EMBRATEL SUCCESFULLY COMPLETES 2002 FINANCING PROGRAM US\$305 million Syndicate Loan and Trade Related Financing Concluded

Rio de Janeiro, Brazil - April 3, 2002 - Embratel Participações S.A. (Embratel Participações or the "Company") (NYSE: EMT; BOVESPA: EBTP3, EBTP4), the Company that holds 98.8 percent of Empresa Brasileira de Telecomunicações S.A. ("Embratel"), today announced the conclusion of its main 2002 financing program.

The major part of this program consists of a Syndicated Loan of US\$270 million. A total of US\$240 million has already been internalized by the company and another US\$30 million is being finalized. An additional US\$35 million of trade related financing is being structured and will complete Embratel's core financing needs for 2002. The company ended the first quarter of 2002 with a cash position of R\$662 million having paid approximately US\$409 million of interest and principal during the quarter. "The conclusion of these transactions at prices and conditions established in early January is evidence of Embratel's credit quality and financing ability even in an unfavorable financing environment for telecoms " said José Maria Zubiría, Embratel's Finance Vice President and CFO.

The syndicated loan is composed of three tranches: US\$100 million maturing in one year; US\$170 million with average two year maturity of which US\$20 million carries Political Risk Insurance (PRI). US\$120 million has been hedged, including the entire one year tranche, at an average rate of 98.2% of CDI. "While this loan enables us to fulfill our refinancing needs for the year, our cash generation will fund most of the 2002 R\$1.1 billion investment plan" said Jorge Rodriguez, Embratel's President and CEO, "Embratel is focused on improving its EBITDA and overall cash generation throughout 2002. This will allow us to accomplish our goal of maintaining total debt at 2001 US dollar equivalent levels".

Embratel is the premier communications provider in Brazil offering a wide array of advanced communications services over its own state of the art network. It is the leading provider of data and Internet services in the country. Service offerings include: advanced voice, high-speed data communication services, Internet, satellite data communications and corporate networks. Embratel is uniquely positioned to be the all-distance telecommunications network of South America. The Company's network is has countrywide coverage with 28,868 km of fiber cables comprising 1,068,657 km of optic fibers.
