Aloak Announces the Acquisition of ISMG Inc.

London ON — August 13, 2002— Aloak Corp. ("Aloak") is pleased to announce that it has acquired all of the shares of ISMG Inc., of London Ontario in a share for share exchange.

ISMG, <http://www.ismg.com>, a Microsoft Certified Partner, has developed a comprehensive development capability using the latest Microsoft technologies including Microsoft .NET Technologies <http://www.microsoft.com/net/basics/> .NET is infused into the products that make up the Microsoft platform, providing the ability to quickly and reliably build, host, deploy, and utilize secure and connected solutions using XML Web services. The Microsoft platform provides a suite of developer tools, client applications, XML Web services, and servers necessary to participate in this connected world. The Microsoft Certified Partner relationship gives ISMG access to the same technical tools as Microsoft's own employees, allowing the company to better serve its clients in the rapidly evolving e-business industry. Need to learn more about Microsoft® .NET technology and what it can do for you? ISMG is your starting place.

The founders and principals of ISMG Inc., Steve Groves and Brent Pranger have joined the senior operations management team at Aloak and in addition to an impressive client list and development team, bring valuable experience and expertise to Aloak's marketing and project development capabilities.

ISMG has successfully completed a number of application development projects for major corporate clients in North America and Europe enabling them to capitalize on the business advantages made available by Internet technologies. Major clients include Pitney Bowes Management Services, MoDo Sweden, London Health Sciences Foundation, London Hydro, UWO Dept of Graphic Services. Additionally, ISMG has developed a number of proprietary business applications which compliment the product assortment developed at Aloak over the past two years. According to Jack Ross, President of Aloak Inc., "The addition of ISMG capabilities and expertise rounds out the Aloak service offering enabling us to satisfy the needs of organizations of any size looking to use the latest Internet technologies. We expect a significant immediate impact on Aloak revenues and profitability resulting directly from this combination."
