agreement;

(F) *sixth*, towards payment of any Deferred Contribution due to the Mortgages Trustee under the Mortgages Trust Deed; and

(G) *last*, to pay any amount remaining following the application of principal and revenue set forth in paragraphs (A) through (F) above, to Funding,

Provided that for the avoidance of doubt funds standing to the credit of any Issuer Reserve Fund or Issuer Liquidity Reserve Fund of any Issuer shall only be applied in reduction of the liabilities owing under the Intercompany Loan of such Issuer.

So long as any of the Third Issuer Notes are rated by the Rating Agencies, the Third Issuer shall notify the Rating Agencies in writing as soon as reasonably practicable thereafter of any modification to the provisions of these presents, the Third Issuer Notes or any of the other Third Issuer Transaction Documents. The Note Trustee may also agree, without the consent of the Noteholders, to a change of the laws governing the Third Issuer Notes and/or the Third Issuer Transaction Documents *provided that* such change would not, in the opinion of the Note Trustee, be materially prejudicial to the interests of the Noteholders.
- 11.2 **Waiver:** Subject as expressly provided otherwise in the Third Issuer Notes or in any other Third Issuer Transaction Document, the Note Trustee may from time to time and at any time without the consent or sanction of the relevant class or classes of Noteholders and without prejudice to its rights in respect of any subsequent breach, but only if and in so far as in its opinion the interests of the relevant class or classes of Noteholders shall not be materially prejudiced thereby, waive or authorise any breach or proposed breach by the Third Issuer or any other party thereto of any of the covenants or provisions contained in these presents or in any of the other Third Issuer Transaction Documents or determine that any Note Event of Default shall not be treated as such for the purposes of these presents and the Third Issuer Notes *provided always that* the Note Trustee shall not exercise any powers conferred on it by this Clause in contravention of any express direction given by an Extraordinary Resolution, or of a request in writing made by the holders of not less than 25 per cent. in aggregate principal amount of the relevant class of Third Issuer Notes then outstanding, in accordance with the Third Issuer Conditions (but so that no such direction or request shall affect any waiver, authorisation or determination previously given or made). Any such waiver, authorisation or determination may be given or made on such terms and subject to such Third Issuer

Conditions (if any) as the Note Trustee may determine, shall be binding on the Noteholders and, if, but only if, the Note Trustee shall so require, shall be notified by the Third Issuer to the Noteholders in accordance with the Third Issuer Conditions as soon as practicable thereafter. The provisions of this Clause 11.2 shall be in lieu of Section 316(a)(1)(B) of the Trust Indenture Act and Section 316(a)(1)(B) of the Trust Indenture Act is hereby expressly excluded from these presents and the Third Issuer Notes, as permitted by the Trust Indenture Act.

- 11.3 **Material prejudice:** For the avoidance of doubt (in the context of deciding material prejudice in respect of Clauses 11.1 and 11.2), if the Note Trustee considers in its sole opinion that the Noteholders of the same class of any or all series to which the modification or waiver relates are materially prejudiced by such waivers, the Note Trustee will not be able to sanction such modification or waiver itself, and will instead require an Extraordinary Resolution of the Noteholders of the Third Issuer Notes of such class outstanding to be passed by means of a Meeting. In accordance with the general provision contained herein, such Extraordinary Resolution must also be ratified by the Noteholders of the Third Issuer Notes of the higher class or classes in order for the Extraordinary Resolution which seeks approval of the modification or waiver to be valid and effective.

12. **Entitlement to Treat holder as owner**

The Third Issuer, the Note Trustee and any Paying Agent may (to the fullest extent permitted by applicable laws) deem and treat the holder of any Note Certificate as the absolute owner of such Note Certificate, for all purposes (whether or not such Third Issuer Note represented by such Note Certificate shall be overdue and notwithstanding any notation of ownership or other writing thereon or any notice of loss or theft of such Note Certificate), and, except as ordered by a court of competent jurisdiction or as required by applicable law, the Third Issuer, the Note Trustee and the Paying Agents shall not be affected by any notice to the contrary. All payments made to any such holder shall be valid and, to the extent of the sums so paid, effective to satisfy and discharge the liability for the monies payable in respect of such Third Issuer Note.

13. **Currency Indemnity**

- 13.1 **Currency and Indemnity:** The sole currency of account and payment (the "**Contractual Currency**") for all sums payable by the Third Issuer under or in connection with these presents, the Third Issuer Notes and the other Third Issuer Secured Obligations including damages is (a) in relation to any class of Third Issuer Notes, the currency in which such class of Third Issuer Notes is denominated and (b) in relation to Clauses 9.1, 9.2, 9.3, 9.4, 9.5, 9.7 and 9.8, pounds sterling. An amount received or recovered in a currency other than the Contractual Currency (whether as a result of, or of the enforcement of, a judgment or order of a court of any jurisdiction, in the winding-up or dissolution of the Third Issuer or otherwise), by the Note Trustee or any Noteholder or other Third Issuer Secured Creditors in respect of any sum expressed to be due to it from the Third Issuer will only discharge the Third Issuer to the extent of the Contractual Currency amount which the recipient is able to purchase with the

amount so received or recovered in that other currency on the date of that receipt or recovery (or, if it is not practicable to make that purchase on that date, on the first date on which it is practicable to do so). If the Contractual Currency amount is less than the Contractual Currency amount expressed to be due to the recipient under these presents or the Third Issuer Notes, or the other Third Issuer Transaction Documents the Third Issuer will indemnify the recipient against any loss sustained by it as a result. In any event, the Third Issuer will indemnify the recipient against the cost of making any such purchase.

13.2 ***Indemnities Separate:*** The indemnities in these presents constitute separate and independent obligations from the other obligations in these presents and the other Third Issuer Transaction Documents, will give rise to separate and independent causes of action, will apply irrespective of any indulgence granted by the Note Trustee and/or any Noteholder or other Third Issuer Secured Creditor and will continue in full force and effect despite any judgment, order, claim or proof for a liquidated amount in respect of any sum due under these presents, the Third Issuer Notes, any other Third Issuer Transaction Documents or any other judgment or order. Any such loss as referred to in Clause 13.1 (*Currency and Indemnity*) shall be deemed to constitute a loss suffered by the Note Trustee, the Noteholders or the relevant Third Issuer Secured Creditors and no proof or evidence of any actual loss shall be required by the Third Issuer or its liquidator or liquidators.

14. **Appointment, Removal and Retirement of Note Trustee**

14.1 ***Power of Third Issuer:*** Subject to the provisions of this Clause 14, the power of appointing a new Note Trustee in place of an existing Note Trustee shall be vested in the Third Issuer but such appointment or removal must be approved by (save to the extent otherwise provided in the Third Issuer Conditions) an Extraordinary Resolution of the Senior Noteholders, the Mezzanine Noteholders, the Junior Noteholders and the Special Noteholders of the Notes then outstanding. A trust corporation may be appointed sole trustee hereof but subject thereto there shall be at least two trustees hereof, one at least of which shall be a trust corporation. Any appointment of a new Note Trustee and any retirement of an existing Note Trustee hereof shall as soon as practicable thereafter be notified by the Third Issuer to the Noteholders. Any new Note Trustee must meet the requirements set out in Clause 14.2 (*Eligibility and Disqualification*) and Clause 14.6 (*Retirement or Removal Not Effective*).

14.2 ***Eligibility and Disqualification:*** This Trust Deed shall always have a Note Trustee which shall be eligible to act as Note Trustee under Trust Indenture Act Sections 310(a)(1) and 310(a)(2). The Note Trustee shall have a combined capital and surplus of at least \$50,000,000 as set forth in its most recent published annual report of condition. If the Note Trustee has or shall acquire any "**conflicting interest**" within the meaning of Trust Indenture Act Section 310(b), the Note Trustee and the Third Issuer shall comply with the provisions of Trust Indenture Act Section 310(b); provided, however, that there shall be excluded from the operation of Trust Indenture Act Section 310(b)(1) any deed or deeds under which other securities or certificates of interest or participation in other securities of the Third Issuer are outstanding if the requirements for such exclusion set forth in Trust Indenture Act Section

310(b)(1) are met. If at any time the Note Trustee shall cease to be eligible in accordance with the provisions of this Clause 14.2 (*Eligibility and Disqualification*), the Note Trustee shall resign promptly in the manner and with the effect specified in Clause 14.5 (*Retirement or Removal of Note Trustee*).

14.3 ***Powers of Note Trustee to appoint:*** Notwithstanding the provisions of Clause 14.1 (*Power of Third Issuer*), the Note Trustee may (as attorney for the Third Issuer) upon giving prior notice to the Third Issuer but without the consent of the Third Issuer or the Noteholders appoint any person established or resident in any jurisdiction (whether a trust corporation or not) to act either as a separate trustee or as a co-trustee jointly with the Note Trustee:

- (a) if the Note Trustee considers such appointment to be in the interests of the Noteholders; or
- (b) for the purposes of conforming to any legal requirements, restrictions or Third Issuer Conditions in any jurisdiction in which any particular act or acts is or are to be performed; or
- (c) for the purposes of obtaining a judgment in any jurisdiction or the enforcement in any jurisdiction of either a judgment already obtained or any of the provisions of these presents or any of the other Third Issuer Transaction Documents against the Third Issuer or any other party thereto.

The Third Issuer hereby irrevocably appoints the Note Trustee to be its attorney in its name and on its behalf to execute any such instrument of appointment. Such a person shall (subject always to the provisions of these presents and any other Third Issuer Transaction Document to which the Note Trustee is a party) have such trusts, powers, authorities and discretions (not exceeding those conferred on the Note Trustee by these presents or any of the other Third Issuer Transaction Documents to which the Note Trustee is a party) and such duties and obligations as shall be conferred or imposed on it by the instrument of appointment. The Note Trustee shall have power in like manner to remove any such person. Such proper remuneration as the Note Trustee may pay to any such person, together with any attributable costs, charges and expenses incurred by it in performing its function as such separate trustee or co-trustee, shall for the purposes of these presents be treated as costs, charges and expenses incurred by the Note Trustee.

14.4 ***Multiple Trustees:*** Whenever there shall be more than two trustees hereof, the majority of such trustees shall (provided such majority includes a trust corporation) be competent to execute and exercise all the trusts, powers, authorities and discretions vested by these presents and any of the other Third Issuer Transaction Documents in the Note Trustee generally.

14.5 ***Retirement or Removal of Note Trustee:*** Subject as provided in Clause 14.6 (*Retirement or Removal not Effective*), any Note Trustee for the time being of this Deed may retire at any time upon giving not less than three months' prior notice in writing to the Third Issuer without assigning any reason therefor and without being responsible for any costs resulting

from such retirement. The Noteholders may by Extraordinary Resolution of each class of Noteholders remove any trustee or trustees for the time being of these presents

- 14.6 ***Retirement or Removal not Effective:*** The retirement or removal of any Note Trustee shall not become effective unless (i) there remains at least one trustee hereof being a trust corporation in office upon such retirement or removal and (ii) while the Bank of New York remains Note Trustee, the Bank of New York, in its capacity as Security Trustee shall also retire or be removed simultaneously. The Third Issuer covenants that, in the event of a trustee (being a sole trustee or the only trust corporation) giving notice or being removed under Clause 14.5 (*Retirement or Removal of Note Trustee*) it shall use its best endeavours to procure a new Note Trustee of these presents (being a trust corporation) to be appointed as soon as reasonably practicable thereafter (for the avoidance of doubt, on the same terms as these presents). If within 30 days of having given notice of its intention to retire, the Third Issuer has failed to appoint a replacement Note Trustee, the outgoing Note Trustee will be entitled to appoint its successor provided that the Rating Agencies confirm that the then current ratings of the Third Issuer Notes shall not be either downgraded or reviewed as a result of such appointment.

15. **Trust Indenture Act Prevails**

If any provision of these presents limits, qualifies or conflicts with another provision which is required to be included in these presents by, and is not subject to a contractual waiver under, the Trust Indenture Act, the required provision of the Trust Indenture Act shall be deemed to be incorporated into these presents and shall prevail.

16. **Certificates and Opinions**

- 16.1 ***Evidence of Compliance as to Conditions Precedent:*** Upon any request or application by the Third Issuer to the Note Trustee to take any action under this Trust Deed or these presents, the Third Issuer shall furnish to the Note Trustee in accordance with Section 314(c) of the Trust Indenture Act:

- (a) an Officers' Certificate (which shall include the statements set forth in Clause 16.2 (*Statements Required in Certificates and Opinions*) below stating that, in the opinion of the signers, all conditions precedent, if any, provided for in this Trust Deed relating to the proposed action have been complied with; and
- (b) an Opinion of Counsel (which shall include the statements set forth in Clause 16.2 (*Statements Required in Certificates and Opinions*) below) stating that, in the opinion of such counsel, all such conditions precedent, if any, provided for in this Trust Deed relating to the proposed action have been complied with.

- 16.2 ***Statements required in Certificates and Opinions:*** Each certificate and opinion with respect to compliance with a condition or covenant provided for in these presents or these presents, in accordance with Section 314(e) of the Trust Indenture Act, shall include:

- (a) a statement that the person making such certificate or opinion has read such covenant or condition and the definitions relating thereto;
- (b) a brief statement as to the nature and scope of the examination or investigation upon which the statements or opinions contained in such certificate or opinion are based;
- (c) a statement that, in the opinion of such person, it or he has made such examination or investigation as is necessary to enable such person to express an informed opinion as to whether or not such covenant or condition has been complied with; and
- (d) a statement as to whether or not, in the opinion of such person, such covenant or condition has been complied with.

17. **Release of Collateral**

17.1 **Limitation on Release:** Except to the extent expressly provided in this Clause 17, the Note Trustee shall release the property from the security constituted by the Third Issuer Deed of Charge only upon receipt of a request from the Third Issuer accompanied by an Officers' Certificate, an Opinion of Counsel and certificates of independent parties in accordance with Trust Indenture Act Sections 314(c) and 314(d)(1) ("**Independent Certificates**") or an Opinion of Counsel in lieu of such Independent Certificates to the effect that the Trust Indenture Act does not require any such Independent Certificates.

17.2 **Fair Value:** Prior to the release of any property or securities subject to the lien of the Third Issuer Deed of Charge, the Third Issuer shall, in addition to any obligation imposed in this Clause 17 or elsewhere in these presents, furnish to the Note Trustee an Officers' Certificate certifying or stating the opinion of each person signing such certificate as to the fair value to the Third Issuer of the property or securities to be so released. The officers so certifying may consult with, and may conclusively rely upon a certificate as to the fair value of such property provided to such officers by an internationally recognised financial institution with expertise in such matters. Whenever the Third Issuer is required to furnish to the Note Trustee an Officers' Certificate certifying or stating the opinion of any signer thereof as to the matters described in this Clause 17.2, the Third Issuer shall also deliver to the Note Trustee an Independent Certificate as to the same matters, if the fair value to the Third Issuer of the property to be so released and of all other such property made the basis of any such release since the commencement of the then current fiscal year of the Third Issuer, as set forth in the certificates delivered pursuant to this Clause 17, is 10% or more of the Principal Amount Outstanding of the Third Issuer Notes, but such a certificate need not be furnished with respect to any property so released if the fair value thereof to the Third Issuer as set forth in the related Officers' Certificate is less than \$25,000 (or its equivalent) or less than one per cent. of the Principal Amount Outstanding of the Third Issuer Notes.

17.3 **No Impairment:** Whenever any property is to be released from the security constituted by the Third Issuer Deed of Charge, the Third Issuer shall also furnish to the Note Trustee an Officer's Certificate certifying or stating the opinion of each person signing such certificate

that in the opinion of such person the proposed release will not impair the security under the Third Issuer Deed of Charge in contravention of the provisions hereof.

- 17.4 ***Payments under Third Issuer Transaction Documents:*** Notwithstanding anything to the contrary contained herein, the Third Issuer may (a) make cash payments out of the Third Issuer Bank Accounts relating to the Third Issuer Notes as and to the extent permitted or required by the Third Issuer Transaction Documents (b) act in relation to the Third Issuer Charged Property as permitted under the Third Issuer Deed of Charge and (c) take any other action not inconsistent with the Trust Indenture Act.

18. **Rights Cumulative**

The respective rights of the Note Trustee and the Noteholders to these presents are cumulative and may be exercised as often as each considers appropriate and are in addition to their respective rights under the general law. No failure on the part of the Note Trustee or any Noteholder to exercise, and no delay in exercising, any right hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such right preclude any other or further exercise thereof or the exercise of any other right. The remedies in these presents are cumulative and not exclusive of any remedies provided by law.

- (iii) Any Proxy or Representative shall, so long as such appointment remains in force, be deemed for all purposes in connection with the relevant Meeting, to be the holder of the Third Issuer Notes to which such appointment relates and the holder of the Third Issuer Notes shall be deemed for such purposes not to be the holder.

2. **Convening of Meeting**

The Third Issuer or the Note Trustee may convene a Meeting at any time, and the Note Trustee shall be obliged to do so subject to it being indemnified to its satisfaction upon a request in writing of Noteholders holding not less than one-tenth in principal amount of the outstanding Third Issuer Notes of any class or classes entitled to vote and, if the Third Issuer defaults for a period of seven days in convening such a Meeting, the same may be convened by the Note Trustee or the requisitionists. Every such Meeting shall be held on such date and at such time and place as the Note Trustee may appoint or approve.

3. **Notice**

At least 21 days' notice (exclusive of the day on which the notice is given and the day on which the Meeting is to be held) specifying the place, day and hour of Meeting shall be given to the Noteholders or, as the case may be the Noteholders of any class of Third Issuer Notes entitled to vote, the Paying Agents, the Agent Bank and the Registrar prior to any Meeting. Such notice, which shall be in the English language, shall state generally the nature of the business to be transacted at the Meeting thereby convened and shall specify the terms of any resolution to be proposed. Such notice shall include statements, if applicable, to the effect that (a) Third Issuer Notes may be blocked in clearing systems for the purposes of appointing Proxies under Block Voting Instructions until 48 hours before the time fixed for the Meeting and (b) a Noteholder may appoint a Proxy *either* (i) under a Block Voting Instruction by delivering written instructions to the Registrar *or* (ii) by executing and delivering a Form of Proxy to the Specified Office of the Registrar, in either case until 48 hours before the time fixed for the Meeting. A copy of the notice shall be sent by post to the Note Trustee (unless the Meeting is convened by the Note Trustee) and, to the Third Issuer (unless the Meeting is convened by the Third Issuer).

4. Chairman

A person (who may, but need not be, a Noteholder) nominated in writing by the Note Trustee shall be entitled to take the chair at the relevant Meeting, but if no such nomination is made or if at any Meeting the person nominated shall not be present within 15 minutes after the time appointed for holding the Meeting the Noteholders present shall choose one of their number to be Chairman, failing which the Third Issuer may appoint a Chairman. The Chairman of an adjourned Meeting need not be the same person as was Chairman of the Meeting from which the adjournment took place.

5. Quorum

Subject as provided in the Third Issuer Conditions:

- (a) any such Meeting of two or more persons present holding Third Issuer Notes or being Proxies or Representatives and holding or representing in the aggregate not less than one-twentieth of the principal amount of the Third Issuer Notes of the relevant class or classes for the time being outstanding (or, at any adjourned Meeting, two or more persons being or representing Noteholders whatever the aggregate Principal Amount Outstanding of the Third Issuer Notes of the relevant class or classes) shall (except for the purpose of passing an Extraordinary Resolution) form a quorum for the transaction of business and no business (other than the choosing of a Chairman) shall be transacted at any Meeting unless the requisite quorum be present at the commencement of the relevant business;
- (b) the quorum at any such Meeting for passing an Extraordinary Resolution other than an Extraordinary Resolution to sanction a Basic Term Modification shall (subject as provided below) be two or more persons present holding or representing Third Issuer Notes or being Proxies or Representatives and holding or representing in the aggregate more than half of the aggregate principal amount of the Third Issuer Notes outstanding (as defined in Clause 1.2 herein) of the Third Issuer Notes of the relevant class or classes (or, at any adjourned Meeting, two or more persons being or representing Noteholders whatever the aggregate principal amount of the Third Issuer Notes outstanding (as defined in Clause 1.2 herein) of the relevant class or classes so held or represented); or
- (c) at any Meeting the business of which includes the passing of an Extraordinary Resolution to sanction a Basic Terms Modification,

the quorum for passing the requisite Extraordinary Resolution shall be two or more persons present holding Third Issuer Notes or being Proxies or Representatives and holding or representing in the aggregate not less than three quarters in aggregate principal amount of the Third Issuer Notes outstanding (as defined in Clause 1.2 herein) of the relevant class or classes (or, at any adjourned Meeting, two or more persons present holding or representing in the aggregate not less than one quarter in aggregate principal amount of the Third Issuer Notes outstanding (as defined in Clause 1.2 herein) of the relevant class or classes);

Provided always that so long as at least the relevant fraction of the aggregate Principal Amount Outstanding of the relevant class of Third Issuer Notes referred to in sub-paragraph (a), (b) or (c) above, as the case may be, is represented by a Global Note Certificate or a single Individual Note Certificate, a single person being a Proxy or Representative of such class of Third Issuer Notes represented thereby shall be deemed to be two persons for the purpose of forming a quorum.

6. Adjournment for want of quorum

If within 15 minutes (or such longer period not exceeding 30 minutes as the Chairman may decide) after the time appointed for any Meeting a quorum is not present for the transaction of any particular business, then, subject and without prejudice to the transaction of the business (if any) for which a quorum is present:

- (a) if convened upon the requisition of Noteholders, the Meeting shall be dissolved; and
- (b) in any other case, the Meeting shall stand adjourned to the same day in the next week (or if such day is a public holiday the next succeeding Business Day) at the same time and place (except in the case of a Meeting at which an Extraordinary Resolution is to be proposed in which case it shall stand adjourned for such period, being not less than 13 clear days nor more than 42 clear days, and to such place as may be appointed by the Chairman either at or subsequent to such Meeting and approved by the Note Trustee).

Provided, however, that, if within 15 minutes (or such longer period not exceeding 30 minutes as the Chairman may decide) after the time appointed for any adjourned Meeting a quorum is not present for the transaction of any particular business, then, subject and without prejudice to the transaction of the business (if any) for which a quorum is present, the Meeting shall be dissolved as no Meeting may be adjourned more than once for want of a quorum.

7. Notice following Adjournment

Notice of any adjourned Meeting at which an Extraordinary Resolution is to be submitted shall be given in the same manner as notice of an original Meeting as provided in paragraph 3 above, but as if 10 days notice (exclusive of the day on which the notice is given and the day on which the Meeting is to be resumed) were substituted for the 21 days notice as provided in paragraph 3 above, and such notice shall specifically state the relevant quorum requirements which will apply when the Meeting resumes. Subject as aforesaid it shall not be necessary to give any notice of an adjourned Meeting.

8. Show of hands

Every question submitted to a Meeting shall be decided in the first instance by a show of hands and in case of equality of votes the Chairman shall both on a show of hands and on a poll have a casting vote in addition to the vote or votes (if any) to which he may be entitled as a Noteholder or as a Proxy or as a Representative.

9. Chairman's declaration

At any Meeting, unless a poll is (before or on the declaration of the result of the show of hands) validly demanded by the Chairman, the Third Issuer, the Note Trustee or any person present holding a Individual Note Certificate or being a Proxy or Representative (whatever the principal amount of the Third Issuer Notes so held or represented by him) a declaration by the Chairman that a resolution has been carried or carried by a particular majority or lost or not carried by a particular majority shall be conclusive evidence of the fact without proof of the number or proportion of the votes recorded in favour of or against such resolution.

10. Poll

Subject to paragraph 12 below, if at such Meeting a poll is demanded it shall be taken in such manner and subject as hereinafter provided either at once or after an adjournment as the Chairman directs and the result of such poll shall be deemed to be the resolution of the Meeting at which the poll was demanded as at the date of the taking of the poll. The demand for a poll shall not prevent the continuance of the Meeting for the transaction of any business other than the motion on which the poll has been demanded.

11. Adjourned Meeting

The Chairman may with the consent of (and shall if directed by) any such Meeting adjourn the same from time to time and from place to place, but no business shall be transacted at any adjourned Meeting except business which might lawfully (but for lack of required quorum) have been transacted at the Meeting from which the adjournment took place.

12. Limitation on Adjournments

Any poll demanded at any adjourned Meeting on the election of a Chairman or on any question of adjournment shall be taken at the Meeting without adjournment.

13. Participation

Any Proxy and/or Representative, the Note Trustee and its lawyers and financial advisers and any director, officer or employee of a corporation being a trustee of the Third Issuer Trust Deed and any director or officer of the Third Issuer and its lawyers and financial advisers, the Registrar, and any other person authorised so to do by the Meeting or the Note Trustee may attend and speak at any Meeting. Save as aforesaid, but without prejudice to the definition of "Principal Amount Outstanding", no person shall be entitled to attend and speak nor shall any person be entitled to vote at any Meeting or join with others in requesting the convening of such a Meeting or to exercise the rights conferred on the Noteholders by Clause 7 (*Proceedings, Actions and Indemnification*) of the Third Issuer Trust Deed unless he either produces a Note Certificate or is a Proxy or a Representative or is the holder of an Individual Note Certificate or Individual Note Certificates. No person shall be entitled to vote at any Meeting in respect of Third Issuer Notes held by, for the benefit of, or on behalf of, the Third Issuer or the Borrowers. Nothing herein shall prevent any of the Proxies named in any Block Voting Instruction or Form of Proxy or any Representative from being a director, officer or representative of or otherwise connected with the Third Issuer.

14. Votes

Subject as provided in paragraph 13 hereof at any Meeting:

- (a) on a show of hands every person who is present in person and is a holder of Third Issuer Notes or is a Proxy or Representative shall have one vote; and
- (b) on a poll every such person who is so present shall have one vote in respect of each US\$10,000 (in the case of the Dollar Notes) or £10,000 (in the case of the Sterling Notes) or €10,000 (in the case of the Euro Notes) in Principal Amount Outstanding of the Third Issuer Notes in respect of which he is a Proxy or Representative or in respect of which he is the holder.

Without prejudice to the obligations of the proxies named in any Block Voting Instruction or Form of Proxy any person entitled to more than one vote need not use all his votes or cast all the votes to which he is entitled in the same way.

15. Proxies need not be Noteholders

The Proxies named in any Block Voting Instruction or Form of Proxy and representatives need not be Noteholders.

16. Deposit of votes

Each Block Voting Instruction together (if so requested by the Note Trustee) with proof satisfactory to the Note Trustee of its due execution on behalf of the Registrar and each Form of Proxy shall be deposited by the Registrar at such place as the Note Trustee shall approve not less than 24 hours before the time appointed for holding the Meeting or adjourned Meeting at which the Proxies named in the Block Voting Instruction or Form of Proxy propose to vote and in default the Block Voting Instruction or Form of Proxy shall not be treated as valid unless the Chairman decides otherwise before such Meeting or adjourned Meeting proceeds to business. A notarially certified copy of each Block Voting Instruction and Form of Proxy shall be deposited with the Note Trustee before the commencement of the Meeting or adjourned Meeting but the Note Trustee shall not thereby be obliged to investigate or be concerned with the validity of or the authority of the Proxies named in any such Block Voting Instruction or Form of Proxy.

17. Validity of Votes by Proxies

Any vote by a Proxy given in accordance with the terms of a Block Voting Instruction or Form of Proxy shall be valid notwithstanding the previous revocation or amendment of the Block Voting Instruction or the Form of Proxy or of any of the Noteholders' instructions pursuant to which it was executed *provided that* no intimation in writing of such revocation or amendment shall have been received from the Noteholder by the Registrar by the time being 24 hours before the time appointed for holding the Meeting or adjourned Meeting at which the Block Voting Instruction or Form of Proxy is to be used. Unless revoked, any appointment of a Proxy under a Block Voting Instruction or Form of Proxy in relation to a Meeting shall remain in force in relation to any resumption of such Meeting following an

adjournment; *provided, however, that* no such appointment of a Proxy in relation to a Meeting originally convened which has been adjourned for want of a quorum shall remain in force in relation to such Meeting when it is resumed. Any person appointed to vote at such a Meeting must be re-appointed under a Block Voting Instruction or Form of Proxy to vote at the Meeting when it is resumed.

18. Record Date

The Third Issuer may fix a record date for the purposes of any Meeting or any resumption thereof following its adjournment for want of a quorum *provided that* such record date is not more than 10 days prior to the time fixed for such Meeting or (as the case may be) its resumption. The person in whose name a Third Issuer Note is registered in the Register on the record date at close of business in the city in which the Registrar has its Specified Office shall be deemed to be the holder of such Third Issuer Note for the purposes of such Meeting and notwithstanding any subsequent transfer of such Third Issuer Note or entries in the Register; and *provided that* any Proxy appointed pursuant to a Form of Proxy shall so long as such appointment remains in force, be deemed for all purposes in connection with any Meeting or proposed Meeting specified in such appointment, to be the holder of the Third Issuer Note to which such appointment relates and the holder of the Third Issuer Note shall be deemed for the purposes not to be the holder.

19. Powers

Subject always to the provisions of Clause 11 (*Modification and Waiver*) of the Third Issuer Trust Deed and the Third Issuer Conditions, a Meeting shall, in addition to the powers hereinbefore given, have the following powers exercisable only by Extraordinary Resolution (subject to the provisions relating to quorum contained in paragraphs 5 and 6 above) namely:

- (A) power to sanction any compromise or arrangement proposed to be made between the Third Issuer, the Note Trustee, any appointee of the Note Trustee and the Noteholders or any of them;
- (B) power to sanction any abrogation, modification, compromise or arrangement in respect of the rights of the Note Trustee, any appointee of the Note Trustee, the Noteholders or the Third Issuer against any other or others of them or against any other party to any of the Third Issuer Transaction Documents or against any of their property whether such rights shall arise under the Third Issuer Trust Deed, any other Third Issuer Transaction Document or otherwise;
- (C) power to assent to any modification of the provisions of the Third Issuer Conditions, the Third Issuer Trust Deed or any other Third Issuer Transaction Document which shall be proposed by the Third Issuer, the Note Trustee, or any Noteholder or any other person;
- (D) power to give any authority or sanction which under the provisions of the Third Issuer Conditions or the Third Issuer Trust Deed is required to be given by Extraordinary Resolution;

- (E) power to appoint any persons (whether Noteholders or not) as a committee or committees to represent the interests of the Noteholders and to confer upon such committee or committees any powers or discretions which the Noteholders could themselves exercise by Extraordinary Resolution;
- (F) power to approve of a person to be appointed a trustee and power to remove any trustee or trustees for the time being of the Third Issuer Trust Deed;
- (G) power to discharge or exonerate the Note Trustee and/or any appointee of the Note Trustee from all liability in respect of any act or omission for which the Note Trustee and/or such appointee may have become responsible under the Third Issuer Trust Deed;
- (H) power to remove any trustee;
- (I) power to authorise the Note Trustee and/or any appointee of the Note Trustee to concur in and execute and do all such deeds, instruments, acts and things as may be necessary to carry out and give effect to any Extraordinary Resolution;
- (J) power to sanction any scheme or proposal for the exchange or sale of the Third Issuer Notes for or the conversion of the Third Issuer Notes into or the cancellation of the Third Issuer Notes in consideration of shares, stock, notes, bonds, debentures, debenture stock and/or other obligations and/or notes of the Third Issuer or any other company formed or to be formed, or for or into or in consideration of cash, or partly for or into or in consideration of such shares, stock, notes, bonds, debentures, debenture stock and/or other obligations and/or notes as aforesaid and partly for or into or in consideration of cash and for the appointment of some person with power on behalf of the Noteholders to execute an instrument of transfer of the Individual Note Certificates held by them in favour of the persons with or to whom the Third Issuer Notes are to be exchanged or sold respectively,

provided, however, that:

- (i) no Extraordinary Resolution of the Senior Noteholders or the Mezzanine Noteholders or the Junior Noteholders or the Special Noteholders to sanction a Basic Terms Modification shall be effective for any purpose unless it shall have been sanctioned by an Extraordinary Resolution of (in the case of an Extraordinary Resolution of the Senior Noteholders) the Mezzanine Noteholders, the Junior Noteholders and the Special Noteholders or (in the case of an Extraordinary Resolution of the Mezzanine Noteholders) the Senior Noteholders (to the extent that any Senior Notes are then outstanding), the Junior Noteholders and the Special Noteholders, or (in the case of an Extraordinary Resolution of the Junior Noteholders) the Senior Noteholders, the Mezzanine Noteholders (to the extent that any Senior Notes and/or Mezzanine Notes are then outstanding) and the Special Noteholders or (in the case of an Extraordinary Resolution of the Special Noteholders) the Senior Noteholders, the Mezzanine Noteholders and the Junior Noteholders (to the extent that any Senior Notes and/or Mezzanine Notes and/or Junior Notes are then outstanding).

