Announcement by Paolo Cantarella

After long pondering I thought that a strong discontinuity signal was necessary in these complex moments for the Group and Fiat Auto in particular.

It is therefore with great emotion that I decided to resign, after twenty-five wonderful years of my life spent at Fiat. This to enable the Chairman and the stockholders to take decisions and actions that they will deem more useful for the Company.

I wish to thank Avvocato Agnelli for the confidence he has always entrusted to me, Avvocato Fresco with whom I have worked extremely well, my collaborators and all the people at Fiat for their day-by-day commitment.

Announcement by Avvocato Giovanni Agnelli

Mr. Cantarella informed me about his willingness to resign from his position as Chief Executive Officer and from Fiat, to which he dedicated 25 years of his life.

I am very sorry about his decision, because of the ties that bind Cantarella to the most beautiful moments our Company went through over the last ten years. Fiat Auto's turnaround, after the difficulties of the early '90ies, is strictly bound to the name of Cantarella, as is the Company's worldwide expansion.

The decision to step aside in a time of deep change just honors him.

Also on behalf of all people at Fiat, I would like to thank him for his hard work, his professionalism and his humanity.

Announcement by Mr. Paolo Fresco

I received Mr. Paolo Cantarella's decision to resign with much sorrow. I have always admired Paolo's rigor and loyalty, which he has shown once again at this difficult moment.

In these four years that we have worked side by side, Cantarella has skillfully led a first-level team. The people in charge of the operating Sectors were able to work, and will do so even more in the future, in full autonomy because they possess all necessary levers to lead their companies.

I am confident that the entire team, that I completely trust, will work so that our Group may reach the financial and industrial targets that we set for ourselves.
