METAL STORM LIMITED 2002-06-06 ASX-SIGNAL-G

HOMEX - Brisbane

+++++
Brisbane, Australia - June 6, 2002 - Metal Storm Limited (ASX: MST and Nasdaq Small Cap: MTSX) today announced the appointment of Lieutenant General Daniel W Christman, U.S. Army retired, as a non-executive director of the ballistic technology company,

Metal Storm's Chairman, Bill Owens, said the appointment of General Christman brings to Metal Storm a director with particular strengths in creative leadership, strategic vision and strong business associations. This will enhance the company's capability to develop its relationships with key U.S. and international defence and government agencies, domestic and international industry, and with public and private financial institutions.

"Pan Christman's military and business experience is unique. Dan will add a 'real world' understanding of current and future U.S. military requirements, and a strong sense of the importance of international business relationships," said Bill Owens.

General Christman is President and Executive Director of the Kimsey Foundation, an appointment he has held since July 2001. The Kimsey Foundation is active in education, community development and

international issues; it also supports studies that identify global interdependencies and the United States' role as an engaged and committed world leader.

General Christman was Superintendent of the United States Military Academy at West Point, a position he held from 1996 until he retired from the military in 2001 after 36 years of experience in positions of increasing responsibility in the Army and the U.S. federal government. His command positions included service in Vietnam as an Engineer Company Commander, 101st Airborne Division in 1969-70, Commander 54th Engineer Battalion in Germany in 1980-82, Commander of the Savannah District U.S. Army Corps of Engineers in 1984-86 and Commanding General U.S. Army Engineer Centre and Commandant U.S. Army Engineer School 1991-93.

Prior to his West Point assignment, General Christman served two years as assistant to the Chairman of the Joint Chiefs of Staff in the Pentagon. In that position he travelled with and advised President Clinton's Secretary of State on a broad range of military and national security issues, including arms control with the Russian Federation and Middle East peace negotiations between Israel and Syria. General Christman also represented the U.S. in Belgium as a member of NATO's Military Committee, a position with responsibility in the expansion of NATO, peace enforcement in the Balkans, and military dialogue with Russia. During the Gulf War he headed a strategic planning group that advised the Army's Chief of Staff on war prosecution policies. He also served in President Ford's administration as a member of Henry Kissinger's National Security Council staff, where he shared responsibility for strategic arms control.

General Christman graduated first in his class at the U.S. Military Academy West Point in 1965. He holds master's degrees in civil engineering and public affairs from Princeton University and a law degree with honours from George Washington University. He is a graduate of the Army Command and Staff College and the National War College. He is also a member of the Pennsylvania and Washington, D.C. bars and a member of the Council on Foreign Relations.