- (ii) subject as provided above in relation to an Extraordinary Resolution concerning a Basic Terms Modification, no Extraordinary Resolution of the Mezzanine Noteholders shall be effective for any purpose while any Senior Notes remain outstanding unless either (aa) the Note Trustee is of the opinion that it will not be materially prejudicial to the interests of any or all of the Senior Noteholders or (bb) it is sanctioned by an Extraordinary Resolution of the Senior Noteholders.
- (iii) subject as provided above in relation to an Extraordinary Resolution concerning a Basic Terms Modification, no Extraordinary Resolution of the Junior Noteholders shall be effective for any purpose while any Senior Notes or Mezzanine Notes remain outstanding unless either (aa) the Note Trustee is of the opinion that it will not be materially prejudicial to the interests of any or all of the Senior Noteholders and/or the Mezzanine Noteholders (as the case may be) or (bb) it is sanctioned by an Extraordinary Resolution of the Senior Noteholders and/or the Mezzanine Noteholders (as the case may be).
- (iv) subject as provided above in relation to an Extraordinary Resolution concerning a Basic Terms Modification, no Extraordinary Resolution of the Special Noteholders shall be effective for any purpose while any Senior Notes, Mezzanine Notes or Junior Notes remain outstanding unless either (aa) the Note Trustee is of the opinion that it will not be materially prejudicial to the interests of any or all of the Senior Noteholders and/or the Mezzanine Noteholders and/or the Junior Noteholders (as the case may be) or (bb) it is sanctioned by an Extraordinary Resolution of the Senior Noteholders and/or the Mezzanine Noteholders and/or the Junior Noteholders (as the case may be).
- (v) for the avoidance of doubt (in the context of deciding material prejudice in respect of sub-clauses (ii), (iii) and (iv) above, if the Note Trustee considers in its sole opinion that the Noteholders of the same class of Notes of any or all series are materially prejudiced, the Note Trustee will not be able to sanction the Meeting of the Noteholders of the lower class itself, and will instead require an Extraordinary Resolution of the Noteholders of the higher class or classes to be passed by means of a Meeting in order for the Extraordinary Resolution of the Noteholders of the lower class to be valid and effective.

20. Extraordinary Resolution binds all Noteholders

Subject to the provisos to paragraph 19, any Extraordinary Resolution passed at a Meeting duly convened and held in accordance with the Third Issuer Trust Deed shall be binding upon the Noteholders of all classes whether present or not present at such Meeting and whether or not voting and each of them shall be bound to give effect thereto accordingly and the passing of any such Extraordinary Resolution shall be conclusive evidence that the circumstances justify the passing thereof. Notice of the result of the voting on any Extraordinary Resolution duly considered by the Noteholders shall be given by the Third Issuer to the Noteholders in accordance with Condition 14 within 14 days of such result being known *provided that* the non-publication of such notice shall not invalidate such result.

11. Agents to act for Note Trustee

11.1 Actions of Agents after Notice by Note Trustee of a Note Event of Default: At any time after a Note Event of Default in respect of the Third Issuer Notes or any of them shall have occurred (which shall not have been waived by the Note Trustee or remedied to its satisfaction), the Paying Agents, the Agent Bank, the Transfer Agent and the Registrar shall, if so required by notice in writing given by the Note Trustee to the Third Issuer and the Agents (or such of them as are specified in such notice):

12. Fees and Expenses

entitled to treat the registered holder of any Third Issuer Note as the absolute owner of such Third Issuer Note for all purposes and (save as expressly provided hereunder) make payments thereon.

13.2 *Provision of Specimen Signatures:* The Third Issuer will supply the Paying Agents, the Transfer Agent and the Registrar with the names and specimen signatures of its Authorised Signatories.

13.3 *Extent of Duties:* Each Agent shall only be obliged to perform the duties set out herein and such other duties as are necessarily incidental thereto. 13.4 *Freedom to Transact:* Each Agent may purchase, hold and dispose of beneficial interests in a Third Issuer Note and may enter into any transaction (including, without limitation, any depository, trust or agency transaction) with the Third Issuer or any holders or owners of any Third Issuer Notes or with any other party hereto in the same manner as if it had not been appointed as the agent of the Third Issuer or the Note Trustee in relation to the Third Issuer Notes.

13.5 *Indemnity in favour of the Agents:* The Third Issuer agrees to indemnify each Agent for, and to hold such Agent harmless against, any loss, liability or expense incurred by it arising out of, or in connection with, its acting as agent of the Third Issuer or the Note Trustee in relation to the Third Issuer Notes provided that such loss, liability and/or expense has not arisen as a result of its own fraud, negligence, wilful misconduct or breach of contract. No termination of this Agreement shall affect the obligations created by this Clause 13.5.

13.6 *Indemnity in favour of the Third Issuer:* Each Agent shall severally indemnify the Third Issuer and, for the purposes of Clause 11 (*Agents to act for Note Trustee*), the Note Trustee, against any loss, liability, reasonable costs and expenses including any claim, action or demand which the Third Issuer or Note Trustee may incur or which may be made against it as a result of the breach by such Agent of the terms of this Agreement or its negligence, breach of contract, bad faith or wilful misconduct or that of its officers or employees including any failure to obtain and maintain in existence any consent, authorisation, permission or licence required by it for the assumption, exercise and performance of its powers and duties hereunder. No termination of this Agreement shall affect the obligations created by this Clause 13.6.

14. No Liability for Consequential Loss

No Paying Agent shall in any event be liable to the Third Issuer or to any other party to the Third Issuer Transaction Documents for any special, indirect, punitive or

consequential loss or damage of any kind whatsoever (including but not limited to lost profits), whether or not foreseeable and in each case however caused or arising.

15. Termination of Appointment

15.1 Resignation: Subject to Clause 15.8 (*Limitations on Resignation and Revocation*), each Paying Agent in respect of any or all classes of Third Issuer Notes or the Agent Bank, the Registrar or the Transfer Agent may resign its appointment upon not less than 60 days' written notice to the Third Issuer, the Third Issuer Cash Manager and the Note Trustee to that effect, provided, however, that

- (a) if such resignation would otherwise take effect less than 30 days before or after the maturity date or other date for redemption of the Third Issuer Notes or any Payment Date in relation to the Third Issuer Notes, it shall not take effect until the thirtieth day following such date; and
- (b) in the case of the Registrar, the only remaining Paying Agent with its Specified Office in the United Kingdom, the Agent Bank or the only remaining Paying Agent with its Specified Office outside the United Kingdom, such resignation shall not take effect until a successor has been duly appointed in accordance with Clause 15.4 (*Additional and Successor Agents*) and notice of such appointment has been given to the Noteholders.

15.2 Revocation: Subject to Clause 15.7 (*Limitations on Resignation and Revocation*), the Third Issuer may at any time with the prior written consent of the Note Trustee revoke its appointment of any Agent as its agent in relation to the Third Issuer Notes by not less than 60 days' written notice to the Note Trustee and such Agent whose appointment is to be revoked, which notice shall expire not less than 30 days before a Payment Date, provided, however, that in the case of the Registrar, the Principal Paying Agent, the Agent Bank or the only remaining Paying Agent with its Specified Office outside the United Kingdom, such resignation shall not take effect until a successor has been duly appointed consistently with Clause 15.4 (*Additional and Successor Agents*) and notice of such appointment has been given to the Noteholders.

15.3 Automatic Termination: The appointment of any Agent shall terminate forthwith if at any time:

- (a) such Agent becomes incapable of acting;
- (b) a secured party takes possession, or a receiver, manager or other similar officer is appointed, of the whole or any part of the undertaking, assets and revenues of such Agent;
- (c) such Agent admits in writing its insolvency or inability to pay its debts as they fall due or suspends payments of its debts;

- (f) an order is made or an effective resolution is passed for the winding up of such Agent; or
- (g) any event occurs which has an analogous effect to any of the foregoing in relation to such Agent.

On the occurrence of any of the above, the relevant Agent shall forthwith notify the Third Issuer, the Third Issuer Cash Manager, the Note Trustee and the Paying Agents. If the appointment of the Registrar or the only remaining Principal Agent with a Specified Office in the United Kingdom, the Agent Bank or the only remaining Paying Agent with its Specified Office outside of the United Kingdom is terminated in accordance with the preceding sentence, the Third Issuer shall forthwith appoint a successor in accordance with Clause 15.4 (*Additional and Successor Agents*).

15.4 *Additional and Successor Agents:* The Third Issuer may with the prior written approval of the Note Trustee appoint a successor principal paying agent, US paying agent, agent bank or registrar and additional or successor transfer agents or paying agents and shall forthwith give notice of any such appointment to the continuing Agents, the Noteholders, the Third Issuer Cash Manager and the Note Trustee, whereupon the successor or additional agents shall acquire and become subject to the same rights and obligations between themselves as if they had entered into an agreement in the form *mutatis mutandis* of this Agreement.

15.5 *Agent may appoint Successor:* If any Agent gives notice of its resignation in accordance with Clause 15.1 (*Resignation*) and by the tenth day before the expiration of such notice a successor agent has not been duly appointed in accordance with Clause 15.4 (*Additional and Successor Agents*), such Agent may itself, following such consultation with the Third Issuer as is practicable in the circumstances and with the prior written approval of the Note Trustee and the Third Issuer (provided such failure to appoint was not due to default by the Third Issuer), appoint as its successor agent any reputable and experienced bank or financial institution and give notice of such appointment to the Third Issuer, the Note Trustee, the Third Issuer Cash Manager, the remaining Agents and the Noteholders.

15.6 *Rights of Successor Agent:* Upon the execution by the Third Issuer and any successor agent of an instrument effecting the appointment of a successor agent, such successor

agent shall, without any further act, deed or conveyance, become vested with all the authority, rights, powers, trusts, immunities, duties and obligations of its predecessor with like effect as if originally named as the relevant agent herein and such predecessor, upon payment to it of the pro rata proportion of its administration fee and disbursements then unpaid (if any), shall thereupon become obliged to transfer, deliver and pay over, and such successor agent shall be entitled to receive, all monies, records and documents (including any Note Certificates of the relevant class or classes of Third Issuer Notes, if any) held by such predecessor hereunder.

15.7 *Maintenance of a Paying Agent in the European Union:* The Third Issuer undertakes that, if the conclusions of the ECOFIN Council meeting of 26-27 November 2000 are implemented, it shall ensure that it maintains a Paying Agent in a European Union member state that will not be obliged to withhold or deduct tax pursuant to the Directive.

15.8 *Limitations on Resignation and Revocation:* Notwithstanding Clause 15.1 (*Resignation*) and Clause 15.2 (*Revocation*):

- (a) if at any time there should be only one Paying Agent, no resignation by or termination of the appointment of the Paying Agent shall take effect until a successor paying agent in respect of the affected class or classes of Third Issuer Notes approved in writing by the Note Trustee has been appointed on terms previously approved in writing by the Note Trustee;
- (b) no resignation by or termination of the appointment of any Paying Agent shall take effect if as a result of such resignation or termination there would cease to be a Paying Agent in respect of the affected class or classes of Third Issuer Notes having a Specified Office in London or New York (as the case may be);
- (c) no appointment or termination of the appointment of a Paying Agent shall take effect unless and until notice thereof shall have been given to the relevant Noteholders in accordance with the Third Issuer Conditions;
- (d) no resignation by or revocation of the appointment of the Agent Bank shall take effect until a new Agent Bank having its Specified Office in London has been appointed;
- (e) no resignation by or termination of the appointment of the Registrar shall take effect until a new Registrar having its Specified Office in London has been appointed; and
- (f) the appointment of any additional Paying Agent shall be *mutatis mutandis* on the terms and subject to the conditions of this Agreement and each of the parties hereto shall co-operate fully to do all such further acts and things and execute any

further documents as may be necessary or desirable to give effect to the appointment of such Paying Agent.

15.9 *Effect of Resignation, Revocation and Termination:* Upon any resignation or revocation taking effect under Clause 15.1 (*Resignation*) or Clause 15.2 (*Revocation*) or any termination under Clause 15.3 (*Automatic Termination*), the relevant Agent shall:

- (a) without prejudice to any accrued liabilities and obligations, be released and discharged from any further obligations under this Agreement (save that it shall remain entitled to the benefit of, and subject to, Clauses 12 (*Fees and Expenses*), Clause 13 (*Terms of Appointment*) and Clause 15 (*Termination of Appointment*));
- (b) repay to the Third Issuer such part of any fee paid to it in accordance with Clause 12.1 (*Fees*) as shall relate to any period thereafter;
- (c) deliver to the Third Issuer and to its successor agent a copy, certified as true and up-to-date by an officer of such Agent of the records maintained by it pursuant to this Agreement;

- (e) in the case of any Paying Agent, pay to the successor paying agent any amount held by it for payment of principal or interest in respect of the relevant Third Issuer Notes.

15.10 *Change of Specified Office:* If any Agent shall determine to change its Specified Office (which, in the case of each Paying Agent, may only be effected within the same city where each Paying Agent currently has its Specified Office), it shall give to the Third Issuer and the Note Trustee written notice of such determination giving the address of the new Specified Office and stating the date on which such change is to take effect, which date shall not be less than 30 days after the date of such notice, provided that no such notice shall take effect within the period of 30 days before or after any Payment Date. The Third Issuer shall, within 40 days of receipt of such notice (unless the appointment is pursuant to a revocation or termination under Clause 15.2 (*Revocation*) or Clause 15.3 (*Automatic Termination*) above on or prior to the date of such change), give to the Noteholders notice of such change as approved by the Note Trustee and of the address of the Specified Office in accordance with the Third Issuer Conditions but the costs of giving such notice shall be borne by such Agent changing its office and not by the Third Issuer.

15.11 Merger: Any legal entity into which any Agent is merged or converted or any legal entity resulting from any merger or conversion to which such Agent is a party shall, to the extent permitted by applicable law, be the successor to such Agent without any further formality, whereupon the Third Issuer, the Note Trustee, the other Agents and such successor shall acquire and become subject to the same rights and obligations between themselves as if they had entered into an agreement in the form *mutatis mutandis* of this Agreement. Written notice of any such merger or conversion shall forthwith be given by such successor to the Third Issuer, the Note Trustee and the other Agents.

16. Non-Petition and Limited Recourse

16.1 Limited Recourse: Each party hereto agrees that notwithstanding any other provisions hereof, all payments to be made by the Third Issuer under this Agreement will be payable only from, and to the extent of, the sums paid to, or net proceeds recovered by or on behalf of, the Third Issuer or the Note Trustee in respect of the Third Issuer Charged Property less any amount which is required to be paid to any other person in priority to or in the same priority as the relevant party hereto subject to and in accordance with the Third Issuer Priority of Payments and there will be no other assets of the Third Issuer available for any further payments and following the realisation of the Third Issuer Charged Property and the distribution of the proceeds thereof in accordance with the Third Issuer Deed of Charge none of the parties hereto shall be entitled to take any further steps against the Third Issuer to recover any sums due hereunder but still unpaid and all outstanding claims in respect of such sums due but still unpaid shall be extinguished. The parties hereto look solely to such sums and proceeds and the rights of the Third Issuer in respect of the Third Issuer Charged Property (net as aforesaid) for payments to be made by the Third Issuer. The obligations of the Third Issuer to make such payments hereunder will be limited to such sums and the proceeds of realisation of the Third Issuer Charged Property (net as aforesaid) and the parties hereto will have no further recourse in respect thereof.

16.2 Non-Petition: Each of the Agents hereby covenants and agrees with the Third Issuer and the Note Trustee that:

- (a) only the Note Trustee may enforce the security created in favour of the Note Trustee by the Third Issuer Deed of Charge in accordance with its provisions; and
- (b) save as provided in the Third Issuer Trust Deed, it shall not take any steps for the purpose of recovering any sums due under this Agreement or enforcing any rights arising out of this Agreement or institute against the Third Issuer or join any other person in instituting against the Third Issuer any winding-up, administration, reorganisation, liquidation, bankruptcy, insolvency or other proceedings of the Third Issuer for so long as the Third Issuer Notes are

outstanding and until two years and one day has elapsed after all amounts outstanding under the Third Issuer Secured Obligations have been paid in full.

16.3 *Payment to Note Trustee:* Each of the Agents hereby undertakes with the Note Trustee and the Third Issuer that if, whether in the liquidation of the Third Issuer or otherwise any payment is made to or amount recovered by any Agent otherwise than in accordance with the Third Issuer Deed of Charge, the amount so paid or recovered shall be paid by such Agent to the Note Trustee.

The Note Trustee shall have no liability to any person in the event that, having used reasonable endeavours, it is unable to appoint a substitute Third Issuer cash manager. - (c) such substitute cash manager enters into an agreement substantially on the same terms as the relevant provisions of this Agreement or on such terms as are satisfactory to the Third Issuer and the Note Trustee, and the Third Issuer Cash Manager shall not be released from its obligations under the relevant provisions of this Agreement until such substitute cash manager has entered into such new agreement and the rights of the Third Issuer under such agreement are charged in favour of the Note Trustee on terms satisfactory to the Note Trustee; and
- (d) the Rating Agencies have confirmed to the Third Issuer and the Note Trustee that the then-current ratings of the Third Issuer Notes are not adversely affected as a result thereof.

12.3 *Effect of Termination or Resignation:*

- (a) On and after termination or resignation of the appointment of the Third Issuer Cash Manager under this Agreement pursuant to this Clause 12, all authority and power of the Third Issuer Cash Manager under this Agreement shall be terminated and be of no further effect and the Third Issuer Cash Manager shall not thereafter hold itself out in any way as the agent of the Third Issuer or the Note Trustee pursuant to this Agreement.

The Third

Issuer shall pay such moneys so receivable by the Third Issuer Cash Manager in accordance with the Third Issuer Pre-Enforcement Revenue Priority of Payments or, as the case may be, the Third Issuer Post-Enforcement Priority of Payments, on the dates on which they would otherwise have fallen due hereunder. For the avoidance of doubt, such termination shall not affect the Third Issuer Cash Manager's rights to receive payment of all amounts (if any) due to it from the Third Issuer other than under this Agreement.

- (d) Any provision of this Agreement, which is stated to continue after termination of the Agreement, shall remain in full force and effect notwithstanding termination.

Cash Management and Maintenance of Ledgers

1. Determination

- (a) On or before each Third Issuer Note Determination Date immediately preceding a Payment Date, the Third Issuer Cash Manager shall determine each of the following in accordance with this paragraph 1:
- (i) the amount of any Third Issuer Available Revenue Receipts to be applied on the following Payment Date in accordance with the Third Issuer Pre-Enforcement Revenue Priority of Payments set forth in paragraph 3 of this Schedule 2;
 - (ii) the amount of any Third Issuer Available Principal Receipts to be applied on the following Payment Date in accordance with the Third Issuer Pre-Enforcement Principal Priority of Payments set forth in paragraph 4 of this Schedule 2;
 - (iii) whether there will be an excess or a deficit of the Third Issuer Available Revenue Receipts to pay items (A) through (O) of the Third Issuer Pre-Enforcement Revenue Priority of Payments (after taking account of any Shared Issuer Revenue Receipts available therefor) as set forth in paragraph 3 of this Schedule 2;
 - (iv) the various amounts, balances and rates to be calculated in accordance with the Third Issuer Basis Rate Swap and the Third Issuer Currency Swaps, and shall promptly notify the Third Issuer, the Note Trustee and each Calculation Agent (as defined in each Third Issuer Basis Rate Swap Agreement and each Third Issuer Currency Swap Agreement) of such amounts, balances and rates; and
 - (v) the Principal Amount Outstanding of the Third Issuer Notes, the Pool Factor, and the Note Principal Payment of the Third Issuer Notes in accordance with the Conditions.
- (b) If the Third Issuer Cash Manager determines (as set forth in paragraph 1(a)(iii)) that there is a deficit (a **“Third Issuer Income Deficit”**) in the amount of Third Issuer Available Revenue Receipts to pay items (A) through (E), (G) and/or (I) of the Third Issuer Pre-Enforcement Revenue Priority of Payments, and the Third Issuer has provided for that deficit by the application of funds standing to the credit of the Third Issuer Principal Ledger, if any, then the Third Issuer Cash Manager shall make a corresponding debit entry in the relevant Third Issuer Principal Deficiency Sub Ledger, PROVIDED THAT the Third Issuer Cash Manager shall ensure that Third Issuer Principal Receipts are not used to pay interest on any class of Third Issuer Notes if and to the extent that would result in a deficiency being recorded, or an existing deficiency being increased, on a Third Issuer Principal Deficiency Sub Ledger relating to a higher ranking Class of Third Issuer Notes, and furthermore that Third Issuer Principal Receipts are not used to make up any deficit other than in respect of items (A) through (E), (G) and (I) of the Third Issuer Pre-Enforcement Revenue Priority of Payments. The Third Issuer Cash Manager shall thereafter record as a debit on the Third Issuer Revenue

Ledger the application by the Third Issuer of any excess Third Issuer Available Revenue Receipts to extinguish any balance on a Third Issuer Principal Deficiency Sub Ledger.

- (c) The Third Issuer Cash Manager may make all the determinations referred to in paragraph 1(a) on the basis of any reasonable and proper assumptions as the Third Issuer Cash Manager considers appropriate (including without limitation as to the amount of any payments to be made under paragraph 3 below during the period from and including the Third Issuer Note Determination Date immediately preceding a Payment Date to but excluding such Payment Date).

The Third Issuer Cash Manager shall notify the Third Issuer and the Note Trustee on request of any such other assumptions and shall take account of any representations made by the Third Issuer and the Note Trustee (as the case may be) in relation thereto.

- (d) Each determination made in accordance with this paragraph 1 shall (in the absence of bad faith, wilful default, negligence and manifest error) be final and binding on all persons.

2. Notification of Determinations

- (a) The Third Issuer Cash Manager will cause each determination of Third Issuer Available Principal Receipts and Third Issuer Available Revenue Receipts (in accordance with paragraph 1(a)(i) and (ii)) and any Third Issuer Income Deficit (in accordance with paragraph 1(a)(iii)) to be notified forthwith, following the calculation thereof, to the Third Issuer.

The Third Issuer Cash Manager hereby agrees that, each time the Third Issuer Cash Manager records a debit on a Third Issuer Principal Deficiency Sub Ledger, the Third Issuer Cash Manager shall also record on such Third Issuer Principal Deficiency Sub Ledger whether such debit was caused by (A) Losses on the Mortgage Loans which have been allocated by Funding to the Third Issuer Intercompany Loan, (B) the application of Third Issuer Available Principal Receipts to meet any deficiency in Third Issuer Available Revenue Receipts, or (C) the application of Funding Available Principal Receipts to fund the Third Issuer Liquidity Reserve Fund, if any.

In the event of any inconsistency between the provisions of any Confirmation and this Master Agreement (including the Schedule), such Confirmation will prevail for the purpose of the relevant Transaction.
- (c) **Single Agreement.** All Transactions are entered into in reliance on the fact that this Master Agreement and all Confirmations form a single agreement between the parties (collectively referred to as this "Agreement"), and the parties would not otherwise enter into any Transactions.

2. Obligations

(a) General Conditions.

- (i) Each party will make each payment or delivery specified in each Confirmation to be made by it, subject to the other provisions of this Agreement.
- (ii) Payments under this Agreement will be made on the due date for value on that date in the place of the account specified in the relevant Confirmation or otherwise pursuant to this Agreement, in freely transferable funds and in the manner customary for payments in the required currency. Where settlement is by delivery (that is, other than by payment), such delivery will be made for receipt on the due date in the manner customary for the relevant obligation unless otherwise specified in the relevant Confirmation or elsewhere in this Agreement.
- (iii) Each obligation of each party under Section 2(a)(i) is subject to (1) the condition precedent that no Event of Default or Potential Event of Default with respect to the other party has occurred and is continuing, (2) the condition precedent that no Early Termination Date in respect of the relevant Transaction has occurred or been effectively designated and (3) each other applicable condition precedent specified in this Agreement.

(b) **Change of Account.** Either party may change its account for receiving a payment or delivery by giving notice to the other party at least five Local Business Days prior to the scheduled date for the payment or delivery to which such change applies unless such other party gives timely notice of a reasonable objection to such change.

(c) **Netting.** If on any date amounts would otherwise be payable:—

- (i) in the same currency; and
- (ii) in respect of the same Transaction,

by each party to the other, then, on such date, each party's obligation to make payment of any such amount will be automatically satisfied and discharged and, if the aggregate amount that would otherwise have been payable by one party exceeds the aggregate amount that would otherwise have been payable by the other party, replaced by an obligation upon the party by whom the larger aggregate amount would have been payable to pay to the other party the excess of the larger aggregate amount over the smaller aggregate amount.

The parties may elect in respect of two or more Transactions that a net amount will be determined in respect of all amounts payable on the same date in the same currency in respect of such Transactions, regardless of whether such amounts are payable in respect of the same Transaction. The election may be made in the Schedule or a Confirmation by specifying that subparagraph (ii) above will not apply to the Transactions identified as being subject to the election, together with the starting date (in which case subparagraph (ii) above will not, or will cease to, apply to such Transactions from such date). This election may be made separately for different groups of Transactions and will apply separately to each pairing of Offices through which the parties make and receive payments or deliveries.

(d) **Deduction or Withholding for Tax.**

(i) **Gross-Up.** All payments under this Agreement will be made without any deduction or withholding for or on account of any Tax unless such deduction or withholding is required by any applicable law, as modified by the practice of any relevant governmental revenue authority, then in effect. If a party is so required to deduct or withhold, then that party ("X") will:—

- (1) promptly notify the other party ("Y") of such requirement;
- (2) pay to the relevant authorities the full amount required to be deducted or withheld (including the full amount required to be deducted or withheld from any additional amount paid by X to Y under this Section 2(d)) promptly upon the earlier of determining that such deduction or withholding is required or receiving notice that such amount has been assessed against Y;
- (3) promptly forward to Y an official receipt (or a certified copy), or other documentation reasonably acceptable to Y, evidencing such payment to such authorities; and
- (4) if such Tax is an Indemnifiable Tax, pay to Y, in addition to the payment to which Y is otherwise entitled under this Agreement, such additional amount as is necessary to ensure that the net amount actually received by Y (free and clear of Indemnifiable Taxes, whether assessed against X or Y) will equal the full amount Y would have received had no such deduction or withholding been required. However, X will not be required to pay any additional amount to Y to the extent that it would not be required to be paid but for:—

(A) the failure by Y to comply with or perform any agreement contained in Section 4(a)(i), 4(a)(iii) or 4(d); or

(B) the failure of a representation made by Y pursuant to Section 3(f) to be accurate and true unless such failure would not have occurred but for (I) any action taken by a taxing authority, or brought in a court of competent jurisdiction, on or after the date on which a Transaction is entered into (regardless of whether such action is taken or brought with respect to a party to this Agreement) or (II) a Change in Tax Law.

(ii) **Liability.** If: —

- (1) X is required by any applicable law, as modified by the practice of any relevant governmental revenue authority, to make any deduction or withholding in respect of which X would not be required to pay an additional amount to Y under Section 2(d)(i)(4);
- (2) X does not so deduct or withhold; and
- (3) a liability resulting from such Tax is assessed directly against X,

then, except to the extent Y has satisfied or then satisfies the liability resulting from such Tax, Y will promptly pay to X the amount of such liability (including any related liability for interest, but including any related liability for penalties only if Y has failed to comply with or perform any agreement contained in Section 4(a)(i), 4(a)(iii) or 4(d)).

(e) **Default Interest; Other Amounts.** Prior to the occurrence or effective designation of an Early Termination Date in respect of the relevant Transaction, a party that defaults in the performance of any payment obligation will, to the extent permitted by law and subject to Section 6(c), be required to pay interest (before as well as after judgment) on the overdue amount to the other party on demand in the same currency as such overdue amount, for the period from (and including) the original due date for payment to (but excluding) the date of actual payment, at the Default Rate. Such interest will be calculated on the basis of daily compounding and the actual number of days elapsed. If, prior to the occurrence or effective designation of an Early Termination Date in respect of the relevant Transaction, a party defaults in the performance of any obligation required to be settled by delivery, it will compensate the other party on demand if and to the extent provided for in the relevant Confirmation or elsewhere in this Agreement.

3. Representations

Each party represents to the other party (which representations will be deemed to be repeated by each party on each date on which a Transaction is entered into and, in the case of the representations in Section 3(f), at all times until the termination of this Agreement) that:—

(a) **Basic Representations.**

- (i) **Status.** It is duly organised and validly existing under the laws of the jurisdiction of its organisation or incorporation and, if relevant under such laws, in good standing;
- (ii) **Powers.** It has the power to execute this Agreement and any other documentation relating to this Agreement to which it is a party, to deliver this Agreement and any other documentation relating to this Agreement that it is required by this Agreement to deliver and to perform its obligations under this Agreement and any obligations it has under any Credit Support Document to which it is a party and has taken all necessary action to authorise such execution, delivery and performance;
- (iii) **No Violation or Conflict.** Such execution, delivery and performance do not violate or conflict with any law applicable to it, any provision of its constitutional documents, any order or judgment of any court or other agency of government applicable to it or any of its assets or any contractual restriction binding on or affecting it or any of its assets;
- (iv) **Consents.** All governmental and other consents that are required to have been obtained by it with respect to this Agreement or any Credit Support Document to which it is a party have been obtained and are in full force and effect and all conditions of any such consents have been complied with; and
- (v) **Obligations Binding.** Its obligations under this Agreement and any Credit Support Document to which it is a party constitute its legal, valid and binding obligations, enforceable in accordance with their respective terms (subject to applicable bankruptcy, reorganisation, insolvency, moratorium or similar laws affecting creditors' rights generally and subject, as to enforceability, to equitable principles of general application (regardless of whether enforcement is sought in a proceeding in equity or at law)).

(b) **Absence of Certain Events.** No Event of Default or Potential Event of Default or, to its knowledge, Termination Event with respect to it has occurred and is continuing and no such event or circumstance would occur as a result of its entering into or performing its obligations under this Agreement or any Credit Support Document to which it is a party.

(c) **Absence of Litigation.** There is not pending or, to its knowledge, threatened against it or any of its Affiliates any action, suit or proceeding at law or in equity or before any court, tribunal, governmental body, agency or official or any arbitrator that is likely to affect the legality, validity or enforceability against it of this Agreement or any Credit Support Document to which it is a party or its ability to perform its obligations under this Agreement or such Credit Support Document.

(d) **Accuracy of Specified Information.** All applicable information that is furnished in writing by or on behalf of it to the other party and is identified for the purpose of this Section 3(d) in the Schedule is, as of the date of the information, true, accurate and complete in every material respect.

(e) **Payer Tax Representation.** Each representation specified in the Schedule as being made by it for the purpose of this Section 3(e) is accurate and true.

(f) **Payee Tax Representations.** Each representation specified in the Schedule as being made by it for the purpose of this Section 3(f) is accurate and true.

4. Agreements

Each party agrees with the other that, so long as either party has or may have any obligation under this Agreement or under any Credit Support Document to which it is a party:—

(a) **Furnish Specified Information.** It will deliver to the other party or, in certain cases under subparagraph (iii) below, to such government or taxing authority as the other party reasonably directs:—

(i) any forms, documents or certificates relating to taxation specified in the Schedule or any Confirmation;

(ii) any other documents specified in the Schedule or any Confirmation; and

(iii) upon reasonable demand by such other party, any form or document that may be required or reasonably requested in writing in order to allow such other party or its Credit Support Provider to make a payment under this Agreement or any applicable Credit Support Document without any deduction or withholding for or on account of any Tax or with such deduction or withholding at a reduced rate (so long as the completion, execution or submission of such form or document would not materially prejudice the legal or commercial position of the party in receipt of such demand), with any such form or document to be accurate and completed in a manner reasonably satisfactory to such other party and to be executed and to be delivered with any reasonably required certification,

in each case by the date specified in the Schedule or such Confirmation or, if none is specified, as soon as reasonably practicable.

(b) **Maintain Authorisations.** It will use all reasonable efforts to maintain in full force and effect all consents of any governmental or other authority that are required to be obtained by it with respect to this Agreement or any Credit Support Document to which it is a party and will use all reasonable efforts to obtain any that may become necessary in the future.

(c) **Comply with Laws.** It will comply in all material respects with all applicable laws and orders to which it may be subject if failure so to comply would materially impair its ability to perform its obligations under this Agreement or any Credit Support Document to which it is a party.

(d) **Tax Agreement.** It will give notice of any failure of a representation made by it under Section 3(f) to be accurate and true promptly upon learning of such failure.

(e) **Payment of Stamp Tax.** Subject to Section 11, it will pay any Stamp Tax levied or imposed upon it or in respect of its execution or performance of this Agreement by a jurisdiction in which it is incorporated,

organised, managed and controlled, or considered to have its seat, or in which a branch or office through which it is acting for the purpose of this Agreement is located (“Stamp Tax Jurisdiction”) and will indemnify the other party against any Stamp Tax levied or imposed upon the other party or in respect of the other party’s execution or performance of this Agreement by any such Stamp Tax Jurisdiction which is not also a Stamp Tax Jurisdiction with respect to the other party.

