Contents

On June 18, 2002, a labor strike began at the Pertigalete cement plant of CEMEX Venezuela, S.A.C.A. ("CEMEX Venezuela"), a significant subsidiary of CEMEX. On the same day, CEMEX Venezuela sent a notice to the Venezuelan Securities Commission (an English translation of which is attached hereto as Exhibit 1) informing them of the strike and stating that it had undertaken the necessary measures to guarantee the continued supply of cement to its markets during the strike. CEMEX Venezuela is currently seeking to resolve the situation with the labor union representing the Pertigalete plant workers. At this early stage, it is not possible for CEMEX to determine the impact, if any, this strike may have on its financial condition and results of operations.
