FOR IMMEDIATE RELEASE:

**GTR Group Inc. Announces Corporate Name Change to
Mad Catz Interactive, Inc.**

Company to Begin Trading Under Stock Symbol MCZ

Toronto—September 5, 2001 -- Mad Catz Interactive, Inc., formerly GTR Group Inc. (TSE: GTR, AMEX: GIG), a leading manufacturer of video game accessories, today announced shareholder approval for changing the corporate name to Mad Catz Interactive, Inc.

In conjunction with the name change, the company also announced that the stock exchange symbol for both its Toronto Stock Exchange (TSE) and American Stock Exchange (AMEX) listings would now be MCZ. It is anticipated that trading under the new symbol will commence by mid-September.

Commenting on the name change, Morris Perlis, President and CEO of Mad Catz Interactive, Inc. said, "The decision to change our corporate name to Mad Catz Interactive, Inc. is part of the strategic decision to focus our resources behind the Mad Catz brand and enhance shareholder value. Both the Mad Catz brand and product lines have high visibility among consumers and retailers. Our intent is to leverage that recognition into the Company as a whole. Moreover, as a Company that is the only "pure play" in the accessories business, the Mad Catz name has great resonance with investors."

This year, the company has set several specific objectives designed to enhance shareholder value. These include increasing our overall market share in the accessories business through increased penetration of retail stores, as demonstrated by the company recently being named exclusive supplier of Target's "Get Into the Game" accessories program.

About Mad Catz Interactive, Inc.

Mad Catz Interactive, Inc., (www.madcatz.com), designs, develops, manufactures and markets a full range of accessories for video game consoles and PC gaming systems. Mad Catz is a worldwide leader of innovative peripherals in the interactive entertainment industry. Headquartered in San Diego, California, Mad Catz has offices in the U.S. and Asia, as well as distributors in the U.S., Canada, Europe and Australia.