5. Events of Default and Termination Events

(a) **Events of Default.** The occurrence at any time with respect to a party or, if applicable, any Credit Support Provider of such party or any Specified Entity of such party of any of the following events constitutes an event of default (an “Event of Default”) with respect to such party:—

(i) **Failure to Pay or Deliver.** Failure by the party to make, when due, any payment under this Agreement or delivery under Section 2(a)(i) or 2(e) required to be made by it if such failure is not remedied on or before the third Local Business Day after notice of such failure is given to the party;

(ii) **Breach of Agreement.** Failure by the party to comply with or perform any agreement or obligation (other than an obligation to make any payment under this Agreement or delivery under Section 2(a)(i) or 2(e) or to give notice of a Termination Event or any agreement or obligation under Section 4(a)(i), 4(a)(iii) or 4(d)) to be complied with or performed by the party in accordance with this Agreement if such failure is not remedied on or before the thirtieth day after notice of such failure is given to the party;

(iii) **Credit Support Default.**

(1) Failure by the party or any Credit Support Provider of such party to comply with or perform any agreement or obligation to be complied with or performed by it in accordance with any Credit Support Document if such failure is continuing after any applicable grace period has elapsed;

(2) the expiration or termination of such Credit Support Document or the failing or ceasing of such Credit Support Document to be in full force and effect for the purpose of this Agreement (in either case other than in accordance with its terms) prior to the satisfaction of all obligations of such party under each Transaction to which such Credit Support Document relates without the written consent of the other party; or

(3) the party or such Credit Support Provider disaffirms, disclaims, repudiates or rejects, in whole or in part, or challenges the validity of, such Credit Support Document;

(iv) **Misrepresentation.** A representation (other than a representation under Section 3(e) or (f)) made or repeated or deemed to have been made or repeated by the party or any Credit Support Provider of such party in this Agreement or any Credit Support Document proves to have been incorrect or misleading in any material respect when made or repeated or deemed to have been made or repeated;

(v) **Default under Specified Transaction.** The party, any Credit Support Provider of such party or any applicable Specified Entity of such party (1) defaults under a Specified Transaction and, after giving effect to any applicable notice requirement or grace period, there occurs a liquidation of, an acceleration of obligations under, or an early termination of, that Specified Transaction, (2) defaults, after giving effect to any applicable notice requirement or grace period, in making any payment or delivery due on the last payment, delivery or exchange date of, or any payment on early termination of, a Specified Transaction (or such default continues for at least three Local Business Days if there is no applicable notice requirement or grace period) or (3) disaffirms, disclaims, repudiates or rejects, in whole or in part, a Specified Transaction (or such action is taken by any person or entity appointed or empowered to operate it or act on its behalf);

(vi) **Cross Default.** If “Cross Default” is specified in the Schedule as applying to the party, the occurrence or existence of (1) a default, event of default or other similar condition or event (however

described) in respect of such party, any Credit Support Provider of such party or any applicable Specified Entity of such party under one or more agreements or instruments relating to Specified Indebtedness of any of them (individually or collectively) in an aggregate amount of not less than the applicable Threshold Amount (as specified in the Schedule) which has resulted in such Specified Indebtedness becoming, or becoming capable at such time of being declared, due and payable under such agreements or instruments, before it would otherwise have been due and payable or (2) a default by such party, such Credit Support Provider or such Specified Entity (individually or collectively) in making one or more payments on the due date thereof in an aggregate amount of not less than the applicable Threshold Amount under such agreements or instruments (after giving effect to any applicable notice requirement or grace period);

(vii) **Bankruptcy.** The party, any Credit Support Provider of such party or any applicable Specified Entity of such party: —

(1) is dissolved (other than pursuant to a consolidation, amalgamation or merger); (2) becomes insolvent or is unable to pay its debts or fails or admits in writing its inability generally to pay its debts as they become due; (3) makes a general assignment, arrangement or composition with or for the benefit of its creditors; (4) institutes or has instituted against it a proceeding seeking a judgment of insolvency or bankruptcy or any other relief under any bankruptcy or insolvency law or other similar law affecting creditors' rights, or a petition is presented for its winding-up or liquidation, and, in the case of any such proceeding or petition instituted or presented against it, such proceeding or petition (A) results in a judgment of insolvency or bankruptcy or the entry of an order for relief or the making of an order for its winding-up or liquidation or (B) is not dismissed, discharged, stayed or restrained in each case within 30 days of the institution or presentation thereof; (5) has a resolution passed for its winding-up, official management or liquidation (other than pursuant to a consolidation, amalgamation or merger); (6) seeks or becomes subject to the appointment of an administrator, provisional liquidator, conservator, receiver, trustee, custodian or other similar official for it or for all or substantially all its assets; (7) has a secured party take possession of all or substantially all its assets or has a distress, execution, attachment, sequestration or other legal process levied, enforced or sued on or against all or substantially all its assets and such secured party maintains possession, or any such process is not dismissed, discharged, stayed or restrained, in each case within 30 days thereafter; (8) causes or is subject to any event with respect to it which, under the applicable laws of any jurisdiction, has an analogous effect to any of the events specified in clauses (1) to (7) (inclusive); or (9) takes any action in furtherance of, or indicating its consent to, approval of, or acquiescence in, any of the foregoing acts; or

(viii) **Merger Without Assumption.** The party or any Credit Support Provider of such party consolidates or amalgamates with, or merges with or into, or transfers all or substantially all its assets to, another entity and, at the time of such consolidation, amalgamation, merger or transfer: —

(1) the resulting, surviving or transferee entity fails to assume all the obligations of such party or such Credit Support Provider under this Agreement or any Credit Support Document to which it or its predecessor was a party by operation of law or pursuant to an agreement reasonably satisfactory to the other party to this Agreement; or

(2) the benefits of any Credit Support Document fail to extend (without the consent of the other party) to the performance by such resulting, surviving or transferee entity of its obligations under this Agreement.

(b) **Termination Events.** The occurrence at any time with respect to a party or, if applicable, any Credit Support Provider of such party or any Specified Entity of such party of any event specified below constitutes an Illegality if the event is specified in (i) below, a Tax Event if the event is specified in (ii) below or a Tax Event Upon Merger if the event is specified in (iii) below, and, if specified to be applicable, a Credit Event

Upon Merger if the event is specified pursuant to (iv) below or an Additional Termination Event if the event is specified pursuant to (v) below:—

(i) **Illegality.** Due to the adoption of, or any change in, any applicable law after the date on which a Transaction is entered into, or due to the promulgation of, or any change in, the interpretation by any court, tribunal or regulatory authority with competent jurisdiction of any applicable law after such date, it becomes unlawful (other than as a result of a breach by the party of Section 4(b)) for such party (which will be the Affected Party): —

(1) to perform any absolute or contingent obligation to make a payment or delivery or to receive a payment or delivery in respect of such Transaction or to comply with any other material provision of this Agreement relating to such Transaction; or

(2) to perform, or for any Credit Support Provider of such party to perform, any contingent or other obligation which the party (or such Credit Support Provider) has under any Credit Support Document relating to such Transaction;

(ii) **Tax Event.** Due to (x) any action taken by a taxing authority, or brought in a court of competent jurisdiction, on or after the date on which a Transaction is entered into (regardless of whether such action is taken or brought with respect to a party to this Agreement) or (y) a Change in Tax Law, the party (which will be the Affected Party) will, or there is a substantial likelihood that it will, on the next succeeding Scheduled Payment Date (1) be required to pay to the other party an additional amount in respect of an Indemnifiable Tax under Section 2(d)(i)(4) (except in respect of interest under Section 2(e), 6(d)(ii) or 6(e)) or (2) receive a payment from which an amount is required to be deducted or withheld for or on account of a Tax (except in respect of interest under Section 2(e), 6(d)(ii) or 6(e)) and no additional amount is required to be paid in respect of such Tax under Section 2(d)(i)(4) (other than by reason of Section 2(d)(i)(4)(A) or (B));

(iii) **Tax Event Upon Merger.** The party (the “Burdened Party”) on the next succeeding Scheduled Payment Date will either (1) be required to pay an additional amount in respect of an Indemnifiable Tax under Section 2(d)(i)(4) (except in respect of interest under Section 2(e), 6(d)(ii) or 6(e)) or (2) receive a payment from which an amount has been deducted or withheld for or on account of any Indemnifiable Tax in respect of which the other party is not required to pay an additional amount (other than by reason of Section 2(d)(i)(4)(A) or (B)), in either case as a result of a party consolidating or amalgamating with, or merging with or into, or transferring all or substantially all its assets to, another entity (which will be the Affected Party) where such action does not constitute an event described in Section 5(a)(viii);

(iv) **Credit Event Upon Merger.** If “Credit Event Upon Merger” is specified in the Schedule as applying to the party, such party (“X”), any Credit Support Provider of X or any applicable Specified Entity of X consolidates or amalgamates with, or merges with or into, or transfers all or substantially all its assets to, another entity and such action does not constitute an event described in Section 5(a)(viii) but the creditworthiness of the resulting, surviving or transferee entity is materially weaker than that of X, such Credit Support Provider or such Specified Entity, as the case may be, immediately prior to such action (and, in such event, X or its successor or transferee, as appropriate, will be the Affected Party); or

(v) **Additional Termination Event.** If any “Additional Termination Event” is specified in the Schedule or any Confirmation as applying, the occurrence of such event (and, in such event, the Affected Party or Affected Parties shall be as specified for such Additional Termination Event in the Schedule or such Confirmation).

(c) **Event of Default and Illegality.** If an event or circumstance which would otherwise constitute or give rise to an Event of Default also constitutes an Illegality, it will be treated as an Illegality and will not constitute an Event of Default.

6. Early Termination

(a) **Right to Terminate Following Event of Default.** If at any time an Event of Default with respect to a party (the “Defaulting Party”) has occurred and is then continuing, the other party (the “Non-defaulting Party”) may, by not more than 20 days notice to the Defaulting Party specifying the relevant Event of Default, designate a day not earlier than the day such notice is effective as an Early Termination Date in respect of all outstanding Transactions. If, however, “Automatic Early Termination” is specified in the Schedule as applying to a party, then an Early Termination Date in respect of all outstanding Transactions will occur immediately upon the occurrence with respect to such party of an Event of Default specified in Section 5(a)(vii)(1), (3), (5), (6) or, to the extent analogous thereto, (8), and as of the time immediately preceding the institution of the relevant proceeding or the presentation of the relevant petition upon the occurrence with respect to such party of an Event of Default specified in Section 5(a)(vii)(4) or, to the extent analogous thereto, (8).

(b) **Right to Terminate Following Termination Event.**

(i) **Notice.** If a Termination Event occurs, an Affected Party will, promptly upon becoming aware of it, notify the other party, specifying the nature of that Termination Event and each Affected Transaction and will also give such other information about that Termination Event as the other party may reasonably require.

(ii) **Transfer to Avoid Termination Event.** If either an Illegality under Section 5(b)(i)(1) or a Tax Event occurs and there is only one Affected Party, or if a Tax Event Upon Merger occurs and the Burdened Party is the Affected Party, the Affected Party will, as a condition to its right to designate an Early Termination Date under Section 6(b)(iv), use all reasonable efforts (which will not require such party to incur a loss, excluding immaterial, incidental expenses) to transfer within 20 days after it gives notice under Section 6(b)(i) all its rights and obligations under this Agreement in respect of the Affected Transactions to another of its Offices or Affiliates so that such Termination Event ceases to exist.

If the Affected Party is not able to make such a transfer it will give notice to the other party to that effect within such 20 day period, whereupon the other party may effect such a transfer within 30 days after the notice is given under Section 6(b)(i).

Any such transfer by a party under this Section 6(b)(ii) will be subject to and conditional upon the prior written consent of the other party, which consent will not be withheld if such other party’s policies in effect at such time would permit it to enter into transactions with the transferee on the terms proposed.

(iii) **Two Affected Parties.** If an Illegality under Section 5(b)(i)(1) or a Tax Event occurs and there are two Affected Parties, each party will use all reasonable efforts to reach agreement within 30 days after notice thereof is given under Section 6(b)(i) on action to avoid that Termination Event.

(iv) **Right to Terminate.** If: —

(1) a transfer under Section 6(b)(ii) or an agreement under Section 6(b)(iii), as the case may be, has not been effected with respect to all Affected Transactions within 30 days after an Affected Party gives notice under Section 6(b)(i); or

(2) an Illegality under Section 5(b)(i)(2), a Credit Event Upon Merger or an Additional Termination Event occurs, or a Tax Event Upon Merger occurs and the Burdened Party is not the Affected Party,

either party in the case of an Illegality, the Burdened Party in the case of a Tax Event Upon Merger, any Affected Party in the case of a Tax Event or an Additional Termination Event if there is more than one Affected Party, or the party which is not the Affected Party in the case of a Credit Event Upon Merger or an Additional Termination Event if there is only one Affected Party may, by not more than 20 days notice to the other party and provided that the relevant Termination Event is then

continuing, designate a day not earlier than the day such notice is effective as an Early Termination Date in respect of all Affected Transactions.

(c) **Effect of Designation.**

(i) If notice designating an Early Termination Date is given under Section 6(a) or (b), the Early Termination Date will occur on the date so designated, whether or not the relevant Event of Default or Termination Event is then continuing.

(ii) Upon the occurrence or effective designation of an Early Termination Date, no further payments or deliveries under Section 2(a)(i) or 2(e) in respect of the Terminated Transactions will be required to be made, but without prejudice to the other provisions of this Agreement. The amount, if any, payable in respect of an Early Termination Date shall be determined pursuant to Section 6(e).

(d) **Calculations.**

(i) **Statement.** On or as soon as reasonably practicable following the occurrence of an Early Termination Date, each party will make the calculations on its part, if any, contemplated by Section 6(e) and will provide to the other party a statement (1) showing, in reasonable detail, such calculations (including all relevant quotations and specifying any amount payable under Section 6(e)) and (2) giving details of the relevant account to which any amount payable to it is to be paid. In the absence of written confirmation from the source of a quotation obtained in determining a Market Quotation, the records of the party obtaining such quotation will be conclusive evidence of the existence and accuracy of such quotation.

(ii) **Payment Date.** An amount calculated as being due in respect of any Early Termination Date under Section 6(e) will be payable on the day that notice of the amount payable is effective (in the case of an Early Termination Date which is designated or occurs as a result of an Event of Default) and on the day which is two Local Business Days after the day on which notice of the amount payable is effective (in the case of an Early Termination Date which is designated as a result of a Termination Event). Such amount will be paid together with (to the extent permitted under applicable law) interest thereon (before as well as after judgment) in the Termination Currency, from (and including) the relevant Early Termination Date to (but excluding) the date such amount is paid, at the Applicable Rate. Such interest will be calculated on the basis of daily compounding and the actual number of days elapsed.

(e) **Payments on Early Termination.** If an Early Termination Date occurs, the following provisions shall apply based on the parties' election in the Schedule of a payment measure, either "Market Quotation" or "Loss", and a payment method, either the "First Method" or the "Second Method". If the parties fail to designate a payment measure or payment method in the Schedule, it will be deemed that "Market Quotation" or the "Second Method", as the case may be, shall apply. The amount, if any, payable in respect of an Early Termination Date and determined pursuant to this Section will be subject to any Set-off.

(i) **Events of Default.** If the Early Termination Date results from an Event of Default: —

(1) **First Method and Market Quotation.** If the First Method and Market Quotation apply, the Defaulting Party will pay to the Non-defaulting Party the excess, if a positive number, of (A) the sum of the Settlement Amount (determined by the Non-defaulting Party) in respect of the Terminated Transactions and the Termination Currency Equivalent of the Unpaid Amounts owing to the Non-defaulting Party over (B) the Termination Currency Equivalent of the Unpaid Amounts owing to the Defaulting Party.

(2) **First Method and Loss.** If the First Method and Loss apply, the Defaulting Party will pay to the Non-defaulting Party, if a positive number, the Non-defaulting Party's Loss in respect of this Agreement.

(3) **Second Method and Market Quotation.** If the Second Method and Market Quotation apply, an amount will be payable equal to (A) the sum of the Settlement Amount (determined by the

Non-defaulting Party) in respect of the Terminated Transactions and the Termination Currency Equivalent of the Unpaid Amounts owing to the Non-defaulting Party less (B) the Termination Currency Equivalent of the Unpaid Amounts owing to the Defaulting Party. If that amount is a positive number, the Defaulting Party will pay it to the Non-defaulting Party; if it is a negative number, the Non-defaulting Party will pay the absolute value of that amount to the Defaulting Party.

(4) *Second Method and Loss.* If the Second Method and Loss apply, an amount will be payable equal to the Non-defaulting Party's Loss in respect of this Agreement. If that amount is a positive number, the Defaulting Party will pay it to the Non-defaulting Party; if it is a negative number, the Non-defaulting Party will pay the absolute value of that amount to the Defaulting Party.

(ii) **Termination Events.** If the Early Termination Date results from a Termination Event: —

(1) *One Affected Party.* If there is one Affected Party, the amount payable will be determined in accordance with Section 6(e)(i)(3), if Market Quotation applies, or Section 6(e)(i)(4), if Loss applies, except that, in either case, references to the Defaulting Party and to the Non-defaulting Party will be deemed to be references to the Affected Party and the party which is not the Affected Party, respectively, and, if Loss applies and fewer than all the Transactions are being terminated, Loss shall be calculated in respect of all Terminated Transactions.

(2) *Two Affected Parties.* If there are two Affected Parties: —

(A) if Market Quotation applies, each party will determine a Settlement Amount in respect of the Terminated Transactions, and an amount will be payable equal to (I) the sum of (a) one-half of the difference between the Settlement Amount of the party with the higher Settlement Amount ("X") and the Settlement Amount of the party with the lower Settlement Amount ("Y") and (b) the Termination Currency Equivalent of the Unpaid Amounts owing to X less (II) the Termination Currency Equivalent of the Unpaid Amounts owing to Y; and

(B) if Loss applies, each party will determine its Loss in respect of this Agreement (or, if fewer than all the Transactions are being terminated, in respect of all Terminated Transactions) and an amount will be payable equal to one-half of the difference between the Loss of the party with the higher Loss ("X") and the Loss of the party with the lower Loss ("Y").

If the amount payable is a positive number, Y will pay it to X; if it is a negative number, X will pay the absolute value of that amount to Y.

(iii) **Adjustment for Bankruptcy.** In circumstances where an Early Termination Date occurs because "Automatic Early Termination" applies in respect of a party, the amount determined under this Section 6(e) will be subject to such adjustments as are appropriate and permitted by law to reflect any payments or deliveries made by one party to the other under this Agreement (and retained by such other party) during the period from the relevant Early Termination Date to the date for payment determined under Section 6(d)(ii).

(iv) **Pre-Estimate.** The parties agree that if Market Quotation applies an amount recoverable under this Section 6(e) is a reasonable pre-estimate of loss and not a penalty. Such amount is payable for the loss of bargain and the loss of protection against future risks and except as otherwise provided in this Agreement neither party will be entitled to recover any additional damages as a consequence of such losses.

7. Transfer

Subject to Section 6(b)(ii), neither this Agreement nor any interest or obligation in or under this Agreement may be transferred (whether by way of security or otherwise) by either party without the prior written consent of the other party, except that: —

- (a) a party may make such a transfer of this Agreement pursuant to a consolidation or amalgamation with, or merger with or into, or transfer of all or substantially all its assets to, another entity (but without prejudice to any other right or remedy under this Agreement); and
- (b) a party may make such a transfer of all or any part of its interest in any amount payable to it from a Defaulting Party under Section 6(e).

Any purported transfer that is not in compliance with this Section will be void.

8. Contractual Currency

(a) **Payment in the Contractual Currency.** Each payment under this Agreement will be made in the relevant currency specified in this Agreement for that payment (the "Contractual Currency"). To the extent permitted by applicable law, any obligation to make payments under this Agreement in the Contractual Currency will not be discharged or satisfied by any tender in any currency other than the Contractual Currency, except to the extent such tender results in the actual receipt by the party to which payment is owed, acting in a reasonable manner and in good faith in converting the currency so tendered into the Contractual Currency, of the full amount in the Contractual Currency of all amounts payable in respect of this Agreement. If for any reason the amount in the Contractual Currency so received falls short of the amount in the Contractual Currency payable in respect of this Agreement, the party required to make the payment will, to the extent permitted by applicable law, immediately pay such additional amount in the Contractual Currency as may be necessary to compensate for the shortfall. If for any reason the amount in the Contractual Currency so received exceeds the amount in the Contractual Currency payable in respect of this Agreement, the party receiving the payment will refund promptly the amount of such excess.

(b) **Judgments.** To the extent permitted by applicable law, if any judgment or order expressed in a currency other than the Contractual Currency is rendered (i) for the payment of any amount owing in respect of this Agreement, (ii) for the payment of any amount relating to any early termination in respect of this Agreement or (iii) in respect of a judgment or order of another court for the payment of any amount described in (i) or (ii) above, the party seeking recovery, after recovery in full of the aggregate amount to which such party is entitled pursuant to the judgment or order, will be entitled to receive immediately from the other party the amount of any shortfall of the Contractual Currency received by such party as a consequence of sums paid in such other currency and will refund promptly to the other party any excess of the Contractual Currency received by such party as a consequence of sums paid in such other currency if such shortfall or such excess arises or results from any variation between the rate of exchange at which the Contractual Currency is converted into the currency of the judgment or order for the purposes of such judgment or order and the rate of exchange at which such party is able, acting in a reasonable manner and in good faith in converting the currency received into the Contractual Currency, to purchase the Contractual Currency with the amount of the currency of the judgment or order actually received by such party. The term "rate of exchange" includes, without limitation, any premiums and costs of exchange payable in connection with the purchase of or conversion into the Contractual Currency.

(c) **Separate Indemnities.** To the extent permitted by applicable law, these indemnities constitute separate and independent obligations from the other obligations in this Agreement, will be enforceable as separate and independent causes of action, will apply notwithstanding any indulgence granted by the party to which any payment is owed and will not be affected by judgment being obtained or claim or proof being made for any other sums payable in respect of this Agreement.

(d) **Evidence of Loss.** For the purpose of this Section 8, it will be sufficient for a party to demonstrate that it would have suffered a loss had an actual exchange or purchase been made.

9. Miscellaneous

- (a) **Entire Agreement.** This Agreement constitutes the entire agreement and understanding of the parties with respect to its subject matter and supersedes all oral communication and prior writings with respect thereto.
- (b) **Amendments.** No amendment, modification or waiver in respect of this Agreement will be effective unless in writing (including a writing evidenced by a facsimile transmission) and executed by each of the parties or confirmed by an exchange of telexes or electronic messages on an electronic messaging system.
- (c) **Survival of Obligations.** Without prejudice to Sections 2(a)(iii) and 6(c)(ii), the obligations of the parties under this Agreement will survive the termination of any Transaction.
- (d) **Remedies Cumulative.** Except as provided in this Agreement, the rights, powers, remedies and privileges provided in this Agreement are cumulative and not exclusive of any rights, powers, remedies and privileges provided by law.
- (e) **Counterparts and Confirmations.**
- (i) This Agreement (and each amendment, modification and waiver in respect of it) may be executed and delivered in counterparts (including by facsimile transmission), each of which will be deemed an original.
 - (ii) The parties intend that they are legally bound by the terms of each Transaction from the moment they agree to those terms (whether orally or otherwise). A Confirmation shall be entered into as soon as practicable and may be executed and delivered in counterparts (including by facsimile transmission) or be created by an exchange of telexes or by an exchange of electronic messages on an electronic messaging system, which in each case will be sufficient for all purposes to evidence a binding supplement to this Agreement. The parties will specify therein or through another effective means that any such counterpart, telex or electronic message constitutes a Confirmation.
- (f) **No Waiver of Rights.** A failure or delay in exercising any right, power or privilege in respect of this Agreement will not be presumed to operate as a waiver, and a single or partial exercise of any right, power or privilege will not be presumed to preclude any subsequent or further exercise, of that right, power or privilege or the exercise of any other right, power or privilege.
- (g) **Headings.** The headings used in this Agreement are for convenience of reference only and are not to affect the construction of or to be taken into consideration in interpreting this Agreement.

10. Offices; Multibranch Parties

- (a) If Section 10(a) is specified in the Schedule as applying, each party that enters into a Transaction through an Office other than its head or home office represents to the other party that, notwithstanding the place of booking office or jurisdiction of incorporation or organisation of such party, the obligations of such party are the same as if it had entered into the Transaction through its head or home office. This representation will be deemed to be repeated by such party on each date on which a Transaction is entered into.
- (b) Neither party may change the Office through which it makes and receives payments or deliveries for the purpose of a Transaction without the prior written consent of the other party.
- (c) If a party is specified as a Multibranch Party in the Schedule, such Multibranch Party may make and receive payments or deliveries under any Transaction through any Office listed in the Schedule, and the Office through which it makes and receives payments or deliveries with respect to a Transaction will be specified in the relevant Confirmation.

11. Expenses

A Defaulting Party will, on demand, indemnify and hold harmless the other party for and against all reasonable out-of-pocket expenses, including legal fees and Stamp Tax, incurred by such other party by reason of the enforcement and protection of its rights under this Agreement or any Credit Support Document

to which the Defaulting Party is a party or by reason of the early termination of any Transaction, including, but not limited to, costs of collection.

12. Notices

(a) **Effectiveness.** Any notice or other communication in respect of this Agreement may be given in any manner set forth below (except that a notice or other communication under Section 5 or 6 may not be given by facsimile transmission or electronic messaging system) to the address or number or in accordance with the electronic messaging system details provided (see the Schedule) and will be deemed effective as indicated:—

- (i) if in writing and delivered in person or by courier, on the date it is delivered;
- (ii) if sent by telex, on the date the recipient's answerback is received;
- (iii) if sent by facsimile transmission, on the date that transmission is received by a responsible employee of the recipient in legible form (it being agreed that the burden of proving receipt will be on the sender and will not be met by a transmission report generated by the sender's facsimile machine);
- (iv) if sent by certified or registered mail (airmail, if overseas) or the equivalent (return receipt requested), on the date that mail is delivered or its delivery is attempted; or
- (v) if sent by electronic messaging system, on the date that electronic message is received,

unless the date of that delivery (or attempted delivery) or that receipt, as applicable, is not a Local Business Day or that communication is delivered (or attempted) or received, as applicable, after the close of business on a Local Business Day, in which case that communication shall be deemed given and effective on the first following day that is a Local Business Day.

(b) **Change of Addresses.** Either party may by notice to the other change the address, telex or facsimile number or electronic messaging system details at which notices or other communications are to be given to it.

13. Governing Law and Jurisdiction

(a) **Governing Law.** This Agreement will be governed by and construed in accordance with the law specified in the Schedule.

(b) **Jurisdiction.** With respect to any suit, action or proceedings relating to this Agreement ("Proceedings"), each party irrevocably:—

- (i) submits to the jurisdiction of the English courts, if this Agreement is expressed to be governed by English law, or to the non-exclusive jurisdiction of the courts of the State of New York and the United States District Court located in the Borough of Manhattan in New York City, if this Agreement is expressed to be governed by the laws of the State of New York; and
- (ii) waives any objection which it may have at any time to the laying of venue of any Proceedings brought in any such court, waives any claim that such Proceedings have been brought in an inconvenient forum and further waives the right to object, with respect to such Proceedings, that such court does not have any jurisdiction over such party.

Nothing in this Agreement precludes either party from bringing Proceedings in any other jurisdiction (outside, if this Agreement is expressed to be governed by English law, the Contracting States, as defined in Section 1(3) of the Civil Jurisdiction and Judgments Act 1982 or any modification, extension or re-enactment thereof for the time being in force) nor will the bringing of Proceedings in any one or more jurisdictions preclude the bringing of Proceedings in any other jurisdiction.

(c) **Service of Process.** Each party irrevocably appoints the Process Agent (if any) specified opposite its name in the Schedule to receive, for it and on its behalf, service of process in any Proceedings. If for any

reason any party's Process Agent is unable to act as such, such party will promptly notify the other party and within 30 days appoint a substitute process agent acceptable to the other party. The parties irrevocably consent to service of process given in the manner provided for notices in Section 12. Nothing in this Agreement will affect the right of either party to serve process in any other manner permitted by law.

(d) **Waiver of Immunities.** Each party irrevocably waives, to the fullest extent permitted by applicable law, with respect to itself and its revenues and assets (irrespective of their use or intended use), all immunity on the grounds of sovereignty or other similar grounds from (i) suit, (ii) jurisdiction of any court, (iii) relief by way of injunction, order for specific performance or for recovery of property, (iv) attachment of its assets (whether before or after judgment) and (v) execution or enforcement of any judgment to which it or its revenues or assets might otherwise be entitled in any Proceedings in the courts of any jurisdiction and irrevocably agrees, to the extent permitted by applicable law, that it will not claim any such immunity in any Proceedings.

“Defaulting Party” has the meaning specified in Section 6(a).

“Early Termination Date” means the date determined in accordance with Section 6(a) or 6(b)(iv).

“Event of Default” has the meaning specified in Section 5(a) and, if applicable, in the Schedule.

“Illegality” has the meaning specified in Section 5(b).

“Indemnifiable Tax” means any Tax other than a Tax that would not be imposed in respect of a payment under this Agreement but for a present or former connection between the jurisdiction of the government or taxation authority imposing such Tax and the recipient of such payment or a person related to such recipient (including, without limitation, a connection arising from such recipient or related person being or having been a citizen or resident of such jurisdiction, or being or having been organised, present or engaged in a trade or business in such jurisdiction, or having or having had a permanent establishment or fixed place of business in such jurisdiction, but excluding a connection arising solely from such recipient or related person having executed, delivered, performed its obligations or received a payment under, or enforced, this Agreement or a Credit Support Document).

“law” includes any treaty, law, rule or regulation (as modified, in the case of tax matters, by the practice of any relevant governmental revenue authority) and **“lawful”** and **“unlawful”** will be construed accordingly.

“Local Business Day” means, subject to the Schedule, a day on which commercial banks are open for business (including dealings in foreign exchange and foreign currency deposits) (a) in relation to any obligation under Section 2(a)(i), in the place(s) specified in the relevant Confirmation or, if not so specified, as otherwise agreed by the parties in writing or determined pursuant to provisions contained, or incorporated by reference, in this Agreement, (b) in relation to any other payment, in the place where the relevant account is located and, if different, in the principal financial centre, if any, of the currency of such payment, (c) in relation to any notice or other communication, including notice contemplated under Section 5(a)(i), in the city specified in the address for notice provided by the recipient and, in the case of a notice contemplated by Section 2(b), in the place where the relevant new account is to be located and (d) in relation to Section 5(a)(v)(2), in the relevant locations for performance with respect to such Specified Transaction.

“Loss” means, with respect to this Agreement or one or more Terminated Transactions, as the case may be, and a party, the Termination Currency Equivalent of an amount that party reasonably determines in good faith to be its total losses and costs (or gain, in which case expressed as a negative number) in connection with this Agreement or that Terminated Transaction or group of Terminated Transactions, as the case may be, including any loss of bargain, cost of funding or, at the election of such party but without duplication, loss or cost incurred as a result of its terminating, liquidating, obtaining or reestablishing any hedge or related trading position (or any gain resulting from any of them). Loss includes losses and costs (or gains) in respect of any payment or delivery required to have been made (assuming satisfaction of each applicable condition precedent) on or before the relevant Early Termination Date and not made, except, so as to avoid duplication, if Section 6(e)(i)(1) or (3) or 6(e)(ii)(2)(A) applies. Loss does not include a party’s legal fees and out-of-pocket expenses referred to under Section 11. A party will determine its Loss as of the relevant Early Termination Date, or, if that is not reasonably practicable, as of the earliest date thereafter as is reasonably practicable. A party may (but need not) determine its Loss by reference to quotations of relevant rates or prices from one or more leading dealers in the relevant markets.

“Market Quotation” means, with respect to one or more Terminated Transactions and a party making the determination, an amount determined on the basis of quotations from Reference Market-makers. Each quotation will be for an amount, if any, that would be paid to such party (expressed as a negative number) or by such party (expressed as a positive number) in consideration of an agreement between such party (taking into account any existing Credit Support Document with respect to the obligations of such party) and the quoting Reference Market-maker to enter into a transaction (the “Replacement Transaction”) that would have the effect of preserving for such party the economic equivalent of any payment or delivery (whether the underlying obligation was absolute or contingent and assuming the satisfaction of each applicable condition precedent) by the parties under Section 2(a)(i) in respect of such Terminated Transaction or group of Terminated Transactions that would, but for the occurrence of the relevant Early Termination Date, have

been required after that date. For this purpose, Unpaid Amounts in respect of the Terminated Transaction or group of Terminated Transactions are to be excluded but, without limitation, any payment or delivery that would, but for the relevant Early Termination Date, have been required (assuming satisfaction of each applicable condition precedent) after that Early Termination Date is to be included. The Replacement Transaction would be subject to such documentation as such party and the Reference Market-maker may, in good faith, agree. The party making the determination (or its agent) will request each Reference Market-maker to provide its quotation to the extent reasonably practicable as of the same day and time (without regard to different time zones) on or as soon as reasonably practicable after the relevant Early Termination Date. The day and time as of which those quotations are to be obtained will be selected in good faith by the party obliged to make a determination under Section 6(e), and, if each party is so obliged, after consultation with the other. If more than three quotations are provided, the Market Quotation will be the arithmetic mean of the quotations, without regard to the quotations having the highest and lowest values. If exactly three such quotations are provided, the Market Quotation will be the quotation remaining after disregarding the highest and lowest quotations. For this purpose, if more than one quotation has the same highest value or lowest value, then one of such quotations shall be disregarded. If fewer than three quotations are provided, it will be deemed that the Market Quotation in respect of such Terminated Transaction or group of Terminated Transactions cannot be determined.

“Non-default Rate” means a rate per annum equal to the cost (without proof or evidence of any actual cost) to the Non-defaulting Party (as certified by it) if it were to fund the relevant amount.

