Dear Sir

### Closure of South Yarra yeast manufacturing facility

As part of our ongoing review of yeast production requirements, the Company has decided to rationalise its manufacturing operations in Australia by ceasing production at our South Yarra facility in Victoria. The closure is expected to be completed by the end of July.

The closure of the South Yarra plant and shift of production will allow greater business efficiencies and more effective utilization of spare capacity within the Asia Pacific region.

We will supply our Australian customers from our yeast manufacturing facilities in Camellia, New South Wales and Toowoomba, Queensland.

Yours faithfully

HELEN GOLDING  
Company Secretary
