SUUNTO BECOMES A MAJORITY SHAREHOLDER OF MEIGA INNOVATIONS,
A SPORTS SOFTWARE SPECIALIST

Suunto, a subsidiary of Amer Group Plc, buys a 60% majority shareholding of Meiga Innovations, a company specialised in sports related software.

Sports related software and technology solutions are becoming increasingly important part of Suunto's product portfolio. With the help of software technology a sports participant can analyse and improve performance and share information with other participants, tells Mr Dan Colliander, President of Suunto.

Meiga Innovations employs 15 persons.