“Non-defaulting Party” has the meaning specified in Section 6(a).

“Office” means a branch or office of a party, which may be such party’s head or home office.

“Potential Event of Default” means any event which, with the giving of notice or the lapse of time or both, would constitute an Event of Default.

“Reference Market-makers” means four leading dealers in the relevant market selected by the party determining a Market Quotation in good faith (a) from among dealers of the highest credit standing which satisfy all the criteria that such party applies generally at the time in deciding whether to offer or to make an extension of credit and (b) to the extent practicable, from among such dealers having an office in the same city.

“Relevant Jurisdiction” means, with respect to a party, the jurisdictions (a) in which the party is incorporated, organised, managed and controlled or considered to have its seat, (b) where an Office through which the party is acting for purposes of this Agreement is located, (c) in which the party executes this Agreement and (d) in relation to any payment, from or through which such payment is made.

“Scheduled Payment Date” means a date on which a payment or delivery is to be made under Section 2(a)(i) with respect to a Transaction.

“Set-off” means set-off, offset, combination of accounts, right of retention or withholding or similar right or requirement to which the payer of an amount under Section 6 is entitled or subject (whether arising under this Agreement, another contract, applicable law or otherwise) that is exercised by, or imposed on, such payer.

“Settlement Amount” means, with respect to a party and any Early Termination Date, the sum of: —

(a) the Termination Currency Equivalent of the Market Quotations (whether positive or negative) for each Terminated Transaction or group of Terminated Transactions for which a Market Quotation is determined; and

(b) such party’s Loss (whether positive or negative and without reference to any Unpaid Amounts) for each Terminated Transaction or group of Terminated Transactions for which a Market Quotation cannot be determined or would not (in the reasonable belief of the party making the determination) produce a commercially reasonable result.

“Specified Entity” has the meanings specified in the Schedule.

"Specified Indebtedness" means, subject to the Schedule, any obligation (whether present or future, contingent or otherwise, as principal or surety or otherwise) in respect of borrowed money.

"Specified Transaction" means, subject to the Schedule, (a) any transaction (including an agreement with respect thereto) now existing or hereafter entered into between one party to this Agreement (or any Credit Support Provider of such party or any applicable Specified Entity of such party) and the other party to this Agreement (or any Credit Support Provider of such other party or any applicable Specified Entity of such other party) which is a rate swap transaction, basis swap, forward rate transaction, commodity swap, commodity option, equity or equity index swap, equity or equity index option, bond option, interest rate option, foreign exchange transaction, cap transaction, floor transaction, collar transaction, currency swap transaction, cross-currency rate swap transaction, currency option or any other similar transaction (including any option with respect to any of these transactions), (b) any combination of these transactions and (c) any other transaction identified as a Specified Transaction in this Agreement or the relevant confirmation.

"Stamp Tax" means any stamp, registration, documentation or similar tax.

"Tax" means any present or future tax, levy, impost, duty, charge, assessment or fee of any nature (including interest, penalties and additions thereto) that is imposed by any government or other taxing authority in respect of any payment under this Agreement other than a stamp, registration, documentation or similar tax.

"Tax Event" has the meaning specified in Section 5(b).

"Tax Event Upon Merger" has the meaning specified in Section 5(b).

"Terminated Transactions" means with respect to any Early Termination Date (a) if resulting from a Termination Event, all Affected Transactions and (b) if resulting from an Event of Default, all Transactions (in either case) in effect immediately before the effectiveness of the notice designating that Early Termination Date (or, if "Automatic Early Termination" applies, immediately before that Early Termination Date).

"Termination Currency" has the meaning specified in the Schedule.

"Termination Currency Equivalent" means, in respect of any amount denominated in the Termination Currency, such Termination Currency amount and, in respect of any amount denominated in a currency other than the Termination Currency (the "Other Currency"), the amount in the Termination Currency determined by the party making the relevant determination as being required to purchase such amount of such Other Currency as at the relevant Early Termination Date, or, if the relevant Market Quotation or Loss (as the case may be), is determined as of a later date, that later date, with the Termination Currency at the rate equal to the spot exchange rate of the foreign exchange agent (selected as provided below) for the purchase of such Other Currency with the Termination Currency at or about 11:00 a.m. (in the city in which such foreign exchange agent is located) on such date as would be customary for the determination of such a rate for the purchase of such Other Currency for value on the relevant Early Termination Date or that later date. The foreign exchange agent will, if only one party is obliged to make a determination under Section 6(e), be selected in good faith by that party and otherwise will be agreed by the parties.

"Termination Event" means an Illegality, a Tax Event or a Tax Event Upon Merger or, if specified to be applicable, a Credit Event Upon Merger or an Additional Termination Event.

"Termination Rate" means a rate per annum equal to the arithmetic mean of the cost (without proof or evidence of any actual cost) to each party (as certified by such party) if it were to fund or of funding such amounts.

"Unpaid Amounts" owing to any party means, with respect to an Early Termination Date, the aggregate of (a) in respect of all Terminated Transactions, the amounts that became payable (or that would have become payable but for Section 2(a)(iii)) to such party under Section 2(a)(i) on or prior to such Early Termination Date and which remain unpaid as at such Early Termination Date and (b) in respect of each Terminated Transaction, for each obligation under Section 2(a)(i) which was (or would have been but for Section 2(a)(iii)) required to be settled by delivery to such party on or prior to such Early Termination Date and which has not been so settled as at such Early Termination Date, an amount equal to the fair market

value of that which was (or would have been) required to be delivered as of the originally scheduled date for delivery, in each case together with (to the extent permitted under applicable law) interest, in the currency of such amounts, from (and including) the date such amounts or obligations were or would have been required to have been paid or performed to (but excluding) such Early Termination Date, at the Applicable Rate. Such amounts of interest will be calculated on the basis of daily compounding and the actual number of days elapsed. The fair market value of any obligation referred to in clause (b) above shall be reasonably determined by the party obliged to make the determination under Section 6(e) or, if each party is so obliged, it shall be the average of the Termination Currency Equivalents of the fair market values reasonably determined by both parties.

("**S&P**") and as a result of such downgrade the then current rating of the Notes may in the reasonable opinion of S&P be downgraded or placed under review for possible downgrade, then Party A will, on a reasonable efforts basis, within 30 days of the occurrence of such downgrade at its own cost:

(A) attempt to transfer all of its rights and obligations with respect to this Agreement to a replacement third party whose short-term, unsecured and unsubordinated debt obligations are rated at least as high as A-1 (or its equivalent) by S&P or such other rating as is commensurate with the rating assigned to the Notes by S&P from time to time,

and in the event that Party A is unable to make such transfer within such 30 day period, then it will continue, on a reasonable efforts basis, to attempt to make such transfer and pending such transfer, Party A will, on a reasonable efforts basis, at its own cost, either:

(B) put in place an appropriate mark-to-market collateral agreement, (which may be based on the credit support documentation published by ISDA, or otherwise, and relates to collateral in the form of cash or securities or both) in support of its obligations under this Agreement provided that (x) Party A shall be deemed to have satisfied the requirements of S&P if the amount of collateral agreed to be

provided in the form of cash and/or securities (the **'Collateral Amount'**) is determined on a basis which is no more onerous than the criteria of S&P as at 31st September, 1999 (or any subsequent criteria published by S&P) which enable entities rated lower than a specified level to participate in structured finance transactions which, through collateralisation, are rated at a higher level (as referred to, in part, in the article entitled New Interest Rate Currency Swap Criteria Broadens Allowable Counterparties in the January 1999 issue of S&P's Structured Finance publication) (the **"S&P Criteria"**) and (y) the Collateral Amount shall not be required to exceed such amount as would be required (in accordance with the S&P Criteria) to restore the rating of the Notes to the level they would have been at immediately prior to such downgrading; or

- (C) procure another person to become co-obligor in respect of the obligations of Party A under this Agreement or take such other action as Party A may agree with S&P as will result in the rating of the Notes then outstanding following the taking of such action being rated no lower than the rating of the Notes immediately prior to such downgrade.
- (ii) In the event that the short-term, unsecured and unsubordinated debt obligations of Party A (or its successor) cease to be rated at least as high as P-1 by Moody's Investors Service Limited ("**Moody's**") and as a result of such downgrade the then current rating of the Notes may in the reasonable opinion of Moody's be downgraded or placed under review for possible downgrade, then Party A will, on a reasonable efforts basis, within 30 days, and at its own cost:
- (A) attempt to transfer all of its rights and obligations with respect to this Agreement to a replacement third party whose short-term, unsecured and unsubordinated debt obligations are rated at least as high as P-1 (or its equivalent) by Moody's or such other rating as is commensurate with the rating assigned to the Notes by Moody's from time to time,

and in the event that Party A is unable to make such transfer within such 30 day period, then it will continue, on a reasonable efforts basis, to attempt to make such transfer and pending such transfer, Party A will, on a reasonable efforts basis, at its own cost, either:

- (B) put in place an appropriate mark-to-market collateral agreement, (which may be based on the credit support documentation published by ISDA, or otherwise, and relates to collateral in the form of cash or securities or both) in support of its obligations under this Agreement provided that (x) Party A shall be deemed to have satisfied the requirements of Moody's if the Collateral Amount is determined on a basis which is no more onerous than the Moody's Criteria and (y) the Collateral Amount shall not be required to exceed such amount as would be required (in accordance with the Moody's Criteria) to restore the rating of the Notes to the level they would have been at immediately prior to such downgrading; or
- (C) procure another person to become co-obligor in respect of the obligations of Party A under this Agreement or take such other action as Party A may agree with Moody's as will result in the rating of the Notes then outstanding following the taking of such action being rated no lower than the rating of the Notes immediately prior to such downgrade.

“**Moody’s Criteria**” means that the Collateral Amount shall not exceed 100 per cent. of the mark-to-market value of the outstanding Transactions as determined by Party A in good faith from time to time provided that if the short-term, unsecured and unsubordinated debt obligations of Party A (or its successor or assignee) cease to be rated as high as P-1 by Moody’s then the applicable Collateral Amount shall not exceed the sum of (i) 102 per cent. of the mark-to-market value of the outstanding Transactions determined by Party A in good faith from time to time and (ii) in aggregate of the amounts determined in respect of each class of Notes, equal to the principal outstanding of that class of Notes and multiplied by the number of days remaining from the date of the determination to the Expected Repayment Date of that class of Notes, divided by 365 (such aggregate the “**Buffer Notional**”) multiplied by the product of 0.15 per cent. and the Fixed Rate Ratio (as defined in the Basis Rate Swap Agreement). “**Expected Repayment Date**” means the Interest Payment Date falling in July 2007.

(A) attempt to transfer all of its rights and obligations with respect to this Agreement to a replacement third party whose short-term, unsecured and unsubordinated debt ratings are rated at least as high as F1 (or its equivalent) by Fitch or such other rating as is commensurate with the rating assigned to the Notes by Fitch from time to time,

and in the event that Party A is unable to make such transfer within such 30 day period, then it will continue, on a reasonable efforts basis, to attempt to make such transfer and pending such transfer, Party A will, on a reasonable efforts basis, at its own cost, either:

(B) procure another person to become co-obligor or guarantor in respect of the obligations of Party A under this Agreement whose short-term, unsecured and unsubordinated debt ratings are rated at least as high as F1 (or its equivalent) by Fitch or such other rating as is commensurate with the rating assigned to the Notes by Fitch from time to time; or

(C) take such other action as Party A may agree with Fitch as will result in the rating of the Notes then outstanding being maintained.

(iv) If Party A does not take the measures described in either (i), (ii) or (iii) above such failure shall not be or give rise to an Event of Default but shall constitute an Additional Termination Event with respect to Party A and shall be deemed to have occurred on the thirtieth day following such downgrade with Party A as the sole Affected Party.

Each of Party B and the Note Trustee shall use their reasonable endeavours to co-operate with Party A in putting in place such credit support documentation, including agreeing to such arrangements in such documentation as may satisfy S&P, Moody’s and Fitch with respect to the operation and management of the collateral (subject always to proviso (x) and (y) in (i)(B) and (ii)(B) above) and entering into such documents as may reasonably be requested by Party A in connection with the provision of such collateral.

for all Payments:** London

**Calculation of
Amounts:** On the Distribution Date immediately preceding each Payment Date, the Calculation Agent shall calculate the Swap Provider Amount for such Payment Date and the Issuer Amount for such Payment Date, and forthwith notify Party A, Party B, the Cash Manager and the Third Issuer Cash Manager of the amounts so determined and of the net amount determined as set out below.

Notwithstanding any other provision of this Confirmation, if on any date (i) additional Mortgage Loans are added to the Mortgage Portfolio and (ii) Granite Finance Funding Limited draws down a new intercompany loan (any such date, a "New Loan Date"), then the Calculation Agent may make any adjustments it deems appropriate to the Average Fixed Rate Mortgage Loan Balance, the Average Flexible Mortgage Loan Balance, the Average Variable Rate Mortgage Loan Balance and the Weighted Average Fixed Rate for the Determination Period in which such New Loan Date occurs in order to reflect the addition of such Mortgage Loans.

- Payments:** If in relation to any Payment Date:
- (i) the Swap Provider Amount for such Payment Date exceeds the Issuer Amount for such Payment Date, Party A shall pay the amount of such excess to Party B on such Payment Date;
 - (ii) the Issuer Amount for such Payment Date exceeds the Swap Provider Amount for such Payment Date, Party B shall pay the amount of such excess to Party A on such Payment Date;
 - (iii) the Swap Provider Amount for such Payment Date is equal to the Issuer Amount for such Payment Date, no amount shall be due and payable by either party hereunder in relation to such Payment Date.
- Calculation Agent:** Northern Rock plc acting in its capacity of Administrator pursuant to the Administration Agreement or of Cash Manager pursuant to the Cash Management Agreement, as the case may be.

3. Conditional Basis Rate Swap Transactions

The terms set out below are applicable to each of the additional basis rate swap Transactions (comprising the Additional Swap Provider Amounts and Additional Issuer Amounts). The following terms reflect such additional 2,420,580,322 Transactions each on the terms set out below and each such Transaction shall be referred to in numerical sequence beginning with "Transaction 1" through "Transaction 2,420,580,322" (together, the "**Conditional Transactions**") and such Transactions are to become effective on a sequential basis, starting on the first Payment Date on which the conditions referred to below are satisfied for that Transaction; provided, however, that for purposes of calculating any termination payment due pursuant to Section 6 of the Agreement, any additional basis rate swap Transaction that would have become effective on the Payment Date immediately following the Termination Date if the Agreement had not terminated shall be deemed to be effective on such Termination Date.

The first Transaction shall be conditional upon the Basis Rate Note Amortisation Amount for any Payment Date being greater than or equal to the Additional Notional Amount (each a "**First Condition**") and each subsequent Transaction shall be conditional upon (i) the First Condition having occurred, (ii) the immediately preceding Transactions having become effective and (iii) the then relevant Basis Rate Note Amortisation Amount less the aggregate of the Additional Notional Amounts of the preceding Transactions which have become effective on or before the relevant Payment Date equaling or exceeding the Additional Notional Amount in respect of such Transaction.

On each Distribution Date the Calculation Agent shall notify Party A and Party B as to the Basis Rate Note Amortisation Amount and the Conditional Transactions in numerical order that are then currently effective and are to become effective on the next Payment Date.

**Calculation of
Additional
Amounts:**

On the Distribution Date immediately preceding each Payment Date, the Calculation Agent shall calculate the Additional Swap Provider Amount for such Payment Date and the Additional Issuer Amount for such Payment Date, and forthwith notify Party A, Party B, the Cash Manager and the Third Issuer Cash Manager of the amounts so determined and of the net amount determined as set out below.

**Additional
Payments:**

If in relation to any Payment Date:

- (i) the Additional Swap Provider Amount for such Payment Date exceeds the Additional Issuer Amount for such Payment Date, Party B shall pay the amount of such excess to Party A on such Payment Date;
- (ii) the Additional Issuer Amount for such Payment Date exceeds the Additional Swap Provider Amount for such Payment Date, Party A shall pay the amount of such excess to Party B on such Payment Date;
- (iii) the Additional Swap Provider Amount for such Payment Date is equal to the Additional Issuer Amount for such Payment Date, no amount shall be due and payable by either party hereunder in relation to such Payment Date.

Third Issuer Dollar Currency Swap Agreement

(b) **Change of Account.** Either party may change its account for receiving a payment or delivery by giving notice to the other party at least five Local Business Days prior to the scheduled date for the payment or delivery to which such change applies unless such other party gives timely notice of a reasonable objection to such change.

(c) **Netting.** If on any date amounts would otherwise be payable:—

- (i) in the same currency; and
- (ii) in respect of the same Transaction,

by each party to the other, then, on such date, each party's obligation to make payment of any such amount will be automatically satisfied and discharged and, if the aggregate amount that would otherwise have been payable by one party exceeds the aggregate amount that would otherwise have been payable by the other party, replaced by an obligation upon the party by whom the larger aggregate amount would have been payable to pay to the other party the excess of the larger aggregate amount over the smaller aggregate amount.

The parties may elect in respect of two or more Transactions that a net amount will be determined in respect of all amounts payable on the same date in the same currency in respect of such Transactions, regardless of whether such amounts are payable in respect of the same Transaction. The election may be made in the Schedule or a Confirmation by specifying that subparagraph (ii) above will not apply to the Transactions identified as being subject to the election, together with the starting date (in which case subparagraph (ii) above will not, or will cease to, apply to such Transactions from such date). This election may be made separately for different groups of Transactions and will apply separately to each pairing of Offices through which the parties make and receive payments or deliveries.

(d) **Deduction or Withholding for Tax.**

(i) **Gross-Up.** All payments under this Agreement will be made without any deduction or withholding for or on account of any Tax unless such deduction or withholding is required by any applicable law, as modified by the practice of any relevant governmental revenue authority, then in effect. If a party is so required to deduct or withhold, then that party ("X") will:—

- (1) promptly notify the other party ("Y") of such requirement;
- (2) pay to the relevant authorities the full amount required to be deducted or withheld (including the full amount required to be deducted or withheld from any additional amount paid by X to Y under this Section 2(d)) promptly upon the earlier of determining that such deduction or withholding is required or receiving notice that such amount has been assessed against Y;
- (3) promptly forward to Y an official receipt (or a certified copy), or other documentation reasonably acceptable to Y, evidencing such payment to such authorities; and
- (4) if such Tax is an Indemnifiable Tax, pay to Y, in addition to the payment to which Y is otherwise entitled under this Agreement, such additional amount as is necessary to ensure that the net amount actually received by Y (free and clear of Indemnifiable Taxes, whether assessed against X or Y) will equal the full amount Y would have received had no such deduction or withholding been required. However, X will not be required to pay any additional amount to Y to the extent that it would not be required to be paid but for:—

(A) the failure by Y to comply with or perform any agreement contained in Section 4(a)(i), 4(a)(iii) or 4(d); or

(B) the failure of a representation made by Y pursuant to Section 3(f) to be accurate and true unless such failure would not have occurred but for (I) any action taken by a taxing authority, or brought in a court of competent jurisdiction, on or after the date on which a Transaction is entered into (regardless of whether such action is taken or brought with respect to a party to this Agreement) or (II) a Change in Tax Law.

(ii) **Liability.** If: —

- (1) X is required by any applicable law, as modified by the practice of any relevant governmental revenue authority, to make any deduction or withholding in respect of which X would not be required to pay an additional amount to Y under Section 2(d)(i)(4);
- (2) X does not so deduct or withhold; and
- (3) a liability resulting from such Tax is assessed directly against X,

then, except to the extent Y has satisfied or then satisfies the liability resulting from such Tax, Y will promptly pay to X the amount of such liability (including any related liability for interest, but including any related liability for penalties only if Y has failed to comply with or perform any agreement contained in Section 4(a)(i), 4(a)(iii) or 4(d)).

(e) **Default Interest; Other Amounts.** Prior to the occurrence or effective designation of an Early Termination Date in respect of the relevant Transaction, a party that defaults in the performance of any payment obligation will, to the extent permitted by law and subject to Section 6(c), be required to pay interest (before as well as after judgment) on the overdue amount to the other party on demand in the same currency as such overdue amount, for the period from (and including) the original due date for payment to (but excluding) the date of actual payment, at the Default Rate. Such interest will be calculated on the basis of daily compounding and the actual number of days elapsed. If, prior to the occurrence or effective designation of an Early Termination Date in respect of the relevant Transaction, a party defaults in the performance of any obligation required to be settled by delivery, it will compensate the other party on demand if and to the extent provided for in the relevant Confirmation or elsewhere in this Agreement.

3. Representations

Each party represents to the other party (which representations will be deemed to be repeated by each party on each date on which a Transaction is entered into and, in the case of the representations in Section 3(f), at all times until the termination of this Agreement) that:—

(a) **Basic Representations.**

- (i) **Status.** It is duly organised and validly existing under the laws of the jurisdiction of its organisation or incorporation and, if relevant under such laws, in good standing;
- (ii) **Powers.** It has the power to execute this Agreement and any other documentation relating to this Agreement to which it is a party, to deliver this Agreement and any other documentation relating to this Agreement that it is required by this Agreement to deliver and to perform its obligations under this Agreement and any obligations it has under any Credit Support Document to which it is a party and has taken all necessary action to authorise such execution, delivery and performance;
- (iii) **No Violation or Conflict.** Such execution, delivery and performance do not violate or conflict with any law applicable to it, any provision of its constitutional documents, any order or judgment of any court or other agency of government applicable to it or any of its assets or any contractual restriction binding on or affecting it or any of its assets;
- (iv) **Consents.** All governmental and other consents that are required to have been obtained by it with respect to this Agreement or any Credit Support Document to which it is a party have been obtained and are in full force and effect and all conditions of any such consents have been complied with; and
- (v) **Obligations Binding.** Its obligations under this Agreement and any Credit Support Document to which it is a party constitute its legal, valid and binding obligations, enforceable in accordance with their respective terms (subject to applicable bankruptcy, reorganisation, insolvency, moratorium or similar laws affecting creditors' rights generally and subject, as to enforceability, to equitable principles of general application (regardless of whether enforcement is sought in a proceeding in equity or at law)).

(b) **Absence of Certain Events.** No Event of Default or Potential Event of Default or, to its knowledge, Termination Event with respect to it has occurred and is continuing and no such event or circumstance would occur as a result of its entering into or performing its obligations under this Agreement or any Credit Support Document to which it is a party.

(c) **Absence of Litigation.** There is not pending or, to its knowledge, threatened against it or any of its Affiliates any action, suit or proceeding at law or in equity or before any court, tribunal, governmental body, agency or official or any arbitrator that is likely to affect the legality, validity or enforceability against it of this Agreement or any Credit Support Document to which it is a party or its ability to perform its obligations under this Agreement or such Credit Support Document.

(d) **Accuracy of Specified Information.** All applicable information that is furnished in writing by or on behalf of it to the other party and is identified for the purpose of this Section 3(d) in the Schedule is, as of the date of the information, true, accurate and complete in every material respect.

(e) **Payer Tax Representation.** Each representation specified in the Schedule as being made by it for the purpose of this Section 3(e) is accurate and true.

(f) **Payee Tax Representations.** Each representation specified in the Schedule as being made by it for the purpose of this Section 3(f) is accurate and true.

4. Agreements

Each party agrees with the other that, so long as either party has or may have any obligation under this Agreement or under any Credit Support Document to which it is a party:—

(a) **Furnish Specified Information.** It will deliver to the other party or, in certain cases under subparagraph (iii) below, to such government or taxing authority as the other party reasonably directs:—

(i) any forms, documents or certificates relating to taxation specified in the Schedule or any Confirmation;

(ii) any other documents specified in the Schedule or any Confirmation; and

(iii) upon reasonable demand by such other party, any form or document that may be required or reasonably requested in writing in order to allow such other party or its Credit Support Provider to make a payment under this Agreement or any applicable Credit Support Document without any deduction or withholding for or on account of any Tax or with such deduction or withholding at a reduced rate (so long as the completion, execution or submission of such form or document would not materially prejudice the legal or commercial position of the party in receipt of such demand), with any such form or document to be accurate and completed in a manner reasonably satisfactory to such other party and to be executed and to be delivered with any reasonably required certification,

in each case by the date specified in the Schedule or such Confirmation or, if none is specified, as soon as reasonably practicable.

(b) **Maintain Authorisations.** It will use all reasonable efforts to maintain in full force and effect all consents of any governmental or other authority that are required to be obtained by it with respect to this Agreement or any Credit Support Document to which it is a party and will use all reasonable efforts to obtain any that may become necessary in the future.

(c) **Comply with Laws.** It will comply in all material respects with all applicable laws and orders to which it may be subject if failure so to comply would materially impair its ability to perform its obligations under this Agreement or any Credit Support Document to which it is a party.

(d) **Tax Agreement.** It will give notice of any failure of a representation made by it under Section 3(f) to be accurate and true promptly upon learning of such failure.

(e) **Payment of Stamp Tax.** Subject to Section 11, it will pay any Stamp Tax levied or imposed upon it or in respect of its execution or performance of this Agreement by a jurisdiction in which it is incorporated,

organised, managed and controlled, or considered to have its seat, or in which a branch or office through which it is acting for the purpose of this Agreement is located (“Stamp Tax Jurisdiction”) and will indemnify the other party against any Stamp Tax levied or imposed upon the other party or in respect of the other party’s execution or performance of this Agreement by any such Stamp Tax Jurisdiction which is not also a Stamp Tax Jurisdiction with respect to the other party.

5. Events of Default and Termination Events

(a) **Events of Default.** The occurrence at any time with respect to a party or, if applicable, any Credit Support Provider of such party or any Specified Entity of such party of any of the following events constitutes an event of default (an “Event of Default”) with respect to such party:—

(i) **Failure to Pay or Deliver.** Failure by the party to make, when due, any payment under this Agreement or delivery under Section 2(a)(i) or 2(e) required to be made by it if such failure is not remedied on or before the third Local Business Day after notice of such failure is given to the party;

(ii) **Breach of Agreement.** Failure by the party to comply with or perform any agreement or obligation (other than an obligation to make any payment under this Agreement or delivery under Section 2(a)(i) or 2(e) or to give notice of a Termination Event or any agreement or obligation under Section 4(a)(i), 4(a)(iii) or 4(d)) to be complied with or performed by the party in accordance with this Agreement if such failure is not remedied on or before the thirtieth day after notice of such failure is given to the party;

(iii) **Credit Support Default.**

(1) Failure by the party or any Credit Support Provider of such party to comply with or perform any agreement or obligation to be complied with or performed by it in accordance with any Credit Support Document if such failure is continuing after any applicable grace period has elapsed;

(2) the expiration or termination of such Credit Support Document or the failing or ceasing of such Credit Support Document to be in full force and effect for the purpose of this Agreement (in either case other than in accordance with its terms) prior to the satisfaction of all obligations of such party under each Transaction to which such Credit Support Document relates without the written consent of the other party; or

(3) the party or such Credit Support Provider disaffirms, disclaims, repudiates or rejects, in whole or in part, or challenges the validity of, such Credit Support Document;

(iv) **Misrepresentation.** A representation (other than a representation under Section 3(e) or (f)) made or repeated or deemed to have been made or repeated by the party or any Credit Support Provider of such party in this Agreement or any Credit Support Document proves to have been incorrect or misleading in any material respect when made or repeated or deemed to have been made or repeated;

(v) **Default under Specified Transaction.** The party, any Credit Support Provider of such party or any applicable Specified Entity of such party (1) defaults under a Specified Transaction and, after giving effect to any applicable notice requirement or grace period, there occurs a liquidation of, an acceleration of obligations under, or an early termination of, that Specified Transaction, (2) defaults, after giving effect to any applicable notice requirement or grace period, in making any payment or delivery due on the last payment, delivery or exchange date of, or any payment on early termination of, a Specified Transaction (or such default continues for at least three Local Business Days if there is no applicable notice requirement or grace period) or (3) disaffirms, disclaims, repudiates or rejects, in whole or in part, a Specified Transaction (or such action is taken by any person or entity appointed or empowered to operate it or act on its behalf);

(vi) **Cross Default.** If “Cross Default” is specified in the Schedule as applying to the party, the occurrence or existence of (1) a default, event of default or other similar condition or event (however

described) in respect of such party, any Credit Support Provider of such party or any applicable Specified Entity of such party under one or more agreements or instruments relating to Specified Indebtedness of any of them (individually or collectively) in an aggregate amount of not less than the applicable Threshold Amount (as specified in the Schedule) which has resulted in such Specified Indebtedness becoming, or becoming capable at such time of being declared, due and payable under such agreements or instruments, before it would otherwise have been due and payable or (2) a default by such party, such Credit Support Provider or such Specified Entity (individually or collectively) in making one or more payments on the due date thereof in an aggregate amount of not less than the applicable Threshold Amount under such agreements or instruments (after giving effect to any applicable notice requirement or grace period);

(vii) **Bankruptcy.** The party, any Credit Support Provider of such party or any applicable Specified Entity of such party: —

(1) is dissolved (other than pursuant to a consolidation, amalgamation or merger); (2) becomes insolvent or is unable to pay its debts or fails or admits in writing its inability generally to pay its debts as they become due; (3) makes a general assignment, arrangement or composition with or for the benefit of its creditors; (4) institutes or has instituted against it a proceeding seeking a judgment of insolvency or bankruptcy or any other relief under any bankruptcy or insolvency law or other similar law affecting creditors' rights, or a petition is presented for its winding-up or liquidation, and, in the case of any such proceeding or petition instituted or presented against it, such proceeding or petition (A) results in a judgment of insolvency or bankruptcy or the entry of an order for relief or the making of an order for its winding-up or liquidation or (B) is not dismissed, discharged, stayed or restrained in each case within 30 days of the institution or presentation thereof; (5) has a resolution passed for its winding-up, official management or liquidation (other than pursuant to a consolidation, amalgamation or merger); (6) seeks or becomes subject to the appointment of an administrator, provisional liquidator, conservator, receiver, trustee, custodian or other similar official for it or for all or substantially all its assets; (7) has a secured party take possession of all or substantially all its assets or has a distress, execution, attachment, sequestration or other legal process levied, enforced or sued on or against all or substantially all its assets and such secured party maintains possession, or any such process is not dismissed, discharged, stayed or restrained, in each case within 30 days thereafter; (8) causes or is subject to any event with respect to it which, under the applicable laws of any jurisdiction, has an analogous effect to any of the events specified in clauses (1) to (7) (inclusive); or (9) takes any action in furtherance of, or indicating its consent to, approval of, or acquiescence in, any of the foregoing acts; or

(viii) **Merger Without Assumption.** The party or any Credit Support Provider of such party consolidates or amalgamates with, or merges with or into, or transfers all or substantially all its assets to, another entity and, at the time of such consolidation, amalgamation, merger or transfer: —

(1) the resulting, surviving or transferee entity fails to assume all the obligations of such party or such Credit Support Provider under this Agreement or any Credit Support Document to which it or its predecessor was a party by operation of law or pursuant to an agreement reasonably satisfactory to the other party to this Agreement; or

(2) the benefits of any Credit Support Document fail to extend (without the consent of the other party) to the performance by such resulting, surviving or transferee entity of its obligations under this Agreement.

(b) **Termination Events.** The occurrence at any time with respect to a party or, if applicable, any Credit Support Provider of such party or any Specified Entity of such party of any event specified below constitutes an Illegality if the event is specified in (i) below, a Tax Event if the event is specified in (ii) below or a Tax Event Upon Merger if the event is specified in (iii) below, and, if specified to be applicable, a Credit Event

Upon Merger if the event is specified pursuant to (iv) below or an Additional Termination Event if the event is specified pursuant to (v) below:—

(i) **Illegality.** Due to the adoption of, or any change in, any applicable law after the date on which a Transaction is entered into, or due to the promulgation of, or any change in, the interpretation by any court, tribunal or regulatory authority with competent jurisdiction of any applicable law after such date, it becomes unlawful (other than as a result of a breach by the party of Section 4(b)) for such party (which will be the Affected Party): —

(1) to perform any absolute or contingent obligation to make a payment or delivery or to receive a payment or delivery in respect of such Transaction or to comply with any other material provision of this Agreement relating to such Transaction; or

(2) to perform, or for any Credit Support Provider of such party to perform, any contingent or other obligation which the party (or such Credit Support Provider) has under any Credit Support Document relating to such Transaction;

(ii) **Tax Event.** Due to (x) any action taken by a taxing authority, or brought in a court of competent jurisdiction, on or after the date on which a Transaction is entered into (regardless of whether such action is taken or brought with respect to a party to this Agreement) or (y) a Change in Tax Law, the party (which will be the Affected Party) will, or there is a substantial likelihood that it will, on the next succeeding Scheduled Payment Date (1) be required to pay to the other party an additional amount in respect of an Indemnifiable Tax under Section 2(d)(i)(4) (except in respect of interest under Section 2(e), 6(d)(ii) or 6(e)) or (2) receive a payment from which an amount is required to be deducted or withheld for or on account of a Tax (except in respect of interest under Section 2(e), 6(d)(ii) or 6(e)) and no additional amount is required to be paid in respect of such Tax under Section 2(d)(i)(4) (other than by reason of Section 2(d)(i)(4)(A) or (B));

(iii) **Tax Event Upon Merger.** The party (the “Burdened Party”) on the next succeeding Scheduled Payment Date will either (1) be required to pay an additional amount in respect of an Indemnifiable Tax under Section 2(d)(i)(4) (except in respect of interest under Section 2(e), 6(d)(ii) or 6(e)) or (2) receive a payment from which an amount has been deducted or withheld for or on account of any Indemnifiable Tax in respect of which the other party is not required to pay an additional amount (other than by reason of Section 2(d)(i)(4)(A) or (B)), in either case as a result of a party consolidating or amalgamating with, or merging with or into, or transferring all or substantially all its assets to, another entity (which will be the Affected Party) where such action does not constitute an event described in Section 5(a)(viii);

(iv) **Credit Event Upon Merger.** If “Credit Event Upon Merger” is specified in the Schedule as applying to the party, such party (“X”), any Credit Support Provider of X or any applicable Specified Entity of X consolidates or amalgamates with, or merges with or into, or transfers all or substantially all its assets to, another entity and such action does not constitute an event described in Section 5(a)(viii) but the creditworthiness of the resulting, surviving or transferee entity is materially weaker than that of X, such Credit Support Provider or such Specified Entity, as the case may be, immediately prior to such action (and, in such event, X or its successor or transferee, as appropriate, will be the Affected Party); or

(v) **Additional Termination Event.** If any “Additional Termination Event” is specified in the Schedule or any Confirmation as applying, the occurrence of such event (and, in such event, the Affected Party or Affected Parties shall be as specified for such Additional Termination Event in the Schedule or such Confirmation).

