PRESS RELEASE

No.TEL.186/PR000/UHI/2002

TELKOM AND T-SYSTEMS INTERNATIONAL CARRIER SALES & SERVICES SIGN MOU IN PROVIDING INTERNATIONAL TELECOMMUNICATIONS SERVICES

Bandung, May 29, 2002 - It is hereby announced that PT. Telekomunikasi Indonesia, Tbk (TELKOM) has signed an MOU with T-Systems International Carr Sales & Services (ICSS), a division of the Deutsche Group, for providing international telecommunications services through access to each others network. The agreement include co-operation in the areas of Voice over Internet Protocol (VoIP), International Toll Free Services (ITFS), Internet Protocol Transit Service and direct bilateral interconnection. TELKOM will also be able to access T System's Telecom Global Net for international connection.

Through the Agreement, T-System ICSS can now offer voice, IP and bandwidth products as well as services such as asynchronous transmission mode (ATM) and frame relay to carriers and enterprise customers in Indonesia. In addition, multinational companies and emerging carriers in Germany and Indonesia can also expect to leverage the enhanced network resulting from this co-operation.

PT Telekomunikasi Indonesia Tbk.

TELKOM is the principal provider of telecommunications services in Indonesia, providing local and domestic long distance telephone services with 7.3 million lines in service as of March 31, 2002. TELKOM either directly or indirectly through its affiliates provides a wide range of other telecommunications services including mobile and fixed cellular, data communications, leased lines and certain value-added services. TELKOM, a majority state-owned company, is one of the largest companies in Indonesia with Net Income Consolidated of Rp 1,498.8 billion as of March 31, 2002.

T - System

With revenue of 13.8 billion euro in 2001, T-System - a division of the Deutsche Telekom Group - is Europe's second largest integrated system provider. By combining expertise in both information technology and communications, it possesses the resources necessary to create true e-business and convergent solutions in the areas of application service providing (ASP), customer relationship management (CRM) and electronic marketplaces. T-Systems currently has approximately 42,000 employees in over 20 countries. The company is based in Frankfurt Germany.

T – Systems International Carrier Sales and Services

Deutsche Telekom AG is Europe's largest telecommunications company and one of the leading carriers world wide – with operations in Europe, the Middle east and Asia, as well as both North and South America. Using the Global network platform, T System's International Carrier Sales & Services offers innovative customized products and services for network providers and carriers, who are looked after locally via a world sales network. The basis of the comprehensive product portfolio (Voice, Bandwidth, IP) is an ultramodern infrastructure – the Telekom Global Net (TGN) – which will ultimately connect to 90 locations in 40 countries world wide.
