Die einde van die lopende boekjaar moet *verleng* word na

30 June 2002

One of the consequences of Sasol's globalisation and growth process is that the

year-end dates of a number of Sasol's offshore subsidiaries are out of line with the current Sasol's year-end of 25 June. It is therefore necessary that the year-end throughout the Sasol Group be extended to 30 June.