(c) **Event of Default and Illegality.** If an event or circumstance which would otherwise constitute or give rise to an Event of Default also constitutes an Illegality, it will be treated as an Illegality and will not constitute an Event of Default.

6. Early Termination

(a) **Right to Terminate Following Event of Default.** If at any time an Event of Default with respect to a party (the "Defaulting Party") has occurred and is then continuing, the other party (the "Non-defaulting Party") may, by not more than 20 days notice to the Defaulting Party specifying the relevant Event of Default, designate a day not earlier than the day such notice is effective as an Early Termination Date in respect of all outstanding Transactions. If, however, "Automatic Early Termination" is specified in the Schedule as applying to a party, then an Early Termination Date in respect of all outstanding Transactions will occur immediately upon the occurrence with respect to such party of an Event of Default specified in Section 5(a)(vii)(1), (3), (5), (6) or, to the extent analogous thereto, (8), and as of the time immediately preceding the institution of the relevant proceeding or the presentation of the relevant petition upon the occurrence with respect to such party of an Event of Default specified in Section 5(a)(vii)(4) or, to the extent analogous thereto, (8).

(b) **Right to Terminate Following Termination Event.**

(i) **Notice.** If a Termination Event occurs, an Affected Party will, promptly upon becoming aware of it, notify the other party, specifying the nature of that Termination Event and each Affected Transaction and will also give such other information about that Termination Event as the other party may reasonably require.

(ii) **Transfer to Avoid Termination Event.** If either an Illegality under Section 5(b)(i)(1) or a Tax Event occurs and there is only one Affected Party, or if a Tax Event Upon Merger occurs and the Burdened Party is the Affected Party, the Affected Party will, as a condition to its right to designate an Early Termination Date under Section 6(b)(iv), use all reasonable efforts (which will not require such party to incur a loss, excluding immaterial, incidental expenses) to transfer within 20 days after it gives notice under Section 6(b)(i) all its rights and obligations under this Agreement in respect of the Affected Transactions to another of its Offices or Affiliates so that such Termination Event ceases to exist.

If the Affected Party is not able to make such a transfer it will give notice to the other party to that effect within such 20 day period, whereupon the other party may effect such a transfer within 30 days after the notice is given under Section 6(b)(i).

Any such transfer by a party under this Section 6(b)(ii) will be subject to and conditional upon the prior written consent of the other party, which consent will not be withheld if such other party's policies in effect at such time would permit it to enter into transactions with the transferee on the terms proposed.

(iii) **Two Affected Parties.** If an Illegality under Section 5(b)(i)(1) or a Tax Event occurs and there are two Affected Parties, each party will use all reasonable efforts to reach agreement within 30 days after notice thereof is given under Section 6(b)(i) on action to avoid that Termination Event.

(iv) **Right to Terminate.** If: —

(1) a transfer under Section 6(b)(ii) or an agreement under Section 6(b)(iii), as the case may be, has not been effected with respect to all Affected Transactions within 30 days after an Affected Party gives notice under Section 6(b)(i); or

(2) an Illegality under Section 5(b)(i)(2), a Credit Event Upon Merger or an Additional Termination Event occurs, or a Tax Event Upon Merger occurs and the Burdened Party is not the Affected Party,

either party in the case of an Illegality, the Burdened Party in the case of a Tax Event Upon Merger, any Affected Party in the case of a Tax Event or an Additional Termination Event if there is more than one Affected Party, or the party which is not the Affected Party in the case of a Credit Event Upon Merger or an Additional Termination Event if there is only one Affected Party may, by not more than 20 days notice to the other party and provided that the relevant Termination Event is then

continuing, designate a day not earlier than the day such notice is effective as an Early Termination Date in respect of all Affected Transactions.

(c) **Effect of Designation.**

(i) If notice designating an Early Termination Date is given under Section 6(a) or (b), the Early Termination Date will occur on the date so designated, whether or not the relevant Event of Default or Termination Event is then continuing.

(ii) Upon the occurrence or effective designation of an Early Termination Date, no further payments or deliveries under Section 2(a)(i) or 2(e) in respect of the Terminated Transactions will be required to be made, but without prejudice to the other provisions of this Agreement. The amount, if any, payable in respect of an Early Termination Date shall be determined pursuant to Section 6(e).

(d) **Calculations.**

(i) **Statement.** On or as soon as reasonably practicable following the occurrence of an Early Termination Date, each party will make the calculations on its part, if any, contemplated by Section 6(e) and will provide to the other party a statement (1) showing, in reasonable detail, such calculations (including all relevant quotations and specifying any amount payable under Section 6(e)) and (2) giving details of the relevant account to which any amount payable to it is to be paid. In the absence of written confirmation from the source of a quotation obtained in determining a Market Quotation, the records of the party obtaining such quotation will be conclusive evidence of the existence and accuracy of such quotation.

(ii) **Payment Date.** An amount calculated as being due in respect of any Early Termination Date under Section 6(e) will be payable on the day that notice of the amount payable is effective (in the case of an Early Termination Date which is designated or occurs as a result of an Event of Default) and on the day which is two Local Business Days after the day on which notice of the amount payable is effective (in the case of an Early Termination Date which is designated as a result of a Termination Event). Such amount will be paid together with (to the extent permitted under applicable law) interest thereon (before as well as after judgment) in the Termination Currency, from (and including) the relevant Early Termination Date to (but excluding) the date such amount is paid, at the Applicable Rate. Such interest will be calculated on the basis of daily compounding and the actual number of days elapsed.

(e) **Payments on Early Termination.** If an Early Termination Date occurs, the following provisions shall apply based on the parties' election in the Schedule of a payment measure, either "Market Quotation" or "Loss", and a payment method, either the "First Method" or the "Second Method". If the parties fail to designate a payment measure or payment method in the Schedule, it will be deemed that "Market Quotation" or the "Second Method", as the case may be, shall apply. The amount, if any, payable in respect of an Early Termination Date and determined pursuant to this Section will be subject to any Set-off.

(i) **Events of Default.** If the Early Termination Date results from an Event of Default: —

(1) **First Method and Market Quotation.** If the First Method and Market Quotation apply, the Defaulting Party will pay to the Non-defaulting Party the excess, if a positive number, of (A) the sum of the Settlement Amount (determined by the Non-defaulting Party) in respect of the Terminated Transactions and the Termination Currency Equivalent of the Unpaid Amounts owing to the Non-defaulting Party over (B) the Termination Currency Equivalent of the Unpaid Amounts owing to the Defaulting Party.

(2) **First Method and Loss.** If the First Method and Loss apply, the Defaulting Party will pay to the Non-defaulting Party, if a positive number, the Non-defaulting Party's Loss in respect of this Agreement.

(3) **Second Method and Market Quotation.** If the Second Method and Market Quotation apply, an amount will be payable equal to (A) the sum of the Settlement Amount (determined by the

Non-defaulting Party) in respect of the Terminated Transactions and the Termination Currency Equivalent of the Unpaid Amounts owing to the Non-defaulting Party less (B) the Termination Currency Equivalent of the Unpaid Amounts owing to the Defaulting Party. If that amount is a positive number, the Defaulting Party will pay it to the Non-defaulting Party; if it is a negative number, the Non-defaulting Party will pay the absolute value of that amount to the Defaulting Party.

(4) *Second Method and Loss.* If the Second Method and Loss apply, an amount will be payable equal to the Non-defaulting Party's Loss in respect of this Agreement. If that amount is a positive number, the Defaulting Party will pay it to the Non-defaulting Party; if it is a negative number, the Non-defaulting Party will pay the absolute value of that amount to the Defaulting Party.

(ii) **Termination Events.** If the Early Termination Date results from a Termination Event: —

(1) *One Affected Party.* If there is one Affected Party, the amount payable will be determined in accordance with Section 6(e)(i)(3), if Market Quotation applies, or Section 6(e)(i)(4), if Loss applies, except that, in either case, references to the Defaulting Party and to the Non-defaulting Party will be deemed to be references to the Affected Party and the party which is not the Affected Party, respectively, and, if Loss applies and fewer than all the Transactions are being terminated, Loss shall be calculated in respect of all Terminated Transactions.

(2) *Two Affected Parties.* If there are two Affected Parties: —

(A) if Market Quotation applies, each party will determine a Settlement Amount in respect of the Terminated Transactions, and an amount will be payable equal to (I) the sum of (a) one-half of the difference between the Settlement Amount of the party with the higher Settlement Amount ("X") and the Settlement Amount of the party with the lower Settlement Amount ("Y") and (b) the Termination Currency Equivalent of the Unpaid Amounts owing to X less (II) the Termination Currency Equivalent of the Unpaid Amounts owing to Y; and

(B) if Loss applies, each party will determine its Loss in respect of this Agreement (or, if fewer than all the Transactions are being terminated, in respect of all Terminated Transactions) and an amount will be payable equal to one-half of the difference between the Loss of the party with the higher Loss ("X") and the Loss of the party with the lower Loss ("Y").

If the amount payable is a positive number, Y will pay it to X; if it is a negative number, X will pay the absolute value of that amount to Y.

(iii) **Adjustment for Bankruptcy.** In circumstances where an Early Termination Date occurs because "Automatic Early Termination" applies in respect of a party, the amount determined under this Section 6(e) will be subject to such adjustments as are appropriate and permitted by law to reflect any payments or deliveries made by one party to the other under this Agreement (and retained by such other party) during the period from the relevant Early Termination Date to the date for payment determined under Section 6(d)(ii).

(iv) **Pre-Estimate.** The parties agree that if Market Quotation applies an amount recoverable under this Section 6(e) is a reasonable pre-estimate of loss and not a penalty. Such amount is payable for the loss of bargain and the loss of protection against future risks and except as otherwise provided in this Agreement neither party will be entitled to recover any additional damages as a consequence of such losses.

7. Transfer

Subject to Section 6(b)(ii), neither this Agreement nor any interest or obligation in or under this Agreement may be transferred (whether by way of security or otherwise) by either party without the prior written consent of the other party, except that: —

- (a) a party may make such a transfer of this Agreement pursuant to a consolidation or amalgamation with, or merger with or into, or transfer of all or substantially all its assets to, another entity (but without prejudice to any other right or remedy under this Agreement); and
- (b) a party may make such a transfer of all or any part of its interest in any amount payable to it from a Defaulting Party under Section 6(e).

Any purported transfer that is not in compliance with this Section will be void.

8. Contractual Currency

(a) **Payment in the Contractual Currency.** Each payment under this Agreement will be made in the relevant currency specified in this Agreement for that payment (the “Contractual Currency”). To the extent permitted by applicable law, any obligation to make payments under this Agreement in the Contractual Currency will not be discharged or satisfied by any tender in any currency other than the Contractual Currency, except to the extent such tender results in the actual receipt by the party to which payment is owed, acting in a reasonable manner and in good faith in converting the currency so tendered into the Contractual Currency, of the full amount in the Contractual Currency of all amounts payable in respect of this Agreement. If for any reason the amount in the Contractual Currency so received falls short of the amount in the Contractual Currency payable in respect of this Agreement, the party required to make the payment will, to the extent permitted by applicable law, immediately pay such additional amount in the Contractual Currency as may be necessary to compensate for the shortfall. If for any reason the amount in the Contractual Currency so received exceeds the amount in the Contractual Currency payable in respect of this Agreement, the party receiving the payment will refund promptly the amount of such excess.

(b) **Judgments.** To the extent permitted by applicable law, if any judgment or order expressed in a currency other than the Contractual Currency is rendered (i) for the payment of any amount owing in respect of this Agreement, (ii) for the payment of any amount relating to any early termination in respect of this Agreement or (iii) in respect of a judgment or order of another court for the payment of any amount described in (i) or (ii) above, the party seeking recovery, after recovery in full of the aggregate amount to which such party is entitled pursuant to the judgment or order, will be entitled to receive immediately from the other party the amount of any shortfall of the Contractual Currency received by such party as a consequence of sums paid in such other currency and will refund promptly to the other party any excess of the Contractual Currency received by such party as a consequence of sums paid in such other currency if such shortfall or such excess arises or results from any variation between the rate of exchange at which the Contractual Currency is converted into the currency of the judgment or order for the purposes of such judgment or order and the rate of exchange at which such party is able, acting in a reasonable manner and in good faith in converting the currency received into the Contractual Currency, to purchase the Contractual Currency with the amount of the currency of the judgment or order actually received by such party. The term “rate of exchange” includes, without limitation, any premiums and costs of exchange payable in connection with the purchase of or conversion into the Contractual Currency.

(c) **Separate Indemnities.** To the extent permitted by applicable law, these indemnities constitute separate and independent obligations from the other obligations in this Agreement, will be enforceable as separate and independent causes of action, will apply notwithstanding any indulgence granted by the party to which any payment is owed and will not be affected by judgment being obtained or claim or proof being made for any other sums payable in respect of this Agreement.

(d) **Evidence of Loss.** For the purpose of this Section 8, it will be sufficient for a party to demonstrate that it would have suffered a loss had an actual exchange or purchase been made.

9. Miscellaneous

- (a) **Entire Agreement.** This Agreement constitutes the entire agreement and understanding of the parties with respect to its subject matter and supersedes all oral communication and prior writings with respect thereto.
- (b) **Amendments.** No amendment, modification or waiver in respect of this Agreement will be effective unless in writing (including a writing evidenced by a facsimile transmission) and executed by each of the parties or confirmed by an exchange of telexes or electronic messages on an electronic messaging system.
- (c) **Survival of Obligations.** Without prejudice to Sections 2(a)(iii) and 6(c)(ii), the obligations of the parties under this Agreement will survive the termination of any Transaction.
- (d) **Remedies Cumulative.** Except as provided in this Agreement, the rights, powers, remedies and privileges provided in this Agreement are cumulative and not exclusive of any rights, powers, remedies and privileges provided by law.
- (e) **Counterparts and Confirmations.**
- (i) This Agreement (and each amendment, modification and waiver in respect of it) may be executed and delivered in counterparts (including by facsimile transmission), each of which will be deemed an original.
 - (ii) The parties intend that they are legally bound by the terms of each Transaction from the moment they agree to those terms (whether orally or otherwise). A Confirmation shall be entered into as soon as practicable and may be executed and delivered in counterparts (including by facsimile transmission) or be created by an exchange of telexes or by an exchange of electronic messages on an electronic messaging system, which in each case will be sufficient for all purposes to evidence a binding supplement to this Agreement. The parties will specify therein or through another effective means that any such counterpart, telex or electronic message constitutes a Confirmation.
- (f) **No Waiver of Rights.** A failure or delay in exercising any right, power or privilege in respect of this Agreement will not be presumed to operate as a waiver, and a single or partial exercise of any right, power or privilege will not be presumed to preclude any subsequent or further exercise, of that right, power or privilege or the exercise of any other right, power or privilege.
- (g) **Headings.** The headings used in this Agreement are for convenience of reference only and are not to affect the construction of or to be taken into consideration in interpreting this Agreement.

10. Offices; Multibranch Parties

- (a) If Section 10(a) is specified in the Schedule as applying, each party that enters into a Transaction through an Office other than its head or home office represents to the other party that, notwithstanding the place of booking office or jurisdiction of incorporation or organisation of such party, the obligations of such party are the same as if it had entered into the Transaction through its head or home office. This representation will be deemed to be repeated by such party on each date on which a Transaction is entered into.
- (b) Neither party may change the Office through which it makes and receives payments or deliveries for the purpose of a Transaction without the prior written consent of the other party.
- (c) If a party is specified as a Multibranch Party in the Schedule, such Multibranch Party may make and receive payments or deliveries under any Transaction through any Office listed in the Schedule, and the Office through which it makes and receives payments or deliveries with respect to a Transaction will be specified in the relevant Confirmation.

11. Expenses

A Defaulting Party will, on demand, indemnify and hold harmless the other party for and against all reasonable out-of-pocket expenses, including legal fees and Stamp Tax, incurred by such other party by reason of the enforcement and protection of its rights under this Agreement or any Credit Support Document

to which the Defaulting Party is a party or by reason of the early termination of any Transaction, including, but not limited to, costs of collection.

12. Notices

(a) **Effectiveness.** Any notice or other communication in respect of this Agreement may be given in any manner set forth below (except that a notice or other communication under Section 5 or 6 may not be given by facsimile transmission or electronic messaging system) to the address or number or in accordance with the electronic messaging system details provided (see the Schedule) and will be deemed effective as indicated:—

- (i) if in writing and delivered in person or by courier, on the date it is delivered;
- (ii) if sent by telex, on the date the recipient's answerback is received;
- (iii) if sent by facsimile transmission, on the date that transmission is received by a responsible employee of the recipient in legible form (it being agreed that the burden of proving receipt will be on the sender and will not be met by a transmission report generated by the sender's facsimile machine);
- (iv) if sent by certified or registered mail (airmail, if overseas) or the equivalent (return receipt requested), on the date that mail is delivered or its delivery is attempted; or
- (v) if sent by electronic messaging system, on the date that electronic message is received,

unless the date of that delivery (or attempted delivery) or that receipt, as applicable, is not a Local Business Day or that communication is delivered (or attempted) or received, as applicable, after the close of business on a Local Business Day, in which case that communication shall be deemed given and effective on the first following day that is a Local Business Day.

(b) **Change of Addresses.** Either party may by notice to the other change the address, telex or facsimile number or electronic messaging system details at which notices or other communications are to be given to it.

13. Governing Law and Jurisdiction

(a) **Governing Law.** This Agreement will be governed by and construed in accordance with the law specified in the Schedule.

(b) **Jurisdiction.** With respect to any suit, action or proceedings relating to this Agreement ("Proceedings"), each party irrevocably:—

- (i) submits to the jurisdiction of the English courts, if this Agreement is expressed to be governed by English law, or to the non-exclusive jurisdiction of the courts of the State of New York and the United States District Court located in the Borough of Manhattan in New York City, if this Agreement is expressed to be governed by the laws of the State of New York; and
- (ii) waives any objection which it may have at any time to the laying of venue of any Proceedings brought in any such court, waives any claim that such Proceedings have been brought in an inconvenient forum and further waives the right to object, with respect to such Proceedings, that such court does not have any jurisdiction over such party.

Nothing in this Agreement precludes either party from bringing Proceedings in any other jurisdiction (outside, if this Agreement is expressed to be governed by English law, the Contracting States, as defined in Section 1(3) of the Civil Jurisdiction and Judgments Act 1982 or any modification, extension or re-enactment thereof for the time being in force) nor will the bringing of Proceedings in any one or more jurisdictions preclude the bringing of Proceedings in any other jurisdiction.

(c) **Service of Process.** Each party irrevocably appoints the Process Agent (if any) specified opposite its name in the Schedule to receive, for it and on its behalf, service of process in any Proceedings. If for any

reason any party's Process Agent is unable to act as such, such party will promptly notify the other party and within 30 days appoint a substitute process agent acceptable to the other party. The parties irrevocably consent to service of process given in the manner provided for notices in Section 12. Nothing in this Agreement will affect the right of either party to serve process in any other manner permitted by law.

(d) **Waiver of Immunities.** Each party irrevocably waives, to the fullest extent permitted by applicable law, with respect to itself and its revenues and assets (irrespective of their use or intended use), all immunity on the grounds of sovereignty or other similar grounds from (i) suit, (ii) jurisdiction of any court, (iii) relief by way of injunction, order for specific performance or for recovery of property, (iv) attachment of its assets (whether before or after judgment) and (v) execution or enforcement of any judgment to which it or its revenues or assets might otherwise be entitled in any Proceedings in the courts of any jurisdiction and irrevocably agrees, to the extent permitted by applicable law, that it will not claim any such immunity in any Proceedings.

“Defaulting Party” has the meaning specified in Section 6(a).

“Early Termination Date” means the date determined in accordance with Section 6(a) or 6(b)(iv).

“Event of Default” has the meaning specified in Section 5(a) and, if applicable, in the Schedule.

“Illegality” has the meaning specified in Section 5(b).

“Indemnifiable Tax” means any Tax other than a Tax that would not be imposed in respect of a payment under this Agreement but for a present or former connection between the jurisdiction of the government or taxation authority imposing such Tax and the recipient of such payment or a person related to such recipient (including, without limitation, a connection arising from such recipient or related person being or having been a citizen or resident of such jurisdiction, or being or having been organised, present or engaged in a trade or business in such jurisdiction, or having or having had a permanent establishment or fixed place of business in such jurisdiction, but excluding a connection arising solely from such recipient or related person having executed, delivered, performed its obligations or received a payment under, or enforced, this Agreement or a Credit Support Document).

“law” includes any treaty, law, rule or regulation (as modified, in the case of tax matters, by the practice of any relevant governmental revenue authority) and **“lawful”** and **“unlawful”** will be construed accordingly.

“Local Business Day” means, subject to the Schedule, a day on which commercial banks are open for business (including dealings in foreign exchange and foreign currency deposits) (a) in relation to any obligation under Section 2(a)(i), in the place(s) specified in the relevant Confirmation or, if not so specified, as otherwise agreed by the parties in writing or determined pursuant to provisions contained, or incorporated by reference, in this Agreement, (b) in relation to any other payment, in the place where the relevant account is located and, if different, in the principal financial centre, if any, of the currency of such payment, (c) in relation to any notice or other communication, including notice contemplated under Section 5(a)(i), in the city specified in the address for notice provided by the recipient and, in the case of a notice contemplated by Section 2(b), in the place where the relevant new account is to be located and (d) in relation to Section 5(a)(v)(2), in the relevant locations for performance with respect to such Specified Transaction.

“Loss” means, with respect to this Agreement or one or more Terminated Transactions, as the case may be, and a party, the Termination Currency Equivalent of an amount that party reasonably determines in good faith to be its total losses and costs (or gain, in which case expressed as a negative number) in connection with this Agreement or that Terminated Transaction or group of Terminated Transactions, as the case may be, including any loss of bargain, cost of funding or, at the election of such party but without duplication, loss or cost incurred as a result of its terminating, liquidating, obtaining or reestablishing any hedge or related trading position (or any gain resulting from any of them). Loss includes losses and costs (or gains) in respect of any payment or delivery required to have been made (assuming satisfaction of each applicable condition precedent) on or before the relevant Early Termination Date and not made, except, so as to avoid duplication, if Section 6(e)(i)(1) or (3) or 6(e)(ii)(2)(A) applies. Loss does not include a party’s legal fees and out-of-pocket expenses referred to under Section 11. A party will determine its Loss as of the relevant Early Termination Date, or, if that is not reasonably practicable, as of the earliest date thereafter as is reasonably practicable. A party may (but need not) determine its Loss by reference to quotations of relevant rates or prices from one or more leading dealers in the relevant markets.

“Market Quotation” means, with respect to one or more Terminated Transactions and a party making the determination, an amount determined on the basis of quotations from Reference Market-makers. Each quotation will be for an amount, if any, that would be paid to such party (expressed as a negative number) or by such party (expressed as a positive number) in consideration of an agreement between such party (taking into account any existing Credit Support Document with respect to the obligations of such party) and the quoting Reference Market-maker to enter into a transaction (the “Replacement Transaction”) that would have the effect of preserving for such party the economic equivalent of any payment or delivery (whether the underlying obligation was absolute or contingent and assuming the satisfaction of each applicable condition precedent) by the parties under Section 2(a)(i) in respect of such Terminated Transaction or group of Terminated Transactions that would, but for the occurrence of the relevant Early Termination Date, have

been required after that date. For this purpose, Unpaid Amounts in respect of the Terminated Transaction or group of Terminated Transactions are to be excluded but, without limitation, any payment or delivery that would, but for the relevant Early Termination Date, have been required (assuming satisfaction of each applicable condition precedent) after that Early Termination Date is to be included. The Replacement Transaction would be subject to such documentation as such party and the Reference Market-maker may, in good faith, agree. The party making the determination (or its agent) will request each Reference Market-maker to provide its quotation to the extent reasonably practicable as of the same day and time (without regard to different time zones) on or as soon as reasonably practicable after the relevant Early Termination Date. The day and time as of which those quotations are to be obtained will be selected in good faith by the party obliged to make a determination under Section 6(e), and, if each party is so obliged, after consultation with the other. If more than three quotations are provided, the Market Quotation will be the arithmetic mean of the quotations, without regard to the quotations having the highest and lowest values. If exactly three such quotations are provided, the Market Quotation will be the quotation remaining after disregarding the highest and lowest quotations. For this purpose, if more than one quotation has the same highest value or lowest value, then one of such quotations shall be disregarded. If fewer than three quotations are provided, it will be deemed that the Market Quotation in respect of such Terminated Transaction or group of Terminated Transactions cannot be determined.

“Non-default Rate” means a rate per annum equal to the cost (without proof or evidence of any actual cost) to the Non-defaulting Party (as certified by it) if it were to fund the relevant amount.

“Non-defaulting Party” has the meaning specified in Section 6(a).

“Office” means a branch or office of a party, which may be such party’s head or home office.

“Potential Event of Default” means any event which, with the giving of notice or the lapse of time or both, would constitute an Event of Default.

“Reference Market-makers” means four leading dealers in the relevant market selected by the party determining a Market Quotation in good faith (a) from among dealers of the highest credit standing which satisfy all the criteria that such party applies generally at the time in deciding whether to offer or to make an extension of credit and (b) to the extent practicable, from among such dealers having an office in the same city.

“Relevant Jurisdiction” means, with respect to a party, the jurisdictions (a) in which the party is incorporated, organised, managed and controlled or considered to have its seat, (b) where an Office through which the party is acting for purposes of this Agreement is located, (c) in which the party executes this Agreement and (d) in relation to any payment, from or through which such payment is made.

“Scheduled Payment Date” means a date on which a payment or delivery is to be made under Section 2(a)(i) with respect to a Transaction.

“Set-off” means set-off, offset, combination of accounts, right of retention or withholding or similar right or requirement to which the payer of an amount under Section 6 is entitled or subject (whether arising under this Agreement, another contract, applicable law or otherwise) that is exercised by, or imposed on, such payer.

“Settlement Amount” means, with respect to a party and any Early Termination Date, the sum of: —

(a) the Termination Currency Equivalent of the Market Quotations (whether positive or negative) for each Terminated Transaction or group of Terminated Transactions for which a Market Quotation is determined; and

(b) such party’s Loss (whether positive or negative and without reference to any Unpaid Amounts) for each Terminated Transaction or group of Terminated Transactions for which a Market Quotation cannot be determined or would not (in the reasonable belief of the party making the determination) produce a commercially reasonable result.

“Specified Entity” has the meanings specified in the Schedule.

"Specified Indebtedness" means, subject to the Schedule, any obligation (whether present or future, contingent or otherwise, as principal or surety or otherwise) in respect of borrowed money.

"Specified Transaction" means, subject to the Schedule, (a) any transaction (including an agreement with respect thereto) now existing or hereafter entered into between one party to this Agreement (or any Credit Support Provider of such party or any applicable Specified Entity of such party) and the other party to this Agreement (or any Credit Support Provider of such other party or any applicable Specified Entity of such other party) which is a rate swap transaction, basis swap, forward rate transaction, commodity swap, commodity option, equity or equity index swap, equity or equity index option, bond option, interest rate option, foreign exchange transaction, cap transaction, floor transaction, collar transaction, currency swap transaction, cross-currency rate swap transaction, currency option or any other similar transaction (including any option with respect to any of these transactions), (b) any combination of these transactions and (c) any other transaction identified as a Specified Transaction in this Agreement or the relevant confirmation.

"Stamp Tax" means any stamp, registration, documentation or similar tax.

"Tax" means any present or future tax, levy, impost, duty, charge, assessment or fee of any nature (including interest, penalties and additions thereto) that is imposed by any government or other taxing authority in respect of any payment under this Agreement other than a stamp, registration, documentation or similar tax.

"Tax Event" has the meaning specified in Section 5(b).

"Tax Event Upon Merger" has the meaning specified in Section 5(b).

"Terminated Transactions" means with respect to any Early Termination Date (a) if resulting from a Termination Event, all Affected Transactions and (b) if resulting from an Event of Default, all Transactions (in either case) in effect immediately before the effectiveness of the notice designating that Early Termination Date (or, if "Automatic Early Termination" applies, immediately before that Early Termination Date).

"Termination Currency" has the meaning specified in the Schedule.

"Termination Currency Equivalent" means, in respect of any amount denominated in the Termination Currency, such Termination Currency amount and, in respect of any amount denominated in a currency other than the Termination Currency (the "Other Currency"), the amount in the Termination Currency determined by the party making the relevant determination as being required to purchase such amount of such Other Currency as at the relevant Early Termination Date, or, if the relevant Market Quotation or Loss (as the case may be), is determined as of a later date, that later date, with the Termination Currency at the rate equal to the spot exchange rate of the foreign exchange agent (selected as provided below) for the purchase of such Other Currency with the Termination Currency at or about 11:00 a.m. (in the city in which such foreign exchange agent is located) on such date as would be customary for the determination of such a rate for the purchase of such Other Currency for value on the relevant Early Termination Date or that later date. The foreign exchange agent will, if only one party is obliged to make a determination under Section 6(e), be selected in good faith by that party and otherwise will be agreed by the parties.

"Termination Event" means an Illegality, a Tax Event or a Tax Event Upon Merger or, if specified to be applicable, a Credit Event Upon Merger or an Additional Termination Event.

"Termination Rate" means a rate per annum equal to the arithmetic mean of the cost (without proof or evidence of any actual cost) to each party (as certified by such party) if it were to fund or of funding such amounts.

"Unpaid Amounts" owing to any party means, with respect to an Early Termination Date, the aggregate of (a) in respect of all Terminated Transactions, the amounts that became payable (or that would have become payable but for Section 2(a)(iii)) to such party under Section 2(a)(i) on or prior to such Early Termination Date and which remain unpaid as at such Early Termination Date and (b) in respect of each Terminated Transaction, for each obligation under Section 2(a)(i) which was (or would have been but for Section 2(a)(iii)) required to be settled by delivery to such party on or prior to such Early Termination Date and which has not been so settled as at such Early Termination Date, an amount equal to the fair market

value of that which was (or would have been) required to be delivered as of the originally scheduled date for delivery, in each case together with (to the extent permitted under applicable law) interest, in the currency of such amounts, from (and including) the date such amounts or obligations were or would have been required to have been paid or performed to (but excluding) such Early Termination Date, at the Applicable Rate. Such amounts of interest will be calculated on the basis of daily compounding and the actual number of days elapsed. The fair market value of any obligation referred to in clause (b) above shall be reasonably determined by the party obliged to make the determination under Section 6(e) or, if each party is so obliged, it shall be the average of the Termination Currency Equivalents of the fair market values reasonably determined by both parties.

incorporated by reference herein. Any terms used and not otherwise defined herein which are contained in the Definitions shall have the meaning set forth therein.

The Third Issuer Master Definitions Schedule shall prevail to the extent that it conflicts with the Master Definitions Schedule.

(b) ***No Set-Off***

- (i) All payments under this Agreement shall be made without set-off or counterclaim, except as expressly provided for in Section 6.
- (ii) Section 6(e) shall be amended by the deletion of the following sentence: "The amount, if any, payable in respect of an Early Termination Date and determined pursuant to this Section will be subject to any Set-off."

(c) ***Security Interest***

Notwithstanding Section 7, Party A hereby agrees and consents to the assignment by way of security by Party B of its interests under this Agreement (without prejudice to, and after giving effect to, any contractual netting provision contained in this Agreement) to the Note Trustee (or any successor thereto) pursuant to and in accordance with the Third Issuer Deed of Charge and acknowledges notice of such assignment. Each of the parties hereby confirms and agrees that the Note Trustee shall not be liable for any of the obligations of Party B hereunder.

(e) ***Disapplication of certain Termination Events***

The "Tax Event" and "Tax Event Upon Merger" provisions of Section 5(b)(ii) and 5(b)(iii) will not apply to Party A or to Party B.

