The undersigned, being first duly sworn, deposes and says as follows:

1. The undersigned is an officer of _____, the proposed Transferee of an Ownership Interest in the Class [R/R-X] Certificate (the "Certificate") issued pursuant to the Pooling and Servicing Agreement, (the "Agreement") among Long Beach Securities Corp., as depositor (the "Depositor"), Long Beach Mortgage Company, as master servicer (the "Master Servicer"), Federal National Mortgage Association, as guarantor with respect to the Class I-A Certificates and Class I-S Certificates, First Union National Bank, as trustee (the "Trustee") and Bankers Trust Company of California, N.A., as trust administrator (the "Trust Administrator"). Capitalized terms used, but not defined herein shall have the meanings ascribed to such terms in the Agreement. The Transferee has authorized the undersigned to make this affidavit on behalf of the Transferee.

2. The Transferee is, as of the date hereof and will be, as of the date of the Transfer, a Permitted Transferee. The Transferee is acquiring its Ownership Interest in the Certificate either (i) for its own account or (ii) as nominee, trustee or agent for another Person and has attached hereto an affidavit from such Person in substantially the same form as this affidavit. The Transferee has no knowledge that any such affidavit is false.

3. The Transferee has been advised and understands that (i) a tax will be imposed on Transfers of the Certificate to Persons that are not Permitted Transferees; (ii) such tax will be imposed on the transferor, or, if such Transfer is through an agent (which includes a broker, nominee or middleman) of a Person that is not a Permitted Transferee, on the agent; and (iii) the Person otherwise liable for the tax shall be relieved of liability for the tax if the subsequent Transferee furnished to such Person an affidavit that such subsequent Transferee is a Permitted Transferee and, at the time of Transfer, such Person does not have actual knowledge that the affidavit is false.

4. The Transferee has been advised and understands that a tax will be imposed on a "pass-through entity" holding the Certificate if at any time during the taxable year of the pass-through entity a Person that is not a Permitted Transferee is the record holder of an interest in such entity. The Transferee understands that such tax will not be imposed for any period with respect to which the record holder furnishes to the pass-through entity an affidavit that such record holder is a Permitted Transferee and the pass-through entity does not have actual knowledge that such affidavit is false. (For this purpose, a "pass-through entity" includes a regulated investment company, a real estate investment trust or common trust fund, a

partnership, trust or estate, and certain cooperatives and, except as may be provided in Treasury Regulations, persons holding interests in pass-through entities as a nominee for another Person.)

5. The Transferee has reviewed the provisions of Section 5.02(d) of the Agreement and understands the legal consequences of the acquisition of an Ownership Interest in the Certificate including, without limitation, the restrictions on subsequent Transfers and the provisions regarding voiding the Transfer and mandatory sales. The Transferee expressly agrees to be bound by and to abide by the provisions of Section 5.02(d) of the Agreement and the restrictions noted on the face of the Certificate. The Transferee understands and agrees that any breach of any of the representations included herein shall render the Transfer to the Transferee contemplated hereby null and void.

6. The Transferee agrees to require a Transfer Affidavit from any Person to whom the Transferee attempts to Transfer its Ownership Interest in the Certificate, and in connection with any Transfer by a Person for whom the Transferee is acting as nominee, trustee or agent, and the Transferee will not Transfer its Ownership Interest or cause any Ownership Interest to be Transferred to any Person that the Transferee knows is not a Permitted Transferee. In connection with any such Transfer by the Transferee, the Transferee agrees to deliver to the Trustee a certificate substantially in the form set forth as Exhibit L to the Agreement (a "Transferor Certificate") to the effect that such Transferee has no actual knowledge that the Person to which the Transfer is to be made is not a Permitted Transferee.

7. The Transferee does not have the intention to impede the assessment or collection of any tax legally required to be paid with respect to the Certificate.

8. The Transferee's taxpayer identification number is _____.

9. The Transferee is a U.S. Person as defined in Code Section 7701(a)(30).

10. The Transferee is aware that the Certificate may be "noneconomic residual interests" within the meaning of Treasury regulations promulgated pursuant to the Code and that the transferor of a noneconomic residual interest will remain liable for any taxes due with respect to the income on such residual interest, if a significant purpose of the transfer was to impede the assessment or collection of tax. The Transferee understands that, as the holder of a noneconomic residual interest, the Transferee may incur tax liabilities in excess of any cash flows generated by the Certificate. The Transferee intends to pay taxes associated with holding the Certificate as they become due.

11. The Transferee is not an employee benefit plan that is subject to ERISA or a plan that is subject to Section 4975 of the Code, nor is it acting on behalf of such a plan.

IN WITNESS WHEREOF, the Transferee has caused this instrument to be executed on its behalf, pursuant to authority of its Board of Directors, by its Vice President, attested by its Assistant Secretary, this ___ day of March, 2002.
