CON-SPACE SIGNS CONTRACT WITH TELEX

RICHMOND, BC — Mr. Terence A. Ibbetson, President of CON-SPACE® Communications Ltd., (CDNX:CCB) (www.con-space.com) announced today that an OEM (Original Equipment Manufacture) Agreement was signed to manufacture private labeled products for Telex Communications, Inc. (www.telex.com).

Telex, with its global headquarters in Minneapolis, Minnesota, USA, has 2,500 employees located at 26 locations worldwide including; Canada, Mexico, China, Hong Kong, Japan, Singapore, Australia, France, Germany and the United Kingdom. Telex is a global leader in designing, manufacturing and marketing, audio, wireless and multimedia communication products. Their brands, including Telex®, Electro-Voice®, Dynacord®, Midas™, Merlin®, and Klark Teknik™, are well known and respected worldwide. Telex products range from speakers, amplifiers, mixers, consoles, signal processors and microphones to intercoms, multimedia wireless communication products, hearing aids and assistive listening devices.

The products supplied by CON-SPACE will be available to Telex for their markets worldwide.

CON-SPACE, with its headquarters in Richmond, BC, Canada, designs, manufactures and distributes a wide range of unique communications equipment which it markets under its own label and as private labeled products for a number of other major companies. Telex is the newest addition to the growing list of companies who rely on the technical and manufacturing abilities of the CON-SPACE team.

"Our reputation as an innovator and quality manufacturer is spreading," said Ibbetson. "Major companies like Telex have recognized our talents and while it takes time to build a reputation like ours, we now have it and the Company will reap the benefits for many years to come."

CON-SPACE equipment is used world wide by Fire Departments and Rescue Teams to assist in locating and extricating survivors from collapsed structures following natural or manmade disasters. Rescuers used the Company's specialty voice equipment in the aftermath of the terrorist attacks at the World Trade Center and Pentagon.