(f) ***Additional Event of Default***

The following shall constitute an additional Event of Default with respect to Party B:

“Note Enforcement Notice. The Note Trustee serves a Note Enforcement Notice on Party B (in which case Party B shall be the Defaulting Party).”

(g) ***Northern Rock plc as Party B’s Agent***

Party B hereby declares that pursuant to the Cash Management Agreement it has appointed Northern Rock plc to act as its agent for the purpose, *inter alia*, of the operation of this Agreement and dealing with payments hereunder. Accordingly, unless and until written notice is received by Party A from the Note Trustee that such appointment has been terminated, Party A shall be entitled to treat all communications and acts relating to this Agreement received from or carried out by Northern Rock plc as being those of Party B and Party B hereby agrees to ratify and confirm the same.

(h) ***Security, Enforcement and Limited Recourse***

- (i) Party A agrees with Party B and the Note Trustee to be bound by the terms of the Third Issuer Deed of Charge and the Third Issuer Cash Management Agreement and, in particular, confirms that: (i) no sum shall be payable by or on behalf of Party B to it except in accordance with the Issuer Priority of Payments of the Third Issuer as set out in the Third Issuer Cash Management Agreement or, as applicable, the Third Issuer Deed of Charge (as the same may be amended from time to time); and (ii) it will not take any steps for the winding up, dissolution or reorganisation or for the appointment of a receiver, administrator, administrative receiver, trustee, liquidator, sequestrator or similar officer of Party B or of any or all of its revenues and assets nor participate in any ex parte proceedings nor seek to enforce any judgment against Party B except as provided in the Third Issuer Deed of Charge.
- (ii) In relation to all sums due and payable by Party B to Party A, Party A agrees that it shall have recourse only to sums available to Party B for the purpose of making payments to Party A in accordance with the relevant Issuer Priority of Payments, the Third Issuer Cash Management Agreement and/or, as applicable the Third Issuer Deed of Charge.
- (iii) If, on any date, Party B does not pay the full amount it would otherwise owe under any Transaction (including, for the avoidance of doubt, any related Conditional Transactions, and after the application of Section 2(c) to such Transaction) because of the limitation contained in clause (i) of this paragraph (h), then (i) payment by Party B of the shortfall will not then fall due but will instead be deferred until the first Payment Date thereafter on which sufficient funds are available (subject to the limitation in clause (i) of this paragraph (h)), (ii) failure by Party B to make the full payment under such Transaction (including, for the avoidance of doubt, any related Conditional Transactions, and after the application of Section 2(c) to such Transaction) shall not constitute an Event of Default for the purpose of Section 5(a)(i), and (iii) the obligation of Party A to make payment to Party B, in respect of the same Transaction, on such date, will be reduced so that Party A will be obligated to pay the Equivalent Percentage of the amount it would otherwise owe under that Transaction. “Equivalent Percentage” means the percentage obtained by dividing the amount paid by Party B by the amount it would have paid absent such limitation.

- (iv) For the avoidance of doubt, if an Early Termination Date results from an Event of Default, the Unpaid Amounts owing to Party A will include any amount payable by Party B, the payment of which was deferred under clause (iii) of this paragraph (h).

(i) *Scope of Agreement*

It is hereby understood and agreed that the provisions of this Agreement shall only apply to the swap transactions entered into between Party A and Party B on the date as of which this Agreement is made as evidenced by the Confirmations substantially in the form attached hereto as Appendix B, and that no other swap transaction may be entered into pursuant hereto except where the Rating Agencies have confirmed in writing that the then current ratings of the Third Issuer Notes would not be adversely affected by such other swap transaction.

(j) *Authorised Person*

For the purposes of Section 3 of this Agreement, Party A represents to Party B (which representation will be deemed to be repeated by Party A on each date on which a Transaction is entered into and throughout the course of any Transaction) that it is an authorised person for the purposes of the Financial Services and Markets Act 2000.

(k) *Ratings Downgrade of Party A*

- (i) In the event that the long-term, unsecured and unsubordinated debt obligations of Party A (or its successor), or any guarantor of Party A, cease to be rated at least as high as AA- by Standard & Poor's Rating Services, a division of The McGraw-Hill Companies Inc. ("S&P") and as a result of such downgrade the then current rating of the Notes may in the reasonable opinion of S&P be downgraded or placed under review for possible downgrade, then Party A shall, within 30 days of the occurrence of such downgrade at its own cost either:-

- (A) put in place an appropriate mark-to-market collateral agreement, (which may be based on the credit support documentation published by ISDA, or otherwise, and relates to collateral in the form of cash or securities or both) in support of its obligations under this Agreement provided that (x) Party A shall be deemed to have satisfied the requirements of S&P if the amount of collateral agreed to be provided in the form of cash and/or securities (the "**Collateral Amount**") is determined on a basis which is no more onerous than the criteria of S&P as at 31st September, 1999 (or any subsequent criteria published by S&P) which enable entities rated lower than a specified level to participate in structured finance transactions which, through collateralisation, are rated at a higher level (as referred to, in part, in the article entitled New Interest Rate Currency Swap Criteria Broadens Allowable Counterparties in the January 1999 issue of S&P's Structured Finance publication) (the "**S&P Criteria**") and (y) the Collateral Amount shall not be required to exceed such amount as would be required (in accordance with the S&P Criteria) to restore the rating of the Notes to the level they would have been at immediately prior to such downgrading; or
- (B) transfer all of its rights and obligations with respect to this Agreement to a replacement third party whose long-term, unsecured and unsubordinated debt obligations are rated at least as high as AA- (or its equivalent) by S&P or such

other rating as is commensurate with the rating assigned to the Notes by S&P from time to time; or

- (C) procure another person to become co-obligor in respect of the obligations of Party A under this Agreement or take such other action as Party A may agree with S&P as will result in the rating of the Notes then outstanding following the taking of such action being rated no lower than the rating of the Notes immediately prior to such downgrade.
- (ii) In the event that the long-term, unsecured and unsubordinated debt obligations of Party A (or its successor), or any guarantor of Party A cease to be rated at least as high as Aa3 by Moody's Investors Service Limited ("**Moody's**") and as a result of such downgrade the then current rating of the Notes may in the reasonable opinion of Moody's be downgraded or placed under review for possible downgrade, then Party A will, on a reasonable efforts basis, within 30 days, and at its own costs:-
- (A) attempt to transfer all of its rights and obligations with respect to this Agreement to a replacement third party whose long-term, unsecured and unsubordinated debt obligations are rated at least as high as Aa3 (or its equivalent) by Moody's or such other rating as is commensurate with the rating assigned to the Notes by Moody's from time to time; or
 - (B) put in place an appropriate mark-to-market collateral agreement, (which may be based on the credit support documentation published by ISDA, or otherwise, and relates to collateral in the form of cash or securities or both) in support of its obligations under this Agreement provided that (x) Party A shall be deemed to have satisfied the requirements of Moody's if the Collateral Amount is determined on a basis which is no more onerous than the Moody's Criteria and (y) the Collateral Amount shall not be required to exceed such amount as would be required (in accordance with the Moody's Criteria) to restore the rating of the Notes to the level they would have been at immediately prior to such downgrading; or
 - (C) procure another person to become co-obligor in respect of the obligations of Party A under this Agreement or take such other action as Party A may agree with Moody's as will result in the rating of the Notes then outstanding following the taking of such action being rated no lower than the rating of the Notes immediately prior to such downgrade.

"Moody's Criteria" means that the Collateral Amount shall not exceed 100 per cent. of the mark-to-market value of the outstanding Transactions as determined by Party A in good faith from time to time provided that if the short-term, unsecured and unsubordinated debt obligations of Party A (or its successor or assignee) cease to be rated as high as P-1 by Moody's then the applicable Collateral Amount shall not exceed the sum of (i) 102 per cent. of the mark-to-market value of the outstanding Transactions determined by Party A in good faith from time to time and (ii) in aggregate of the amounts determined in respect of each class of Notes, equal to the principal outstanding of that class of Notes and multiplied by the number of days remaining from the date of the determination to the Expected Repayment Date of that class of Notes, divided by 365 (such aggregate the "Buffer Notional") multiplied by the product of 0.15 per cent. and the

Fixed Rate Ratio (as defined in the Basis Rate Swap Agreement). “**Expected Repayment Date**” means the Interest Payment Date falling in July 2007.

- (iii) If the long-term unsecured and unsubordinated debt obligations of the Credit Support Provider of Party A (or its successor or assignee) cease to be rated at least as high as AA- (or its equivalent) by Fitch Ratings Ltd (“**Fitch**”) and as a result the then current rating of the Notes may in the reasonable opinion of Fitch be downgraded or placed on credit watch for possible downgrade, then Party A will, on a reasonable efforts basis, within 30 days, at its own cost, either:-
- (A) attempt to transfer all of its rights and obligations with respect to this Agreement to a replacement third party whose long-term, unsecured and unsubordinated debt ratings are rated at least as high as AA- (or its equivalent) by Fitch or such other rating as is commensurate with the rating assigned to the Notes by Fitch from time to time; or
 - (B) procure another person to become co-obligor or guarantor in respect of the obligations of Party A under this Agreement whose long-term, unsecured and unsubordinated debt ratings are rated at least as high as AA- (or its equivalent) by Fitch or such other rating as is commensurate with the rating assigned to the Notes by Fitch from time to time; or
 - (C) take such other action as Party A may agree with Fitch as will result in the rating of the Notes then outstanding being maintained.
- (iv) If Party A does not take the measures described in either (i), (ii) or (iii) above such failure shall not be or give rise to an Event of Default but shall constitute an Additional Termination Event with respect to Party A and shall be deemed to have occurred on the thirtieth day following such downgrade with Party A as the sole Affected Party.

Each of Party B and the Note Trustee shall use their reasonable endeavours to co-operate with Party A in putting in place such credit support documentation, including agreeing to such arrangements in such documentation as may satisfy S&P, Moody’s and Fitch with respect to the operation and management of the collateral (subject always to proviso (x) and (y) in (i)(A) and (ii)(B) above) and entering into such documents as may reasonably be requested by Party A in connection with the provision of such collateral.

(l) ***Additional Representation***

Section 3 is amended by the addition at the end thereof of the following additional representations:-

- (1) “(g) ***No Agency***. It is entering into this Agreement and each Transaction as principal and not as agent of any person.”
- (2) The following additional representation shall be given by Party A only:
 - “(h) ***Pari Passu***. Its obligations under this Agreement rank pari passu with all of its other unsecured, unsubordinated obligations except those obligations preferred by operation of law.”

(m) ***Recording of Conversations***

Each party to this Agreement acknowledges and agrees to the tape recording of conversations between the parties to this Agreement whether by one or other or both of the parties.

(n) ***Relationship between the parties***

The Agreement is amended by the insertion after Section 14 of an additional Section 15, reading in its entirety as follows:

“15. Relationship between the parties

Each party will be deemed to represent to the other party on the date on which it enters into a Transaction that (absent a written agreement between the parties that expressly imposes affirmative obligations to the contrary for that Transaction):-

- (a) ***Non Reliance.*** It is acting for its own account, and it has made its own decisions to enter into that Transaction and as to whether that Transaction is appropriate or proper for it based upon its own judgment and advice from such advisers as it has deemed necessary. It is not relying on any communication (written or oral) of the other party as investment advice or as a recommendation to enter into that Transaction; it being understood that information and explanations related to the terms and conditions of a Transaction shall not be considered investment advice or a recommendation to enter into that Transaction. It has not received from the other party any assurance or guarantee as to the expected results of that Transaction.
- (b) ***Assessment and Understanding.*** It is capable of assessing the merits of and understanding (through independent professional advice), and understands and accepts, the terms, conditions and risks of that Transaction. It is also capable of assuming, and assumes, the financial and other risks of that Transaction.
- (c) ***Status of Parties.*** The other party is not acting as a fiduciary or an adviser for it in respect of that Transaction.”

(o) ***Tax***

The Agreement is amended by deleting Section 2(d) in its entirety and replacing it with the following:

“(d) ***Deduction or Withholding for Tax***

(i) ***Requirement to Withhold***

All payments under this Agreement will be made without any deduction or withholding for or on account of any Tax unless such deduction or withholding is required (including, for the avoidance of doubt, if such deduction or withholding is required in order for the payer to obtain relief from Tax) by any applicable law, as modified by the practice of any relevant governmental revenue authority, then in effect. If a party (“X”) is so required to deduct or withhold, then that party (the “***Deducting Party***”):-

- (1) will promptly notify the other party (“Y”) of such requirement;

- (2) will pay to the relevant authorities the full amount required to be deducted or withheld (including the full amount required to be deducted or withheld from any Gross Up Amount (as defined below) paid by the Deducting Party to Y under this Section 2(d)) promptly upon the earlier of determining that such deduction or withholding is required or receiving notice that such amount has been assessed against Y;
- (3) will promptly forward to Y an official receipt (or a certified copy), or other documentation reasonably acceptable to Y, evidencing such payment to such authorities; and
- (4) if X is Party A, X will promptly pay in addition to the payment to which Party B is otherwise entitled under this Agreement, such additional amount (the "**Gross Up Amount**") as is necessary to ensure that the net amount actually received by Party B will equal the full amount which Party B would have received had no such deduction or withholding been required.

(ii) *Liability*

If:

- (1) X is required by any applicable law, as modified by the practice of any relevant governmental revenue authority, to make any deduction or withholding for or on account of any Tax in respect of payments under this Agreement; and
- (2) X does not so deduct or withhold; and
- (3) a liability resulting from such Tax is assessed directly against X,

then, except to the extent that Y has satisfied or then satisfies the liability resulting from such Tax, (A) where X is Party B, Party A will promptly pay to Party B the amount of such liability (the "**Liability Amount**") (including any related liability for interest and together with an amount equal to the Tax payable by Party B on receipt of such amount but including any related liability for penalties only if Party A has failed to comply with or perform any agreement contained in Section 4(a)(i), 4(a)(iii) or 4(d)) and Party B will promptly pay to the relevant government revenue authority the amount of such liability (including any related liability for interest and penalties) and (B) where X is Party A and Party A would have been required to pay a Gross Up Amount to Party B, Party A will promptly pay to the relevant government revenue authority the amount of such liability (including any related liability for interest and penalties).

(iii) *Tax Credit etc.*

- (a) Where Party A pays an amount in accordance with Section 2(d)(i)(4) or 2(d)(ii)(B) above, Party B undertakes as follows:-

- (1) To the extent that Party B obtains any Tax credit, allowance, set-off or repayment from the tax authorities of any jurisdiction relating to any deduction or withholding giving rise to such payment or in the case of Section 2(d)(ii)(B) the amount to be assessed, it shall pay to Party A on the next Interest Payment Date after receipt of the same so much of the cash benefit (as calculated below) relating thereto which it has received as will leave Party B in substantially the

same (but in any event no worse) position as Party B would have been in if no such deduction or withholding had been required or the amount had not been so assessed;

- (2) The “cash benefit” shall, in the case of credit, allowance or set-off, be the additional amount of Tax which would have been payable by Party B in the jurisdiction referred to in (1) above but for the obtaining by it of the said Tax credit, allowance or set-off and, in the case of a repayment, shall be the amount of the repayment together, in either case, with any related interest or similar payment obtained by Party B; and
- (3) It will use all reasonable endeavours to obtain any Tax credit, allowance, set-off or repayment as soon as is reasonably practicable provided that it shall be the sole judge of the amount of any such Tax credit, allowance, set-off or repayment and of the date on which the same is received and shall not be obliged to disclose to Party A any information regarding its tax affairs or tax computations save that Party B shall, upon request by Party A, supply Party A with a reasonably detailed explanation of its calculation of the amount of any such Tax credit, allowance, set-off or repayment and of the date on which the same is received.

The definition of “**Indemnifiable Tax**” in Section 14 shall be deleted and the following shall be substituted therefor:

“**Indemnifiable Tax**” means any Tax.”

(p) *Change of Account*

Section 2(b) of this Agreement is hereby amended by the addition of the following at the end thereof:

“; provided that such new account shall be in the same tax jurisdiction as the original account and such new account, in the case of Party B, is held with a financial institution with a short term unsecured, unsubordinated and unguaranteed debt obligation rating of at least P-1 (in the case of Moody’s) and A-1 (in the case of S&P).”

(q) *Condition Precedent*

Section 2(a)(iii) shall be amended by the deletion of the words “a Potential Event of Default” in respect of conditions precedent to the obligations of Party A only.

(r) *Representations*

- (i) Section 3(b) shall be amended by the deletion of the words “or Potential Event of Default” in respect of the representation given by Party B only.
- (ii) Section 5(a)(iv) is hereby amended by the insertion of the words “specified in Section 3” after the words “A representation”.

(s) *Transfers*

Section 7 of this Agreement shall be deleted in its entirety and replaced by the following:

- “(i) Without prejudice to Section 6(b)(ii) as amended in the Schedule, Party A may transfer all its interest and obligations in and under this Agreement to any other entity whose long-term, unguaranteed, unsecured and unsubordinated debt obligations are then rated not less than AA- by Standard & Poor’s, Aa3 by Moody’s and AA- by Fitch (or its equivalent by any Substitute Agency) or to an entity whose obligations under this Agreement are guaranteed by an entity whose long-term, unguaranteed, unsecured and unsubordinated debt obligations are then rated not less than AA- by Standard & Poor’s, Aa3 by Moody’s and AA- by Fitch (or its equivalent by any Substitute Agency) subject to the prior written confirmation from Standard & Poor’s, Moody’s and Fitch that the then current ratings of the Notes will not be adversely affected and to providing prior written notification to the Note Trustee.
- (ii) Neither this Agreement nor any interest or obligation in or under this Agreement may be transferred by Party B to any other entity other than the Note Trustee. For the avoidance of doubt, the prohibition of transfer by Party B contained in this sub-paragraph includes prohibition of transfer pursuant to Sections 6(b)(ii) and 6(b)(iii) of the Agreement.”

(t) ***Each Transaction to be treated separately***

- (i) In relation to each Transaction, an Event of Default or a Termination Event:
- (A) shall be determined separately in relation to that Transaction by reference to the facts and circumstances relating to that Transaction (and not any other Transaction); and
- (B) shall only be treated as having occurred if it would have occurred had that Transaction been the only Transaction outstanding under this Agreement.
- (ii) For the avoidance of doubt, a failure by a party to pay an amount calculated in respect of a Transaction and due under Section 2(a)(i) of this Agreement shall not constitute an Event of Default or a Potential Event of Default under or in respect of any other Transaction.
- (iii) Where an Event of Default and/or Termination Event occurs in relation to a Transaction (a "Relevant Transaction") as determined pursuant to clause (i) of this Part 5(t) above (such occurrence being a "Relevant Transaction Event"):
- (A) a notice designating an Early Termination Date pursuant to Section 6(a) or 6(b) of the Agreement as a result of that Relevant Transaction Event must be given in respect of each Relevant Transaction;
- (B) other Transactions shall not be deemed to be terminated by the designation of an Early Termination Date in respect of that Relevant Transaction;
- (C) the calculations and payments that are required to be made under Sections 6(d) and 6(e) in connection with an Early Termination Date designated in respect of a

Relevant Transaction will be made only with respect to that Relevant Transaction and not in respect of any other Transactions under this Agreement; and

- (D) each amount payable by a Party under Sections 6(e) and 11 as a result of the designation of an Early Termination Date in respect of a Relevant Transaction shall constitute a separate amount from any amount payable as a result of the designation of an Early Termination Date in respect of any other Transaction,

in each case as if the Relevant Transaction had been the only outstanding Transaction under this Agreement.

- (iv) Notwithstanding Section 2(a)(iii), the occurrence of an Event of Default or Potential Event of Default, or the occurrence or effective designation of an Early Termination Date, in respect of a Transaction shall not affect the obligation of a party to make payment in respect of any other Transaction.
- (v) For the purposes of this Part 5(t), all Transactions evidenced by a single Confirmation (including any Conditional Transactions) will be deemed to constitute a single Transaction.

(u) ***Contracts (Rights of Third Parties) Act 1999***

A person who is not a party to this Agreement shall have no right under the Contracts (Rights of Third Parties) Act 1999 to enforce any of its terms but this shall not affect any right or remedy of a third party which exists or is available apart from that Act.

Third Issuer Euro Currency Swap Agreement

(Multicurrency — Cross Border)

ISDA[®]

International Swap Dealers Association, Inc.

MASTER AGREEMENT

dated as of 20 March 2002.....

Credit Suisse First Boston International ("Party A") and The Bank of New York (the "Note Trustee") Granite Mortgages 02-1 plc ("Party B")

have entered and/or anticipate entering into one or more transactions (each a "Transaction") that are or will be governed by this Master Agreement, which includes the schedule (the "Schedule"), and the documents and other confirming evidence (each a "Confirmation") exchanged between the parties confirming those Transactions.

Accordingly, the parties agree as follows: —

1. Interpretation

- (a) **Definitions.** The terms defined in Section 14 and in the Schedule will have the meanings therein specified for the purpose of this Master Agreement.
- (b) **Inconsistency.** In the event of any inconsistency between the provisions of the Schedule and the other provisions of this Master Agreement, the Schedule will prevail. In the event of any inconsistency between the provisions of any Confirmation and this Master Agreement (including the Schedule), such Confirmation will prevail for the purpose of the relevant Transaction.
- (c) **Single Agreement.** All Transactions are entered into in reliance on the fact that this Master Agreement and all Confirmations form a single agreement between the parties (collectively referred to as this "Agreement"), and the parties would not otherwise enter into any Transactions.

2. Obligations

- (a) **General Conditions.**
 - (i) Each party will make each payment or delivery specified in each Confirmation to be made by it, subject to the other provisions of this Agreement.
 - (ii) Payments under this Agreement will be made on the due date for value on that date in the place of the account specified in the relevant Confirmation or otherwise pursuant to this Agreement, in freely transferable funds and in the manner customary for payments in the required currency. Where settlement is by delivery (that is, other than by payment), such delivery will be made for receipt on the due date in the manner customary for the relevant obligation unless otherwise specified in the relevant Confirmation or elsewhere in this Agreement.
 - (iii) Each obligation of each party under Section 2(a)(i) is subject to (1) the condition precedent that no Event of Default or Potential Event of Default with respect to the other party has occurred and is continuing, (2) the condition precedent that no Early Termination Date in respect of the relevant Transaction has occurred or been effectively designated and (3) each other applicable condition precedent specified in this Agreement.

(b) **Change of Account.** Either party may change its account for receiving a payment or delivery by giving notice to the other party at least five Local Business Days prior to the scheduled date for the payment or delivery to which such change applies unless such other party gives timely notice of a reasonable objection to such change.

(c) **Netting.** If on any date amounts would otherwise be payable:—

- (i) in the same currency; and
- (ii) in respect of the same Transaction,

by each party to the other, then, on such date, each party's obligation to make payment of any such amount will be automatically satisfied and discharged and, if the aggregate amount that would otherwise have been payable by one party exceeds the aggregate amount that would otherwise have been payable by the other party, replaced by an obligation upon the party by whom the larger aggregate amount would have been payable to pay to the other party the excess of the larger aggregate amount over the smaller aggregate amount.

The parties may elect in respect of two or more Transactions that a net amount will be determined in respect of all amounts payable on the same date in the same currency in respect of such Transactions, regardless of whether such amounts are payable in respect of the same Transaction. The election may be made in the Schedule or a Confirmation by specifying that subparagraph (ii) above will not apply to the Transactions identified as being subject to the election, together with the starting date (in which case subparagraph (ii) above will not, or will cease to, apply to such Transactions from such date). This election may be made separately for different groups of Transactions and will apply separately to each pairing of Offices through which the parties make and receive payments or deliveries.

(d) **Deduction or Withholding for Tax.**

(i) **Gross-Up.** All payments under this Agreement will be made without any deduction or withholding for or on account of any Tax unless such deduction or withholding is required by any applicable law, as modified by the practice of any relevant governmental revenue authority, then in effect. If a party is so required to deduct or withhold, then that party ("X") will:—

- (1) promptly notify the other party ("Y") of such requirement;
- (2) pay to the relevant authorities the full amount required to be deducted or withheld (including the full amount required to be deducted or withheld from any additional amount paid by X to Y under this Section 2(d)) promptly upon the earlier of determining that such deduction or withholding is required or receiving notice that such amount has been assessed against Y;
- (3) promptly forward to Y an official receipt (or a certified copy), or other documentation reasonably acceptable to Y, evidencing such payment to such authorities; and
- (4) if such Tax is an Indemnifiable Tax, pay to Y, in addition to the payment to which Y is otherwise entitled under this Agreement, such additional amount as is necessary to ensure that the net amount actually received by Y (free and clear of Indemnifiable Taxes, whether assessed against X or Y) will equal the full amount Y would have received had no such deduction or withholding been required. However, X will not be required to pay any additional amount to Y to the extent that it would not be required to be paid but for:—

(A) the failure by Y to comply with or perform any agreement contained in Section 4(a)(i), 4(a)(iii) or 4(d); or

(B) the failure of a representation made by Y pursuant to Section 3(f) to be accurate and true unless such failure would not have occurred but for (I) any action taken by a taxing authority, or brought in a court of competent jurisdiction, on or after the date on which a Transaction is entered into (regardless of whether such action is taken or brought with respect to a party to this Agreement) or (II) a Change in Tax Law.

(ii) **Liability.** If:—

- (1) X is required by any applicable law, as modified by the practice of any relevant governmental revenue authority, to make any deduction or withholding in respect of which X would not be required to pay an additional amount to Y under Section 2(d)(i)(4);
- (2) X does not so deduct or withhold; and
- (3) a liability resulting from such Tax is assessed directly against X,

then, except to the extent Y has satisfied or then satisfies the liability resulting from such Tax, Y will promptly pay to X the amount of such liability (including any related liability for interest, but including any related liability for penalties only if Y has failed to comply with or perform any agreement contained in Section 4(a)(i), 4(a)(iii) or 4(d)).

(e) **Default Interest; Other Amounts.** Prior to the occurrence or effective designation of an Early Termination Date in respect of the relevant Transaction, a party that defaults in the performance of any payment obligation will, to the extent permitted by law and subject to Section 6(c), be required to pay interest (before as well as after judgment) on the overdue amount to the other party on demand in the same currency as such overdue amount, for the period from (and including) the original due date for payment to (but excluding) the date of actual payment, at the Default Rate. Such interest will be calculated on the basis of daily compounding and the actual number of days elapsed. If, prior to the occurrence or effective designation of an Early Termination Date in respect of the relevant Transaction, a party defaults in the performance of any obligation required to be settled by delivery, it will compensate the other party on demand if and to the extent provided for in the relevant Confirmation or elsewhere in this Agreement.

3. Representations

Each party represents to the other party (which representations will be deemed to be repeated by each party on each date on which a Transaction is entered into and, in the case of the representations in Section 3(f), at all times until the termination of this Agreement) that:—

(a) **Basic Representations.**

- (i) **Status.** It is duly organised and validly existing under the laws of the jurisdiction of its organisation or incorporation and, if relevant under such laws, in good standing;
- (ii) **Powers.** It has the power to execute this Agreement and any other documentation relating to this Agreement to which it is a party, to deliver this Agreement and any other documentation relating to this Agreement that it is required by this Agreement to deliver and to perform its obligations under this Agreement and any obligations it has under any Credit Support Document to which it is a party and has taken all necessary action to authorise such execution, delivery and performance;
- (iii) **No Violation or Conflict.** Such execution, delivery and performance do not violate or conflict with any law applicable to it, any provision of its constitutional documents, any order or judgment of any court or other agency of government applicable to it or any of its assets or any contractual restriction binding on or affecting it or any of its assets;
- (iv) **Consents.** All governmental and other consents that are required to have been obtained by it with respect to this Agreement or any Credit Support Document to which it is a party have been obtained and are in full force and effect and all conditions of any such consents have been complied with; and
- (v) **Obligations Binding.** Its obligations under this Agreement and any Credit Support Document to which it is a party constitute its legal, valid and binding obligations, enforceable in accordance with their respective terms (subject to applicable bankruptcy, reorganisation, insolvency, moratorium or similar laws affecting creditors' rights generally and subject, as to enforceability, to equitable principles of general application (regardless of whether enforcement is sought in a proceeding in equity or at law)).

(b) **Absence of Certain Events.** No Event of Default or Potential Event of Default or, to its knowledge, Termination Event with respect to it has occurred and is continuing and no such event or circumstance would occur as a result of its entering into or performing its obligations under this Agreement or any Credit Support Document to which it is a party.

(c) **Absence of Litigation.** There is not pending or, to its knowledge, threatened against it or any of its Affiliates any action, suit or proceeding at law or in equity or before any court, tribunal, governmental body, agency or official or any arbitrator that is likely to affect the legality, validity or enforceability against it of this Agreement or any Credit Support Document to which it is a party or its ability to perform its obligations under this Agreement or such Credit Support Document.

(d) **Accuracy of Specified Information.** All applicable information that is furnished in writing by or on behalf of it to the other party and is identified for the purpose of this Section 3(d) in the Schedule is, as of the date of the information, true, accurate and complete in every material respect.

(e) **Payer Tax Representation.** Each representation specified in the Schedule as being made by it for the purpose of this Section 3(e) is accurate and true.

(f) **Payee Tax Representations.** Each representation specified in the Schedule as being made by it for the purpose of this Section 3(f) is accurate and true.

4. Agreements

Each party agrees with the other that, so long as either party has or may have any obligation under this Agreement or under any Credit Support Document to which it is a party:—

(a) **Furnish Specified Information.** It will deliver to the other party or, in certain cases under subparagraph (iii) below, to such government or taxing authority as the other party reasonably directs:—

(i) any forms, documents or certificates relating to taxation specified in the Schedule or any Confirmation;

(ii) any other documents specified in the Schedule or any Confirmation; and

(iii) upon reasonable demand by such other party, any form or document that may be required or reasonably requested in writing in order to allow such other party or its Credit Support Provider to make a payment under this Agreement or any applicable Credit Support Document without any deduction or withholding for or on account of any Tax or with such deduction or withholding at a reduced rate (so long as the completion, execution or submission of such form or document would not materially prejudice the legal or commercial position of the party in receipt of such demand), with any such form or document to be accurate and completed in a manner reasonably satisfactory to such other party and to be executed and to be delivered with any reasonably required certification,

in each case by the date specified in the Schedule or such Confirmation or, if none is specified, as soon as reasonably practicable.

(b) **Maintain Authorisations.** It will use all reasonable efforts to maintain in full force and effect all consents of any governmental or other authority that are required to be obtained by it with respect to this Agreement or any Credit Support Document to which it is a party and will use all reasonable efforts to obtain any that may become necessary in the future.

(c) **Comply with Laws.** It will comply in all material respects with all applicable laws and orders to which it may be subject if failure so to comply would materially impair its ability to perform its obligations under this Agreement or any Credit Support Document to which it is a party.

(d) **Tax Agreement.** It will give notice of any failure of a representation made by it under Section 3(f) to be accurate and true promptly upon learning of such failure.

(e) **Payment of Stamp Tax.** Subject to Section 11, it will pay any Stamp Tax levied or imposed upon it or in respect of its execution or performance of this Agreement by a jurisdiction in which it is incorporated,

organised, managed and controlled, or considered to have its seat, or in which a branch or office through which it is acting for the purpose of this Agreement is located (“Stamp Tax Jurisdiction”) and will indemnify the other party against any Stamp Tax levied or imposed upon the other party or in respect of the other party’s execution or performance of this Agreement by any such Stamp Tax Jurisdiction which is not also a Stamp Tax Jurisdiction with respect to the other party.

