1. Description of the Plan

The following brief description of the Harley-Davidson Retirement Savings Plan for Kansas City Hourly Bargaining Unit Employees (the Plan) is provided for general information purposes only. Participants should refer to the *Summary Plan Description* for more complete information.

General

The Plan, effective November 1, 1997, is a defined contribution plan that covers hourly employees of the Harley-Davidson Motor Company Group, Inc. (the Company) Kansas City plants, subject to a union bargaining agreement and meeting minimum eligibility requirements. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Participants may defer a portion of their compensation, as defined, on a pretax basis through contributions to the Plan. The maximum amount that participants may defer is determined from time to time by the plan administrator but cannot exceed 20% of compensation and is subject to limitations under the Internal Revenue Code (IRC). Company contributions are not permitted.

Participants' Accounts

A separate account is maintained for each participant. The account balances are adjusted on a daily basis for participants' contributions, net investment income, loan fees, and distributions of participants' benefits or withdrawals.

In accordance with plan provisions, participants may direct their contributions to be invested in any combination of 14 investment funds.

The Plan is intended to satisfy the requirements under Section 404(c) of ERISA and therefore provides that participants may choose to direct their contributions and/or all or part of their account balances among any of the Plan's investment alternatives daily.
