PRESS RELEASE

WashTec AG on route to international success

▪ Framework agreement with Agip AG

Augsburg, June 17, 2002 – WashTec AG (security code number 750750), the leading provider of cleaning technology for transport systems, has expanded its international activities and strengthened its position in key markets by concluding an additional framework agreement with an international oil company.

Under the new framework agreement concluded with Agip Deutschland AG, WashTec will supply car washes to the company's networks in Germany, Austria, the Czech Republic, Slovenia, Romania, Hungary and Switzerland. The agreement has a term of two years and covers both the supply and installation of car washes and their servicing.

According to Board Chairman, Wolfgang Decker, this agreement confirms the success of WashTec AG's international sales strategy: "We are convinced that AGIP's decision to appoint WashTec as a supplier reflect not only the high quality of our systems but also our comprehensive service concept as well as our international sales and service network", said Decker.