5. Events of Default and Termination Events

(a) **Events of Default.** The occurrence at any time with respect to a party or, if applicable, any Credit Support Provider of such party or any Specified Entity of such party of any of the following events constitutes an event of default (an “Event of Default”) with respect to such party:—

(i) **Failure to Pay or Deliver.** Failure by the party to make, when due, any payment under this Agreement or delivery under Section 2(a)(i) or 2(e) required to be made by it if such failure is not remedied on or before the third Local Business Day after notice of such failure is given to the party;

(ii) **Breach of Agreement.** Failure by the party to comply with or perform any agreement or obligation (other than an obligation to make any payment under this Agreement or delivery under Section 2(a)(i) or 2(e) or to give notice of a Termination Event or any agreement or obligation under Section 4(a)(i), 4(a)(iii) or 4(d)) to be complied with or performed by the party in accordance with this Agreement if such failure is not remedied on or before the thirtieth day after notice of such failure is given to the party;

(b) **Termination Events.** The occurrence at any time with respect to a party or, if applicable, any Credit Support Provider of such party or any Specified Entity of such party of any event specified below constitutes an Illegality if the event is specified in (i) below, a Tax Event if the event is specified in (ii) below or a Tax Event Upon Merger if the event is specified in (iii) below, and, if specified to be applicable, a Credit Event

Upon Merger if the event is specified pursuant to (iv) below or an Additional Termination Event if the event is specified pursuant to (v) below:—

(i) **Illegality.** Due to the adoption of, or any change in, any applicable law after the date on which a Transaction is entered into, or due to the promulgation of, or any change in, the interpretation by any court, tribunal or regulatory authority with competent jurisdiction of any applicable law after such date, it becomes unlawful (other than as a result of a breach by the party of Section 4(b)) for such party (which will be the Affected Party): —

(1) to perform any absolute or contingent obligation to make a payment or delivery or to receive a payment or delivery in respect of such Transaction or to comply with any other material provision of this Agreement relating to such Transaction; or

(2) to perform, or for any Credit Support Provider of such party to perform, any contingent or other obligation which the party (or such Credit Support Provider) has under any Credit Support Document relating to such Transaction;

(ii) **Tax Event.** Due to (x) any action taken by a taxing authority, or brought in a court of competent jurisdiction, on or after the date on which a Transaction is entered into (regardless of whether such action is taken or brought with respect to a party to this Agreement) or (y) a Change in Tax Law, the party (which will be the Affected Party) will, or there is a substantial likelihood that it will, on the next succeeding Scheduled Payment Date (1) be required to pay to the other party an additional amount in respect of an Indemnifiable Tax under Section 2(d)(i)(4) (except in respect of interest under Section 2(e), 6(d)(ii) or 6(e)) or (2) receive a payment from which an amount is required to be deducted or withheld for or on account of a Tax (except in respect of interest under Section 2(e), 6(d)(ii) or 6(e)) and no additional amount is required to be paid in respect of such Tax under Section 2(d)(i)(4) (other than by reason of Section 2(d)(i)(4)(A) or (B));

(iii) **Tax Event Upon Merger.** The party (the “Burdened Party”) on the next succeeding Scheduled Payment Date will either (1) be required to pay an additional amount in respect of an Indemnifiable Tax under Section 2(d)(i)(4) (except in respect of interest under Section 2(e), 6(d)(ii) or 6(e)) or (2) receive a payment from which an amount has been deducted or withheld for or on account of any Indemnifiable Tax in respect of which the other party is not required to pay an additional amount (other than by reason of Section 2(d)(i)(4)(A) or (B)), in either case as a result of a party consolidating or amalgamating with, or merging with or into, or transferring all or substantially all its assets to, another entity (which will be the Affected Party) where such action does not constitute an event described in Section 5(a)(viii);

(iv) **Credit Event Upon Merger.** If “Credit Event Upon Merger” is specified in the Schedule as applying to the party, such party (“X”), any Credit Support Provider of X or any applicable Specified Entity of X consolidates or amalgamates with, or merges with or into, or transfers all or substantially all its assets to, another entity and such action does not constitute an event described in Section 5(a)(viii) but the creditworthiness of the resulting, surviving or transferee entity is materially weaker than that of X, such Credit Support Provider or such Specified Entity, as the case may be, immediately prior to such action (and, in such event, X or its successor or transferee, as appropriate, will be the Affected Party); or

(v) **Additional Termination Event.** If any “Additional Termination Event” is specified in the Schedule or any Confirmation as applying, the occurrence of such event (and, in such event, the Affected Party or Affected Parties shall be as specified for such Additional Termination Event in the Schedule or such Confirmation).

(c) **Event of Default and Illegality.** If an event or circumstance which would otherwise constitute or give rise to an Event of Default also constitutes an Illegality, it will be treated as an Illegality and will not constitute an Event of Default.

6. Early Termination

(a) **Right to Terminate Following Event of Default.** If at any time an Event of Default with respect to a party (the "Defaulting Party") has occurred and is then continuing, the other party (the "Non-defaulting Party") may, by not more than 20 days notice to the Defaulting Party specifying the relevant Event of Default, designate a day not earlier than the day such notice is effective as an Early Termination Date in respect of all outstanding Transactions. If, however, "Automatic Early Termination" is specified in the Schedule as applying to a party, then an Early Termination Date in respect of all outstanding Transactions will occur immediately upon the occurrence with respect to such party of an Event of Default specified in Section 5(a)(vii)(1), (3), (5), (6) or, to the extent analogous thereto, (8), and as of the time immediately preceding the institution of the relevant proceeding or the presentation of the relevant petition upon the occurrence with respect to such party of an Event of Default specified in Section 5(a)(vii)(4) or, to the extent analogous thereto, (8).

(b) **Right to Terminate Following Termination Event.**

(i) **Notice.** If a Termination Event occurs, an Affected Party will, promptly upon becoming aware of it, notify the other party, specifying the nature of that Termination Event and each Affected Transaction and will also give such other information about that Termination Event as the other party may reasonably require.

(ii) **Transfer to Avoid Termination Event.** If either an Illegality under Section 5(b)(i)(1) or a Tax Event occurs and there is only one Affected Party, or if a Tax Event Upon Merger occurs and the Burdened Party is the Affected Party, the Affected Party will, as a condition to its right to designate an Early Termination Date under Section 6(b)(iv), use all reasonable efforts (which will not require such party to incur a loss, excluding immaterial, incidental expenses) to transfer within 20 days after it gives notice under Section 6(b)(i) all its rights and obligations under this Agreement in respect of the Affected Transactions to another of its Offices or Affiliates so that such Termination Event ceases to exist.

If the Affected Party is not able to make such a transfer it will give notice to the other party to that effect within such 20 day period, whereupon the other party may effect such a transfer within 30 days after the notice is given under Section 6(b)(i).

Any such transfer by a party under this Section 6(b)(ii) will be subject to and conditional upon the prior written consent of the other party, which consent will not be withheld if such other party's policies in effect at such time would permit it to enter into transactions with the transferee on the terms proposed.

(iii) **Two Affected Parties.** If an Illegality under Section 5(b)(i)(1) or a Tax Event occurs and there are two Affected Parties, each party will use all reasonable efforts to reach agreement within 30 days after notice thereof is given under Section 6(b)(i) on action to avoid that Termination Event.

(iv) **Right to Terminate.** If: —

(1) a transfer under Section 6(b)(ii) or an agreement under Section 6(b)(iii), as the case may be, has not been effected with respect to all Affected Transactions within 30 days after an Affected Party gives notice under Section 6(b)(i); or

(2) an Illegality under Section 5(b)(i)(2), a Credit Event Upon Merger or an Additional Termination Event occurs, or a Tax Event Upon Merger occurs and the Burdened Party is not the Affected Party,

either party in the case of an Illegality, the Burdened Party in the case of a Tax Event Upon Merger, any Affected Party in the case of a Tax Event or an Additional Termination Event if there is more than one Affected Party, or the party which is not the Affected Party in the case of a Credit Event Upon Merger or an Additional Termination Event if there is only one Affected Party may, by not more than 20 days notice to the other party and provided that the relevant Termination Event is then

continuing, designate a day not earlier than the day such notice is effective as an Early Termination Date in respect of all Affected Transactions.

(c) **Effect of Designation.**

(i) If notice designating an Early Termination Date is given under Section 6(a) or (b), the Early Termination Date will occur on the date so designated, whether or not the relevant Event of Default or Termination Event is then continuing.

(ii) Upon the occurrence or effective designation of an Early Termination Date, no further payments or deliveries under Section 2(a)(i) or 2(e) in respect of the Terminated Transactions will be required to be made, but without prejudice to the other provisions of this Agreement. The amount, if any, payable in respect of an Early Termination Date shall be determined pursuant to Section 6(e).

(d) **Calculations.**

(i) **Statement.** On or as soon as reasonably practicable following the occurrence of an Early Termination Date, each party will make the calculations on its part, if any, contemplated by Section 6(e) and will provide to the other party a statement (1) showing, in reasonable detail, such calculations (including all relevant quotations and specifying any amount payable under Section 6(e)) and (2) giving details of the relevant account to which any amount payable to it is to be paid. In the absence of written confirmation from the source of a quotation obtained in determining a Market Quotation, the records of the party obtaining such quotation will be conclusive evidence of the existence and accuracy of such quotation.

(ii) **Payment Date.** An amount calculated as being due in respect of any Early Termination Date under Section 6(e) will be payable on the day that notice of the amount payable is effective (in the case of an Early Termination Date which is designated or occurs as a result of an Event of Default) and on the day which is two Local Business Days after the day on which notice of the amount payable is effective (in the case of an Early Termination Date which is designated as a result of a Termination Event). Such amount will be paid together with (to the extent permitted under applicable law) interest thereon (before as well as after judgment) in the Termination Currency, from (and including) the relevant Early Termination Date to (but excluding) the date such amount is paid, at the Applicable Rate. Such interest will be calculated on the basis of daily compounding and the actual number of days elapsed.

(e) **Payments on Early Termination.** If an Early Termination Date occurs, the following provisions shall apply based on the parties' election in the Schedule of a payment measure, either "Market Quotation" or "Loss", and a payment method, either the "First Method" or the "Second Method". If the parties fail to designate a payment measure or payment method in the Schedule, it will be deemed that "Market Quotation" or the "Second Method", as the case may be, shall apply. The amount, if any, payable in respect of an Early Termination Date and determined pursuant to this Section will be subject to any Set-off.

(i) **Events of Default.** If the Early Termination Date results from an Event of Default: —

(1) **First Method and Market Quotation.** If the First Method and Market Quotation apply, the Defaulting Party will pay to the Non-defaulting Party the excess, if a positive number, of (A) the sum of the Settlement Amount (determined by the Non-defaulting Party) in respect of the Terminated Transactions and the Termination Currency Equivalent of the Unpaid Amounts owing to the Non-defaulting Party over (B) the Termination Currency Equivalent of the Unpaid Amounts owing to the Defaulting Party.

(2) **First Method and Loss.** If the First Method and Loss apply, the Defaulting Party will pay to the Non-defaulting Party, if a positive number, the Non-defaulting Party's Loss in respect of this Agreement.

(3) **Second Method and Market Quotation.** If the Second Method and Market Quotation apply, an amount will be payable equal to (A) the sum of the Settlement Amount (determined by the

Non-defaulting Party) in respect of the Terminated Transactions and the Termination Currency Equivalent of the Unpaid Amounts owing to the Non-defaulting Party less (B) the Termination Currency Equivalent of the Unpaid Amounts owing to the Defaulting Party. If that amount is a positive number, the Defaulting Party will pay it to the Non-defaulting Party; if it is a negative number, the Non-defaulting Party will pay the absolute value of that amount to the Defaulting Party.

(4) *Second Method and Loss.* If the Second Method and Loss apply, an amount will be payable equal to the Non-defaulting Party's Loss in respect of this Agreement. If that amount is a positive number, the Defaulting Party will pay it to the Non-defaulting Party; if it is a negative number, the Non-defaulting Party will pay the absolute value of that amount to the Defaulting Party.

(ii) **Termination Events.** If the Early Termination Date results from a Termination Event: —

(1) *One Affected Party.* If there is one Affected Party, the amount payable will be determined in accordance with Section 6(e)(i)(3), if Market Quotation applies, or Section 6(e)(i)(4), if Loss applies, except that, in either case, references to the Defaulting Party and to the Non-defaulting Party will be deemed to be references to the Affected Party and the party which is not the Affected Party, respectively, and, if Loss applies and fewer than all the Transactions are being terminated, Loss shall be calculated in respect of all Terminated Transactions.

(2) *Two Affected Parties.* If there are two Affected Parties: —

(A) if Market Quotation applies, each party will determine a Settlement Amount in respect of the Terminated Transactions, and an amount will be payable equal to (I) the sum of (a) one-half of the difference between the Settlement Amount of the party with the higher Settlement Amount ("X") and the Settlement Amount of the party with the lower Settlement Amount ("Y") and (b) the Termination Currency Equivalent of the Unpaid Amounts owing to X less (II) the Termination Currency Equivalent of the Unpaid Amounts owing to Y; and

(B) if Loss applies, each party will determine its Loss in respect of this Agreement (or, if fewer than all the Transactions are being terminated, in respect of all Terminated Transactions) and an amount will be payable equal to one-half of the difference between the Loss of the party with the higher Loss ("X") and the Loss of the party with the lower Loss ("Y").

If the amount payable is a positive number, Y will pay it to X; if it is a negative number, X will pay the absolute value of that amount to Y.

(iii) **Adjustment for Bankruptcy.** In circumstances where an Early Termination Date occurs because "Automatic Early Termination" applies in respect of a party, the amount determined under this Section 6(e) will be subject to such adjustments as are appropriate and permitted by law to reflect any payments or deliveries made by one party to the other under this Agreement (and retained by such other party) during the period from the relevant Early Termination Date to the date for payment determined under Section 6(d)(ii).

(iv) **Pre-Estimate.** The parties agree that if Market Quotation applies an amount recoverable under this Section 6(e) is a reasonable pre-estimate of loss and not a penalty. Such amount is payable for the loss of bargain and the loss of protection against future risks and except as otherwise provided in this Agreement neither party will be entitled to recover any additional damages as a consequence of such losses.

7. Transfer

Subject to Section 6(b)(ii), neither this Agreement nor any interest or obligation in or under this Agreement may be transferred (whether by way of security or otherwise) by either party without the prior written consent of the other party, except that: —

- (a) a party may make such a transfer of this Agreement pursuant to a consolidation or amalgamation with, or merger with or into, or transfer of all or substantially all its assets to, another entity (but without prejudice to any other right or remedy under this Agreement); and
- (b) a party may make such a transfer of all or any part of its interest in any amount payable to it from a Defaulting Party under Section 6(e).

Any purported transfer that is not in compliance with this Section will be void.

8. Contractual Currency

(a) **Payment in the Contractual Currency.** Each payment under this Agreement will be made in the relevant currency specified in this Agreement for that payment (the “Contractual Currency”). To the extent permitted by applicable law, any obligation to make payments under this Agreement in the Contractual Currency will not be discharged or satisfied by any tender in any currency other than the Contractual Currency, except to the extent such tender results in the actual receipt by the party to which payment is owed, acting in a reasonable manner and in good faith in converting the currency so tendered into the Contractual Currency, of the full amount in the Contractual Currency of all amounts payable in respect of this Agreement. If for any reason the amount in the Contractual Currency so received falls short of the amount in the Contractual Currency payable in respect of this Agreement, the party required to make the payment will, to the extent permitted by applicable law, immediately pay such additional amount in the Contractual Currency as may be necessary to compensate for the shortfall. If for any reason the amount in the Contractual Currency so received exceeds the amount in the Contractual Currency payable in respect of this Agreement, the party receiving the payment will refund promptly the amount of such excess.

(b) **Judgments.** To the extent permitted by applicable law, if any judgment or order expressed in a currency other than the Contractual Currency is rendered (i) for the payment of any amount owing in respect of this Agreement, (ii) for the payment of any amount relating to any early termination in respect of this Agreement or (iii) in respect of a judgment or order of another court for the payment of any amount described in (i) or (ii) above, the party seeking recovery, after recovery in full of the aggregate amount to which such party is entitled pursuant to the judgment or order, will be entitled to receive immediately from the other party the amount of any shortfall of the Contractual Currency received by such party as a consequence of sums paid in such other currency and will refund promptly to the other party any excess of the Contractual Currency received by such party as a consequence of sums paid in such other currency if such shortfall or such excess arises or results from any variation between the rate of exchange at which the Contractual Currency is converted into the currency of the judgment or order for the purposes of such judgment or order and the rate of exchange at which such party is able, acting in a reasonable manner and in good faith in converting the currency received into the Contractual Currency, to purchase the Contractual Currency with the amount of the currency of the judgment or order actually received by such party. The term “rate of exchange” includes, without limitation, any premiums and costs of exchange payable in connection with the purchase of or conversion into the Contractual Currency.

(c) **Separate Indemnities.** To the extent permitted by applicable law, these indemnities constitute separate and independent obligations from the other obligations in this Agreement, will be enforceable as separate and independent causes of action, will apply notwithstanding any indulgence granted by the party to which any payment is owed and will not be affected by judgment being obtained or claim or proof being made for any other sums payable in respect of this Agreement.

(d) **Evidence of Loss.** For the purpose of this Section 8, it will be sufficient for a party to demonstrate that it would have suffered a loss had an actual exchange or purchase been made.

9. Miscellaneous

- (a) **Entire Agreement.** This Agreement constitutes the entire agreement and understanding of the parties with respect to its subject matter and supersedes all oral communication and prior writings with respect thereto.
- (b) **Amendments.** No amendment, modification or waiver in respect of this Agreement will be effective unless in writing (including a writing evidenced by a facsimile transmission) and executed by each of the parties or confirmed by an exchange of telexes or electronic messages on an electronic messaging system.
- (c) **Survival of Obligations.** Without prejudice to Sections 2(a)(iii) and 6(c)(ii), the obligations of the parties under this Agreement will survive the termination of any Transaction.
- (d) **Remedies Cumulative.** Except as provided in this Agreement, the rights, powers, remedies and privileges provided in this Agreement are cumulative and not exclusive of any rights, powers, remedies and privileges provided by law.
- (e) **Counterparts and Confirmations.**
- (i) This Agreement (and each amendment, modification and waiver in respect of it) may be executed and delivered in counterparts (including by facsimile transmission), each of which will be deemed an original.
 - (ii) The parties intend that they are legally bound by the terms of each Transaction from the moment they agree to those terms (whether orally or otherwise). A Confirmation shall be entered into as soon as practicable and may be executed and delivered in counterparts (including by facsimile transmission) or be created by an exchange of telexes or by an exchange of electronic messages on an electronic messaging system, which in each case will be sufficient for all purposes to evidence a binding supplement to this Agreement. The parties will specify therein or through another effective means that any such counterpart, telex or electronic message constitutes a Confirmation.
- (f) **No Waiver of Rights.** A failure or delay in exercising any right, power or privilege in respect of this Agreement will not be presumed to operate as a waiver, and a single or partial exercise of any right, power or privilege will not be presumed to preclude any subsequent or further exercise, of that right, power or privilege or the exercise of any other right, power or privilege.
- (g) **Headings.** The headings used in this Agreement are for convenience of reference only and are not to affect the construction of or to be taken into consideration in interpreting this Agreement.

10. Offices; Multibranch Parties

- (a) If Section 10(a) is specified in the Schedule as applying, each party that enters into a Transaction through an Office other than its head or home office represents to the other party that, notwithstanding the place of booking office or jurisdiction of incorporation or organisation of such party, the obligations of such party are the same as if it had entered into the Transaction through its head or home office. This representation will be deemed to be repeated by such party on each date on which a Transaction is entered into.
- (b) Neither party may change the Office through which it makes and receives payments or deliveries for the purpose of a Transaction without the prior written consent of the other party.
- (c) If a party is specified as a Multibranch Party in the Schedule, such Multibranch Party may make and receive payments or deliveries under any Transaction through any Office listed in the Schedule, and the Office through which it makes and receives payments or deliveries with respect to a Transaction will be specified in the relevant Confirmation.

11. Expenses

A Defaulting Party will, on demand, indemnify and hold harmless the other party for and against all reasonable out-of-pocket expenses, including legal fees and Stamp Tax, incurred by such other party by reason of the enforcement and protection of its rights under this Agreement or any Credit Support Document

to which the Defaulting Party is a party or by reason of the early termination of any Transaction, including, but not limited to, costs of collection.

12. Notices

(a) **Effectiveness.** Any notice or other communication in respect of this Agreement may be given in any manner set forth below (except that a notice or other communication under Section 5 or 6 may not be given by facsimile transmission or electronic messaging system) to the address or number or in accordance with the electronic messaging system details provided (see the Schedule) and will be deemed effective as indicated:—

- (i) if in writing and delivered in person or by courier, on the date it is delivered;
- (ii) if sent by telex, on the date the recipient's answerback is received;
- (iii) if sent by facsimile transmission, on the date that transmission is received by a responsible employee of the recipient in legible form (it being agreed that the burden of proving receipt will be on the sender and will not be met by a transmission report generated by the sender's facsimile machine);
- (iv) if sent by certified or registered mail (airmail, if overseas) or the equivalent (return receipt requested), on the date that mail is delivered or its delivery is attempted; or
- (v) if sent by electronic messaging system, on the date that electronic message is received,

unless the date of that delivery (or attempted delivery) or that receipt, as applicable, is not a Local Business Day or that communication is delivered (or attempted) or received, as applicable, after the close of business on a Local Business Day, in which case that communication shall be deemed given and effective on the first following day that is a Local Business Day.

(b) **Change of Addresses.** Either party may by notice to the other change the address, telex or facsimile number or electronic messaging system details at which notices or other communications are to be given to it.

13. Governing Law and Jurisdiction

(a) **Governing Law.** This Agreement will be governed by and construed in accordance with the law specified in the Schedule.

(b) **Jurisdiction.** With respect to any suit, action or proceedings relating to this Agreement ("Proceedings"), each party irrevocably:—

- (i) submits to the jurisdiction of the English courts, if this Agreement is expressed to be governed by English law, or to the non-exclusive jurisdiction of the courts of the State of New York and the United States District Court located in the Borough of Manhattan in New York City, if this Agreement is expressed to be governed by the laws of the State of New York; and
- (ii) waives any objection which it may have at any time to the laying of venue of any Proceedings brought in any such court, waives any claim that such Proceedings have been brought in an inconvenient forum and further waives the right to object, with respect to such Proceedings, that such court does not have any jurisdiction over such party.

Nothing in this Agreement precludes either party from bringing Proceedings in any other jurisdiction (outside, if this Agreement is expressed to be governed by English law, the Contracting States, as defined in Section 1(3) of the Civil Jurisdiction and Judgments Act 1982 or any modification, extension or re-enactment thereof for the time being in force) nor will the bringing of Proceedings in any one or more jurisdictions preclude the bringing of Proceedings in any other jurisdiction.

(c) **Service of Process.** Each party irrevocably appoints the Process Agent (if any) specified opposite its name in the Schedule to receive, for it and on its behalf, service of process in any Proceedings. If for any

reason any party's Process Agent is unable to act as such, such party will promptly notify the other party and within 30 days appoint a substitute process agent acceptable to the other party. The parties irrevocably consent to service of process given in the manner provided for notices in Section 12. Nothing in this Agreement will affect the right of either party to serve process in any other manner permitted by law.

(d) **Waiver of Immunities.** Each party irrevocably waives, to the fullest extent permitted by applicable law, with respect to itself and its revenues and assets (irrespective of their use or intended use), all immunity on the grounds of sovereignty or other similar grounds from (i) suit, (ii) jurisdiction of any court, (iii) relief by way of injunction, order for specific performance or for recovery of property, (iv) attachment of its assets (whether before or after judgment) and (v) execution or enforcement of any judgment to which it or its revenues or assets might otherwise be entitled in any Proceedings in the courts of any jurisdiction and irrevocably agrees, to the extent permitted by applicable law, that it will not claim any such immunity in any Proceedings.

"Loss" means, with respect to this Agreement or one or more Terminated Transactions, as the case may be, and a party, the Termination Currency Equivalent of an amount that party reasonably determines in good faith to be its total losses and costs (or gain, in which case expressed as a negative number) in connection with this Agreement or that Terminated Transaction or group of Terminated Transactions, as the case may be, including any loss of bargain, cost of funding or, at the election of such party but without duplication, loss or cost incurred as a result of its terminating, liquidating, obtaining or reestablishing any hedge or related trading position (or any gain resulting from any of them). Loss includes losses and costs (or gains) in respect of any payment or delivery required to have been made (assuming satisfaction of each applicable condition precedent) on or before the relevant Early Termination Date and not made, except, so as to avoid duplication, if Section 6(e)(i)(1) or (3) or 6(e)(ii)(2)(A) applies. Loss does not include a party's legal fees and out-of-pocket expenses referred to under Section 11. A party will determine its Loss as of the relevant Early Termination Date, or, if that is not reasonably practicable, as of the earliest date thereafter as is reasonably practicable. A party may (but need not) determine its Loss by reference to quotations of relevant rates or prices from one or more leading dealers in the relevant markets.

"Market Quotation" means, with respect to one or more Terminated Transactions and a party making the determination, an amount determined on the basis of quotations from Reference Market-makers. Each quotation will be for an amount, if any, that would be paid to such party (expressed as a negative number) or by such party (expressed as a positive number) in consideration of an agreement between such party (taking into account any existing Credit Support Document with respect to the obligations of such party) and the quoting Reference Market-maker to enter into a transaction (the "Replacement Transaction") that would have the effect of preserving for such party the economic equivalent of any payment or delivery (whether the underlying obligation was absolute or contingent and assuming the satisfaction of each applicable condition precedent) by the parties under Section 2(a)(i) in respect of such Terminated Transaction or group of Terminated Transactions that would, but for the occurrence of the relevant Early Termination Date, have

been required after that date. For this purpose, Unpaid Amounts in respect of the Terminated Transaction or group of Terminated Transactions are to be excluded but, without limitation, any payment or delivery that would, but for the relevant Early Termination Date, have been required (assuming satisfaction of each applicable condition precedent) after that Early Termination Date is to be included. The Replacement Transaction would be subject to such documentation as such party and the Reference Market-maker may, in good faith, agree. The party making the determination (or its agent) will request each Reference Market-maker to provide its quotation to the extent reasonably practicable as of the same day and time (without regard to different time zones) on or as soon as reasonably practicable after the relevant Early Termination Date. The day and time as of which those quotations are to be obtained will be selected in good faith by the party obliged to make a determination under Section 6(e), and, if each party is so obliged, after consultation with the other. If more than three quotations are provided, the Market Quotation will be the arithmetic mean of the quotations, without regard to the quotations having the highest and lowest values. If exactly three such quotations are provided, the Market Quotation will be the quotation remaining after disregarding the highest and lowest quotations. For this purpose, if more than one quotation has the same highest value or lowest value, then one of such quotations shall be disregarded. If fewer than three quotations are provided, it will be deemed that the Market Quotation in respect of such Terminated Transaction or group of Terminated Transactions cannot be determined.

“Non-default Rate” means a rate per annum equal to the cost (without proof or evidence of any actual cost) to the Non-defaulting Party (as certified by it) if it were to fund the relevant amount.

“Potential Event of Default” means any event which, with the giving of notice or the lapse of time or both, would constitute an Event of Default.

“Reference Market-makers” means four leading dealers in the relevant market selected by the party determining a Market Quotation in good faith (a) from among dealers of the highest credit standing which satisfy all the criteria that such party applies generally at the time in deciding whether to offer or to make an extension of credit and (b) to the extent practicable, from among such dealers having an office in the same city.

“Relevant Jurisdiction” means, with respect to a party, the jurisdictions (a) in which the party is incorporated, organised, managed and controlled or considered to have its seat, (b) where an Office through which the party is acting for purposes of this Agreement is located, (c) in which the party executes this Agreement and (d) in relation to any payment, from or through which such payment is made.

“Scheduled Payment Date” means a date on which a payment or delivery is to be made under Section 2(a)(i) with respect to a Transaction.

“Set-off” means set-off, offset, combination of accounts, right of retention or withholding or similar right or requirement to which the payer of an amount under Section 6 is entitled or subject (whether arising under this Agreement, another contract, applicable law or otherwise) that is exercised by, or imposed on, such payer.

“Settlement Amount” means, with respect to a party and any Early Termination Date, the sum of: —

(a) the Termination Currency Equivalent of the Market Quotations (whether positive or negative) for each Terminated Transaction or group of Terminated Transactions for which a Market Quotation is determined; and

(b) such party’s Loss (whether positive or negative and without reference to any Unpaid Amounts) for each Terminated Transaction or group of Terminated Transactions for which a Market Quotation cannot be determined or would not (in the reasonable belief of the party making the determination) produce a commercially reasonable result.

“Specified Entity” has the meanings specified in the Schedule.

"Specified Indebtedness" means, subject to the Schedule, any obligation (whether present or future, contingent or otherwise, as principal or surety or otherwise) in respect of borrowed money.

"Specified Transaction" means, subject to the Schedule, (a) any transaction (including an agreement with respect thereto) now existing or hereafter entered into between one party to this Agreement (or any Credit Support Provider of such party or any applicable Specified Entity of such party) and the other party to this Agreement (or any Credit Support Provider of such other party or any applicable Specified Entity of such other party) which is a rate swap transaction, basis swap, forward rate transaction, commodity swap, commodity option, equity or equity index swap, equity or equity index option, bond option, interest rate option, foreign exchange transaction, cap transaction, floor transaction, collar transaction, currency swap transaction, cross-currency rate swap transaction, currency option or any other similar transaction (including any option with respect to any of these transactions), (b) any combination of these transactions and (c) any other transaction identified as a Specified Transaction in this Agreement or the relevant confirmation.

"Stamp Tax" means any stamp, registration, documentation or similar tax.

"Tax" means any present or future tax, levy, impost, duty, charge, assessment or fee of any nature (including interest, penalties and additions thereto) that is imposed by any government or other taxing authority in respect of any payment under this Agreement other than a stamp, registration, documentation or similar tax.

"Tax Event" has the meaning specified in Section 5(b).

"Tax Event Upon Merger" has the meaning specified in Section 5(b).

"Terminated Transactions" means with respect to any Early Termination Date (a) if resulting from a Termination Event, all Affected Transactions and (b) if resulting from an Event of Default, all Transactions (in either case) in effect immediately before the effectiveness of the notice designating that Early Termination Date (or, if "Automatic Early Termination" applies, immediately before that Early Termination Date).

"Termination Currency" has the meaning specified in the Schedule.

"Termination Currency Equivalent" means, in respect of any amount denominated in the Termination Currency, such Termination Currency amount and, in respect of any amount denominated in a currency other than the Termination Currency (the "Other Currency"), the amount in the Termination Currency determined by the party making the relevant determination as being required to purchase such amount of such Other Currency as at the relevant Early Termination Date, or, if the relevant Market Quotation or Loss (as the case may be), is determined as of a later date, that later date, with the Termination Currency at the rate equal to the spot exchange rate of the foreign exchange agent (selected as provided below) for the purchase of such Other Currency with the Termination Currency at or about 11:00 a.m. (in the city in which such foreign exchange agent is located) on such date as would be customary for the determination of such a rate for the purchase of such Other Currency for value on the relevant Early Termination Date or that later date. The foreign exchange agent will, if only one party is obliged to make a determination under Section 6(e), be selected in good faith by that party and otherwise will be agreed by the parties.

"Termination Event" means an Illegality, a Tax Event or a Tax Event Upon Merger or, if specified to be applicable, a Credit Event Upon Merger or an Additional Termination Event.

"Termination Rate" means a rate per annum equal to the arithmetic mean of the cost (without proof or evidence of any actual cost) to each party (as certified by such party) if it were to fund or of funding such amounts.

"Unpaid Amounts" owing to any party means, with respect to an Early Termination Date, the aggregate of (a) in respect of all Terminated Transactions, the amounts that became payable (or that would have become payable but for Section 2(a)(iii)) to such party under Section 2(a)(i) on or prior to such Early Termination Date and which remain unpaid as at such Early Termination Date and (b) in respect of each Terminated Transaction, for each obligation under Section 2(a)(i) which was (or would have been but for Section 2(a)(iii)) required to be settled by delivery to such party on or prior to such Early Termination Date and which has not been so settled as at such Early Termination Date, an amount equal to the fair market

value of that which was (or would have been) required to be delivered as of the originally scheduled date for delivery, in each case together with (to the extent permitted under applicable law) interest, in the currency of such amounts, from (and including) the date such amounts or obligations were or would have been required to have been paid or performed to (but excluding) such Early Termination Date, at the Applicable Rate. Such amounts of interest will be calculated on the basis of daily compounding and the actual number of days elapsed. The fair market value of any obligation referred to in clause (b) above shall be reasonably determined by the party obliged to make the determination under Section 6(e) or, if each party is so obliged, it shall be the average of the Termination Currency Equivalents of the fair market values reasonably determined by both parties.

Party B hereby declares that pursuant to the Cash Management Agreement it has appointed Northern Rock plc to act as its agent for the purpose, *inter alia*, of the operation of this Agreement and dealing with payments hereunder. Accordingly, unless and until written notice is received by Party A from the Note Trustee that such appointment has been terminated, Party A shall be entitled to treat all communications and acts relating to this Agreement received from or carried out by Northern Rock plc as being those of Party B and Party B hereby agrees to ratify and confirm the same.

(h) ***Security, Enforcement and Limited Recourse***

- (i) Party A agrees with Party B and the Note Trustee to be bound by the terms of the Third Issuer Deed of Charge and the Third Issuer Cash Management Agreement and, in particular, confirms that: (i) no sum shall be payable by or on behalf of Party B to it except in accordance with the Issuer Priority of Payments of the Third Issuer as set out in the Third Issuer Cash Management Agreement or, as applicable, the Third Issuer Deed of Charge (as the same may be amended from time to time); and (ii) it will not take any steps for the winding up, dissolution or reorganisation or for the appointment of a receiver, administrator, administrative receiver, trustee, liquidator, sequestrator or similar officer of Party B or of any or all of its revenues and assets nor participate in any ex parte proceedings nor seek to enforce any judgment against Party B except as provided in the Third Issuer Deed of Charge.

- (iii) If, on any date, Party B does not pay the full amount it would otherwise owe under any Transaction (including, for the avoidance of doubt, any related Conditional Transactions, and after the application of Section 2(c) to such Transaction) because of the limitation contained in clause (i) of this paragraph (h), then (i) payment by Party B of the shortfall will not then fall due but will instead be deferred until the first Payment Date thereafter on which sufficient funds are available (subject to the limitation in clause (i) of this paragraph (h)), (ii) failure by Party B to make the full payment under such Transaction (including, for the avoidance of doubt, any related Conditional Transactions, and after the application of Section 2(c) to such Transaction) shall not constitute an Event of Default for the purpose of Section 5(a)(i), and (iii) the obligation of Party A to make payment to Party B, in respect of the same Transaction, on such date, will be reduced so that Party A will be obligated to pay the Equivalent Percentage of the amount it would otherwise owe under that Transaction. “Equivalent Percentage” means the percentage obtained by dividing the amount paid by Party B by the amount it would have paid absent such limitation.
- (iv) For the avoidance of doubt, if an Early Termination Date results from an Event of Default, the Unpaid Amounts owing to Party A will include any amount payable by Party B, the payment of which was deferred under clause (iii) of this paragraph (h).

