MICHAEL PAGE INTERNATIONAL PLC

ANNUAL GENERAL MEETING STATEMENT – 22 May 2002

Lord Wakeham, Chairman, Michael Page International PLC, will make the following announcement at today's Annual General Meeting:

“As indicated at the time of the preliminary announcement of our 2001 results, we said that we expected 2002 to be a difficult and challenging year and that our revenue in the first quarter of 2002 would be no better than the £49.9m achieved in the fourth quarter of 2001.

“Our first quarter 2002 revenue of £49.5m is in line with market expectations.

“The first quarter performance represents a quarterly sequential improvement in the revenue from United Kingdom and Asia Pacific regions with The Americas at a similar level. In Continental Europe we experienced a sequential decline in revenue due to further weakening in the permanent recruitment markets in France, Holland and Germany.

“While continuing to manage the Group on the basis that we expect market conditions to remain challenging in the short term and maintaining our normal tight control over costs, we will continue to make investments for the longer term benefit of the Group and its shareholders.

“I am pleased to announce that the Board has today appointed Adrian Montague as Chairman of Michael Page. I shall be standing aside as Chairman with immediate effect and become Deputy Chairman of the Company.”