(i) *Scope of Agreement*

It is hereby understood and agreed that the provisions of this Agreement shall only apply to the swap transactions entered into between Party A and Party B on the date as of which this Agreement is made as evidenced by the Confirmations substantially in the form attached hereto as Appendix B and that no other swap transaction may be entered into pursuant hereto.

(j) *Authorised Person*

For the purposes of Section 3 of this Agreement, Party A represents to Party B (which representation will be deemed to be repeated by Party A on each date on which a Transaction is entered into and throughout the course of any Transaction) that it is an authorised person for the purposes of the Financial Services and Markets Act 2000.

(k) *Ratings Downgrade of Party A*

- (i) In the event that the long-term, unsecured and unsubordinated debt obligations of Party A (or its successor), or any guarantor of Party A, cease to be rated at least as high as AA- by Standard & Poor's Rating Services, a division of The McGraw-Hill Companies Inc. ("S&P") and as a result of such downgrade the then current rating of the Notes may in the reasonable opinion of S&P be downgraded or placed under review for possible downgrade, then Party A shall, within 30 days of the occurrence of such downgrade at its own cost either:-
- (A) put in place an appropriate mark-to-market collateral agreement, (which may be based on the credit support documentation published by ISDA, or otherwise, and relates to collateral in the form of cash or securities or both) in support of its obligations under this Agreement provided that (x) Party A shall be deemed to have satisfied the requirements of S&P if the amount of collateral agreed to be provided in the form of cash and/or securities (the "**Collateral Amount**") is determined on a basis which is no more onerous than the criteria of S&P as at 31st September, 1999 (or any subsequent criteria published by S&P) which enable entities rated lower than a specified level to participate in structured finance transactions which, through collateralisation, are rated at a higher level (as referred to, in part, in the article entitled New Interest Rate Currency Swap Criteria Broadens Allowable Counterparties in the January 1999 issue of S&P's Structured Finance publication) (the "**S&P Criteria**") and (y) the Collateral Amount shall not be required to exceed such amount as would be required (in accordance with the S&P Criteria) to restore the rating of the Notes to the level they would have been at immediately prior to such downgrading; or
 - (B) transfer all of its rights and obligations with respect to this Agreement to a replacement third party whose long-term, unsecured and unsubordinated debt obligations are rated at least as high as AA- (or its equivalent) by S&P or such other rating as is commensurate with the rating assigned to the Notes by S&P from time to time; or
 - (C) procure another person to become co-obligor in respect of the obligations of Party A under this Agreement or take such other action as Party A may agree with S&P

as will result in the rating of the Notes then outstanding following the taking of such action being rated no lower than the rating of the Notes immediately prior to such downgrade.

- (ii) In the event that the long-term, unsecured and unsubordinated debt obligations of Party A (or its successor), or any guarantor of Party A cease to be rated at least as high as Aa3 by Moody's Investors Service Limited ("**Moody's**") and as a result of such downgrade the then current rating of the Notes may in the reasonable opinion of Moody's be downgraded or placed under review for possible downgrade, then Party A will, on a reasonable efforts basis, within 30 days, and at its own costs:-
- (A) attempt to transfer all of its rights and obligations with respect to this Agreement to a replacement third party whose long-term, unsecured and unsubordinated debt obligations are rated at least as high as Aa3 (or its equivalent) by Moody's or such other rating as is commensurate with the rating assigned to the Notes by Moody's from time to time; or
 - (B) put in place an appropriate mark-to-market collateral agreement, (which may be based on the credit support documentation published by ISDA, or otherwise, and relates to collateral in the form of cash or securities or both) in support of its obligations under this Agreement provided that (x) Party A shall be deemed to have satisfied the requirements of Moody's if the Collateral Amount is determined on a basis which is no more onerous than the Moody's Criteria and (y) the Collateral Amount shall not be required to exceed such amount as would be required (in accordance with the Moody's Criteria) to restore the rating of the Notes to the level they would have been at immediately prior to such downgrading; or
 - (C) procure another person to become co-obligor in respect of the obligations of Party A under this Agreement or take such other action as Party A may agree with Moody's as will result in the rating of the Notes then outstanding following the taking of such action being rated no lower than the rating of the Notes immediately prior to such downgrade.

"Moody's Criteria" means that the Collateral Amount shall not exceed 100 per cent. of the mark-to-market value of the outstanding Transactions as determined by Party A in good faith from time to time provided that if the short-term, unsecured and unsubordinated debt obligations of Party A (or its successor or assignee) cease to be rated as high as P-1 by Moody's then the applicable Collateral Amount shall not exceed the sum of (i) 102 per cent. of the mark-to-market value of the outstanding Transactions determined by Party A in good faith from time to time and (ii) in aggregate of the amounts determined in respect of each class of Notes, equal to the principal outstanding of that class of Notes and multiplied by the number of days remaining from the date of the determination to the Expected Repayment Date of that class of Notes, divided by 365 (such aggregate the "Buffer Notional") multiplied by the product of 0.15 per cent. and the Fixed Rate Ratio (as defined in the Basis Rate Swap Agreement). **"Expected Repayment Date"** means the Interest Payment Date falling in July 2007.

- (iii) If the long-term unsecured and unsubordinated debt obligations of the Credit Support Provider of Party A (or its successor or assignee) cease to be rated at least as high as AA- (or its equivalent) by Fitch Ratings Ltd ("**Fitch**") and as a result the then current rating of

the Notes may in the reasonable opinion of Fitch be downgraded or placed on credit watch for possible downgrade, then Party A will, on a reasonable efforts basis, within 30 days, at its own cost, either:-

- (A) attempt to transfer all of its rights and obligations with respect to this Agreement to a replacement third party whose long-term, unsecured and unsubordinated debt ratings are rated at least as high as AA- (or its equivalent) by Fitch or such other rating as is commensurate with the rating assigned to the Notes by Fitch from time to time; or
 - (B) procure another person to become co-obligor or guarantor in respect of the obligations of Party A under this Agreement whose long-term, unsecured and unsubordinated debt ratings are rated at least as high as AA- (or its equivalent) by Fitch or such other rating as is commensurate with the rating assigned to the Notes by Fitch from time to time; or
 - (C) take such other action as Party A may agree with Fitch as will result in the rating of the Notes then outstanding being maintained.
- (iv) If Party A does not take the measures described in either (i), (ii) or (iii) above such failure shall not be or give rise to an Event of Default but shall constitute an Additional Termination Event with respect to Party A and shall be deemed to have occurred on the thirtieth day following such downgrade with Party A as the sole Affected Party.

Each of Party B and the Note Trustee shall use their reasonable endeavours to co-operate with Party A in putting in place such credit support documentation, including agreeing to such arrangements in such documentation as may satisfy S&P, Moody's and Fitch with respect to the operation and management of the collateral (subject always to proviso (x) and (y) in (i)(A) and (ii)(B) above) and entering into such documents as may reasonably be requested by Party A in connection with the provision of such collateral.

(l) ***Additional Representation***

Section 3 is amended by the addition at the end thereof of the following additional representations:-

- (1) “(g) ***No Agency***. It is entering into this Agreement and each Transaction as principal and not as agent of any person.”
- (2) The following additional representation shall be given by Party A only:
 - “(h) ***Pari Passu***. Its obligations under this Agreement rank pari passu with all of its other unsecured, unsubordinated obligations except those obligations preferred by operation of law.”

(m) ***Recording of Conversations***

Each party to this Agreement acknowledges and agrees to the tape recording of conversations between the parties to this Agreement whether by one or other or both of the parties.

(n) ***Relationship between the parties***

The Agreement is amended by the insertion after Section 14 of an additional Section 15, reading in its entirety as follows:

“15. **Relationship between the parties**

Each party will be deemed to represent to the other party on the date on which it enters into a Transaction that (absent a written agreement between the parties that expressly imposes affirmative obligations to the contrary for that Transaction):-

- (a) **Non Reliance.** It is acting for its own account, and it has made its own decisions to enter into that Transaction and as to whether that Transaction is appropriate or proper for it based upon its own judgment and advice from such advisers as it has deemed necessary. It is not relying on any communication (written or oral) of the other party as investment advice or as a recommendation to enter into that Transaction; it being understood that information and explanations related to the terms and conditions of a Transaction shall not be considered investment advice or a recommendation to enter into that Transaction. It has not received from the other party any assurance or guarantee as to the expected results of that Transaction.
- (b) **Assessment and Understanding.** It is capable of assessing the merits of and understanding (through independent professional advice), and understands and accepts, the terms, conditions and risks of that Transaction. It is also capable of assuming, and assumes, the financial and other risks of that Transaction.

(o) **Tax**

The Agreement is amended by deleting Section 2(d) in its entirety and replacing it with the following:

“(d) *Deduction or Withholding for Tax*

(i) *Requirement to Withhold*

All payments under this Agreement will be made without any deduction or withholding for or on account of any Tax unless such deduction or withholding is required (including, for the avoidance of doubt, if such deduction or withholding is required in order for the payer to obtain relief from Tax) by any applicable law, as modified by the practice of any relevant governmental revenue authority, then in effect. If a party (“X”) is so required to deduct or withhold, then that party (the “**Deducting Party**”):-

- (1) will promptly notify the other party (“Y”) of such requirement;
- (2) will pay to the relevant authorities the full amount required to be deducted or withheld (including the full amount required to be deducted or withheld from any Gross Up Amount (as defined below) paid by the Deducting Party to Y under this Section 2(d)) promptly upon the earlier of determining that such deduction or withholding is required or receiving notice that such amount has been assessed against Y;

- (3) will promptly forward to Y an official receipt (or a certified copy), or other documentation reasonably acceptable to Y, evidencing such payment to such authorities; and
- (4) if X is Party A, X will promptly pay in addition to the payment to which Party B is otherwise entitled under this Agreement, such additional amount (the "**Gross Up Amount**") as is necessary to ensure that the net amount actually received by Party B will equal the full amount which Party B would have received had no such deduction or withholding been required.

(ii) *Liability*

If:

- (1) X is required by any applicable law, as modified by the practice of any relevant governmental revenue authority, to make any deduction or withholding for or on account of any Tax in respect of payments under this Agreement; and
- (2) X does not so deduct or withhold; and
- (3) a liability resulting from such Tax is assessed directly against X,

then, except to the extent that Y has satisfied or then satisfies the liability resulting from such Tax, (A) where X is Party B, Party A will promptly pay to Party B the amount of such liability (the "**Liability Amount**") (including any related liability for interest and together with an amount equal to the Tax payable by Party B on receipt of such amount but including any related liability for penalties only if Party A has failed to comply with or perform any agreement contained in Section 4(a)(i), 4(a)(iii) or 4(d)) and Party B will promptly pay to the relevant government revenue authority the amount of such liability (including any related liability for interest and penalties) and (B) where X is Party A and Party A would have been required to pay a Gross Up Amount to Party B, Party A will promptly pay to the relevant government revenue authority the amount of such liability (including any related liability for interest and penalties).

(iii) *Tax Credit etc.*

- (a) Where Party A pays an amount in accordance with Section 2(d)(i)(4) or 2(d)(ii)(B) above, Party B undertakes as follows:-

- (1) To the extent that Party B obtains any Tax credit, allowance, set-off or repayment from the tax authorities of any jurisdiction relating to any deduction or withholding giving rise to such payment or in the case of Section 2(d)(ii)(B) the amount to be assessed, it shall pay to Party A on the next Interest Payment Date after receipt of the same so much of the cash benefit (as calculated below) relating thereto which it has received as will leave Party B in substantially the same (but in any event no worse) position as Party B would have been in if no such deduction or withholding had been required or the amount had not been so assessed;
- (2) The "cash benefit" shall, in the case of credit, allowance or set-off, be the additional amount of Tax which would have been payable by Party B in the jurisdiction referred to in (1) above but for the obtaining by it of the said Tax

credit, allowance or set-off and, in the case of a repayment, shall be the amount of the repayment together, in either case, with any related interest or similar payment obtained by Party B; and

- (3) It will use all reasonable endeavours to obtain any Tax credit, allowance, set-off or repayment as soon as is reasonably practicable provided that it shall be the sole judge of the amount of any such Tax credit, allowance, set-off or repayment and of the date on which the same is received and shall not be obliged to disclose to Party A any information regarding its tax affairs or tax computations save that Party B shall, upon request by Party A, supply Party A with a reasonably detailed explanation of its calculation of the amount of any such Tax credit, allowance, set-off or repayment and of the date on which the same is received.

The definition of “**Indemnifiable Tax**” in Section 14 shall be deleted and the following shall be substituted therefor:

“**Indemnifiable Tax**” means any Tax.”

(p) *Change of Account*

Section 2(b) of this Agreement is hereby amended by the addition of the following at the end thereof:

“; provided that such new account shall be in the same tax jurisdiction as the original account and such new account, in the case of Party B, is held with a financial institution with a short term unsecured, unsubordinated and unguaranteed debt obligation rating of at least P-1 (in the case of Moody’s) and A-1 (in the case of S&P).”

(q) *Condition Precedent*

Section 2(a)(iii) shall be amended by the deletion of the words “a Potential Event of Default” in respect of conditions precedent to the obligations of Party A only.

(r) *Representations*

- (i) Section 3(b) shall be amended by the deletion of the words “or Potential Event of Default” in respect of the representation given by Party B only.
- (ii) Section 5(a)(iv) is hereby amended by the insertion of the words “specified in Section 3” after the words “A representation”.

(s) *Transfers*

Section 7 of this Agreement shall be deleted in its entirety and replaced by the following:

- “(i) Without prejudice to Section 6(b)(ii) as amended in the Schedule, Party A may transfer all its interest and obligations in and under this Agreement to any other entity whose long-term, unguaranteed, unsecured and unsubordinated debt obligations are then rated not less than AA- by Standard & Poor’s, Aa3 by Moody’s and AA- by Fitch (or its equivalent by any Substitute Agency) or to an entity whose obligations under this Agreement are guaranteed by an entity whose

long-term, unguaranteed, unsecured and unsubordinated debt obligations are then rated not less than AA- by Standard & Poor's, Aa3 by Moody's and AA- by Fitch (or its equivalent by any Substitute Agency) subject to the prior written confirmation from Standard & Poor's, Moody's and Fitch that the then current ratings of the Notes will not be adversely affected and to providing prior written notification to the Note Trustee.

- (ii) Neither this Agreement nor any interest or obligation in or under this Agreement may be transferred by Party B to any other entity other than the Note Trustee. For the avoidance of doubt, the prohibition of transfer by Party B contained in this sub-paragraph includes prohibition of transfer pursuant to Sections 6(b)(ii) and 6(b)(iii) of the Agreement.”

(t) ***Each Transaction to be treated separately***

- (i) In relation to each Transaction, an Event of Default or a Termination Event:
 - (A) shall be determined separately in relation to that Transaction by reference to the facts and circumstances relating to that Transaction (and not any other Transaction), and
 - (B) shall only be treated as having occurred if it would have occurred had that Transaction been the only Transaction outstanding under this Agreement.
- (ii) For the avoidance of doubt, a failure by a party to pay an amount calculated in respect of a Transaction and due under Section 2(a)(i) of this Agreement shall not constitute an Event of Default or a Potential Event of Default under or in respect of any other Transaction.
- (iii) Where an Event of Default and/or Termination Event occurs in relation to a Transaction (a "Relevant Transaction") as determined pursuant to clause (i) of this Part 5(t) above (such occurrence being a "Relevant Transaction Event"):
 - (A) a notice designating an Early Termination Date pursuant to Section 6(a) or 6(b) of this Agreement as a result of that Relevant Transaction Event must be given in respect of each Relevant Transaction;
 - (B) other Transactions shall not be deemed to be terminated by the designation of an Early Termination Date in respect of that Relevant Transaction;
 - (C) the calculations and payments that are required to be made under Sections 6(d) and 6(e) in connection with an Early Termination Date designated in respect of a Relevant Transaction will be made only with respect to that Relevant Transaction and not in respect of any other Transactions under this Agreement; and
 - (D) amount payable by a Party under Sections 6(e) and 11 as a result of the designation of an Early Termination Date in respect of a Relevant Transaction shall constitute a separate amount from any amount payable as a result of the designation of an Early Termination Date in respect of any other Transaction,

in each case as if the Relevant Transaction had been the only outstanding Transaction under this Agreement.

- (iv) Notwithstanding Section 2(a)(iii), the occurrence of an Event of Default or Potential Event of Default, or the occurrence or effective designation of an Early Termination Date, in respect of a Transaction shall not affect the obligation of a party to make payment in respect of any other Transaction.
 - (v) For the purposes of this Part 5(t), all Transactions evidenced by a single Confirmation (including any Conditional Transactions) will be deemed to constitute a single Transaction.
- (u) ***Contracts (Rights of Third Parties) Act 1999***

A person who is not a party to this Agreement shall have no right under the Contracts (Rights of Third Parties) Act 1999 to enforce any of its terms but this shall not affect any right or remedy of a third party which exists or is available apart from that Act.

THIS SECOND ISSUER START-UP LOAN AGREEMENT is made on 20 March 2002

BETWEEN:

- (1) **GRANITE FINANCE FUNDING LIMITED** (registered number 79308), a private limited company incorporated under the laws of Jersey but acting out of its branch office established in England (registered overseas company number FC022999 and branch number BR005916) at 4th Floor, 35 New Bridge Street, Blackfriars, London EC4V 6BW ("**Funding**");
- (2) **NORTHERN ROCK PLC** (registered number 3273685), a public limited company incorporated under the laws of England and Wales whose registered office is at Northern Rock House, Gosforth, Newcastle upon Tyne NE3 4PL in its capacity as seller of the Mortgage Loans (the "**Third Issuer Start-Up Loan Provider**"); and
- (3) **THE BANK OF NEW YORK**, whose principal office is at One Canada Square, 48th Floor, London E14 5AL (the "**Security Trustee**", which expression shall include such person and all other persons for the time being acting as the security trustee or security trustees under the Funding Deed of Charge).

IT IS HEREBY AGREED as follows:

1. Definitions and Interpretation

1.1 The provisions of:

- (a) the Master Definitions Schedule as amended and restated by (and appearing in Appendix 1 to) the Master Definitions Schedule Second Amendment and Restatement Deed made on 20 March 2002 between, among others, the Seller, Funding and the Mortgages Trustee, and
- (b) the Third Issuer Master Definitions Schedule signed for the purposes of identification by Sidley Austin Brown & Wood and Allen & Overy on 20 March 2002,

(as the same have been and may be amended, varied or supplemented from time to time with the consent of the parties hereto) are expressly and specifically incorporated into and shall apply to this Agreement. The Third Issuer Master Definitions Schedule shall prevail to the extent that it conflicts with the Master Definitions Schedule.

2. The Advance

The Third Issuer Start-Up Loan Provider grants to Funding simultaneously with the issue by the Third Issuer of the Third Issuer Notes (and upon the simultaneous issuance by the Third Issuer to Funding of the Third Issuer Intercompany Loan) and upon the terms and subject to the conditions hereof, a loan in an aggregate amount of £25,100,000 (twenty five million and one hundred thousand pounds) (the "**Advance**") on the Closing Date for the purposes of providing for the partial funding of the Issuer Reserve Fund and providing for Funding's costs and expenses in respect of the acquisition of the Funding Share of the Additional Trust Property and in respect of amounts payable to the Third Issuer by Funding as fees under the

Third Issuer Intercompany Loan. The Advance shall be paid into the Funding Transaction Account.

3. Interest

- 3.1** The Advance and any interest capitalised pursuant to Clause 3.4 will bear interest in accordance with Clause 3.3 at a rate of LIBOR for three-month sterling deposits plus 0.90% per annum from (and including) the Closing Date until the Advance and all accrued interest thereon is repaid in full. Prior to the service of an Intercompany Loan Enforcement Notice, Funding shall pay interest on the Advance on each Payment Date if, and only to the extent that, there are Funding Available Revenue Receipts available therefor after making the payments and provisions referred to in the Funding Pre-Enforcement Revenue Priority of Payments.
- 3.2** Subject to Clauses 6.2 and 6.3, interest on the Advance and any interest capitalised pursuant to Clause 3.4 will be payable by Funding in arrear on each Payment Date in accordance with the Funding Priority of Payments.
- 3.3** Interest shall be calculated by reference to any Interest Period on the basis of the actual number of days elapsed and a 365 day year (or, in the case of a leap year, a 366 day year).
- 3.4** Any interest accrued in respect of an Interest Period but not paid on the Payment Date relating thereto shall be capitalised forthwith.

4. Repayment

- 4.1** Prior to the service of an Intercompany Loan Enforcement Notice, Funding shall repay principal of the Advance (including any interest capitalised pursuant to Clause 3.4) on each Payment Date if, and only to the extent that, there are Funding Available Revenue Receipts available therefor after making the payments and provisions referred to in the Funding Pre-Enforcement Revenue Priority of Payments.
- 4.2** The Cash Manager is responsible, pursuant to the Cash Management Agreement, for determining the amount of Funding Available Revenue Receipts as at any Payment Date and each determination so made shall (in the absence of negligence, wilful default, bad faith or manifest error) be final and binding on the Third Issuer Start-Up Loan Provider.
- 4.3** Subject to Clauses 5, 6.2, 6.3 and 7, on any Payment Date on which all the Intercompany Loans have been repaid in full, Funding shall immediately repay the Advance (including any interest capitalised pursuant to Clause 3.4) and pay any accrued interest.
- 4.4** The Third Issuer Start-Up Loan Provider hereby acknowledges that Funding has entered into Start-up Loan Agreements on 26 March 2001 and on 28 September 2001 with the Start-up Loan Provider and that from time to time Funding may enter into New Start-Up Loan Agreements with New Start-Up Loan Providers and that the obligation of Funding to repay the Third Issuer Start-Up Loan, any other existing Start Up Loans and any New Start-Up Loan will rank *pari passu* and will be paid *pro rata* between themselves. The Third Issuer Start-Up Loan Provider further acknowledges that the Funding Pre-Enforcement Revenue

Priority of Payments and the Funding Post-Enforcement Priority of Payments set out in the Funding Deed of Charge, respectively, will be amended to reflect the entry by Funding into New Start-Up Loan Agreements and related agreements from time to time and agrees to execute such documents as are necessary or required by the Rating Agencies for the purpose of including the New Start-Up Loan Provider (and any other relevant party) in the Transaction Documents to effect those amendments.

5. Acceleration

If an Intercompany Loan Enforcement Notice is served, the Advance (including any interest capitalised pursuant to Clause 3.4) and accrued interest shall, subject to the Funding Deed of Charge, become immediately due and payable.

6. Payments and limited recourse

6.1 All payments to be made hereunder by Funding shall be made in sterling in immediately available cleared funds to the Third Issuer Start-Up Loan Provider's account as specified in writing to Funding for this purpose. If any sum falls due hereunder otherwise than on a London Business Day, it shall be paid on the next succeeding London Business Day.

6.2 Prior to service of an Intercompany Loan Enforcement Notice or repayment in full of all the Intercompany Loans, amounts of interest, principal and any other amounts due hereunder shall be paid only in accordance with Clauses 3.1, 4.1 and 7.1, respectively, and the provisions of the Funding Deed of Charge.

6.3 If, upon the Advance becoming due and payable pursuant to Clauses 4.3 or 5, Funding has insufficient funds available to meet its obligations hereunder in full on such date then:

(a) Funding shall utilise its funds on such date to the extent available in making payments to the Third Issuer Start-Up Loan Provider to repay the Advance (including any interest capitalised pursuant to Clause 3.4) and accrued interest thereon; and

(b) the obligations of Funding to pay the shortfall together with any amounts falling due and payable thereafter shall on any day be limited to the available funds actually received by Funding from time to time subsequent to such date, together with the proceeds of the enforcement of the security, paid to the Third Issuer Start-Up Loan Provider pursuant to Clause 8 (*Upon Enforcement*) of the Funding Deed of Charge,

provided that the Third Issuer Start-Up Loan Provider shall not release Funding from Funding's obligation to pay the remaining amount that would have been due under this Agreement had this Clause 6.3 not applied.

7. Subordination and Security

7.1 The parties hereby agree that repayments in respect of the Advance shall be subordinated to, *inter alia*, payments of principal and interest on the Third Issuer Intercompany Loan and all other payments or provisions ranking in priority to payments to be made to the Third Issuer

Start-Up Loan Provider under this Agreement in accordance with the Funding Priority of Payments and the Funding Deed of Charge.

- 7.2 The Third Issuer Start-Up Loan Provider further agrees that, without prejudice to Clause 8 (*Upon Enforcement*) of the Funding Deed of Charge, its rights against Funding under this Agreement are limited to the extent that Funding has sufficient assets to meet the Third Issuer Start-Up Loan Provider's claim or any part thereof having taken into account all other liabilities, both actual and contingent, of Funding which pursuant to the Funding Deed of Charge rank *pari passu* with or in priority to its liabilities to the Third Issuer Start-Up Loan Provider under this Agreement and so that Funding shall not be obliged to make any payment to the Third Issuer Start-Up Loan Provider hereunder if and to the extent that the making of such payment would cause Funding to be or become unable to pay its debts within the meaning of Section 123 of the Insolvency Act 1986. However, if there are Funding Available Revenue Receipts available but Funding does not repay the Advance (including any interest capitalised pursuant to Clause 3.4) and/or interest thereon when due (to the extent of such available Funding Available Revenue Receipts), such non-repayment will constitute an event of default under this Third Issuer Start-Up Loan Agreement.
- 7.3 Funding undertakes that its obligations to the Third Issuer Start-Up Loan Provider hereunder shall at all times be secured by the Funding Deed of Charge.
- 7.4 The Third Issuer Start-Up Loan Provider hereby undertakes to be bound by the terms of the Funding Deed of Charge and the Cash Management Agreement and in particular agrees that on enforcement of the security created by the Funding Deed of Charge, all amounts of principal, interest and any other amounts due hereunder shall rank in the order of priority set out in the Funding Post-Enforcement Priority of Payments.
- 7.5 The Third Issuer Start-Up Loan Provider further covenants that, except as permitted under the Funding Deed of Charge, it will not set off or claim to set off the Advance or any interest thereon or any part thereof against any liability owed by it to Funding.
- 7.6 The Third Issuer Start-Up Loan Provider undertakes that it will not, for so long as any sum is outstanding under any Intercompany Loan Agreement of any Issuer or for two years plus one day since the last day on which any such sum was outstanding take any corporate action or other steps or legal proceedings for the winding up, dissolution or reorganisation or for the appointment of a receiver, administrator, administrative receiver, trustee, liquidator, sequestrator or similar officer of Funding or of any or all of the revenues and assets of Funding nor participate in any ex parte proceedings nor seek to enforce any judgment against Funding, except as permitted under the provisions of the Funding Deed of Charge.
- 7.7 The Third Issuer Start-Up Loan Provider acknowledges hereby that it is not entitled, other than by virtue of Section 208 of the Income and Corporation Taxes Act 1988 ("ICTA"), to any exemption from Tax in respect of any interest payable to it under this Agreement.
- 7.8 The Third Issuer Start-Up Loan Provider further represents that, pursuant to Section 212 of ICTA, any interest payable to it under this Agreement is paid to it within the charge to UK corporation tax.

- 7.9** The Third Issuer Start-Up Loan Provider further represents that it is an institution which is a bank for the purposes of Section 840A of ICTA
- 7.10** Each party to this Agreement other than the Security Trustee hereby makes the representations and warranties to each of the other parties to this Agreement that are specified in Schedule 1 hereto.

8. Notices

Any notices to be given pursuant to this Agreement or to any of the parties hereto shall be sufficiently served if sent by prepaid first class post or by facsimile transmission and shall be deemed to be given (in the case of facsimile transmission) when despatched, (where delivered by hand) on the day of delivery if delivered before 17.00 hours on a Business Day or on the next Business Day if delivered thereafter or (in the case of first class post) when it would be received in the ordinary course of the post and shall be sent:

- (a) in the case of Funding, to Granite Finance Funding Limited, 35 New Bridge Street, 4th Floor, Blackfriars, London EC4V 6BW (facsimile number 020 7332-6199) for the attention of the Company Secretary with a copy to Northern Rock plc, Northern Rock House, Gosforth, Newcastle upon Tyne NE3 4PL Facsimile: 0191 213 2203 for the attention of the Group Secretary;

or to such other address or facsimile number as may from time to time be notified by any party to the other by written notice in accordance with the provisions of this Clause 8.

9. Taxes

- 9.1** All payments to be made by Funding to the Third Issuer Start-Up Loan Provider hereunder shall be made free and clear of and without deduction for or on account of Tax unless Funding is required by law to make such a payment subject to the deduction or withholding of Tax, in which case Funding shall promptly upon becoming aware thereof notify the Third Issuer Start-Up Loan Provider of such obligation, and shall make such payments subject to such deduction or withholding of Tax which it is required to make.
- 9.2** If Funding makes any payment hereunder in respect of which it is required to make any deduction or withholding, it shall pay the full amount required to be deducted or withheld to the relevant taxation or other authority within the time allowed for such payment under applicable law and shall deliver to the Third Issuer Start-Up Loan Provider, within thirty days after such payment falls due to the applicable authority, any original receipt (or a certified copy thereof) issued by such authority evidencing such payment.

10. Remedies and Waivers

No failure by the Third Issuer Start-Up Loan Provider to exercise, nor any delay by the Third Issuer Start-Up Loan Provider in exercising, any right or remedy hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any right or remedy prevent any further or other exercise thereof or the exercise of any other right or remedy. The rights and remedies herein provided are cumulative and not exclusive of any rights or remedies provided by law.

11. Assignments and Transfer

11.1 Funding (other than in respect of any assignment by way of security pursuant to the Funding Deed of Charge) may not assign and/or transfer any of its rights and/or obligations under this Agreement. The Third Issuer Start-Up Loan Provider may not assign and/or transfer its rights under this Agreement without obtaining the prior written consent of Funding, provided that such consent may only be given if such assignment and/or transfer is by way of security, or, if such assignment and/or transfer is to a person within the charge to United Kingdom corporation tax as regards any interest received by it under this Agreement. Any such assignee or transferee must agree to be bound by the provisions contained in the Funding Deed of Charge as if it were named as an original party thereto in place of the Third Issuer Start-Up Loan Provider.

11.2 If there is any change in the identity of the Security Trustee pursuant to the terms of the Funding Deed of Charge, the Third Issuer Start-Up Loan Provider and Funding shall execute such documents and take such actions as the new security trustee and the outgoing security trustee (as the case may be) may reasonably require for the purpose of vesting in the new security trustee the rights and obligations of the outgoing security trustee and releasing the outgoing security trustee (as the case may be) from its future obligations under this Agreement.

12. Alternative Payment Arrangements

If at any time it shall become impracticable for Funding to make any payments hereunder in the manner specified in Clause 6.1, then Funding may agree with the Third Issuer Start-Up Loan Provider and the Security Trustee alternative arrangements for such payments to be made.

13. Security Trustee as a Party

The Security Trustee has agreed to become a party to this Agreement for the better preservation and enforcement of its rights under this Agreement and the Security Trustee shall assume no obligations or liabilities whatsoever to the Third Issuer Start-Up Loan Provider or to Funding. Furthermore, any liberty or power which may be exercised or any determination which may be made hereunder by the Security Trustee may be exercised or made in the Security Trustee's absolute discretion without any obligation to give reasons therefor, but in any event must be exercised or made in accordance with the provisions of the Funding Deed of Charge.

14. No Partnership

Nothing in this Agreement (or in any of the arrangements contemplated hereby) shall, or shall be deemed to, constitute a partnership amongst the parties hereto.

15. Variation

No variation of this Agreement shall be effective unless it is in writing and signed by or on behalf of each of the parties hereto.

16. Execution in Counterparts; Severability

16.1 This Agreement may be executed in any number of counterparts (manually or by facsimile) and by different parties hereto in separate counterparts, each of which when so executed shall be deemed to be an original and all of which when taken together shall constitute one and the same instrument.

16.2 Where any provision in or obligation under this Agreement shall be invalid, illegal or unenforceable in any jurisdiction, the validity, legality and enforceability of the remaining provisions or obligations under this Agreement, or of such provision or obligation in any other jurisdiction, shall not be affected or impaired thereby.

17. Third Party Rights

A person who is not a party to this Agreement may not enforce any of its terms under the Contracts (Rights of Third Parties) Act 1999, but this shall not affect any right or remedy of a third party which exists or is available apart from that Act.

18. Governing Law and Jurisdiction; Appropriate Forum

18.1 This Agreement is governed by, and shall be construed in accordance with, English law.

18.2 Each of the parties hereto irrevocably agrees that the courts of England shall have jurisdiction to hear and determine any suit, action or proceeding, and to settle any disputes, which may arise out of or in connection with this Agreement and, for such purposes, irrevocably submits to the jurisdiction of such courts.

18.3 Each of the parties hereto irrevocably waives any objection which it might now or hereafter have to the courts of England being nominated as the forum to hear and determine any Proceedings and to settle any disputes, and agrees not to claim that any such court is not a convenient or appropriate forum.
